I. Project Overview

The Peralta Community College District (District) is seeking Proposals from qualified a Professional Services firm For Testing, Special Inspections, GeoTechnical & GeoHazard Consulting Services (T&I).

The Center for Science and Allied Health Building (MCSAH) is a new four story building on the Merritt College campus. The building will include the following departments: Biology, mathematics, chemistry/physics, business technology and allied health with related administration offices. The MCSAH will be a 110,000 square foot, split level structure built in the south side of the campus between Buildings L and Building A.

The project cost estimate is $42,000,000. This is a design –build project in which the building contractor is teamed with an architecture firm to complete the design & construction.

The design-build contractor team is NTD Architecture and Clark & Sullivan/Walsh Construction. The programming and bridging documents were initially developed by Flad Architects & WLC Architects. This is a 2-year project with an anticipated completion by 2015.

The Project Schedule milestones are as follows:

- Phase 1 Mobilization and Site Prep  September – November 2013
- Phase 2 Site Work /Utilities  November 2013
- Phase 4 Structure  January 2014 – March 2014
- Phase 5 Roof/Enclosure  March 2014 – October 2014
- Phase 6 Interior Rough-In  March 2014 – May 2014
- Phase 7 Interior Finish  October 2014 – February 2015
- Phase 8 Site Construction  October 2014 – December 2014
- Phase 9 Commissioning/Closeout  December 2014 – May 2015

II. Scope of Services

GENERAL INSTRUCTIONS:

1. Laboratory personnel working on site will be required to sign in and out at the Inspector of Record’s office trailer each day inspection is performed.

2. Copies of all Field Reports shall be left with the IOR at the conclusion of each inspection witnessed. Formal written reports of all inspections and findings shall be provided to the District, Kitchell, the IOR and the General Contractor.

3. All invoices must be accompanied by the daily reports, and laboratory test results for testing included on the invoice. Payment by the Owner will be withheld until the aforementioned documents are submitted.

4. Unit Costs for testing and inspection include all necessary equipment, expendables, and any administration or profit. No other costs will be considered.

5. A yield/tensile test plus a bend test is considered as one set.

6. The general contractor will submit mix designs for concrete and grout. These will be sent to the laboratory for review. A formal report of the mix design review will be sent to the District, with a copy to Kitchell, the Architect, and the General Contractor. Sampling and testing of concrete and grout aggregates may not be
required if the production facility has aggregate test reports completed within the last six months, from a laboratory acceptable to the District, whose certification will not expire within the duration of the project.

7. Verify that the batch plant is equipped with approved metering devices for determining moisture content of fine aggregate and weight of ingredients of mix.

8. Inspect the batch plant for quality control methods to determine adequacy.

9. There is no requirement for continuous inspection during batching.

10. Sampling and testing of grout and mortar aggregates may not be required if the production facility has aggregate test reports completed within the last six months from a laboratory acceptable to the District. The masonry inspector must be acceptable to the District, and must be DSA certified.

11. Welding inspections include non-destructive testing as outlined in the project specifications.

12. A percentage for project management and contract administration may be charged on each invoice. No other extra costs for report preparation, review, and/or administrative processes will be allowed.

13. Services shall be performed on a time and material basis at hourly billing rates and/or sampling and testing unit prices. Minimum hourly charges for inspection and sampling will be based on two hour increments (2, 4, 6, 8 hrs.).

14. Only a two-hour minimum charge will be allowed on any inspection or testing visit or material sample pick-ups. Include any travel and equipment costs in the hourly rates on the Cost Worksheets. Use the estimated values shown on the worksheet and enter your hourly or per item value, calculate the extensions and total all worksheet items as indicated for your total base bid.

III. Submission Requirements

Your Statement of Proposals must respond to each item noted below and must follow the format described below. Submittals may be submitted in each company’s own format or optional Proposals forms are attached for your use.

