Employees who are part time, seasonal or temporary may be eligible for the Accumulation Program for Part-time and Limited Service Employees (APPLE). Your mandatory contribution is 3.75% of eligible salary; the District contributes 3.75% of your eligible salary to this plan.

The contribution rate is based on the academic term (10, 11 or 12 month) assigned to the faculty member and is tax deferred. The District currently contributes 8.25% of the member’s annual salary to the STRS fund (refer to the Monthly Contribution Table enclosed).

Part time educators may be eligible for participation in the defined benefit plan Cash Balance Benefit Program. Both the employee and employer contribute 4% of salary to this retirement fund.

Frequently Asked Questions

Q1. How can I obtain a list of all in-network providers?
A: Locating in-network providers is easy for both Anthem Blue Cross and PHCS by accessing their websites.

Anthem Blue Cross
- [www.anthem.com/ca](http://www.anthem.com/ca)
- Click on “Find a doctor”
- Answer the questions and click on “search”
- Print your list by clicking on the print button at the top of the page
- Or call [1.866.280.4120](tel:1.866.280.4120)

PHCS (for out-of-state) residents
- [www.phcs.com](http://www.phcs.com)
- Select PHCS Network (PPO) and click on “submit”
- Choose “doctor” or “facility” and click “continue”
- Answer the questions and click “continue”
- Print your list by clicking on “printer friendly” at the top of the page
- Or call [1.800.371.4803](tel:1.800.371.4803)

Q2. How can I be sure that a provider is in the Anthem Blue Cross PPO Network? If I call a provider here in the Bay Area, and they say that they are a part of the Anthem Blue Cross Network, is that enough? Or do I need to call CoreSource? Or Anthem Blue Cross? Or Check a website.
A: You will need to call Anthem Blue Cross and confirm with the doctor that the doctor is a contracted provider at each point of service. (See FAQ 1).

Q3. If I enroll in the PPO “Traditional” Plan and pay premiums while employed, do I continue to pay that premium after I retire?
A: Yes. Currently Benefit Dynamics is our billing agent. The billing process is reviewed during the retirement appointment with the District’s Benefits Office. Because rates change each July 1, you will be notified of new rates within 60 days of a premium change.

Q4. Cash-in-lieu of benefits—What are they?
A: Effective July 1, 2012, District contract & regular benefit eligible employees now have the opportunity to decline Peralta medical and dental coverage and receive $225 per month in lieu of medical insurance and $25 per month in lieu of dental insurance with PCDD. To be eligible, the Benefits office must receive written proof of other comparable group medical and dental insurance. Medicare, COBRA and Individual Health Plans do NOT qualify as other medical insurance coverage.

To enroll in the cash-in-lieu benefit:
1. Obtain written proof of current group health care coverage. The required proof is a letter verifying insurance and a copy of the plan’s Evidence of Coverage (EOC) or Summary Plan Description (SPD); and
2. Submit the written proof to the Benefits Office; and
3. Complete and submit the Waiver of Medical and Dental Insurance Form; and
4. Agree to notify the district within 30 days of loss of coverage under the other plan.

Q5. What determines my eligibility for medical and dental benefits as an active employee?
A: Benefit eligibility is determined by your union affiliation and the number of hours you are expected to work in a permanent or temporary assignment. Full-Time Equivalency (FTE) determines the range of benefits for which the employee is eligible. To be eligible for 100% of the District cost for medical and dental insurance, the employee should have a 1.0 FTE as assigned by the department.

Q6. What happens to my coverage if I get married have a child or adopt a child?
A: If you experience any of the following events, you have a special enrollment right under the Health Insurance Portability & Accountability Act (HIPAA). You are entitled to elect or change your benefit plans with no late entrant penalties. You must notify the benefits administrator within 30 days of the event.

- Marriage, divorce or legal separation
- Birth, adoption or placement for adoption
- Moving outside of an HMO service area
- Loss of other group coverage

Furthermore, if you are an employee who is eligible for coverage but not enrolled, you shall be eligible to enroll for coverage within 60 days after (a) becoming ineligible for coverage under a Medicaid, Children’s Health Insurance Plan (CHIP); or (b) being determined to be eligible for financial assistance under a Medicaid, CHIP, or state plan with respect
to coverage under the plan. Employers that sponsor group health plans must notify employees of any premium assistance that is available to them under a Medicaid or CHIP plan with respect to coverage under the plan.

