ADDENDUM No. 1

RFP 13-14/07 PROFESIONAL SERVICES FOR PROJECT INSPECTION (IOR)

Pertinent Questions & Responses

1. The RFP section (I. Project Overview through V. Additional Requirements) is indicated as having a total of eight (8) pages, but only has six (6) pages included. How many should there be?

   Response: The RFP section is only six (6) pages long. [8/26/13]

2. Section III. Submission Requirements, item 8. Required Forms, makes reference to a maximum page count for submissions. Is there a maximum?

   Response: No maximum page count exists for this RFP. [8/26/13]

3. How many IOR (s) is required by DSA for this Project?

   Response: DSA did not specify a set number of IORs for this project. However, DSA does identify the duties, roles and responsibilities of the IOR in IRA-8. The proposing firm needs to determine the inspection manpower required to complete the project. [8/26/13]

4. If, answer to Question #3 above is more than one (1) IOR – Class 1 for this Project, what is the DSA combination of IORs required? For example: 2- Class 1, 1-Class 1 & 1-Class 2 or 1-Class 1& 1-Class 3? Please clarify.

   Response: This needs to be determined by the Firm proposing a response. [8/26/13]
5. “Attachment 10 – Suggested Staffing Plan Format” indicate the following total 800 hours for inspection services (Phase 1-3 = 160 hrs, Phase 4-6 = 240 hrs, Phase 7-9 = 240 hrs and Closeout =160 hrs).

Please confirm that a total of 800 hrs is estimated for the entire 24 months of construction.

Response: These estimated hours are based on the project schedule. The proposing firm needs to develop their own estimate as part of their submission the hours necessary to complete the project. [8/26/13]
