**GENERAL PROVISIONS**

Definition: The words **Contractor** means any Bidder, Vendor or Proposer who provides a good, service or construction to Peralta Community College District (PCCD).

1. **ASSIGNMENT/DELEGATION:** Neither party hereto shall assign, sublet or transfer any interest in this Agreement or any duty hereunder without written consent of the other, and no assignment shall be of any force or effect whatsoever unless and until the other party shall have so consented.

2. **STATUS OF CONTRACTOR:** The parties intend that CONTRACTOR, in performing the services herein specified, shall act as an independent contractor and shall have control of the work and the manner in which it is performed. CONTRACTOR is not to be considered an agent or employee of DISTRICT and is not entitled to participate in any pension plans, insurance, bonus or similar benefits DISTRICT provides its employees.

3. **INDEMNIFICATION:**

(a) CONTRACTOR agrees to accept all responsibility for loss or damage to any person or entity, and to defend, indemnify, hold harmless and release DISTRICT, its officers, agents and employees, from and against any and all actions, claims, damages, disabilities or expenses including attorney's fees and witness costs that may be asserted by any person or entity, arising out of or in connection with the tortuous acts or errors or omissions of CONTRACTOR hereunder, whether or not there is concurrent passive or active negligence on the part of DISTRICT, but excluding liability due to the sole negligence or willful misconduct of DISTRICT. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for CONTRACTOR or its agents under workers' compensation acts, disability benefit acts, or other employee benefit acts.

(b) CONTRACTOR shall be liable to DISTRICT for any loss or damage to DISTRICT property arising from or in connection with CONTRACTOR'S performance hereunder.

4. **INSURANCE:** With respect to the performance of work under this Agreement, CONTRACTOR shall maintain and shall require all of its subcontractors to maintain insurance as described below:

(a) Worker's compensation insurance with statutory limits as required by the Labor Code or the State of California. Said policy shall be endorsed with the following specific language: "This policy shall not be canceled or materially changed without first giving thirty (30) days prior written notice to the DISTRICT".

(b) Commercial or Comprehensive General Liability insurance covering bodily injury and property damage utilizing an occurrence policy form, in an amount no less than \$1,000,000 combined single limit for each occurrence and \$2,000,000 in the aggregate. Said insurance shall include, but not be limited to: premises and operations liability, independent contractor's liability, and personal injury liability.

(c) Automobile liability insurance covering bodily injury and property damage in an amount no less than \$1,000,000 combined single limit for each occurrence. Said insurance shall include coverage for owned, hired, and non-owned vehicles.

(d) Each said comprehensive or commercial general liability and automobile liability insurance policy shall be endorsed with the following specific language:

**PERALTA COMMUNITY COLLEGE DISTRICT**  
**17-18/15 REQUEST FOR QUALIFICATIONS**  
**PROVIDE ELECTRICAL SERVICES DISTRICT WIDE**

(1) DISTRICT, its officers and employees, is named as additional insured for all liability arising out of the operations by or on behalf of the named insured in the performance of this Agreement.

(2) The inclusion of more than one insured shall not operate to impair the rights of one insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one insured shall not operate to increase the limits of the company's liability.

(3) The insurance provided herein is primary coverage to DISTRICT with respect to any insurance or self-insurance programs maintained by DISTRICT and no insurance held or owned by DISTRICT shall be called upon to contribute to a loss.

(4) This policy shall not be canceled or materially changed without first giving thirty (30) days prior written notice to DISTRICT.

(e) **Professional Liability (Errors & Omissions):** In the event any contract specifications requires your firm to provide professional services, such as but not limited to, architectural, engineering, construction management, surveying, design, etc., a certificate of insurance must be provided prior to commencing work evidencing such coverage with a limit of not less than \$1,000,000. Any material change in limits, coverage or loss of aggregate limit due to outstanding claims must be reported to the District within 30 days of any such event

(f) **Documentation:** The following documentation shall be submitted to the DISTRICT:

(1) Properly executed Certificates of Insurance clearly evidencing all coverage's, limits, and endorsements required above. Said certificates shall be submitted prior to the execution of this Agreement.

(2) Signed copies of the specified endorsements for each policy. Said endorsement copies shall be submitted within thirty (30) days of execution of this Agreement.

(3) Upon DISTRICT'S written request, certified copies of insurance policies. Said policy copies shall be submitted within thirty (30) days of DISTRICT'S request.

(g) **Policy Obligations:** CONTRACTOR'S indemnity and other obligations shall not be limited by the foregoing insurance requirements.

(h) **Material Breach:** If CONTRACTOR, for any reason, fails to maintain insurance coverage that is required pursuant to this Agreement, the same shall be deemed a material breach of contract. DISTRICT, at its sole option, may terminate this Agreement and obtain damages from the CONTRACTOR resulting from said breach. Alternatively, DISTRICT may purchase such required insurance coverage, and without further notice to CONTRACTOR, County may deduct from sums due to CONTRACTOR any premium costs advanced by DISTRICT for such insurance. These remedies shall be in addition to any other remedies available to DISTRICT.

In all other instances, notices, bills, and payments shall be deemed given at the time of actual personal delivery. Changes may be made in names and addresses of the person to who notices, bills and payments are to be given by giving notice pursuant to this paragraph.

6. **MERGER:** This writing is intended both as the final expression of the Agreement between the parties hereto with respect to the included terms and as a complete and exclusive statement of the terms of the Agreement. No modification of this Agreement shall be effective unless and until such modification is evidenced by a writing signed by both parties.

8. **TRANSFER OF RIGHTS:** CONTRACTOR assigns to DISTRICT all rights throughout the work in perpetuity in the nature of copyright, trademark, patent, right to ideas, in and to all versions of the plans and specifications now or later prepared by CONTRACTOR in connection with the project, if any. CONTRACTOR agrees to take such actions as are necessary to protect the rights assigned to DISTRICT in this Agreement, and to refrain from taking any action which would impair those rights. CONTRACTOR'S responsibilities under this contract include, but are not limited to, placing proper notice of copyright on all versions of the plans and specifications as CONTRACTOR may direct, and refraining from disclosing any versions of the plans and specifications to any third party without first obtaining written permission of DISTRICT.

