RFP No. 12-13/06 Laney Food and Supplies Cafeteria Operations & Bistro Restaurant

Addendum No. 2

The RFP is requesting a cost plus a percentage markup for pricing. For the purposes of the RFP, the following definition will be used:

Landed Cost = (Your cost of the product + freight – discounts)
The RFP requires your company to add to your Landed Cost a markup percent. Your landed cost will be a known cost as well as your percentage markup.

All other terms and conditions for RFP No. 12-13/06 shall remain the same.
