Speaker Blake, President of Laney Classified Senate, is concerned if we are really serving our students, and feels that untimely financial aid distributions adversely impacts us with lower enrollment. Speaker Brem shared that the violence prevention program continues to grow, and they are working with other campuses to see if others could equally benefit as community partners. Speaker Zimmerman spoke on behalf of the microscopy program students. Thanks were given to the Merritt College administrators efforts to ensure that the programs’ necessary classes will be offered during the intersession term. Speaker Tucker came to speak because she thought the microscopy program was in danger, but now she feels that the issues have been resolved. She thanked Merritt College for continuing the program, and feels the program makes a positive impact on the community. She hopes it can be privately funded in the future. Speaker Trew, a microscopy program student, shared that some of her peers returned from a program in Costa Rica where they had incredible experiences. She hopes to continue her science education, and she will use this program as her edge up to apply to other programs in the future. It was inspiring and impressive to other students to hear what our students have learned in this community college program. Speaker Goldstein, PFT President, updated the Board about class cut concerns, with 200 FTEs being cut, or 55 faculty, mostly part-time faculty. He feels that the outsourced work to private consultants could have gone into the classroom instead. Negotiations are continuing with the District, that have been fruitful. The oil severance tax is endorsed by the PFT executive Board, giving funds to education, and single-payer health care reform. Speaker Speaker Cook, COA EOPS Director thanked the community for their support after the murder of COA student Jepeabo Wellington. Students at all of the campuses have rallied together, as they have all lost students to violence. Grief counseling was offered on the campus. Everyone was invited to the rally in his memory. Speaker Armstead was the Jepeabos supervisor. She wants people to keep his name alive. He worked in the EOPS office, and was a good friend and worker. She thanked everyone at COA for their support of his family.

PRESENTATIONS 7:30 P.M.

2. Board Study Session, Presenter: Jim Grivich (15 minutes). The Board will conduct a study session on the Board Policy and Administrative Procedure Project. Based upon the Accreditation Commission’s June 30, 2011 letter Recommendation 4, the Board will evaluate selected Board policies and implement actions to resolve deficiencies. The following policies are presented for review, and will return to a future Board meeting for adoption: BP 1100 The Peralta Community College District (new) BP 1200 Mission (replaces BP 1.24) BP 2010 Board Membership (replaces a portion of BP 1.01) BP 2015 Student Members (replaces BP 1.02) BP 2100 Board Elections (replaces a portion of BP 1.01) BP 2110 Vacancies on the Board (replaces a portion of BP 1.01) BP 2200 Board Duties and Responsibilities (replaces BP 1.05) BP 2210 Officers (replaces BP 1.04) BP 2220 Committee of the Whole (replaces BP 1.21) BP 2305 Annual Organizational Meeting (new) BP 2310 Regular Meetings of the Board (replaces a portion of BP 1.10) BP 2315 Closed Sessions (replaces a portion of BP 1.10) BP 2320 Special and Emergency Meetings (replaces a portion of BP 1.10) BP 2330 Quorum and Voting (replaces a portion of BP 1.10) BP 2340 Agendas (replaces a portion of BP 1.10) BP 6300 Fiscal Management (replaces BP 6.03) BP 7400 Travel (replaces BP 6.39)

Background Material

Trustee Handy shared that the Board had been previously asking for consistent travel processes, but had to become more involved when administrators did not. Trustee Gulassa welcomes this change instead of having a committee debate policies for many hours. The former committee had considered the league templates, as well, and the Board is thankful that he is here for assist with this project. The work will also include increasing the number of Administrative Procedures issued by the Chancellor. Trustee Gonzalez Yuen asked about the Board meeting agenda. He feels the past Presidents have brought together the Board members into a nice team. He wants to ensure that Board members have the right to get items onto the agenda, if they are in the minority, and that all members are able to contribute to the agenda, with the President and Vice President at the agenda review meetings. Trustee Guilian asked that the Board policies
be organized on our website and available to the public. Trustee Gulassa feels the Chancellor develops the Board meeting agenda, with the President and Vice President making any suggestions, collaboratively. However, it may not always be possible to schedule every suggested item at the very next Board meeting. The Chancellor recognized the important job Mr. Grivich has here, which he’s also done at Compton and LACCD. Student Trustee Copenhagen asked how a member of the public makes a policy change, which was explained. Mr. Grivich will help to facilitate policy development in the District, and he welcomes any possible changes and communications.

3. **Budget Overview** Presenter: Vice Chancellor Gerhard (15 minutes) Vice Chancellor Gerhard will present an overview of the 2011 - 2012 Final Budget.

