

PERALTA COMMUNITY COLLEGE DISTRICT

OUR PROJECT NEEDS A NAME!

Peralta needs a name for its business process modernization project to provide a better student, faculty and staff experience. We are inviting anyone to create a project name that embodies a **positive future vision** for Peralta. A panel of faculty, students and staff will select the winner, and the creator of the winning project name will be recognized.

Send your name idea to
projectcontest@peralta.edu
by December 14th
