     a. Faculty and staff
     b. Curriculum development and implementation, including coordination with curriculum committee
     c. Program admissions, recruitment, advanced placement, and outreach,
     d. Compliance with Board rules and regulations, and
  3. Act as a student advocate.

- Maintain knowledge and currency regarding the program and the policies and procedures by which it is administered.
- Responsible for developing policies and procedures, planning, organizing, implementing and evaluating all aspects of the program.
- Oversee the assistant director.
- With faculty input, determines program policies and procedures and monitors implementation.
- Coordinates, develops, and approves student assignments and clinical rotations.
- Maintains an approved substitute list.
- Coordinates and oversees orientation of new faculty.
- Assists with identification and contract negotiation for use of clinical facilities; assures that contracts comply with Board of Nursing regulations; and maintains file of current contracts.
- Communicates, reports, and interpret program requirements, objectives, and BRN Requirements to administration and other departments.
• Submits annual reports and coordinates development of self-study required for continued Board of Registered Nursing Approval.

• Screens and recommends candidates for faculty appointments, assuring that all nursing faculty meet the BRN Requirements for nursing and submits faculty appointments, resignations, leaves, and other forms to the Board of Registered Nursing as required.

• Maintains and updates ADN Student Handbook assuring accurate and up-to-date content of program policies and procedures. Ensures consistency between Student Handbook, course syllabi, and Board of Registered Nursing regulations.

• Develops and monitors department budget; pursues other funding sources such as grants.

• Makes periodic visits to clinical facilities; attends

• Coordinates all departmental faculty committees and nursing advisory committees.

• Attends meetings for California Directors of Associate Degree Nursing programs, and other assigned meetings as the department representative.

• Chairs Associate Degree Nursing faculty meetings.

• Coordinates program, personnel and facilities with other allied health programs.

• Ensures ongoing program evaluation; takes appropriate action to resolve problems or nonconformance items.

• Performs other related duties assigned by the college including those duties of Department Chair whereas those duties are consistent with the above listed duties and responsibilities.

In addition to the above:

• Each faculty member, director, and assistant director shall hold a clear and active license issued by the board and shall possess the following qualifications:

  (a) Each faculty member shall assume responsibility and accountability for instruction, evaluation of students, and planning and implementing curriculum content.

  (b) Each faculty member shall participate in an orientation program, including, but not limited to, the program's curriculum, policies and procedures, strategies for teaching, and student supervision and evaluation.

  (c) A registered nurse faculty member shall be responsible for clinical supervision only of those students enrolled in the registered nursing program.

  (d) Each faculty member shall be clinically competent in the nursing area in which he or she teaches. The board document, "Faculty Remediation Guidelines" (EDP-R-08 Rev. 02/09), which provides guidelines for attaining and documenting clinical competency, is herein incorporated by reference.

• SECTION 1425 All faculty, the director, and the assistant director shall be approved by the board pursuant to the document, “Faculty Qualifications and Changes Explanation of CCR Section 1425"
Minimum Qualifications:

Section 1425(a) the director of the program shall meet the following minimum qualifications:

1. A master's or higher degree from an accredited college or university which includes course work in nursing, education or administration;