9. **NONDISCRIMINATION:** CONTRACTOR shall comply with all applicable federal, state and local laws, rules and regulations in regard to nondiscrimination in employment because of race, color, ancestry, national origin, religion, sex, sexual orientation, marital status, age, medical condition, disability, transgender status or other prohibited basis. All nondiscrimination rules or regulations required by law to be included in this Agreement are incorporated by this reference.

10. **EXTRA (CHANGED) WORK:** Only the Chancellor or designee may authorize extra (and/or changed) work. The parties expressly recognize that DISTRICT and College personnel are without authorization to either order extra (and/or changed) work or waive contract requirements. Failure of the CONTRACTOR to secure proper authorization for extra work shall constitute a waiver of any and all right to adjustment in the contract price or contract time due to such unauthorized extra work and the CONTRACTOR thereafter shall be entitled to no compensation whatsoever for the performance of such work.

11. **CONFLICT OF INTEREST:** CONTRACTOR represents that it presently has no interest which would conflict in any manner or degree with the performance of services contemplated by this Agreement. CONTRACTOR further represents that in the performance of this Agreement, no person having such interest will be employed.

13. **CONTRACTOR'S WARRANTY:** DISTRICT has relied upon the professional ability and training of CONTRACTOR as a material inducement to enter into this Agreement. CONTRACTOR hereby warrants that all its work will be performed in accordance with generally accepted professional practices and standards as well as the requirements of applicable federal, state and local laws, it being understood that acceptance of CONTRACTOR'S work by DISTRICT shall not operate as a waiver or release.

14. **TAXES:** CONTRACTOR agrees to file federal and state tax returns and pay all applicable state and federal taxes on amounts paid pursuant to this Agreement. In case DISTRICT is audited for compliance regarding any applicable taxes, CONTRACTOR agrees to furnish DISTRICT with proof of payment of taxes on those earnings.

15. **DUE PERFORMANCE:** Each party to this Agreement undertakes the obligation that the other's expectation of receiving due performance will not be impaired. When reasonable grounds for insecurity arise with respect to the performance of either party, the other may, in writing, demand adequate assurance of due performance and until such written assurance is received may, if commercially reasonable, suspend any performance for which the agreed return has not been received.

16. **NO THIRD-PARTY BENEFICIARIES:** There are no intended third-party beneficiaries of this Agreement.

17. **NO WAIVER OF BREACH:** The waiver by DISTRICT of any breach of any term or promise contained in this Agreement shall not be deemed to be a waiver of such term or promise or any subsequent breach of the same or any other term or promise contained in this Agreement.

**PERALTA COMMUNITY COLLEGE DISTRICT**  
**17-18/15 REQUEST FOR QUALIFICATIONS**  
**PROVIDE ELECTRICAL SERVICES DISTRICT WIDE**

**ARTICLE 2 WORK**

2.1 WORK. VENDOR shall furnish those goods ("GOODS") and services ("SERVICES") as specified in Exhibit A Scope of Services / Deliverables (collectively, "WORK").

2.2 Standard of Performance. VENDOR represents that it is qualified to perform the WORK and that it possesses and will continue to possess, at its sole cost and expense, all licenses, registrations, permits, and personnel necessary to provide the work. VENDOR also represents that it has extensive knowledge of, and will comply with, all applicable building codes, laws, regulations, and ordinances.

2.3 Subcontractors. VENDOR may enter into subcontracts under this AGREEMENT, provided that advance NOTICE is provided to the DISTRICT (as described in the following sentence), that said subcontractor has the appropriate qualifications to perform the subcontracted work and that VENDOR has obtained the subcontractor's agreement to be bound to the same duties and obligations of VENDOR hereunder. For each subcontractor, VENDOR shall provide NOTICE to the DISTRICT of its intent to subcontract some portion of the goods or services to provided hereunder, which NOTICE shall specify the goods or services to be subcontracted, the term of said subcontract and a representation by the VENDOR that said subcontractor will provide the goods and services in the manner set forth in this AGREEMENT, that said subcontractor acknowledges and agrees that the subcontracted work will be the exclusive property of VENDOR (consistent with Section 2.4 below), and that VENDOR will direct and supervise the subcontractor's performance. The DISTRICT may disapprove of any subcontract at any time. Neither the DISTRICT's approval nor failure to disapprove of any subcontractor nor anything in the subcontractor's agreement between the VENDOR and the subcontractor shall create any contractual relationship between the DISTRICT and any subcontractor. VENDOR agrees to be fully responsible to the DISTRICT for the subcontracted work and to indemnify the DISTRICT from any acts or omissions of any of its subcontractors and any persons or agents related thereto and for any claims by subcontractor against the DISTRICT arising from the subcontractor agreement or the subcontracted work. VENDOR's obligation to pay its subcontractors is an independent obligation separate from the DISTRICT's obligation to pay VENDOR. The DISTRICT shall have no obligation to pay or secure payment of any moneys payable to any subcontractor.

2.4 Ownership of Work Product. The WORK (and all related materials, rights, title and interest) provided under this AGREEMENT, regardless of the medium, including but not limited to, any designs, computations, studies, software, graphics, memorandum, plans, customer lists, business, financial, or marketing plans, (collectively, the "Work Product") shall, as applicable, be deemed "works made for hire," or "specially commissioned works," as those terms are defined in the U.S. Copyright Act (17 U.S.C. 101), and shall, in all cases, be owned exclusively by the DISTRICT. To the extent that the foregoing sentence is insufficient to convey exclusively ownership in the Work Product, VENDOR, including any of subcontractors, hereby assigns to the DISTRICT as its sole and exclusive property all VENDOR and subcontractor's right, title and interest in any part, or all of the Work Product and all proprietary rights related thereto, whether or not patentable or protectable under copyright, trademark or other similar statutes. VENDOR agrees to take such actions as are necessary to protect the DISTRICT's rights in the Work Product (such as affixing proper copyright, patent or trademark notice where applicable) and to refrain from taking any action that would impair said rights. Upon the conclusion of this AGREEMENT, VENDOR (and any of its subcontractors) shall return all copies or versions of the Work Product that VENDOR or any subcontractor may at that time possess. VENDOR (and its subcontractors) shall not have any rights to use or disclose the Work Product, except with the prior written consent of the DISTRICT.

