Exhibit A

Overview
As a result of our fiscal crisis, we are exploring the possibility of offering an early retirement incentive payout to active regular, permanent, employees. Participation is voluntary and subject to FCCD Trustees approval. We project salary savings of approximately $2 million contingent on the composition of the group which accepts the offer and our non-replacement/smart hiring strategy. Projected salary savings is based on 20 faculty and 10 staff electing the incentive after April 4 and before April 29, 2011. We are cognizant of staffing ratios required by the California Ed Code and retain the authority to withdraw the incentive if the ratios are askew.

Eligibility Criteria
A one-time cash incentive is being offered to current faculty and staff who meet age and service requirements and who are on pay status as of the effective date of their election. Faculty members are expected to resign no earlier than May 27, 2011.

Kaiser Foundation Health Plan Arbitration Agreement:

I understand that (except for Small Claims Court cases, claims subject to a Medicare appeals procedure, and, if my Group must comply with ERISA, certain benefit-related disputes) any dispute between myself, my heirs, relatives, or other associated parties on the one hand and Health Plan, its health care providers, or other associated parties on the other hand, for alleged violation of any duty arising out of or related to membership in Health Plan, including any claim for medical or hospital malpractice (a claim that medical services were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), for premises liability, or relating to the coverage for, or delivery of, services or items, irrespective of legal theory, must be decided by binding arbitration under California law and not by lawsuit or resort to court process, except as applicable law provides for judicial review of arbitration proceedings. I agree to give up our right to a jury trial and accept the use of binding arbitration. I understand that the full arbitration provision is contained in the Evidence of Coverage.

9. CORESOURCE ENROLLEES MUST READ AND SIGN:

I attest by signing below that I have reviewed the information provided on this application and to the best of my knowledge and belief; it is true and accurate with no omissions or misstatements.

ARBITRATION AGREEMENT: If your coverage is under a private employer plan governed by ERISA (Employment Retirement Income Security Act of 1974), certain disputes may not be subject to the following arbitration provisions:

I understand that any and all disputes between myself (and/or any enrolled family member) and CoreSource for medical malpractice, must be resolved by binding arbitration, if the amount in dispute exceeds the jurisdictional limit of the Small Claims Court, and not by lawsuit or resort to court process, except as California law provides for judicial review of arbitration proceedings. Under this coverage, both the member and CoreSource are giving up the right to have any dispute decided in a court of law before a jury. CoreSource and the member also agree to give up any right to pursue on a class basis any claim or controversy against the other. For more information regarding binding arbitration, please refer to your Evidence of Coverage/Certificate.

If I am enrolled in an employer-sponsored benefit plan that is subject to ERISA (Employee Retirement Income Security Act of 1974, 29 U.S.C. section 1001, et seq.) I understand that any dispute involving an adverse benefit determination for a health claim may not be subject to mandatory binding arbitration. However, I further understand that any dispute I may have with respect to an adverse benefit determination for a health claim may be submitted to voluntary binding arbitration after the ERISA claim appeal process is completed.

A group health plan makes coverage effective on the first day of the month following your initial date of hire and on each open enrollment period following. Open enrollment generally occurs in February and August of each calendar for adjunct employees and in October of each year for all other employees.

The District's self-funded plan administered by CoreSource plan imposes a 6-month maximum pre-existing condition exclusion (18 months for late enrollees) and uses a 6-month look back period. As part of the enrollment application materials, the plan provides the following statement:

This plan imposes a pre-existing condition exclusion. This means that if you have a medical condition before coming to our plan, you might have to wait a certain period of time before the plan will provide coverage for that condition. This exclusion applies only to conditions for which medical advice, diagnosis, care, or treatment recommended or received within a 6-month period. Generally, this 6-month period ends on the day before the waiting period begins. The pre-existing condition exclusion does not apply to pregnancy or to a child who is enrolled in the plan within 30 days after birth, adoption, or placement for adoption.

