SPRING 2013
$500.00
John and Deborah Tunis Scholarship Award

This $500 scholarship is available to support female students who demonstrate financial need, outstanding academic achievement, and an interest in pursuing their career and degree in one of three categories: math/science including the health sciences, business/industry, or vocational education. Additional criteria include the applicant’s volunteer and community service activities and achievements.

The scholarship will be awarded to a qualifying student currently enrolled in one of the Peralta Colleges. The recipient will be selected from four semi-finalists – one from each college – upon review of applications by the Tunis family.

Criteria Requirements:
- Complete the Master Scholarship application, including all requested financial information
- 3.0 grade point average or greater
- Most recent official transcript
- A minimum of three (3) completed semesters at one of the PCCD colleges that demonstrate a focus in math/science including the health sciences, business/industry, or vocational education

COMPLETED applications are due to:
- Hayat Guessoum of Laney College
- Toni R. Cook of College of Alameda
- Debra Jacks of Merritt College
- Paula Coil of Berkeley City College

Deadline: Monday, April 1, 2013

It is recommended that all applicants for this scholarship complete the Free Application for Financial Aid (FAFSA) and any other required forms through the Financial Aid Office to provide the selection committee with the applicant’s financial needs assessment. However, under the California Dream Act (AB 130) students attending a Peralta college who are exempt from paying nonresident tuition under AB 540 are eligible to receive scholarships funded by private donations and administered through the Peralta Colleges Foundation. See the Master Scholarship Application for other acceptable ways to demonstrate financial need.