**ARTICLE 3 PAYMENT**

3.1 Schedule of Payments. DISTRICT shall pay VENDOR according to the schedule of payments attached as Exhibit B Pricing and Payment Schedule. VENDOR shall invoice DISTRICT for payments as set forth in the schedule of payments. Late payment by DISTRICT shall not constitute a material breach of the AGREEMENT.

3.2 Payment Not Acceptance. No payment made to VENDOR shall be construed as an acceptance or approval of any of the WORK or constitute a waiver of any claim or right that DISTRICT may then or thereafter have against VENDOR. Payments shall be subject to correction or adjustment in subsequent reviews and payments.

3.3 Payments Withheld. DISTRICT may withhold payment on or offset against an invoice or a portion thereof in an amount and to such extent as may be reasonably necessary to protect DISTRICT from loss because of:

- (a) VENDOR'S failure to supply the WORK in accordance with the AGREEMENT;
- (b) third-party claims, suits, or liens arising out of or relating to VENDOR'S supply of the WORK, except to the extent secured or provided for by insurance, bond, or otherwise to DISTRICT'S reasonable satisfaction; or
- (c) VENDOR'S failure to pay money to DISTRICT when due.

3.4 No Obligation to Make Payment. Notwithstanding any provision to the contrary, DISTRICT shall have no obligation to make any payment to VENDOR at any time, after NOTICE to VENDOR when:

- (a) VENDOR is in material breach of the AGREEMENT; or
- (b) VENDOR fails to furnish and maintain evidence of current insurance in accordance with the requirements of the AGREEMENT.

3.5 Taxes. VENDOR agrees to file local, county, state, and federal tax returns and pay all applicable local, county, state and federal taxes on amounts paid pursuant to the AGREEMENT. In case DISTRICT is audited for compliance regarding any applicable taxes, VENDOR agrees to furnish DISTRICT with proof of payment of taxes on those earnings. VENDOR acknowledges that DISTRICT will report all earnings to the California State Franchise Tax Board and the Internal Revenue Service as required by law.

3.6 Most Favored Customer. VENDOR certifies that the pricing detailed in Exhibit B is comparable to or more favorable to DISTRICT than that offered to VENDOR'S other customers for similar WORK in similar volumes within the period of this AGREEMENT PERIOD. If VENDOR subsequently extends more favorable pricing to another customer, VENDOR is obligated to provide NOTICE to DISTRICT within five (5) calendar days and extend the new pricing to DISTRICT, to accept at DISTRICT'S sole option, retroactive to the date of the agreement between VENDOR and the other customer. Such pricing difference shall be credited to the DISTRICT.

**ARTICLE 4 DELIVERY OF GOODS**

4.1 Method of Delivery. VENDOR shall, at VENDOR'S expense, arrange for shipment, delivery, and unloading of all GOODS to the delivery point, and per the timetable, set forth in Exhibit A.

4.2 Delivery Complete. Delivery shall be deemed substantially complete when all of the GOODS have been delivered to the delivery point, as evidenced by a bill of lading signed by the carrier, provided such GOODS conform to the requirements of the AGREEMENT as set forth in Exhibit A.

4.3 Passage of Title. Title to the GOODS, and any portion thereof, shall pass to DISTRICT at the time of final payment or delivery to the delivery point, whichever is earlier. At any time after transfer of title to DISTRICT, VENDOR shall, upon the written request of DISTRICT, execute and deliver to DISTRICT a bill of sale and such other good and sufficient instruments of conveyance, assignment, and transfer, which shall be effective to vest in DISTRICT good and marketable title to the GOODS, free and clear of all liens, claims, security interests, encumbrances, or other defects of title.

4.4 Risk of Loss. Irrespective of the passage of title, VENDOR shall bear the risk of loss and shall repair or replace, at VENDOR'S cost, any portion of the GOODS which is lost, damaged, or destroyed prior to delivery to the delivery point, irrespective of how such loss or damage shall have occurred, except to the extent it was due to the gross negligence or intentional misconduct of DISTRICT. Upon delivery of the WORK to the delivery point, risk of loss shall pass to DISTRICT, and DISTRICT thereafter shall be responsible for loss or damage to the WORK, except to the extent it was due to the fault of VENDOR.

4.5 Removal of Rejected Goods. In the event any GOODS furnished by VENDOR in the performance of the AGREEMENT should fail to conform to the requirements herein, DISTRICT may reject the same, and it shall become the duty of VENDOR to reclaim and remove the GOODS promptly, at no cost to DISTRICT.

**ARTICLE 5 DELAYS**

5.1 Excusable Delays (Force Majeure). VENDOR is entitled to a reasonable extension of the delivery date for the WORK in the event of an action or omission that: 1) was not contemplated at the time this AGREEMENT was executed; 2) was not reasonably foreseeable; 3) directly impairs or inhibits the VENDOR's ability to provide the WORK on the schedule delivery date; and 4) was not the result an act or omission by VENDOR (the "EXCUSABLE DELAY EVENTS"). EXCUSABLE DELAY EVENTS may include, for example, acts due to the gross negligence or intentional misconduct of the DISTRICT (and unrelated to any action taken by the VENDOR), natural disasters, labor strikes, or government action. In the event of an EXCUSABLE DELAY EVENT, VENDOR shall provide DISTRICT with NOTICE of said delay and the impact of said delay on the timetable set forth in Exhibit

**A. Said NOTICE shall be provided no more than two (2) calendar days after VENDOR becomes aware of such event. VENDOR shall then be entitled to a day for day extension corresponding to the number of days of delay demonstrated by VENDOR to be directly caused by the EXCUSABLE DELAY EVENT, to the extent that that number of days (and not fewer days) is necessary to deliver the WORK.**

5.2 Non-Excusable Delays. If a delay does not meet the definition of an Excusable Delay Event (a "NON-EXCUSABLE DELAY"), then VENDOR shall not, without the DISTRICT's prior written consent (which may be withheld), be entitled to an extension of the delivery date for the WORK then due. If the VENDOR does not obtain the DISTRICT's consent to a NON-EXCUSABLE DELAY, then it shall be responsible for any additional costs it incurs in its efforts to meet the delivery deadline. Notwithstanding that the DISTRICT may consent to an extension of the delivery date due to a NON- EXCUSABLE DELAY, the VENDOR will be required to pay any actual damages incurred by the DISTRICT as a result of such delay, by either offset against the amount due by the DISTRICT to the VENDOR or by submission by the DISTRICT of an invoice indicating the amount of the damages.

