Parking Concepts, Inc. will continue to provide daily parking to Berkeley City College and all visiting PCCD employees.

All Board recommended contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval. **Funding Source:** Unrestricted General Funds.
FINANCIAL SERVICES

14. Request to approve and award resolution 14-15/29, to award a 48-Month Lease Agreement for District Wide Multifunction Copiers Lease (RFP No. 14-15/29) to Caltronics Business Systems, in the amount of $227,329.92 on an as-needed basis. Presenter: Interim Vice Chancellor Rinne

In an effort to standardize the Multifunction Copiers throughout the District, the Request for Proposal process, (RFP No. 14-15/29), was conducted. The California Public Contract Code Section 20651.7 (b) provides the governing board of any community college district the ability to award a contract utilizing “best value” determined by objective performance criteria that may include price, features, long-term functionality, life-cycle cost, overall sustainability, and required services.

A total of ten (10) vendors responded to the RFP. A panel of six employees from the four Colleges and the District Office evaluated the proposals based on their submitted responses to References, Resources and Key Personnel, Knowledge and Experience, Plans and Approach; Proposes Costs and Commission Fees; Environmentally Sustainability and Equipment Demonstrations. The RFP summary results are below:

The four (4) highest ranked vendors held equipment demonstration at their respective sites for the panel to assess the copier functionality, compatibility and feasibility of each copier as it related to the needs of the District. Of the four vendors, Caltronics Business System copiers provided the highest copying speed, greatest production performance, life-cycle costs, durability, functionality and overall costs. Their copiers proved to be made of durable metal materials which improve the life-span of the equipment and limit the need for excessive down-time and repair costs. Of the four highest rank vendors, Caltronics Business Systems provides the “best value” as it relates to balance of price, quality, service and performance.

Caltronics Business Systems has an excellent reputation in the higher education community, maintains a firm business commitment, great customer service and an excellent program for giving back to the local Community.

The panel recommends the award of the 48 month lease agreement in the amount of $227,329.92 to Caltronics Business Systems as it relates to the lowest responsive bidder in response to the “best value” methodology in accordance to the California Public Contract Code, Section 20651.5.

All Board recommended contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval. **Funding Source: Unrestricted General Funds.**

Approval is requested to enter into a contract with BEARCOM Wireless Worldwide for the District-wide Two-Way Radio System (RFP No. 14-15/13), in the amount
The vendor will provide and install a turnkey two-way radio system for radio coverage district-wide at the District Administrative Center and Peralta’s four (4) colleges: Laney College, College of Alameda, Berkeley City College, and Merritt College to comply with the Federal Communication Commission (FCC) requirements. The system will include the MOTOTROBO IP site connect system to provide reliable, efficient, radio and network functionality, and two-way radio communications throughout the District. This will accommodate all communications between the District Administrative Center and Peralta’s four (4) colleges, departments, services, and security.

The vendor will provide professional services, as follows: Be a Motorola service provider; complete FCC licensing application forms on behalf of the District, complete survey and summary reports; install equipment and provide labor and material; demolish the existing system; and provide electronic files and training.

In compliance with the Public Contract Codes, Section 20651, formal competitive bidding and a request for a proposal (RFP) was conducted for this purchase. An RFP was advertised in newspaper publications of general circulation on May 27th and June 3rd, 2015. A mandatory pre-proposal meeting occurred on June 3rd, 2015. A steering committee of staff evaluated submitted proposals based on the evaluative criteria set forth in the RFP. A total of four (4) proposals were received, as follows:

Public Contract Code (PCC) section 20651 permits the District to award this contract to the bidder whose proposal is determined to be the “best value” based solely on the criteria set forth in the RFP. BEARCOM received the highest evaluative score of 251 points. The company’s corporate is located in Dallas, Texas, and Jerry Denham is the President/CEO. This project is not a construction project; therefore, the Project Labor Agreement will not apply and the Department of Industrial Relations registration is not required.

All Board recommended contracts are subject to negotiation and execution by the Chancellor. The Chancellor recommends approval. **Funding Source: Measure A.**
17. Consider Approval of Amendment No. 1 to a Board Approved Agreement with Green Charge Networks (GCN) for the Installation of Fast Electric Vehicle (EV) Charging Stations at Laney College, District Administrative Complex, and Merritt College. Presenter: Vice Chancellor Ikharo.

Approval is requested for Amendment No. 1 to a Board Approved Agreement with Green Charge Networks (GCN) for the Installation of Fast Electric Vehicle (EV) Charging Stations at Laney College, District Administrative Complex, and Merritt College, in the amount not-to-exceed $5691. Under the original board approved Agreement board approved on March 11, 2014, Green Charge Networks (GCN) will install fast electric vehicle (EV) charging stations at Laney College, District Administrative Complex, and Merritt College, at no charge to the District. This project was no charge to the District because GCN received grant funds from the California Energy Commission to install this “energy conservation” project.

Before installing the fast EV charging stations at Laney College, PG&E services was needed to de-energize (shutdown) the primary high voltage power feed to the campus. This shutdown was needed to connect the EV stations to the existing electrical system.

As a result, two (2) shutdowns occurred at Laney College at the District’s request. To expedite the shutdown and the construction commencement date, GCN paid for the deactivation of the primary power source. This scope of work was not included in the original Agreement. This approval is needed to reimburse GCN for this payment to PG&E.

All Board recommended contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval. Funding Source: Sustainability Fund.