**B. Selection Procedure:**

A technical screening committee comprised of PCCD internal (and possibly external members) with expertise in construction will initially evaluate and score all submissions according to the evaluation criteria above. The project will be awarded to the respondent with the highest point total.
V. Additional Requirements:

A. Cost of Participation in Selection Process
Costs for developing responses to this RFP are entirely the responsibility of the firm and shall not be chargeable to the District.

B. District Rights:
The District reserves the right to waive any irregularities or required formalities or to amend or cancel, in part or entirety, this RFP if it is in the best interest of the District.

C. Law Compliance
The Vendor must comply with all laws, ordinances, regulations and codes of the Federal, state, and local governments which may in any way affect the preparation of Proposal or the performance of the contract.

D. Public Records:
Except for materials exempted from disclosure such as Trade Secrets (as defined in California Civil Code 3426.1) that are specifically marked “Confidential” or “Proprietary”, all material submitted in response to this RFP are deemed property of the District and public records upon submission to the District. The District is not liable or responsible for the disclosure of RFP Responses, or portion thereof, deemed to be public records, including those exempt from disclosure if disclosure is by law, by an order Court, or which occurs through inadvertence, mistake or negligence on the part of the District or its agents or representatives. If the District is required to defend or otherwise respond to any action or proceeding wherein request is made for the disclosure of the contents of any portion of a RFP Response deemed exempt from disclosure hereunder, by submitting a response to the RFP, each Respondent agrees to defend, indemnify and hold harmless the District in any action or proceeding from and against any liability, including without limitation attorneys’ fees arising therefrom. The party submitting materials sought by any other party shall be solely responsible for the cost and defense in any action or proceeding seeking to compel disclosure of such materials.

E. Proposal Considerations
PCCD has absolute discretion with regard to acceptance and rejection of Proposals. In order to be considered the party submitting a Proposal waives the right to bring legal proceedings challenging the Board’s choice of the award.

F. False Statements
False statements in a Proposal will disqualify the Proposal.

G. Legal Proceeding Waiver
The Vendor relationship to PCCD shall be that of independent contractor and not deemed to be agent of PCCD.

H. Taxes
The Vendor will be responsible for all Federal, State and Local taxes.

I. Grade of Service
The Vendor must provide professional service and maintain appropriate personnel to provide expedient and courteous service.

J. The Vendor’s Liability
The Contractor shall be responsible for any and all damages to the PCCD premises resulting from the negligent acts or willful misconduct of the Contractor agents or employees.

K. Contract Termination
PCCD may terminate the agreement with the Vendor on thirty days notice for the failure of the Vendor to comply with any term(s) of the agreement between PCCD and the Vendor.

L. Award Consideration
Award of contract will be based on the information submitted as a result of this RFP and reference checks. The Board will award the contract to the firm selected through the competitive process outlined in this RFP. The Board of Trustees shall not be bound to accept the lowest-quote fee.

M. Amendments
The Peralta Community College District may, at its sole discretion, issue amendments to this RFP at any time before the time set for receipt of Proposals. The vendor’s are required to acknowledge receipt of any amendments (addenda) issued to this RFP by acknowledging the Addendum in the space provided on the RFP Acknowledgement and Signature Form. The Peralta Community College District shall not be bound by any representations, whether oral or written, made at a pre-Proposal, pre-contract, or site meeting, unless such representations are incorporated in writing as an amendment to the RFP or as part of the final contract. All questions or request for clarification concerning material terms of the contract should be submitted in writing for consideration as an amendment.

N. Withdrawal or Modification of Offers
The Vendor may modify or withdraw an offer in writing at any time before the deadline for submission of an offer.

O. Acceptance
Any offer received shall be considered an offer which may be accepted or rejected, in whole or in part, by the District based on initial submission without discussions or negotiations.

The District reserves the right to reject any or all offers and to waive informalities, minor irregularities, or other requirements in offers received, and/or to accept any portion of the offer if deemed in the best interest of the District. Failure of the vendor to provide in its offer any information requested in the RFP, may result in rejection for non-responsiveness. Failure of the vendor to meet or exceed any stated minimums in the RFP may also result in rejection for reasons of non-responsiveness.

