How can Merritt College change your life?

Since Merritt opened its doors nearly 60 years ago, thousands of students have experienced the quality education, overwhelming support, and all-around campus activities that would change their lives forever. Whether they went on to start a career right away or decided to further their education, they left prepared to be successful and to make their mark in the world. So no matter your age, background, culture, or goals, come and see how Merritt can change YOUR life.

Make Choices
We can meet your needs!
- Earn an Associate Degree.
- Transfer to a four-year college.
- Get a short-term certificate.
- Prepare to step right into a career.
- Brush up on your basic skills.
- Take an online class from home.
- Study English as a Second Language.
- Choose a class for personal enrichment.
- Take courses while still in high school.

Learn
Getting an education will open a world of possibilities.
Merritt offers classes leading to more than 80 associate degrees and certificates, all taught in a diverse, close-knit campus community in the beautiful Oakland hills. Choose from a wide range of programs, from science and healthcare to administration of justice and landscape horticulture. For a surprisingly low cost, our dedicated instructors will inspire you to reach for the stars!
Succeed

Seeking help will make the difference in your success.
Wherever you’re coming from, we know there will be challenges ahead. That’s why we have caring staff members to help you meet the obstacles you may come across, from finances to tutoring to college life in general. Our new-student orientation will give you a helpful overview and also introduce you to programs created with your personal goals in mind.
