GENERAL PROVISIONS

Definition: The words **Contractor** means any Bidder, Vendor or Proposer who provides a good, service or construction to Peralta Community College District (PCCD).

1. **ASSIGNMENT/DELEGATION:** Neither party hereto shall assign, sublet or transfer any interest in this Agreement or any duty hereunder without written consent of the other, and no assignment shall be of any force or effect whatsoever unless and until the other party shall have so consented.

2. **STATUS OF CONTRACTOR:** The parties intend that CONTRACTOR, in performing the services herein specified, shall act as an independent contractor and shall have control of the work and the manner in which it is performed. CONTRACTOR is not to be considered an agent or employee of DISTRICT and is not entitled to participate in any pension plans, insurance, bonus or similar benefits DISTRICT provides its employees.

3. **INDEMNIFICATION:**

(a) CONTRACTOR agrees to accept all responsibility for loss or damage to any person or entity, and to defend, indemnify, hold harmless and release DISTRICT, its officers, agents and employees, from and against any and all actions, claims, damages, disabilities or expenses including attorney's fees and witness costs that may be asserted by any person or entity, arising out of or in connection with the tortuous acts or errors or omissions of CONTRACTOR hereunder, whether or not there is concurrent passive or active negligence on the part of DISTRICT, but excluding liability due to the sole negligence or willful misconduct of DISTRICT. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for CONTRACTOR or its agents under workers' compensation acts, disability benefit acts, or other employee benefit acts.

(b) CONTRACTOR shall be liable to DISTRICT for any loss or damage to DISTRICT property arising from or in connection with CONTRACTOR'S performance hereunder.

4. **INSURANCE:** With respect to the performance of work under this Agreement, CONTRACTOR shall maintain and shall require all of its subcontractors to maintain insurance as described below:

A. INSURANCE REQUIREMENTS

1. Comprehensive or commercial general liability insurance with limits not less than \$1,000,000 per each occurrence combined single limit for bodily injury and property damage, including coverage for contractual liability, personal injury, independent contractors, explosion, collapse and underground (XCU), broad form property damage, products liability, and completed operations.
 - a. Should any of the required insurance be provided under a form of coverage that includes an annual general aggregate limit or provides that claims investigation or legal defense costs be included in such annual general aggregate limit, such annual general aggregate limit shall be two times the occurrence limits stipulated.

- b. Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this contract, and without lapse, for a period three years beyond the contract expiration, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the contract, such claims shall be covered by such claims-made policies.
2. Comprehensive or business automobile liability insurance with limits not less than \$1,000,000 per each occurrence combined single limit for bodily injury and property damage, including coverage for owned, non-owned, and hired automobiles, as applicable.
3. Workers' Compensation, including Employers' Liability Insurance with limits not less than \$1,000,000 each accident, occurrence or disease and \$1,000,000 aggregate.
 - a. The Workers' Compensation Insurance shall cover any compensation payable under the provisions of the act of legislature of the State of California, known as the "Workmen's Compensation Insurance and Safety Act" approved May 26, 1913, and all acts amendatory and supplemental thereto. If the Contractor fails to maintain such insurance, the District, at its sole option and without incurring any further obligation to provide insurance, may take out Workers' Compensation Insurance to cover any compensation payable under the provisions of the Act by reason of any employee of the Contractor being injured or killed, and to deduct and retain the amount of the premium for such insurance from any sums due the Contractor. If the injury occurs to any employee of the Contractor for which the employee, or its dependents in the event of its death, is entitled to compensation from the District under the provisions of said Act, or for which compensation is claimed from the District, the District may retain from the sums due the Contractor under these Contract Documents an amount sufficient to cover such compensation, as fixed by said Act, until such compensation is paid; and if the District is compelled to pay such compensation, it will deduct and retain from such sums the amount so paid.
 - b. The Contractor shall sign and file with the District the following certification prior to performing the Work of the Contract:

"I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the Work of this Contract."
4. Builder's Risk Insurance on an All-Risk Form covering the new Work under the Contract, excluding earthquake and flood but including ensuing perils, with limits not less than the Contract Sum and any deductible not to exceed \$10,000.
 - a. Coverage for debris removal limits not less than \$1,000,000.
