
 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit [web.peralta.edu/benefits](http://web.peralta.edu/benefits) or call 1-510-466-7229. Important Questions	Answers	Why This Matters:
<p>What is the overall <a href="#">deductible</a>?</p>	<p>\$100 person/\$300 family (3 individuals)</p>	<p>Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this plan begins to pay.                      If you have other family members on the <a href="#">plan</a>, each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a>.</p>
<p>Are there services covered before you meet your <a href="#">deductible</a>?</p>	<p>Deductible doesn't apply to emergency room services, ambulance services, the prescription drug program and the following <a href="#">preferred provider</a> services: office visits, chiropractic care and preventive care.</p>	<p>This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply.                      For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a>. See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
<p>Are there other <a href="#">deductibles</a> for specific services?</p>	<p>No.</p>	<p>You don't have to meet <a href="#">deductibles</a> for specific services.</p>
<p>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</p>	<p><b>Preferred Providers:</b>                      \$300 person/\$900 family (3 individuals)  <b>Nonpreferred Providers:</b>                      \$1,000 person/\$3,000 family  <b>Prescription Drugs from Participating Pharmacies:</b>                      \$6,300 person/\$12,300 family</p>	<p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a>, they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.</p>
<p>What is not included in the <a href="#">out-of-pocket limit</a>?</p>	<p>Penalties for failure to pre-certify services, drug copays from non-participating pharmacies, <a href="#">premiums</a>, <a href="#">balance-billing</a> charges, and health care this plan doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>.</p>

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.anthem.com/ca">www.anthem.com/ca</a> or call 1-866-280-4120 for a list of network providers.	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
