HELP DESK SUPPORT TECHNICIAN I (Trainee)
(SEIU Local 1021 Salary Range 070)
Job Code: 920

CLASS PURPOSE
Under immediate supervision, the Help Desk Support Technician I (Trainee) provides basic initial technical support to the college and District Office computer users. Performs a variety of basic technical help desk support duties.

(The Help Desk Support Technician I (Trainee) is an entry-level position. This position class differs from other data processing classes in that the emphasis is on providing help desk user support functions. Incumbents of this class are hired in a training capacity. A Help Desk Support Technician I (Trainee) may promote to a Help Desk Support Technician II once the experience requirements are met, including satisfactory performance evaluations. An incumbent in this class is responsible for providing initial (level one) hardware and software technical support to a variety of computer users district wide via telephone, email, web and other methods.)

WORK SCHEDULE
This is normally a full-time position with a work schedule of five days and 40 hours/week. Duties are performed 12 months a year. May be required to work some evenings and Saturdays during peak periods, such as registration, audits, fiscal year end, graduation, etc.

EXAMPLES OF ESSENTIAL DUTIES:
Any one position may not include all of the duties listed nor do listed examples include all tasks which may be found in positions of this class. To perform this job successfully, an individual must be able to perform each essential duty of the position satisfactorily. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions required for the position.

• Responds to user questions and inquiries via telephone, email, web and other communication methods.