Q7: What happens if I claim an ineligible dependent on my benefits?
A: If the District, its representatives or benefit carriers suffer any loss or pay any claims because of a false statement contained in any benefit enrollment / change forms or your failure to notify the District of the termination or change of any dependent status (i.e. divorce, termination of domestic partnership, over-age dependent, legal separation), Peralta may bring a civil action to recover its losses, including reasonable attorney fees.

Q8: Who is eligible as a dependent under my benefit plans?
A: Your eligible dependents are as follows:
   1. Your spouse;
   2. Your domestic partner (please check with the Benefits Administrator, as you may be required to complete an affidavit of domestic partnership); and
   3. Your dependent children up to age 26 (including adopted children, and children of your spouse or domestic partner).

Q9: What if there is an error on my July 31, 2012 paycheck?
A: From time-to-time paycheck deductions are incorrect, currently, when matters are brought to the attention of the Benefits Office, we log the customer service issue and track the issue to closure.

Q10: Will my premiums be taken out on a pre-tax basis automatically?
A: Yes. Deductions will be taken on a pre-tax basis unless you instruct us to deduct on an after-tax basis.

Q11: If I elect and enroll in a benefit plan for which premiums are required, am I paying for benefits in advance or arrears?
A: Employee contributions are taken in arrears. This means that you pay for your coverage at the end of the month.

Q12: Domestic Partners & Imputed Income-If I add a domestic partner to the coverage, how is my pay check affected?
A: You can add a domestic partner to your medical and dental insurance. However, the IRS requires that you be taxed on the value of the premium attributable to the domestic partner. In other words, your gross taxable income is increased by the amount of the insurance premium paid on behalf of the domestic partner. Still confusing? Here is an example of imputed income for an employee coverage of a domestic partner on the Kaiser HMO plan:

A: Change of Address forms are available on the Peralta website at http://web.peralta.edu/hr/hr-documents-forms/. The form is available in either Word or PDF format. After completing the form, you may return it in one of three ways:

1. Drop it off at the front desk in Human Resources at the District Administrative Center; or

**What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?**

If you decide to join a Medicare drug plan, your current PCCD coverage will be affected. If you elect Medicare Part D and are enrolled on the Kaiser Senior Advantage plan, your coverage under the District WILL be canceled and coverage may not be reinstated until the next open enrollment period. If you do decide to join a Medicare drug plan and drop your current PCCD coverage, be aware that you and your dependents will not be able to get this coverage back until the next open enrollment period.

**When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?**

You should also know that if you drop or lose your current coverage with PCCD and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to join.

**For More Information About This Notice or Your Current Prescription Drug Coverage...**

For further information call the PCCD Benefits Office at 510.466.7229. NOTE: You’ll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through PCCD changes. You also may request a copy of this notice at any time.

**For More Information About Your Options Under Medicare Prescription Drug Coverage...**

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help.
- Call 1.800.MEDICARE 1.800.633.4227. TTY users should call 1.877.486.2048.

If you have limited income and resources, help paying for Medicare prescription drug coverage is available. Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Important Notice from PCCD About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with PCCD and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. PCCD has determined that the prescription drug coverage offered by Kaiser and CoreSource are, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

Highlights of the 2012 Medicare Prescription Drug benefit:

- Minimal monthly premium (varies depending on the plan you choose)
  - $320 annual deductible
  - Medicare will cover 75% of the drug cost up to $2,930.00 (annually)
  - Any costs between the $2,930 and $4,700.00 are paid for by employee or retiree
  - When an employee drug bill exceed $4,700.00, Medicare will cover 95% of any costs above that ceiling.

*Co-pays are based on formulary determination and whether or not mail order is used.
*The District reimburses co-pays in accordance prevailing Collective Bargaining Agreements.

As you can see, your existing coverage is on average at least as good as standard Medicare prescription drug coverage. You can keep this coverage and not pay extra if you later decide to enroll in Medicare prescription drug coverage.

When Can You Join A Medicare Drug Plan?

