It is the responsibility of the bidder to review the list of attachments to ensure that the addendum is full and complete. This Addendum modifies the original Bid Documents for the above Bid.

Clarification of Project Documents

1. This project was mistakenly published and advertised as a Request for Proposals. It is actually a Request for Qualifications.
2. Section III, Item 4. asks for a "detailed fee structure for performing the Scope of Services." What is actually required, and will be given 20 points weight in the evaluation is the firm's Billing Rate Schedule.
3. Section III mistakenly lists the maximum page count of responses at two different quantities. The correct page count is 20, not including section division sheets.