P. Representations
No representations or guarantees of any kind, either made orally, or expressed or implied, are made with regard to the matters contained in this document, including any attachments, letters of transmittal, or any other related documents. The Vendor’s must rely solely on its own independent assessment as the basis for the submission of any offer made.

SMALL LOCAL BUSINESS ENTERPRISE and
SMALL EMERGING LOCAL BUSINESS ENTERPRISE PROGRAM

The District is committed to ensure equal opportunity and equitable treatment in awarding and managing its public contracts and has established an annual overall program goal of twenty-five percent participation for small local businesses. To facilitate opportunities for small local business, the District will use a maximum 5% bidding preference for SLBE and SELBE firms. The preference is only used for computation purposes to determine the winning bidder, the contract is awarded at the actual bid amount. Please review the following guidelines to see if your firm qualifies for the preference.

The 5% bidding preference for an SLBE and SELBE firms are for construction, personal and professional services, goods and services, maintenance, repairs, and operations where responsibility and quality are equal. The preference will be 5% of the bid amount of the lowest responsible bidder, and may not exceed $50,000.00 for any bid.

A Non-SLBE/SELBE Prime Contractor who utilizes 25% of total bid amount, with SLBE or SELBE subcontractors (who meet the District’s Definition of an SLBE and SELBE), can also receive a maximum of 4% bidding preference, not to exceed $50,000.00 for any bid. (See below Subcontractor section.)

Definitions:

**SLBE**: A Small Local Business Enterprise is a business that has not exceeded gross annual revenue of 8.5 million dollars for a construction firm, or 6 million dollars for goods and non-professional services firm, or 3 million dollars for architecture, engineering and professional services firm, for the past three consecutive years and meets the below geographic location requirements.

**SELBE**: A Small Local Emerging Business Enterprise is a business that has not exceeded gross annual revenue of 1.5 million dollars for the past three consecutive years and meets the below geographic location requirements.

**Commercially Useful Function**: Shall mean a business is directly responsible for providing the materials, equipment, supplies or services to the District as required by the contract solicitation. The business performs work that is normal for its business services and carries out its obligation by actually performing, managing, or supervising the work involved. The business is not Commercially Useful if its role is limited to that of an extra participant in a transaction, contract, or project through which funds are passed in order to obtain the appearance of SLBE or SELBE participation.

Geographic Location Requirements:

- The business must be located at a fixed, established commercial address located in the District’s market area of Albany, Alameda, Berkeley, Emeryville, Oakland, or Piedmont, and not a temporary or movable office, a post office box, or a telephone answering service.

- If the business has an office outside of the District’s market area as well as an office within the market area, the office within the District’s market area must be staffed on a full time permanent basis with someone employed by the business.

- If requested, the business that has an office outside of the District’s market area must provide proof of one or more past contracts citing the business address (such as contracts to perform work, to rent space or equipment, or for other business services) was within the District’s market area at least one (1) year prior to the date of contract award. The one-year requirement does not apply to businesses whose sole establishment is located within the District’s market area.
Subcontractors:

Non-SLBE/SELBE Prime Contractors who use subcontractors, who meet the district definitions of SLBE and SELBE, may receive a maximum of 4% bidding preference if the following conditions are met:

1. 25% of total bid amount is with Subcontractors who meet the District’s definition of an SLBE and SELBE. The Prime Contractor must list each Subcontractor on the Subcontractor List form, clearly identifying the SLBE and SELBE status and the Dollar Amount of work each subcontractor will perform.

2. The Subcontractors must provide a Commercially Useful Function.

3. The Prime Contractor must maintain the Subcontractor percentages (based on the quoted dollar amounts) indicated in the Subcontractor List form at the time the Contract is awarded and throughout the term of the Contract.

4. The Prime Contractor must fill out sign the SLBE/SELBE Self Certification Affidavit and return it with the bid documents, and 48 hours after the bid opening the Prime Contractor must submit signed SLBE/SELBE Self Certification Affidavit from each of the SLBE and SELBE subcontractors listed in the Subcontractor form. The Subcontractor must agree to provide the requested documentation to verify the SLBE/SEBLE status.

