The Peralta Colleges Foundation’s Scholarship Golf Tournament is an opportunity to partnering with you in future generations.

For more than three decades, the Peralta Colleges Foundation has given financial support to thousands of students attending the Peralta Colleges. The Peralta Colleges Foundation’s goal is to provide financial assistance to enhance the educational, cultural and community programs of the Peralta Community College District. By partnering with you at today’s golf tournament, your support and efforts will not only impact the lives of our students, but our community benefits, too.

Raising funds to support the Peralta Colleges Foundation is a never-ending task. Your kindness and spirit of generosity to the Foundation will ensure the continuance of such giving to future generations.

There are many ways to support the Foundation. No matter how you choose to give, your contribution matters. For information and to learn more about the various scholarships and other Foundation areas of giving, please contact us at 510-466-7206.

Thanks for your support and sponsorships of today’s golf tournament, and we look forward to partnering with you in future Peralta Colleges projects and events!

Thank you for supporting the work of the Peralta Colleges Foundation by playing in our annual golf tournament fundraiser! We hope you enjoy your day.

Peralta Community College District helps to fuel the economic engine of the East Bay by educating young men and women who wish to transfer to a four-year college or university and by also supplying the region with a trained workforce in essential and emerging fields, including nursing, biomaterial manufacturing, mechanics, information systems, multimedia arts and green technology, to name just a few.

The reality of public higher education is that charitable giving from individuals and the business community has become an essential factor in helping most students pursue their educational goals. This reality is why Peralta Colleges Foundation exists and why we need your participation. We must support the educational aspirations of the men and women who attend College of Alameda, Berkeley City College, Laney College and Merritt College, for they are tomorrow’s business, community and elected leaders.

The Peralta Community College District comprises Laney College, Merritt College, College of Alameda, Berkeley City College and the Laney College Cooperative Center. Together, the Peralta Community College District helps to fuel tomorrow’s business, community and elected leaders.

Please join us in being a catalyst for growth and change throughout our region by continuing your support of the Peralta Colleges Foundation and make a gift.