5.3 Compensation in the Event of Delay. Regardless of whether the VENDOR obtains the DISTRICT's consent to a NON-EXCUSABLE DELAY, and in the case of an EXCUSABLE DELAY EVENT that is not the related to an unanticipated and unforeseeable act or omission by the DISTRICT, the VENDOR shall be responsible for any additional costs it incurs in its efforts to meet the delivery deadline. In the event of any delay of the delivery of the WORK for any reason, the DISTRICT shall be entitled to suspend any payment obligations related to such WORK until such time as the delivery of the WORK to, and acceptance by, the DISTRICT.

**ARTICLE 6 LIQUIDATED DAMAGES**

6.1 Liquidated Damages for Delay in the Delivery of the WORK. The VENDOR acknowledges that if VENDOR fails to deliver the WORK pursuant to that timetable set forth in Exhibit A, damages will be sustained by DISTRICT. The VENDOR and the DISTRICT each agree that it would be impracticable to ascertain and determine the actual damage that DISTRICT would sustain by reason of such a delay. Therefore, notwithstanding that the DISTRICT may consent to an extension of the delivery date due to a Non-excused Delay, in the event that VENDOR fails to meet a delivery date for any reason other than an Excusable Delay Event (provided that the DISTRICT consents to the new delivery date resulting therefrom), the VENDOR will be required to pay liquidated damages (which shall not be considered or construed as a penalty) in the dollar amounts set forth in Exhibit F – Liquidated Damages for Delay. Said damages shall be paid, at the DISTRICT's choosing, by either an offset against the amount due by the DISTRICT to the VENDOR or by submission by the DISTRICT of an invoice indicating the duration of the delay and the corresponding amount of liquidated damages.

6.2 Liquidated Damages for Failure to Meet Performance Guarantees. If the WORK fails to meet the performance guarantees specified in Exhibit A, damages will be sustained by DISTRICT. If in the DISTRICT's sole opinion, it is impracticable to ascertain and determine the actual damage the DISTRICT sustained as a result of an uncured breach, then the Parties agree that VENDOR shall pay to the DISTRICT the liquidated damages set forth in Exhibit F – Liquidated Damages in the Event of an Uncured Breach of Warranty (which damages are not and should not be construed as a penalty), in which case the DISTRICT's invoice will reflect these amounts.

6.3 Damages in the Event of an Uncured Breach of Warranty. In the event of an uncured breach of warranty, the DISTRICT is entitled to reimbursement by VENDOR of all of the DISTRICT's costs, expenses and damages incurred as a result of such breach of warranty, which reimbursement may be by way of offset against payments owed by the DISTRICT to the VENDOR or by direct payment by the VENDOR to the DISTRICT of an invoice submitted by VENDOR setting out the damages incurred.

**ARTICLE 7 WARRANTIES / OPPORTUNITY  
TO CURE**

7.1 Warranties. For a period ending five (5) years from the expiration or termination of this AGREEMENT (the "WARRANTY PERIOD"), VENDOR represents and warrants that:

- (a) the WORK shall be in compliance with all laws, standards, and codes;
- (b) the WORK shall be in accordance with all applicable manufacturer's requirements;
- (c) the WORK shall be in accordance with the provisions of the AGREEMENT, including but not limited to the specifications set forth in Exhibit A;
- (d) the WORK shall be in new, unused, and undamaged condition when delivered, free of defects in design, materials, and workmanship;
- (e) the VENDOR shall have, where applicable, all of the required statutory engineering certifications and all other licenses that are proper in the jurisdictions where design or

engineering work is accomplished, and all other necessary licenses, permits, and other documentation and permissions necessary for VENDOR to provide the WORK under this AGREEMENT in full compliance with all applicable laws;

- (f) all of the WORK shall be done in a professional and workmanlike manner;

- (g) all WORK will be original, and if not, VENDOR will obtain all necessary third party consents and releases necessary to give DISTRICT unrestricted rights in such WORK, and that any agreement VENDOR enters into with third parties shall provide that the WORK is the sole property of DISTRICT and that DISTRICT shall have the unrestricted right to use the WORK in the manner in which, and so long as, it desires.
- (h) it will employ its best efforts to refrain from engaging in any conduct that will impair the reputation of DISTRICT; and
- (i) that the completed WORK, and each deliverable related thereto, shall operate and perform as specified in the AGREEMENT, will meet the performance guarantees specified in Exhibit A and shall be, and remain, free of any weakness, deficiency, defect, failure, break down, or deterioration.

7.2 Incorporation of Products or Materials of Third Parties. To the extent that VENDOR incorporates the goods of a 3<sup>rd</sup> party into the WORK, it shall exercise reasonable efforts to obtain warranties in the name of the DISTRICT against defects in design, materials, and workmanship from every such manufacturer or supplier. All such manufacturer or supplier warranties. Such warranty **provisions shall be submitted to DISTRICT with all other compliance submittals. The existence and terms of such manufacturers' and suppliers' warranties shall in no way limit VENDOR'S warranties for the WORK as provided in this AGREEMENT, which the PARTIES recognize to be independent from any manufacturer and supplier warranty, and on which DISTRICT fully relies. At the request of DISTRICT during the AGREEMENT PERIOD, VENDOR shall cooperate with the DISTRICT in establishing working relationships between DISTRICT and the manufacturers and suppliers who furnished material for the WORK. VENDOR shall be responsible for the enforcement of all manufacturer and supplier warranties on the DISTRICT's behalf during the WARRANTY PERIOD.**

7.3 Due Performance. If events arise that cause the DISTRICT to reasonably question VENDOR'S performance or VENDOR's ability to continue performance, DISTRICT may demand in writing sufficient assurance of due performance. Until assurance is received that is satisfactory to DISTRICT, DISTRICT may suspend payment and/or all WORK to be provided/performed hereunder.

7.4 Breach of Warranties. Breach of any warranty by VENDOR or a failure by it to provide satisfactory assurances of its ability to perform hereunder constitutes a material breach of this AGREEMENT.

7.5 Opportunity to Cure. In the event that a breach occurs, the VENDOR shall have { } working days (the "CURE PERIOD") to repair, redesign, or otherwise remedy the breach, after its receipt of NOTICE from the DISTRICT of said breach or VENDOR's discovery of the breach, whichever date is first. The DISTRICT in its sole discretion may agree to a longer cure period or determine, in its reasonable judgment, that redesign, repair, or replacement must be accomplished in fewer days than the CURE PERIOD allows, including, but not limited to, cases where delay could result in serious loss or damage to persons or property. The VENDOR shall be solely responsible for the costs it incurs in its efforts to cure any breach.

