

Access on the GO

CoreSource, your health benefits administrator, is expanding its suite of consumer-engagement tools and now offers a mobile app to help you keep track of your benefits information while you're on the go, anytime day or night.

The mobile app provides an easier way for members to:

See their deductible and out-of-pocket maximum

Access other important benefits information

Show their ID card to providers

Find a doctor

View claims status

Contact CoreSource

Download the app today from the App Store from Apple or Google Play.
