

Enrollment Period Extended!

Due to the recent tragic wildfires in the Northern California area, we have extended the One-Time Long-Term Care Insurance Enrollment Period to December 29, 2017.

This is the last time we can offer this program, and it won't be back next year!

Last Chance for female applicants to receive Unisex Rates! (Female applicants pay higher rates outside of this college group offering.)¹

Last Chance to apply for long term care insurance and answer only 10 health questions. This simplified underwriting applies to employees working 20+ hours/week, ages 18 - 65.²

Last Chance to qualify for family discounts. Apply now and qualify for a 5% permanent discount! (Permanent discounts for employees and family members.)

APPOINTMENTS ARE STILL AVAILABLE!

Call toll free **800-269-2622 x 119** to set up an Individual Appointment; or

Appointments are available in person and online via Webinar on nights and weekends.

We invite you to include your spouse or domestic partner in these discussions.

¹Unisex rates available to employees and family members; most individual LTCI offerings employ gender based pricing, where rates for females are more expensive.

²Benefit eligible employees are actively at work employees ages 18 – 79. All family members will undergo full health screening
