ADDENDUM No. 2
RFI Bid No.: 12-13/20
REQUEST FOR PROPOSAL
RFP No.: 12-13/20 Merritt College Cafeteria Food Services

This Addendum modifies the original Bid Documents for RFI Bid No. 12-13/20. Acknowledge receipt of this addendum in the space provided on the BID FORM. Failure to do so may subject Bidder to disqualification.

The following questions were submitted by the deadline and are answered in this addendum.

1. The RFP states that there will be a 6% gross revenue given back to the college. As part of the grading, there are 15 points that presumably are awarded to the company with the highest percentage to offer. Can we offer another percentage?

   Answer: Yes.

2. What are the monthly gross revenues for the past year?

   Answer: Approximately $29,000 average per month.

3. If we submit a balance sheet, per requirement 1C. Does this have to be certified by a public accountant? We have someone who handles our accounting needs internally. What if we do not have a public accountant?

   Answer: The District would like a copy of your audited balance sheet or annual report, but if you do not have audited statements, then the District will accept a copy of your corporate tax returns for the last three years.

4. Would it be possible to receive a discount or offer a profit share on events thrown in the events room?

   Answer: No.

5. What is the number of vending machines on the campus?

   Answer: 10
