ADDENDUM No. 1

Re: Bid No., 12-13/02 District Wide Class Schedules for 2013 - 2015

The following corrections have been made to the above referenced Bid.

a. change the Scope of Work/Product Specification under Paper Stock #2(b) Text pages from 30 lb newsprint to industry standard 27.7 lbs.
b. change the delivery of schedules from Peralta Community College District Warehouse, 501 5th Avenue, Oakland, CA 94606, Attn: Shawnee Martinez (510) 466-7334 to “Class Schedules” will be delivered directly to the Colleges in quantities as defined below:
   1,000 – District Office
   10,000 – Laney College
   4,000 – Merritt College
   5,000 – College of Alameda
   4,000 – Berkeley City College

The following questions were submitted by the deadline and are answered via this addendum.

1. The Scope of Work/Production Specifications provide that all paper for printing of the Peralta Schedules shall be at least 30\% post-consumer waste (recycled). However, the specifications also provides that “all” paper must be 100\% PCW recycled. Please confirm which paper stock is correct.

   Answer: The District provides that 30\% post-consumer waste (recycled) is the correct stock.

2. The Scope of Work/Product Specifications Item #2b (Paper Stock) provides that the cover stock shall be 80\# gloss. Please confirm if it shall be 80\# gloss text or 80\# gloss cover.

   Answer: The District provides the cover stock shall be 80\# gloss cover as specified in the bid documents.

There are no other changes to Bid 12-13/02.
