ADDENDA

BID NO. 16-17/19

Peralta Community College District

College of Alameda Diesel/Mechanical/Auto Tech Fence Work

555 Ralph Appezato Memorial Parkway, Alameda, CA 94501

March 24, 2017

ADDENDUM No. 1

This addendum supersedes items of the original contract documents wherein it is inconsistent with it. All other conditions remain unchanged. The following changes, modifications, corrections, additions or clarifications shall apply to the contract documents and shall be made a part of and subject to all of the requirements thereof as if originally specified or shown. It is the responsibility of the bidder to review the list of attachments to ensure that the addendum is full and complete. This Addendum modifies the original Bid Documents for the above Bid. **Acknowledge receipt of this addendum in the space provided on the BID FORM. Failure to do so may subject Bidder to disqualification.**

Requests for Information

- 1. Bid Item #1 is for galvanized chain link fencing and Bid Item #5 is for wood slats. We are using privacy plus cl (slats already installed from manufacturer). Should we leave Bid Item #5 off?**

Response: The fence type is galvanized chain link as referenced in Bid Item #1.

Bid Item #5 should have read "Privacy acrylic or plastic slats" and not wood slats –the goal is to replace the existing chain link fence with chain link fence with factory installed plastic slats. Therefore, disregard what was stated in Item #5.