7.6 DISTRICT May Repair. The DISTRICT may, at its option, undertake to redesign, repair, or replace the defective WORK itself, when: (a) the VENDOR fails to cure the breach within the agreed cure period, (b) the VENDOR fails to give the DISTRICT adequate assurances that the breach will be cured within the agreed cure period, or (c) the DISTRICT determines, in its reasonable judgment, that redesign, repair, or replacement must be accomplished immediately and that VENDOR will not be able to satisfactorily do so. The DISTRICT shall be entitled to an offset of the costs it incurs to cure a breach of warranty by the VENDOR against its payment obligations to VENDOR, or at the DISTRICT's sole discretion to invoice, and seek reimbursement from, the VENDOR for the costs the DISTRICT incurs in its efforts to cure. For each day of the cure period, DISTRICT may recovery the liquidated damages associated with delay set forth in Article 6.1.

**ARTICLE 8 INSURANCE**

8.1 Insurance Requirement. VENDOR shall provide and maintain insurance with coverages and limits of liability not less than those specified in Exhibit G Required Insurance Coverage from Vendor. Insurance shall be maintained throughout the term of the AGREEMENT (including the WARRANTY PERIOD). All such insurance shall be primary to any insurance maintained by DISTRICT and name the INDENTIFIED as additional parties insured. Limits may be arranged through any combination of underlying and excess or umbrella policies. VENDOR shall pay all deductible amounts associated with the required insurance. In the event any policy of insurance does not comply with these requirements or is canceled and not replaced, DISTRICT has the right but not the duty to obtain the insurance it deems necessary, and VENDOR will promptly reimburse any cost to DISTRICT.

8.2 Workers' Compensation. VENDOR certifies that it is aware of California Labor Code Section 3700, which requires every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code. VENDOR further certifies that it does and will comply with such provisions before commencing performance of the AGREEMENT and for the duration of the AGREEMENT.

8.3 Certificates. Prior to commencing performance under the AGREEMENT, VENDOR shall furnish DISTRICT standard insurance certificates executed by an authorized representative of VENDOR'S insurer, evidencing the applicable policies, coverages, and limits. DISTRICT'S receipt of or failure to object to any insurance certificates or policies submitted by VENDOR does not release or diminish in any manner the liability or obligations of VENDOR or constitute a waiver of any of the insurance requirements under the AGREEMENT. Replacement certificates of insurance evidencing continuation of VENDOR'S coverage shall be furnished to DISTRICT prior to the expiration of the current policies.

8.4 Coverage for INDEMNIFIED PARTIES. Each VENDOR insurance policy shall be endorsed to provide a waiver of each insurer's rights of subrogation against the INDEMNIFIED PARTIES. Policies shall name the INDEMNIFIED PARTIES as additional insureds for liability arising with respect to the WORK and shall include a cross-liability and severability of interest's clause. Each VENDOR policy shall provide for NOTICE by the insurer to DISTRICT prior to the cancellation, non-renewal, or material change of any insurance referred to herein.

9.1 Indemnification of the DISTRICT. VENDOR shall indemnify, defend and hold harmless DISTRICT, its Board of Trustees, officers, agents, employees, volunteers and contractors (the "INDEMNIFIED PARTIES") from any and all third party actions, claims, losses, damages, demands or expense (including without limitation all court and/or arbitration costs and reasonable attorney's fees on account thereof) suffered or incurred by the INDEMNIFIED PARTIES arising from or relating to the WORK, VENDOR's performance of services or provision of goods under this AGREEMENT, or any other act or omission of the VENDOR, including, but not limited to:

(a) claims by VENDOR's officers, agents or employees arising from or relating to their employment or contractual relationship with VENDOR, including any benefits to which they are entitled as a result thereof;

(b) claims of infringement or improper use of any patent, trade secret, proprietary right, copyright or any other intellectual property right relating to the WORK;

(c) claims arising out a failure by VENDOR or its officers, agents, or employees to comply with the laws and policies set forth in Article 11; and

(d) acts or omissions of VENDOR's subcontractors as provided in Section 2.3.

**This indemnification obligation shall survive the termination or expiration of this AGREEMENT.**

9.2 Continuing Performance. If any 3<sup>rd</sup> party claim materially impairs performance of the WORK, then VENDOR, at its sole expense, shall timely procure the right from said 3<sup>rd</sup> party to continue its performance of its obligations under the AGREEMENT. Further, if an INDEMNIFIED PARTY should be enjoined from the use of any materials, combinations, or processes provided or to be provided under this AGREEMENT, then VENDOR shall promptly either:

(a) secure termination of any injunction and procure for the affected INDEMNIFIED PARTY the right to use such material, combination, or process, without obligation or liability; or

(b) replace such materials, combinations, or processes, or modify the same to become non-infringing,

**ARTICLE 10 COMPLIANCE WITH LAWS**

10.1 Compliance with Laws. VENDOR shall fully comply with all laws, executive orders, regulations, DISTRICT Board Policies, and other legal requirements applicable to VENDOR and to the WORK. Failure to comply with this Article shall constitute a material breach of the AGREEMENT. (Board Policies can be found on the DISTRICT website.)

10.2 Hazardous Substances. VENDOR shall safely and properly handle, treat, and dispose of all hazardous substances where the release or presence of such substances in the environment gives rise to any liability or obligation to remove, clean-up, encapsulate, or otherwise remediate such release or presence under any law.

10.3 Technology Accessibility. VENDOR hereby warrants that the WORK to be provided under the AGREEMENT complies with the accessibility requirements of Section 508 of the Rehabilitation Act of 1973, as amended, its implementing regulations set forth at Title 36, Code of Federal Regulations, part 1194, and California Government Code Section 11135 incorporating Section 508. Therefore, it is the policy of DISTRICT to encourage and facilitate full and equitable opportunities for small local business enterprises and small emerging local business enterprises to participate in prime contracting and subcontracting with DISTRICT. VENDOR will, in all solicitations or advertisements for employees, placed by or on behalf of VENDOR, state that all qualified applicants will receive consideration for employment without regard to the aforementioned protected personal characteristics. VENDOR certifies that it does not and will not maintain segregated facilities.

