Directory Information

Los Rios Community College District

DIRECTORY INFORMATION: Those data items that are publicly releasable, so long as the student
does not have a “No Release” on his or her record. Each institution establishes what it considers
to be directory information. At Los Rios Community College District directory information
includes: student’s name, student identification number, major field of study, participation in
officially recognized activities and sports, weight and height of members of athletic teams,
dates of attendance, degrees and awards received, and most recent previous public or private
school attended by the student.

* Directory information cannot include: race, gender, SSN, grades, GPA, country of citizenship,
or religion.

* Every student must be given the opportunity to have even Directory Information suppressed
from public release. That is referred to as a “No Release.” Everyone within the institution must
respect a student’s No Release on his or her record.