This exclusion may last up to 6 months (18 months if you are a late enrollee) from your first day of coverage, or, if you were in a waiting period, from the first day of your waiting period. However, you can reduce the length of this exclusion period by the number of days of your prior creditable coverage. Most prior health coverage is creditable and can be used to reduce the pre-existing condition exclusion if you have not experienced a break in coverage of at least 53 days. To reduce the 6 months (18 months if you are late enrollee) exclusion period by your creditable coverage, you should give us a copy of any certificates of creditable coverage you have. If you do not have a certificate, but you do have prior health coverage, we will help you obtain one from your prior plan or issuer. There are also other ways that you can show you have creditable coverage. Please contact us if you need help demonstrating creditable coverage.

All questions about the pre-existing condition exclusion and creditable coverage should be directed to:

It is Hereby Agreed by the Employer and the Employee that the certain valid existing employment contract (written or otherwise) made and entered into by and between the Employer and Employee be amended by salary reduction in the manner described above, and this Salary Reduction Agreement be incorporated therein by reference and made a part thereof as if set out therein in full, as of the date of this Salary Reduction Agreement ("agreement").

(See Page 2 – OVER)
This Agreement supersedes and replaces all previous Agreement(s) naming the providers designated above. Employee agrees that no more than one Salary Reduction Agreement may be in effect at any time, listing all 403(b) (TSA and Roth) and/or DCP/457(b) accounts to which payments are made by the Employer, and that this Agreement can only be effective with respect to compensation not yet received or made available to the Employee.

1. Employee releases any rights, present or future, to receive payment from the Employer of sums resulting from such Agreement in any form except (a) the right of the Employee’s estate to receipt of sums so paid at death, or (b) the right to the Employee upon termination of employment by reason other than death, to personally receive all or any part of the amount specified for which service has been rendered but which has not been transmitted to the designated provider(s).

2. This Agreement shall automatically apply to the employment contract entered into between the Employer and Employee for each succeeding calendar year unless amended or terminated by a thirty (30) day written notice to the Administrator of the Plans.

3. Employee acknowledges that:

a. For purposes of this Agreement, the “Accommodating Parties” are the Employer, its governing board, the County Superintendent of Schools, and officers and employees respectively. The Accommodating Parties do not recommend to any individual employee participation in the 403(b) (TSA and Roth) and/or DCP/457(b) Plan. The fact that a particular investment option may be available under the Employer’s 403(b) (TSA and Roth) and/or DCP/457(b) Plan does not constitute an endorsement, recommendation, or approval of any kind by any of the Accommodating Parties, and they do not warrant any particular tax consequence to the employees who elect to participate.

b. Employer agrees to contribute any amounts on Employee’s behalf into the 402(b) annuity/so or custodial account(s) selected by Employee with the prior identification of pre-tax contributions and after-tax Roth 403(b) contributions to aid in proper allocation to segregated accounts by the Service Provider(s). It is intended that the requirements of all applicable state and federal tax rules and regulations (Applicable Law) will be met.

c. Any amounts held under the DCP/457(b) Plan shall be subject to the terms of the Plan Document, and amounts held in either the 457(b) Plan or 403(b) (TSA and Roth) Plan for Employee shall be subject to federal and state statutes, and to any terms, conditions and restrictions imposed by any investment option in which Employee’s deferrals are invested. Any amounts contributed to the 457(b) Plan, and any earnings thereon, shall be held in Trust as defined in Section 401(f) of the Code for the exclusive benefit of Employee and Employee’s beneficiary or in an annuity contract or custodial account as defined in IRC 401(k). Any amounts contributed to the 403(b) Plan and earnings thereon shall be held in IRC 403(b) Amenity Contracts, or IRC 403(b)(7) custodial accounts. Any amounts contributed to the 403(b) Roth Plan and earnings thereon shall be held in IRC 403A Roth accounts.

d. Employee has elected to participate, and has determined the amounts of salary reduction and the investment options into which such amounts shall be invested, and has not relied in any manner on the Accommodating Parties. Employee acknowledges that 403(b) (TSA and Roth) investment choices are limited solely to those that are vendors properly registered with the California State Teachers’ Retirement System, in accordance with California law. Employee further understands that comparative data regarding the available products is available to employee on web site www.403bcompare.com.