10.6 Posting. VENDOR agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the non-discrimination provisions of this Article. 10.9 N.L.R.B. Certification. VENDOR swears under penalty of perjury that no more than one final, unappealable finding of contempt of court by a federal court has been issued against VENDOR within the immediately preceding two-year period because of VENDOR'S failure to comply with an order of the National Labor Relations Board.

10.10 DISTRICT Conflicts of Interest. VENDOR represents that it is familiar with California Government Code Sections 1090 et seq. and 87100 et seq., and that it does not know of any facts that constitute a violation of said sections or DISTRICT'S conflict of interest code, Board Policy 6.86. 12.2 Financial Misrepresentation in Response to Request for Proposal. VENDOR certifies that VENDOR'S response to the request for proposal is complete and accurate. VENDOR shall provide DISTRICT with status reports, at no cost to DISTRICT, upon NOTICE of a request by DISTRICT.

13.7 Assignment. VENDOR may neither assign the AGREEMENT, in whole or in part, nor any money payable under the AGREEMENT without DISTRICT'S prior written consent. Any such assignment without DISTRICT'S prior written consent shall be null, void, and of no force and effect whatsoever. DISTRICT reserves the right to assign the AGREEMENT to an affiliate of or contractor of DISTRICT with the prior written consent of VENDOR which shall not be unreasonably withheld, provided that at any time after VENDOR has been paid in full for work then provided, DISTRICT may, without the consent of VENDOR, assign the AGREEMENT to an affiliate or a contractor of DISTRICT upon NOTICE to VENDOR.

**ARTICLE 14 TERMINATION**

14.1 Termination for Cause. DISTRICT may terminate performance under the AGREEMENT, in whole or in part and subject to the cure language in Section 8.4 Opportunity to Cure, should VENDOR commit a material breach. If DISTRICT elects to terminate the AGREEMENT for cause, DISTRICT shall provide NOTICE to VENDOR of its breach and of the extent to which performance shall be terminated. VENDOR shall immediately upon receipt of said NOTICE cease performance per the terms of the NOTICE and mitigate damages.

14.2 Payment Obligations. If DISTRICT terminates for cause VENDOR'S right to perform, then DISTRICT shall determine the cost to complete as soon as practicable, and:

- (a) if the cost to complete exceeds the unpaid balance from the schedule of payments at the time of termination, VENDOR shall pay DISTRICT the amount of such difference within thirty (30) calendar days following receipt of DISTRICT'S NOTICE setting out a demand for such payment; or
- (b) if the cost to complete is less than the unpaid balance from the schedule of payments at the time of termination, DISTRICT shall pay VENDOR the amount of such difference within thirty (30) calendar days following determination of the cost to complete.

**VENDOR shall not be entitled to receive any further payments under the AGREEMENT, except that, in the case of a partial termination of VENDOR'S right to perform, DISTRICT shall pay VENDOR, pursuant to the terms of Exhibit B Payment Schedule, for WORK which is not terminated.**

14.3 Suspension of Performance. DISTRICT may suspend, delay, or interrupt performance, in whole or in part, for such periods of time as DISTRICT may determine in its sole discretion. VENDOR shall immediately upon receipt of NOTICE of such decision cease performance per the terms of the NOTICE and mitigate damages. Suspension, delay, or interruption of WORK shall be treated as an EXCUSABLE DELAY EVENT.

14.4 Termination for Convenience. DISTRICT may terminate performance of the AGREEMENT, in whole or in part, for convenience upon its determination that such termination is in DISTRICT'S best interests. VENDOR shall immediately upon receipt of NOTICE of such decision cease performance per the terms of the NOTICE and mitigate damages. For portions of performance that are terminated, VENDOR shall be entitled to be paid for WORK satisfactorily performed to the termination date and for reasonable costs associated with the termination, but may recover no other cost, damage, or expense.

14.5 Termination for Illegality. DISTRICT may terminate performance of the AGREEMENT in whole or in part for illegality immediately upon its determination that an activity or operation supported by the AGREEMENT is no longer lawful for reasons including but not limited to court decision, legislative action, administrative decision, or advice of counsel. Upon receipt of NOTICE of termination or reduction based on a finding of illegality, VENDOR shall immediately cease performance of such activity and mitigate damages. VENDOR shall be entitled to be paid for WORK satisfactorily performed to the termination date and for reasonable costs associated with the termination, but may recover no other cost, loss, damage, or expense.

**ARTICLE 15 DISPUTE RESOLUTION**

15.1 Mediation. If a dispute arises under this AGREEMENT, the parties agree to first attempt in good faith to resolve the dispute with a mutually agreed-upon mediator in Alameda County, California. A party may initiate mediation by sending the other party a written demand for mediation, which demand shall describe with specificity the nature of the dispute. Any costs and fees other than attorney fees associated with the mediation shall be shared equally by the parties. If the parties are unable to arrive at a mutually satisfactory solution through mediation, or if a mediator has not been chosen and a date set for mediation, within sixty (60) calendar days from the date of the demand for mediation, then the parties hereby agree to submit the dispute to a mutually agreed-upon arbitrator in Alameda County, California, pursuant to the terms of Section 15.2, below.

15.2 Arbitrations. Any action to enforce or interpret this AGREEMENT, or to resolve disputes with respect to this AGREEMENT (other than claims for preliminary injunctive relief or other pre-judgment or equitable remedies), shall be settled by binding arbitration in Alameda County, California, in accordance with the then current Commercial Arbitration Rules of the American Arbitration Association, if a mutually satisfactory resolution cannot be reached in mediation or if sufficient steps towards mediation have not been taken pursuant to Section 15.1, above. Arbitration shall be the exclusive dispute resolution process for all claims other than for preliminary injunctive relief or other pre-judgment or equitable remedies. Any party may commence arbitration by sending a written demand for arbitration to the other party and to the American Arbitration Association. Such demand shall set forth the nature of the matter to be resolved by arbitration.

