

REQUEST FOR PROPOSALS

The Peralta Community College District is calling for sealed proposal packages for the **Metering Installation & Implementation of MBCx Measures Project (RFP 15-16/27)** to be delivered to the Purchasing Department, at 501 5th Avenue, Oakland, California, 94606, until **2.00pm**, on **April 25, 2016**.

This is a Public Works project and it will require payment of prevailing wages. In order to perform the work, Proposers at the time of the proposal opening and for the duration of the project shall possess a valid California Contractors license and certifications: **Class C-10** in order to qualify to perform the Work.

SB 854 now requires any contractor or subcontractor bidding on a public works project to register with the Department of Industrial Relations ("DIR). The Peralta Community College District has entered into a **Project Labor Agreement (PLA)** for all its Public Works construction projects, which requires that the successful General Contractor, and its field Subcontractors to sign the applicable Letter of Assent (LOA). The complete text including the terms and conditions, and the LOA, are included in the proposal package for review by all Contractors submitting proposals on this project.

This Project involves the installation of complete Meter Equipment and MBCx Equipment along with related items/services (collectively "Equipment") as described in the Scope of Work in the proposal.

A Mandatory Pre-proposal Meeting will be held on **April 7, 2016 at 10:00 a.m.** in the Department of General Services, Conference Room 1, 333 East 8th Street, Oakland, CA 94606.

All proposals shall be presented in accordance with all specifications for this project. Proposal documents and specifications will be available by **March 23, 2016** at our website at www.peralta.edu and under "Quick Links", click "Business Opportunities" to download the RFP packet
