

# GRADUATE & TRANSFER FASTER THAN EVER WITH

# AB 705

It's a NEW DAY, there's a NEW WAY for you to graduate and transfer faster than ever before. See a counselor for more information and visit [www.peralta.edu/academicaffairs/ab705atpccd](http://www.peralta.edu/academicaffairs/ab705atpccd) for a full description of the new California state law called AB 705.

## WHAT'S OLD

- **Placement tests** that didn't do a very good job of properly placing students into the math and English classes right for them. That's old!
- **Semester after semester of below-college-level math and English courses** that delayed students from reaching their graduation and transfer goals. That's old!
- Math & English **courses that didn't give students enough time with their instructors** to really help them succeed. That's old!

## WHAT'S NEW

- **No more placement test for math and English.** Almost all students are now placed directly into college and transfer-level courses, making it faster to complete your graduation and transfer goals.
- **More classroom support is now available for your math and English classes.** These classes offer additional one-on-one and small group learning with faculty. These "supplemental" courses are required for some students (based on high school gpa) but are open to all students.
- **Taking math and English right away** as you enter college for the first time or are returning back to college is key to your success. Our aim is to support students in successfully passing college-level math and English in your first year.
