Responses to Request for Information

1. I see in the bid docs that it says "furnish and install - labor, materials, equip etc." Can you please confirm if this is a "Furnish Equip, Deliver and Set in place" or Furnish, deliver, set in place, & install etc. If it is an install, there is no Scope of work to show what is to be done that I can send to an installer to get a proper quote. Can you please clarify and if it is install, do you have a detailed scope of work?

Response: The Equipment needs to be set & fully installed. As the supplier of the equipment, Bidders need to ensure the item is installed in its final location in the building. Bidders need to refer to the manufacturer's installation instructions for details on how to install the pieces of equipment supplied.
