

Method of Disclosure – Consumer Information

The Peralta Community Colleges Financial Aid Office(s) provides information through various channels, including the Financial Aid Section of each of the four Peralta Colleges website, the Peralta District website, our PeopleSoft Student Service Passport portal, e-mails and catalogs (electronic and print). The PCCD FAOs e-mail a variety of important information to the student's primary institutional peralta.edu e-mail address. The FAO will use this as the primary means of contacting the students. The FAO will utilize the main campus web site to notify students of any targeted or general announcements. Students may find other consumer information topics throughout the Peralta.edu web site.
