PUBLIC NOTICE – CONSTRUCTION

Laney Leak Remediation Project

The Peralta Community College District, Department of General Services, is performing the following work on the Laney Campus.

- 1) Flood and/or Water Testing** **Weekend of 3/25 and 3/26**
- 2) Flood and/or Water Testing** **Weekend of 4/1 and 4/2**
- 3) Flood and/or Water Testing** **Weekend of 4/8 and 4/9**
- 4) Destructive Testing** **Spring Break 4/10 thru 4/15**

Between the Hours of: **8:00 am and 6:00 pm**

Location: **Laney College Campus**

The flood and water testing phase of the project involves applying water to the upper levels of Buildings B, F, and G near the planters and pedestrian pathways. Purpose is to determine and document the exact location of leaks below.

The destructive testing portion of the project involves jackhammering and chipping in areas to be determined by the Design Professional in the upper levels near Buildings A, B, F, and G. The operations will be noisy, vibrations will be felt, and dust will be generated (but controlled). Purpose is to determine the condition of the underlying substrate and waterproofing membrane.

Estimated time of completion for the testing phase of work is:
Saturday, April 15, 2017

For questions or concerns, please feel free to contact:

PCCD Project **Stephen Daniels, Facilities Project Manager**
Manager: **Phone: (415) 214-2514**

The Contractor for this project is: **TBD**

The Design Professional for this project is: **Allana Buick & Beis**

This is the preliminary stage for the leak remediation project. We apologize for any inconvenience.
