ADDENDUM No. 2

Re:  RFQ NO., 13-14/12 COLLEGE OF ALAMEDA TRUCK DRIVER’S TRAINING

The following questions were submitted by the deadline and are hereby answered in this addendum.

1. What are the qualifications for a qualified Truck Driving School? Do you have to have a valid State of California “Bureau for Private PostSecondary Education (BPPE)” license?

   Answer: The qualifications for a Truck Driving School shall include all permits and licenses as described in accordance to the California State Department of Motor Vehicles Section CVC 320, 1670, 1671, 10.8, 1102.5, 11103, 11102(a)(3), 11102.1, 11103.2. The vendor must also meet the qualifications for a Driver School Operator’s License as set forth in Section CVC 11100, 11104.5, 11104.6 and 11105 of the California State Department of Motor Vehicles.

   Further, the District provides that a State of California Bureau for Private PostSecondary Education License is required unless an institution is exempt from the Bureau’s oversight pursuant to the California Private PostSecondary Education Act of 2009 (CEC 94874 or 94974.1) which provides:

   “A person operating an institution must obtain approval to approval to operate in California”.

2. Section D of the RFP packet provides the scheduled completion date for this project is 10 days; please describe what the 10 days relate to.

   Answer: The projected date as noted in the RFP is in error. The scheduled completion date for this project is October 2015.

3. How will the business name, tenure and address in the District be determined as a valid local business that has been in business for at least one year prior to the date of the contract award? What proof will be required?

   Answer: The District provide Vendors may provide proof as a local business by providing two or more of the following documents:
a) Tax Returns
b) Business License Registration
c) Cancelled checks for rent payment of facility
d) Copy of lease agreement verifying its location as a local business

4. If the award is given to more than one bidder what method would be used to determine how to assign the students to the contractors if it is more than one?

Answer: The District reserves the right to provide the methodology in how it shall assign students if more than one contractor is awarded the project at a later time.