5. No Substitutions can be made to the SLBE and SELBE subcontractor without the prior written approval of the District. The District will approve a subcontractor substitution on the following conditions:
   a. A written statement from the subcontractor agreeing to the substitution.
   b. When the subcontractor has been given a reasonable opportunity to execute the subcontract, yet fails to, or refuses to execute the subcontract, or refuses to satisfy contractual obligations.
   c. When the subcontractor becomes insolvent.
   d. When the District determines the work performed by the subcontractor is not in accordance with the contract agreement, or the subcontractor is substantially and unduly delaying or disrupting the progress of work.

Firms that meet the District criteria for an SLBE and SELBE can complete the below self-certification affidavit signed under penalty of perjury. Firms claiming SLBE and SELBE status in the self-certification affidavit will be required to submit proof of residency and revenue 48 hours after bid opening. Such proof shall consist of a copy of a contract to perform work, to rent space or equipment, or for other business services, executed from their local address, and the firm’s tax returns for the past three consecutive years.
SLBE/SELBE SELF CERTIFICATION AFFIDAVIT

I certify under penalty of perjury that my firm meets the District’s definition of a Small Local Business Enterprise or a Small Emerging Local Business Enterprise and resides in the geographic location of the District’s market area and qualifies for the below preference. The maximum preference will be five percent of the bid amount of the lowest responsible bidder, and may not exceed $50,000.00 for any bid. The preference is only used for computation purposes to determine the winning bidder; the contract is awarded at the actual bid amount. The District’s Contract Compliance Office will determine whether this requirement has been fulfilled. Bidders may only claim one of the below preferences.

1. I acknowledge and am hereby advised that upon a finding of perjury with the claims made in this self certification affidavit the District is authorized to impose penalties which may include any of the following:
   a) Refusal to certify the award of a contract
   b) Suspension of a contract
   c) Withholding of funds
   d) Revision of a contract for material breach of contract
   e) Disqualification of my firm from eligibility for providing goods and services to the Peralta Community College District for a period not to exceed five (5) years

2. I acknowledge and have been advised and hereby agree that my firm will be required to provide proof (and if applicable, my SLBE and SELBE Subcontractors will provide proof) of the status claimed on this self-certification affidavit 48 hours after bid opening. Proof of status claimed includes tax returns from the previous three years and past contracts to determine the size and geographical location of my firm.

3. I declare that the above provisions are attested to under penalty of perjury under the laws of the State of California.

GENERAL PROVISIONS

Definition: The words Contractor means any Bidder, Vendor or Proposer who provides a good, service or construction to Peralta Community College District (PCCD).

1. ASSIGNMENT/DELEGATION: Neither party hereto shall assign, sublet or transfer any interest in this Agreement or any duty hereunder without written consent of the other, and no assignment shall be of any force or effect whatsoever unless and until the other party shall have so consented.

2. STATUS OF CONTRACTOR: The parties intend that CONTRACTOR, in performing the services herein specified, shall act as an independent contractor and shall have control of the work and the manner in which it is performed. CONTRACTOR is not to be considered an agent or employee of DISTRICT and is not entitled to participate in any pension plans, insurance, bonus or similar benefits DISTRICT provides its employees.

3. INDEMNIFICATION:

   (a) CONTRACTOR agrees to accept all responsibility for loss or damage to any person or entity, and to defend, indemnify, hold harmless and release DISTRICT, its officers, agents and employees, from and against any and all actions, claims, damages, disabilities or expenses including attorney's fees and witness costs that may be asserted by any person or entity, arising out of or in connection with the tortuous acts or errors or omissions of CONTRACTOR hereunder, whether or not there is concurrent passive or active negligence on the part of DISTRICT, but excluding liability due to the sole negligence or willful misconduct of DISTRICT. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for CONTRACTOR or its agents under workers' compensation acts, disability benefit acts, or other employee benefit acts.

