Based upon Grand Total of 10,797 ISIRs imported as of 4/23/2014

- 74% of the imported ISIRs have selected one of the Peralta Colleges as their 1st choice.
- Out of the 10,797 students who have FA applications, 13% or 1,363 students are currently enrolled for Fall 2014 at one of the Peralta Colleges. Priority registration ends on May 4th.
- The Department of Education randomly selects 30% of FA applicants for Verification. PCCD FA applicants selected for verification are roughly around 30%
- 16% of non-verification ISIRs loaded have action items (SAR C codes) to be resolved by staff.

Things to keep in mind

- Award letters are projected to be sent out in late May 2014
- SAP will reduce the project number of student awards. Projected to run June 6th in SAFE and converted to PeopleSoft
- According to the 2012 National Association of Student Financial Aid Administrators (NASFAA) Staffing Model Report, financial aid offices at public institutions averaged 1 FTE to 500 applicants.