e. In selecting among the available investment options, Employee understands that equity-based options may result in loss of all or a portion of the contributions, and other types of accounts may include surrender or withdrawal charges for a specific period of time.

f. The Salary Reduction Contribution Amounts ("SRCA") selected by Employee do not exceed the maximum allowable contribution ("MAC") limits that may be excluded from gross income under the applicable provisions of the Tax Code regardless of the number of accounts to which contributions are being made; and Employee further agrees that Employer or designee may amend the SRCA and/or suspend any portion thereof, so as to permit the Employee to exceed his/her MAC limits, and authorizes Employer or designee to then restate the previous SRCA effective with the first payroll period of the following tax year; and Employee further acknowledges that Administrator and/or Employer may require corrective distributions if Employee’s MAC limits are exceeded.

g. Employee acknowledges that the Administrator and/or Employer may terminate this Agreement at any time in the event the employee, or the provider of the investment options under the Plans, fails to comply with the 457(b) and/or 403(b) Plan federal and state regulations and/or the procedures and/or rules established by the Administrator and/or Employer. This will include violation of any other applicable Agreements with the Employer.

h. Employee certifies that he or she has received a prospectus (in the case of an equity investment option) or similar disclosure document, including, if applicable, a copy of the annuity contract and understands any applicable sales and/or management fees or other charges.

4. Employee agrees that the Accommodating Parties shall have no liability whatsoever for any loss suffered by the Employee with regard to the selection of a provider and its investment options; or the operation, or of, or benefits provided by said provider; nor liability for any loss suffered by Employee by reason of the withdrawal of any funds pursuant to this or any other Agreement.

5. Employee acknowledges that there are rules set forth in IRC Sections 457(b), 402(g), 415(c), and 414(v) of the Code that limit the maximum amount of salary reduction that can be made in any calendar year; that Employee, Employer, and/or Administrator may require knowledge of the Employee’s current and past participation in salary reduction programs of the Employer and/or any other employer to determine the MAC limits. Furthermore, as it relates to 403(b) Plans, Employee acknowledges that the total of the pre-tax contributions and the after-tax Roth 403(b) contributions cannot exceed the elective deferrals limits of IRC 402(g) and, if applicable the age 50+ catch up option under IRC 414(v).

6. Employee agrees that all computations in connection with the determination of the amount of the salary reduction hereby authorized shall be made based on the actuarial information provided by Employer. Employee agrees to provide signed certification of the correctness of the information and/or computations as the Employer and/or Administrator may require; Employee agrees to provide accurate information on which to base those computations. In no event will the Accommodating Parties, its officers, or employees be responsible for the computations.

7. The Employee agrees to hold harmless and indemnify the Accommodating Parties from any and all damages that may result from Employee’s participation in the Employer’s 403(b) (TSA and Roth) and/or DCP/457(b) Plans, and further agrees to hold harmless and indemnify the Accommodating Parties and the Administrator from any and all damages that may result including any incorrect calculation of Employee’s MAC limits due to incorrect information provided by Employer. Indemnification from damages shall include any tax, interest, penalties or assessments or related costs that may be incurred by or imposed upon the Accommodating Parties and/or Administrator. The Employee agrees and authorizes the Employer to recover indemnification through payroll deduction or, at the option of the Employer, through any other legal process.

EMPLOYEE ACKNOWLEDGES that Employee has read, understands, and agrees to the terms and conditions set forth above. Employee further understands that a termination of salary reduction contributions to a provider that has not complied with or maintained registration in conformance with California law relating to those registration requirements will mean that Employee may not receive contributions later to that non-conforming provider. IN WITNESS WHEREOF, this Agreement has been executed by and on behalf of the parties hereto and the Employee has read and understands the terms and conditions listed on the reverse side of this form. Application materials must also be on file with your selected vendor(s).