   (b) CONTRACTOR shall be liable to DISTRICT for any loss or damage to DISTRICT property arising from or in connection with CONTRACTOR'S performance hereunder.

4. INSURANCE: With respect to the performance of work under this Agreement, CONTRACTOR shall maintain and shall require all of its subcontractors to maintain insurance as described below:

   (a) Worker's compensation insurance with statutory limits as required by the Labor Code or the State of California. Said policy shall be endorsed with the following specific language: "This policy shall not be canceled or materially changed without first giving thirty (30) days prior written notice to the DISTRICT".

   (b) Commercial or Comprehensive General Liability insurance covering bodily injury and property damage utilizing an occurrence policy form, in an amount no less than $1,000,000 combined single limit for each occurrence and $2,000,000 in the aggregate. Said insurance shall include, but not be limited to: premises and operations liability, independent contractor's liability, and personal injury liability.

   (c) Automobile liability insurance covering bodily injury and property damage in an amount no less than $1,000,000 combined single limit for each occurrence. Said insurance shall include coverage for owned, hired, and non-owned vehicles.

   (d) Each said comprehensive or commercial general liability and automobile liability insurance policy shall be endorsed with the following specific language:
(1) DISTRICT, its officers and employees, is named as additional insured for all liability arising out of the operations by or on behalf of the named insured in the performance of this Agreement.

(2) The inclusion of more than one insured shall not operate to impair the rights of one insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one insured shall not operate to increase the limits of the company's liability.

(3) The insurance provided herein is primary coverage to DISTRICT with respect to any insurance or self-insurance programs maintained by DISTRICT and no insurance held or owned by DISTRICT shall be called upon to contribute to a loss.

(4) This policy shall not be canceled or materially changed without first giving thirty (30) days prior written notice to DISTRICT.

(e) **Professional Liability (Errors & Omissions):** In the event any contract specifications requires your firm to provide professional services, such as but not limited to, architectural, engineering, construction management, surveying, design, etc., a certificate of insurance must be provided prior to commencing work evidencing such coverage with a limit of not less than $1,000,000. Any material change in limits, coverage or loss of aggregate limit due to outstanding claims must be reported to the District within 30 days of any such event.

(f) **Documentation:** The following documentation shall be submitted to the DISTRICT:

(1) Properly executed Certificates of Insurance clearly evidencing all coverage's, limits, and endorsements required above. Said certificates shall be submitted prior to the execution of this Agreement.

(2) Signed copies of the specified endorsements for each policy. Said endorsement copies shall be submitted within thirty (30) days of execution of this Agreement.

(3) Upon DISTRICT’S written request, certified copies of insurance policies. Said policy copies shall be submitted within thirty (30) days of DISTRICT’S request.

(g) **Policy Obligations:** CONTRACTOR’S indemnity and other obligations shall not be limited by the foregoing insurance requirements.

(h) **Material Breach:** If CONTRACTOR, for any reason, fails to maintain insurance coverage that is required pursuant to this Agreement, the same shall be deemed a material breach of contract. DISTRICT, at its sole option, may terminate this Agreement and obtain damages from the CONTRACTOR resulting from said breach. Alternatively, DISTRICT may purchase such required insurance coverage, and without further notice to CONTRACTOR, County may deduct from sums due to CONTRACTOR any premium costs advanced by DISTRICT for such insurance. These remedies shall be in addition to any other remedies available to DISTRICT.

5. **METHOD AND PLACE OF GIVING NOTICE, SUBMITTING BILLS AND MAKING PAYMENTS:**

A purchase order number must appear on all invoices and notices, bills and payments. All notices, bills and payments shall be made in writing and may be given by personal delivery or by mail. Notice, bills and payments sent by mail shall be addressed as follows:
DISTRICT:

Peralta Community College District
333 East 8th Street
Accounts Payable Department
Oakland, CA 94606

CONTRACTOR:

and when so addressed, shall be deemed given upon receipt via United States Mail, postage prepaid, provided it is forwarded "certified", or "registered" with proof of receipt. In all other instances, notices, bills, and payments shall be deemed given at the time of actual personal delivery. Changes may be made in names and addresses of the person to whom notices, bills and payments are to be given by giving notice pursuant to this paragraph.