Although your District-sponsored plans are better than the federal Medicare D Plan, we are required to inform you that you can join a Medicare drug plan when you first become eligible for Medicare and each year from Oct. 15th through Dec. 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.
Your Rights Under the Women’s Health and Cancer Rights Act

All covered family members must read this notice summarizing your rights under the Women’s Health and Cancer Rights Act.

What is the Women’s Health and Cancer Rights Act?
The Women’s Health and Cancer Rights Act (WHCRA) provides protections for mastectomy patients who choose to have breast reconstruction in connection with a mastectomy. The WHCRA applies only to those group health plans and health insurers that cover benefits for mastectomies; it does not require health plans to pay for mastectomies. But for plans that do provide coverage for mastectomies, the WHCRA requires coverage for reconstruction as well. According to the U.S. Department of Labor, the WHCRA is not limited to cancer patients; this law should cover anyone seeking reconstruction after a mastectomy for any reason.

For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

1. All stages of reconstruction of the breast on which the mastectomy was performed;
2. Surgery and reconstruction of the other breast to produce a symmetrical appearance;
3. Prostheses (e.g. breast implant); and
4. Treatment for physical complications of the mastectomy, including lymph edema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. NOTE: State laws may broaden federal WHCRA rights. Please read your Summary Plan Description, contact human resources, or contact our benefits broker, PSW Benefit Resources at 1.877.866.2623, for complete details on your plan benefits. More information about the WHCRA may be obtained by calling the Employee Benefits Security Administration of the U.S. Department of Labor toll-free at: 1.866.444.3272.

Notification of Pre-Existing Condition Limitation

A group health plan makes coverage effective on the first of the month following your initial date of hire and on each open enrollment period following. Open enrollment generally occurs in February and August of each calendar for adjunct employees and in May of each year for all other employees.

The District’s self-funded plan administered by CoreSource plan imposes a 6-month maximum pre-existing condition exclusion (18 months for late enrollees) and uses a 6-month look back period. As part of the enrollment application materials, the plan provides the following statement:

This plan imposes a pre-existing condition exclusion for all eligible participants age 19 and over. This means that if you have a medical condition before coming to our plan, you might have to wait a certain period of time before the plan will provide coverage for that condition. This exclusion applies only to conditions for which medical advice, diagnosis, care, or treatment recommended or received within a 6-month period. Generally, this 6-month period ends on the day before the waiting period begins. The pre-existing condition exclusion does not apply to pregnancy or to a child who is enrolled in the plan within 30 days after birth, adoption, or placement for adoption.

This exclusion may last up to 6 months (18 months if you are a late enrollee) from your first day of coverage, or, if you were in a waiting period, from the first day of your waiting period. However, you can reduce the length of this exclusion period by the number of days of your prior creditable coverage. Most prior health coverage is creditable and can be used to reduce the pre-existing condition exclusion if you have not experienced a break in coverage of at least 63 days. To reduce the 6 months (18 months if you are a late enrollee) exclusion period by your creditable coverage, you should give us a copy of any certificates of creditable coverage you have. If you do not have a certificate, but you do have prior health coverage, we will help you obtain one from your prior plan or issuer. There are also other ways that you can show you have creditable coverage. Please contact us if you need help demonstrating creditable coverage.

All questions about the pre-existing condition exclusion and creditable coverage should be directed to: Jennifer Seibert, District Benefits Manager; Peralta Community College District; 333 East 8th Street, Oakland, CA 94606; Phone number: 510.466.7229; Email: jseibert@peralta.edu

Overage Dependent Status (aka Michelle’s Law)

This mandate requires an insurance company to continue medical coverage for an overage dependent that is away from school due to a medical leave of absence. This mandate requires that a dependent child’s coverage can continue for 12 months or until the date on which the coverage is scheduled to end according to the terms and conditions of the plan, whichever occurs first. After this time, if the overage dependent is unable to return to school, he or she will need to apply for individual coverage through COBRA, HIPAA or for disabled coverage under the parent/guardian’s plan. An employee is required to notify the insurance company AND the employer within 30 days before the leave begins if the leave is known about in advance or within 30 days after the start date of an unplanned medical leave of absence. The carrier will also request a signed note from the attending physician stating the medical necessity, the diagnosis code, leave start date (and end date if known) and the physicians name, date and signature.

