

# Ready. Set. Design.

## Bay Area Region

Fall 2018 Learning Cluster #2

Working on guided pathways in the Bay Area? Join us for the second Bay Area Regional Learning Cluster at Diablo Valley College!

## Learning Clusters

The learning cluster brings regional colleges together around a specific guided pathways topic area to share learnings and make regional connections to support further peer-to-peer learning.

### Integrating Student Support Systems and Technologies

**Date:** December 3, 2018

**Time:** 3-5:00 pm

**Location:** Diablo Valley College, Diablo Room & Zoom Webinar

Join us in the second of a series of events designed to support Guided Pathways work in the Bay Area. This Bay Area Learning Cluster event will highlight the involvement of counseling in Guided Pathway design and implementation at Diablo Valley College and discuss the intersection between counseling practice, student support, and technology.

#### During the convening, participants will:

- Discuss the way in which they are re-examining their counseling practices
- Discuss current technology tools they are using to support students along their educational path
- Engage in conversation about leveraging technology solutions that support counseling best practices

#### Who Should Join?

- Counseling and instructional faculty
- Student support staff
- Administrators, program directors, and classified staff

#### How to Join
