NOTICE INVITING BIDS

The Peralta Community College District is calling for sealed bids for (Bid No.: 11-12/09) for the Districtwide Security Surveillance Project, Increment 2 Cameras, Servers and Infrastructure to be delivered to the Purchasing Department, at 501 5th Avenue, Oakland, California, 94606, until 2:00 p.m., on November 3, 2011. Qualification is mandatory and required with submission of your bid.

This project involves the purchase, staging, installation, configuration, and programming of all components to this project. Cabling and electrical work will need to be included as part of this project. Servers must be fully configured to District Standards and will then be returned for racking, mounting, and further installation of Camera Operating System. Existing surveillance cameras at the District Office, Berkeley City College, Laney College, and Merritt College will be integrated to the new system from existing infrastructures and converting analog to digital feeds. All new and existing cameras, wireless access points and infrastructure points must be mounted using specified mounts. Existing PCCD patch panels will be used in the MDF/IDF Rooms where possible. The chosen contractor must perform all required upgrades to existing switches and installation of new switches to support the system. The contractor will purchase and install the new signs in designated locations on each campus during camera installation. The contractor will work with all existing equipment, existing command center console and monitors currently installed in the Police Services Control Center (Increment 1) to assure a seamless integration of all security and surveillance equipment and protocol for optimal function.

This is a Public Works and Project Labor Agreement (PLA) project, and will require payment of prevailing wages. The successful Bidder will be required to sign a Letter of Assent agreeing to the terms and conditions of the District’s PLA. In order to perform the work, Bidders at the time of the Bid Opening and for the duration of the project shall possess a valid California Contractor's license: Class C-10 & C-7. This project comprises all work to furnish and install all electrical, data infrastructure, hard building construction to include structural and extension work to the existing building. This project will support the installation of the Police Services Control Center Project, Increment 1 recently completed under a separate contract.

A mandatory bidders’ conference will be held October 18, 2011 and walk thru on October 18, 2011 and October 19, 2011 at 10:00 a.m. beginning at the Department of General Services, Main conference room, 333 E. 8th Street, Oakland and will conclude with a pre-bid walk through one of the campuses.

All bids shall be presented in accordance with the bid specifications for this project. Bid documents and specifications will be available for purchase by October 10, 2011 at the District Office of General Services. Contact Jeff Cook, project manager at jcook@peralta.edu for more information. Bid Documents will not be available on the District website. A Non-Disclosure Agreement must be signed by the pre-qualified vendor when receiving these bid documents.

Publication Dates: October 5, 2011 and October 12, 2011