Statement of Rights Under the Newborns’ & Mothers’ Health Protection Act

Under Federal law, benefits for any hospital length of stay in connection with childbirth for the mother or newborn child may not be limited to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. Federal law does not prohibit the mother’s or newborn’s attending provider, after consultation with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In addition, Federal law states that carriers may NOT require providers / members to obtain authorization from the plan for prescribing a length of stay not in excess of 48 hours (or 96 hours).
**OUR LEGAL DUTY**

**GENERAL NOTICE OF COBRA CONTINUATION RIGHTS**

**Introduction**

You are receiving this notice because you have recently become covered under Peralta Community College District Health Plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. The right to COBRA continuation coverage was created by a federal law, called the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage may become available to you and to other members of your family who are covered under the Plan when you would otherwise lose your group health coverage. This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it. This notice gives only a summary of your COBRA continuation coverage rights. For more information about your rights and obligations under the Plan and under federal law, you should either review the Plan’s Summary Plan Description or get a copy of the Plan Document from the Plan Administrator.

The Plan Administrator is: Jennifer Seibert, District Benefits Manager, Peralta Community College District, 333 East 8th Street, Oakland CA 94606, (510) 466-7229

**COBRA Continuation Coverage**

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a “qualifying event.” Specific qualifying events are listed later in this notice. COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” A qualified beneficiary is someone who will lose coverage under the Plan because of a qualifying event. Depending on the type of qualifying event, employees, spouses of employees, and dependent children of employees may be qualified beneficiaries. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than gross misconduct

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies; or
- Your spouse’s hours of employment are reduced; or
- Your spouse’s employment ends for any reason other than his or her gross misconduct; or
- Your spouse becomes enrolled in Medicare (Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happen:

- The parent – employee dies; or
- The parent – employee’s hours of employment are reduced; or
- The parent – employee’s employment ends for any reason other than his or her gross misconduct; or
- The parent – employee becomes enrolled in Medicare (Part A, Part B, or both); or
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the plan as a “dependent child.”

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee or enrollment of the employee in Medicare (Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event within 30 days following the date coverage ends.

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child’s losing eligibility for coverage as a dependent child), you must notify the Plan Administrator. The Plan requires you to notify the Plan Administrator within 60 days after the qualifying event occurs. You must send this notice to: Jennifer Seibert, District Benefits Manager, Peralta Community College District, 333 East 8th Street, Oakland CA 94606, (510) 466-7229

In addition, the employee or family member must notify Peralta Community College District within 30 days of the birth to or placement for adoption of a child of an individual receiving continuation coverage. The child born to or placed for adoption is also eligible for coverage. If desired, the parent who is currently a qualified beneficiary may change coverage status from individual coverage to family coverage to add the new child.

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. For each qualified beneficiary who elects COBRA continuation coverage, COBRA continuation coverage will begin on the date that Plan coverage would otherwise have been lost.

COBRA continuation coverage is temporary continuation coverage. When the qualifying event is the death of the employee, enrollment of the employee in Medicare (Part A, Part B or both) your divorce or legal separation, or a dependent child losing eligibility as a dependent child, COBRA continuation will last up to 36 months.

When the qualifying event is the end of employment or reduction of work hours, COBRA continuation coverage lasts for up to 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

Disability Extension of 18-Month Period of Continuation Coverage
If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled at any time during the first 60 days of the COBRA continuation coverage and you notify the Plan Administrator in a timely fashion, you and your entire family can receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. You must make sure that the Plan Administrator is notified of the determination and before the end of the 18-month period of COBRA continuation coverage. This notice should be sent to Peralta Community College District.

Second Qualifying Event Extension of 18-Month Period of Continuation Coverage
If your family experiences another qualifying event while receiving COBRA continuation coverage, the spouse and dependent children in your family can get additional months of COBRA continuation coverage, up to a maximum of 36 months. This extension is available to the spouse and dependent children if the former employee dies, enrolls in Medicare (Part A, Part B, or both), or gets divorced or legally separated. The extension is also available to a dependent child when the child stops being eligible under the Plan as a dependent child. In all of these cases, you must make sure that the Plan Administrator is notified of the second qualifying event within 60 days of the second qualifying event. This notice must be sent to Peralta Community College District.