6. MERGER: This writing is intended both as the final expression of the Agreement between the parties hereto with respect to the included terms and as a complete and exclusive statement of the terms of the Agreement. No modification of this Agreement shall be effective unless and until such modification is evidenced by a writing signed by both parties.

8. TRANSFER OF RIGHTS: CONTRACTOR assigns to DISTRICT all rights throughout the work in perpetuity in the nature of copyright, trademark, patent, right to ideas, in and to all versions of the plans and specifications now or later prepared by CONTRACTOR in connection with the project, if any. CONTRACTOR agrees to take such actions as are necessary to protect the rights assigned to DISTRICT in this Agreement, and to refrain from taking any action which would impair those rights. CONTRACTOR’S responsibilities under this contract include, but are not limited to, placing proper notice of copyright on all versions of the plans and specifications as CONTRACTOR may direct, and refraining from disclosing any versions of the plans and specifications to any third party without first obtaining written permission of DISTRICT.

9. NONDISCRIMINATION: CONTRACTOR shall comply with all applicable federal, state and local laws, rules and regulations in regard to nondiscrimination in employment because of race, color, ancestry, national origin, religion, sex, sexual orientation, marital status, age, medical condition, disability, transgender status or other prohibited basis. All nondiscrimination rules or regulations required by law to be included in this Agreement are incorporated by this reference.

10. EXTRA (CHANGED) WORK: Only the Chancellor or designee may authorize extra (and/or changed) work. The parties expressly recognize that DISTRICT and College personnel are without authorization to either order extra (and/or changed) work or waive contract requirements. Failure of the CONTRACTOR to secure proper authorization for extra work shall constitute a waiver of any and all right to adjustment in the contract price or contract time due to such unauthorized extra work and the CONTRACTOR thereafter shall be entitled to no compensation whatsoever for the performance of such work.

11. CONFLICT OF INTEREST: CONTRACTOR represents that it presently has no interest which would conflict in any manner or degree with the performance of services contemplated by this Agreement. CONTRACTOR further represents that in the performance of this Agreement, no person having such interest will be employed.

12. OWNERSHIP OF WORK PRODUCT: DISTRICT shall be the owner of and shall be entitled to immediate possession of accurate reproducible copies of any design computations, plans, correspondence or other pertinent data and information gathered or computed by CONTRACTOR prior to termination of this Agreement by DISTRICT or upon completion of the work pursuant to this Agreement.

13. CONTRACTOR'S WARRANTY: DISTRICT has relied upon the professional ability and training of CONTRACTOR as a material inducement to enter into this Agreement. CONTRACTOR hereby warrants that all its work will be performed in accordance with generally accepted professional practices and standards as well as the requirements of applicable federal, state and local laws, it being
understood that acceptance of CONTRACTOR’S work by DISTRICT shall not operate as a waiver or release.

14. **TAXES**: CONTRACTOR agrees to file federal and state tax returns and pay all applicable state and federal taxes on amounts paid pursuant to this Agreement. In case DISTRICT is audited for compliance regarding any applicable taxes, CONTRACTOR agrees to furnish DISTRICT with proof of payment of taxes on those earnings.

15. **DUE PERFORMANCE**: Each party to this Agreement undertakes the obligation that the other’s expectation of receiving due performance will not be impaired. When reasonable grounds for insecurity arise with respect to the performance of either party, the other may, in writing, demand adequate assurance of due performance and until such written assurance is received may, if commercially reasonable, suspend any performance for which the agreed return has not been received.

16. **NO THIRD-PARTY BENEFICIARIES**: There are no intended third-party beneficiaries of this Agreement.

17. **NO WAIVER OF BREACH**: The waiver by DISTRICT of any breach of any term or promise contained in this Agreement shall not be deemed to be a waiver of such term or promise or any subsequent breach of the same or any other term or promise contained in this Agreement.