18. Consider approval of Measure A Budget Appropriation and Transfer for the Merritt College Africana Center to Berkeley Sound Artists (No. 82). Presenter: Vice Chancellor Ikharo.

Approval is requested to appropriate and transfer Measure A Bond Budget no. 82. Staff has obtained signatures from the Administration (College President, Vice Chancellor of Finance and Administration, Vice Chancellor of General Services, and the Chancellor) for these budget transfers and appropriations for the July 14, 2015 Board meeting. On June 23, 2009, the Board of Trustees approved the Bond Measure (A and E) Spending Plan, which included budget appropriations, cash flow projections, and budget transfer procedures.

Budget Transfer No. 82 ($319) was approved by the Vice Chancellor of Finance and Administration. This fund transfer will enable the District to make final invoice payment on design services for the Merritt College Africana Center to Berkeley Sound Artists.
This allotment is transferred from the Merritt College Swing Space account (#2360) to the Merritt College Africana Center Project (#2342).

19. **Consider Approval of Amendment No. 1 to the Agreement with Quantum Energy Services & Technologies (QUEST) for Commissioning Services of the Merritt College Barbara Lee Science and Allied Health Center.** **Presenter: Vice Chancellor Ikharo.**

Approval is requested of Amendment No. 1 to the Agreement with QUEST to extend the contractual completion date from June 30, 2015 to December 31, 2015. The extension of the contract terms will allow QUEST for continue to complete the comprehensive commissioning services to attain Enhanced Commissioning credits for Leadership in Energy and Environmental Design (LEED) Gold Certification for new construction. QUEST will continue to perform and complete commissioning work under the original agreement, approved by the Governing Board of Trustees on January 22, 2013, in the amount of $105,450.

All Board recommended contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval. **Funding Source: Measure A.**

20. **Consider Approval of Resolution No. 15/16-03, to Authorize an Emergency Contract with Alaska Refrigeration, Air Conditioning & Heating Co. to Improve the Ventilation Systems at the Laney College Kitchen in Response to a Mandatory Requirement from Cal/OSHA.** **Presenter: Vice Chancellor Ikharo.**

Approval is requested to issue a contract to Alaska Refrigeration, Air Conditioning & Heating Co. in the amount not-to-exceed $82,453.00 so that the District can respond to a mandatory requirement from Cal/OSHA in time to resume instruction and food service for Fall Semester 2015.
The contract work will implement the recommendations in the Taylor Engineering report dated June 11, 2015, until the target ventilation of 300cfm is achieved, including reduction of hood airflow requirements and increase of capacity. The contract price includes all material, taxes, labor, and disposal. The work will comply with the minimum wage ordinance in the City of Oakland, prevailing wage, and the Project Labor Agreement.

Pursuant to Public Contract Code Section 20654(a), and with the concurrence of the Director of Purchasing, formal bidding was waived. The Department of General Services reached out to several potential vendors in an effort to find firms willing and able to execute this scope of work within the various constraints. After several rounds of outreach, Alaska Refrigeration, Air Conditioning, and Heating Co. submitted the only responsive proposal.

Alaska Refrigeration, Air Conditioning, and Heating Co. is located in Oakland and managed by Dagoberto Sanchez, owner.

The administration recommends that the bid be awarded in order to begin work immediately so that an August completion is possible.

All Board recommended contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval. **Funding Source:** Measure A Bond Funds.

### ACTION CALENDAR ITEMS

The Action Calendar lists non-routine items that the Board of Trustees may wish to discuss and/or debate. The list below may be supplemented by items removed from the Consent Calendar. The Board may move to the Action Calendar items with public speakers, and Board-sponsored Resolutions. The Board will hear public comments prior to taking any action on these items.

21. Consider Approval of Resolution 15/16-02 approving four documents necessary to re-sell the Series B-2 Bonds to the public at a lower interest rate

**Presenter:** Interim Vice Chancellor Rinne

The Series B-2 Bonds will begin to accrue interest at a rate of 17% if the District does not act before August 5th, 2015. To address this situation, the District has authorized a three-step plan. First, the District will convert the Series B-2 Bonds to a fixed rate mode. Barclay’s Bank, PLC will purchase the fixed-rate bonds. Second, while the fixed rate bonds are held by Barclays, the District will amend the Indenture to provide for additional, variable interest rate modes, which significantly reduce the cost of borrowing associated with the Series B-2 Bonds. Third, once the Indenture has been amended, the District will convert the Bonds to one of the new variable interest rate modes and re-sell the Series B-2 Bonds to the public. These three steps taken together are the “Plan.”
The Board approved the Plan on June 2, 2015, and approved forms of certain necessary documents. The resolution before the board for consideration and adoption on July 14th approves forms of the remaining four documents necessary to accomplish the Plan:

- A Reoffering Circular, which will be used to describe the bonds and the District to potential investors as part of step three (re-selling the bonds to the public);
- A Bond Purchase Agreement, which will be used to sell the Bonds to Barclays Bank, PLC as part of Step 1 (converting the bonds to fixed-rate);
- A Remarketing Agreement, which will engage Barclay’s Capital Inc., to manage the ongoing sale of the Series B-2 Bonds to investors once Step 3 has been accomplished; and
- A Broker Dealer Agreement, which will engage Barclay’s Capital, Inc., to assist with Step 1 (converting the Bonds to fixed rate).

The Resolution also authorizes District staff to take other actions in connection with the conversion to the lower interest rate mode, including executing and delivering ancillary documents. District staff anticipates the resolution before the Board on July 14th will be the last action necessary by the Board in connection with this transaction.
