

Memorandum of Understanding between the District and the Peralta Federation of Teachers

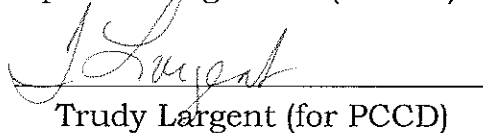

The District and PFT agree that the District will schedule thirty (30) hours of health and/or mental health services a week at each of the following colleges: Laney College, Merritt College, and the College of Alameda; The colleges at their discretion, shall determine the staffing needs, and how they will distribute the 30 hours each week to provide health services, mental health services or a combination thereof;

The District will provide the health services through qualified, tenured, probationary, or part-time faculty members who meets the minimum state requirements for licensing and the Title 5 Minimum Qualifications for a registered nurse, and/or the minimum state requirements for licensing and the Title 5 Minimum Qualifications under the counseling discipline for a specialized counselor in clinical psychology, counseling psychology, clinical social work, marriage and family therapy, family and child counseling, or the equivalent.

This agreement supersedes the October 4, 2011 agreement between the parties regarding Laney College, Merritt College and the College of Alameda providing thirty (30) of nursing hours each week.

The parties will meet and confer regarding the job description and title for faculty providing mental health services. Until the new job description is negotiated, the colleges may hire licensed and qualified faculty members and assign them as faculty on special assignment (ZZOIS).