**A request for arbitration must be submitted within the same limitation periods that would be applicable in court and must be in writing. If either party fails to submit and serve a written request for arbitration within the applicable statute of limitations, that party agrees that it will have waived any right to raise said claim, in any forum, regarding the dispute. The arbitrator shall be one that is mutually agreeable to both parties. Both parties shall have the right to conduct normal civil discovery, including the taking of depositions, prior to the arbitration hearing, and specifically agree that the provisions of Section 1283.05 of the California Code of Civil Procedure are incorporated into and made applicable to any arbitration, *provided however***

that the arbitrator will retain his or her statutory discretion under that section to limit the number, and scope of, the depositions. The substantive law of the State of California shall be applied by the arbitrator to the resolution of the dispute.

The arbitrator shall be empowered to award either party any remedy at law or in equity that the prevailing party would otherwise have been entitled to had the matter been litigated in court, including, but not limited to, injunctive relief or specific performance; provided however that the authority to award any remedy is subject to whatever limitations, if any, that exist in the applicable law on such remedies. The arbitrator shall issue a decision or award in writing, stating the essential findings of fact and conclusions of law. The arbitrator shall have no jurisdiction to issue any award contrary to or inconsistent with the law. Following the evidentiary portion of an arbitration hearing, both parties shall have the right to prepare and file with the arbitrator a post-hearing brief not to exceed twenty-five (25) pages in length. Any such brief shall be served on the arbitrator and the other party within thirty (30) days of the close of the evidentiary portion of the hearing, unless the parties agree to some other time period. Should any part of this arbitration provision be declared by a court of competent jurisdiction to be invalid, unlawful or otherwise unenforceable, the remaining part shall not be affected thereby and the parties shall arbitrate their dispute without reference to or reliance upon the invalid, unlawful or unenforceable part of the AGREEMENT.

The parties shall share equally all initial costs of arbitration. However, the prevailing party shall be entitled to reimbursement of attorney fees, costs, and expenses incurred in connection with the arbitration and in association with the enforcement of said judgment. All decisions of the arbitrator shall be final, binding, and conclusive on all parties. Judgment may be entered upon any such decision in accordance with applicable law in any court having jurisdiction thereof. The arbitrator (if permitted under applicable law) or such court may issue a writ of execution to enforce the arbitrator's decision.

15.3 Tort Claims Act. No provision of the AGREEMENT shall alter the requirements of the Tort Claims Act, California Government Code Section 810 et seq.

15.4 Forum Selection. The exclusive venue for all litigation arising from or relating to the AGREEMENT shall be in Alameda County, California.

15.5 Cumulative Remedies. The remedies provided in the AGREEMENT are cumulative. A PARTY who exercises a right or remedy will not be precluded from asserting any other right or from seeking any other remedies available to that party.

15.6 No Special Damages. Notwithstanding any other provision, in no event shall DISTRICT be liable, regardless of whether any claim is based on contract or tort, for any special, consequential, indirect or incidental damages, including but not limited to lost profits or revenue, arising out of or in connection with the AGREEMENT.

15.7 Reserve Right to Offset. DISTRICT reserves the right to offset the reasonable cost of all damages caused to DISTRICT against any outstanding invoices or amounts owed to VENDOR.

15.8 Statutes of Limitation. As between the PARTIES to the AGREEMENT, any applicable statute of limitations for any act or failure to act shall commence to run on the date of DISTRICT'S issuance of the final certificate for payment, or termination of the AGREEMENT, whichever is earlier, except for latent defects, for which the statute of limitation shall begin running upon discovery of the defect and its cause.

15.9 Course of Dispute. Unless the DISTRICT gives NOTICE to stop work or of its intent to terminate this AGREEMENT, nothing in the AGREEMENT shall allow VENDOR to discontinue the WORK during the course of any dispute, and VENDOR'S failure to continue the WORK during any and all disputes shall be considered a material breach of the AGREEMENT.

### MEMORANDUM OF UNDERSTANDING/SIDE LETTER

Project Labor Agreement Revisions  
Peralta Community College District

December 10, 2014

Mr. Andreas Cluver  
Building and Construction Trades Council of Alameda County  
100 Hegenberger Road, Suite 120  
Oakland, CA 94621

Re: Peralta Community College District Project Labor Agreement Revisions  
Memorandum of Agreement/Side Letter

Dear Mr. Cluver,

After several meetings over the last few months, Davillier-Sloan, Inc. (DSI), as agent of the Peralta Community College District (District), has met with some members of the Construction and Building Trades Council of Alameda County (BTC). The purpose of the meetings was to discuss certain changes and additions to the Project Labor Agreement (PLA), originally negotiated in July, 2009. We have reached five (5) specific areas of mutual agreement: local hiring, committee structure, jurisdictional disputes, arbitrators and core employees. It is understood and agreed that, as a result, certain Articles of the PLA will be modified once the following is agreed to by the District Board of Directors:

1. Local Hiring: Article 16.1 of the existing PLA shall be modified with the additional language that follows: The agreement will allow placement” of graduates of the District’s construction related training programs into union apprenticeship programs, along with District students who may be graduates of other pre-apprenticeship programs such as the Cypress Mandela Training Center, provided that they meet the minimum requirements of the applicable Joint Apprenticeship Training Committee. The agreement will focus on the disadvantaged population in the District service area as a first source for direct placement. “Disadvantaged Population” shall mean Local Area Residents of the District’s six cities: Alameda, Albany, Berkeley, Emeryville, Piedmont and especially the City of Oakland who meet at least one of specified criteria, including but not limited to: household income below 50% of the Alameda County median, non-minor dependent youth, homeless, welfare recipients, have a history of involvement with the criminal justice system, are unemployed, or a single parent. To assure mutual satisfaction in quality of training, the BTC and the applicable trades will partner closely with the District’s training programs in an officially recognized advisory capacity.

- a. For each PLA covered project, the contractors will be responsible to ensure that it and/or its subcontractors hire at least one (1) new apprentice for the first \$1 million of construction value and for each succeeding \$5 million of construction contract value, the contractors and/or their subcontractors will be required to hire at least one (1) additional new apprentice. A new apprentice shall be defined as a Local Area Resident that has not worked in construction prior to the award date of the contract that they are being hired for or have been in state approved Labor Management Apprenticeship Program for no more than two years. All such apprentices should be graduates of approved construction related programs at Laney College or Laney graduates who have completed pre-apprenticeship training at programs with a known and successful track record of apprentice placement into jobs and is MC3 certified. All the pre-apprenticeship program graduates must be residents of The District service area and as a first source a member of the Disadvantaged Population, as described below. The District shall be responsible for developing and maintaining a list of such residents.
- b. “Disadvantaged Population” shall mean those Local Area Residents of the District’s six cities of: Alameda, Albany, Berkeley, Emeryville, Piedmont and especially the City of Oakland who meet at least one of the following criteria: household income below 50% of the Alameda County median, non-minor dependent youth (AB-12 youth – emancipated foster youth), homeless, welfare recipients, or veterans and have a history of involvement with the criminal justice system, are unemployed, or a single parent.
- c. Contractors will be required to document their good faith efforts to maximize the project work hours for the new hire apprentices. Contractors shall report those hours to a newly formed Joint Administrative Committee (JAC), as described below, which will evaluate those good faith efforts.
- d. Each Signatory Union will be responsible for dispatching/referring such Local Area Resident apprentices to the contractor if they are available, capable and willing to work on the covered projects. No one trade can be used to satisfy the goal by the provision of more than one (1) such first stage apprentices, unless required by the nature of the work and or agreed upon by the JAC.
- e. The Signatory Unions and contractors shall exercise, to the extent of their authority, their best efforts to recruit apprenticeship program applicants from the District service area and who are members of a Disadvantaged Population, as defined above. Further, for apprentices hired, there will be no limitation on where such apprentices will work subsequent to being hired for the covered projects. Contractors will be allowed to receive credit when utilizing apprentices for non-Project work during the life of the covered project, regardless of the location of the work.

- f. The Unions will cooperate with the District, contractors and the PLA Program Manager in conducting outreach activities to recruit and refer Local Area Residents applicants to apprenticeship programs. In addition, the Unions will work with designated pre-apprenticeship programs to promote graduates and enhance their entry into Apprenticeship programs.
- g. To the extent permitted by law and the Joint Apprenticeship Training Committee (JATC) requirements, the Unions will give credit to bona fide, provable past experience to applicants, including work for non-union contractors who become signatory to the PLA. The experience and practical knowledge of applicants will be reviewed and tested by the applicable JATC. Applicants will be placed at the appropriate stage of apprenticeship or journey level as the case may be. Final decisions will be the responsibility of the applicable JATC.
- h. On a quarterly basis, the signatory Unions agree to the following:
  - a) report to the PLA Program Manager in accordance with any limits set by applicable labor law, the availability and dispatch/placement of any new apprentices, as defined above on District projects.
  - b) assist the PLA Program Manager with maintaining a current list of Disadvantaged Population new apprentices available to work on the project.
  - c) provide the District and PLA Program Manager a report on the status of District identified Disadvantaged Population new apprentices, including but not limited to their placement and advancement who have signed a consent waiver.
- i. On an annual basis or upon request, the Union, District and the PLA Program Manager shall provide a report to the Board that shall include but not be limited to the local hiring and apprentice goal performance, as well as challenges and benefits of the PLA.
- j. The signatory Unions agree to co-host an annual job fair to provide maximum knowledge of the industry and apprenticeship opportunities to interested District students and other interested Local Area Residents.

2. Committee Structure:

- a. It is agreed to establish a four (4) person Joint Administrative Committee (JAC). This committee shall be comprised of two (2) representatives selected by the District, and two (2) representatives selected by the Union(s). Each representative shall designate an alternate who shall serve in his or her absence. The JAC shall meet as needed to review compliance with PLA policies including but not limited to local hire and grievance issues.

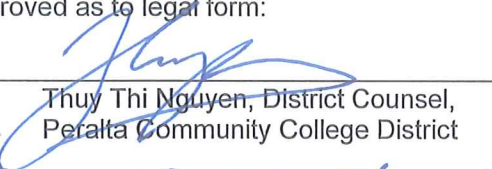

- b. There will be two subcommittees to the JAC, for the purpose of resolving grievances filed by any party. The composition of the first grievance subcommittee, which will only address grievances against contractors under Article 16 Local Hiring Program, will be one (1) representative from labor, one (1) representative from management and one (1) representative from a Community Based Organization, approved by mutual agreement. The composition of the second grievance subcommittee, which will address all other grievances, will be one (1) representative from labor and one (1) representative from District. The recommendations of both subcommittees will be made to the JAC. The final decision of the JAC will be binding upon all parties. In the event that no decision is made, then the matter will be referred to arbitration.
3. Jurisdictional Disputes: BTC will forward updated language for the resolution of jurisdictional disputes, to be included in the revised PLA)

one and one, until such Contractors' crew requirements are met or until such Contractors have hired no more than five (5) Core Employees, whichever occurs first. Thereafter, all additional employees shall be hired exclusively from the Union(s)' hiring hall out-of-work list(s). For the duration of the Contractors' work the ratio shall be maintained and when the Contractors' workforce is reduced, Employees shall be laid off in the same ratio of core employees to hiring hall referrals as was applied in the initial hiring. Contractors signatory to a Local, Regional, and/or National collective bargaining agreement(s) with Signatory Union(s) hereto shall be bound to use the hiring hall provisions contained in the relevant MLA of the affected Union(s), and nothing in the referral provisions of this Agreement shall be construed to supersede the local hiring hall provisions of the MLAs as they relate to such Contractors.

Upon hiring Alternative Employees, the Contractor shall immediately notify the appropriate Union(s) of the name and address of the Alternative Employees hired, which Alternative Employees shall be bound by the provisions of this Article and the Union(s)' hiring hall rules.
- d. The Union(s) will exert their utmost efforts to assist the Joint Apprenticeship Training Committees in recruiting and training sufficient numbers of skilled craft persons to fulfill the requirements of the Contractors. The parties to this Agreement support the development of increased numbers of skilled construction workers from the Residents of Alameda County to meet the needs of the Project and the requirements of the industry generally. Accordingly, contingent upon request by the Contractor, the Unions agree to encourage the referral and utilization of Local Resident graduates of Peralta's construction related training programs as journeyman and apprentices on the Project and the entrance of Residents into apprenticeships and training programs, as long such Residents possess the requisite skills and qualifications. In the instance of

apparent noncompliance by any of the parties to the agreement, the matter may be referred to the grievance procedure in Article 17 of the existing PLA.

All of the above is the understanding of the District in relation to the execution of a Memorandum of understanding/Side Letter to modify or add to the Articles of the Project Labor Agreement executed July 21, 2009.