Trustee Withrow asked if the Board will see quarterly spending reports, which will be provided. Trustee Withrow thanked Vice Chancellor Gerhard for the document and information transparency. Trustee Guillen asked about the CalPERS trend increases, which depend upon future actuarial studies, as well as their trust amount reserves. In the past they were overfunded with no employer matches, which is no longer the case. Trustee Guillen feels that budget reductions leave students at the door, by not serving over 400,000 students. The budget takes into account any mid-year budget cuts the state may make. State apportionment has been the unknown wildcard, based upon state finances, forcing community college districts to make tough decisions about instructional services offered to students. Trustee Gonzalez Yuen appreciates the report clarity, but still sees disparity between college funding. Berkeley City College is down 16-17 full-time faculty members, and none of the colleges are fully staffed. Chancellor Allen addressed the comment. The Chancellor underestimated the ability to move staff, and the process is still underway. FTEF is approved throughout the District, but could change through the year, taking into account the college equity ratios. Vacant positions are being held until the college Presidents make their recommendations. Trustee Gonzalez Yuen asked for a plan, and doesn’t feel moves made up to now are acceptable. Student Trustee Copenhagen asked about the campus center use fund fee, and he’s worried that it’s being used inappropriately, and he requested if this issue be researched. Trustee Gulassa appreciates the report footnotes, and he also asked for equity for our staff and students. Chancellor Allen read the last paragraph in the budget, and thanked everyone, including the Board, for coming together to make these very difficult decisions.

Enrollment update

Trustee Gonzalez Yuen commented on the financial aid numbers of issued checks, and he feels the numbers are unacceptable. He’s also concerned how long the lines are, and how long students have to wait in the lines before they can meet with staff. He offered some suggestions, such as appointments, numbers for drop-ins and time to be able to return, triage system to greet people in line, hours at night or staggered hours, and a faster direct deposit process.

6. **Consider Approval of Resolution 11/12-8 to Reduce/Eliminate Certain Services and Related Layoff Notices**

Presenter: Vice Chancellor Largent

Under the Principles for Sound Fiscal Management adopted by the Community College Board of Governors, Title 5, California Code of Regulations, §58311, each District shall be responsible for the ongoing fiscal stability of the District through the responsible stewardship of available resources. Benefits costs continue to rise and the California Department of Education has proposed a 16.5% reduction to the Maximum reimbursement Rate for certain child care services. The State fiscal crisis has had a devastating impact on the District’s financial condition. District-wide approaches to address the reduction of funding for Categorically-Funded positions require significant reductions and/or discontinuance/elimination of current services. The Governing Board complies with California Education Code §§88005, 88117, and 88127 in eliminating affected positions; and the District is required by California Education Code §88017 to notify affected classified incumbents no earlier than 45 calendar days prior to the effective date of lay-off. The following classified position allocations are hereby affected by lack of funds, effective October 31, 2011:

<table>
<thead>
<tr>
<th>Position Title</th>
<th>Layoff FTE</th>
<th>Site/Department</th>
</tr>
</thead>
<tbody>
<tr>
<td>Child Care Assistant II</td>
<td>2.0 FTE</td>
<td>District - Children’s Center</td>
</tr>
</tbody>
</table>

The Chancellor is directed to:

1. Immediately notify all affected employee organizations of the issues, directions and concerns set forth in this Resolution, in order to allow any affected organization to request to meet and negotiate any resulting effects of lay-off.
2. Comply with all applicable sections of the California Education Code in preparing any and all required lay-off and/or reassignment notices to classified incumbents so affected by lack of funding, and any and all notices as required by collective bargaining agreement. The Governing Board has determined, after public input, that layoff or reduction of work years of employees are the necessary and last fiscally viable response to the District’s adverse budgetary situation. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval.

**Background Material**

Trustee Guillen understands that the State has pulled the budget funding for this project. The District is trying to secure a Head Start program at the COA site. He hopes that the affected positions will be reassigned where their skill sets apply.

Student Trustee Brumfield Abstained, and Student Trustee Copenhagen voted No, as advisory votes.

**CONSENT CALENDAR (FOR ACTION) 8:40 P.M.**

All action items are to be considered to be a part of a consent calendar. Trustees are given the opportunity to pull specific items off of the consent calendar for discussion and action. All items that have not been pulled by a Trustee will be considered in a block for comments by the public and action by the Board. All Board approved contracts are subject to final negotiation and execution by the Chancellor. Items pulled for Debate by the Trustees will be addressed later in the meeting, at approximately 8:40 p.m. Meeting times are estimates.
MOTION: Motion by Trustee Abel Guillen, second by Trustee Bill Withrow to approve the consent calendar, including Items 7, 8, 11, 12, 13, 14, 15, 16, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41 and 42.

29. Consider Approval of an Independent Contract Agreement for Legal Services for Larry Frierson, Attorney at Law. Presenter: Vice Chancellor Largent. The District Office of Human Resources and Employee Relations requests approval of an independent contractor with Larry Frierson, Attorney at Law, not to exceed $280,000 through June 30, 2012. Funding Source: General Funds. Mr. Frierson will be providing advice to the District for personnel and employee relations matters. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval.

Background Material

Trustee Guillen shared that initial fee of $280,000 would double the size of Human Resources and the General Counsel (GC) office, and reflect 75% of the existing GC budget. The suggested contract amount has been reduced to $140,000. He asked for a scope of work for the person, and feels that the work can be performed with existing personnel, and feels it’s too high of a pricetag for the District to assume at this time. Trustee Handy feels the position is redundant to tasks assumed by HR, but she also sees there are some areas where the contractor has expertise to help cut future costs. She asked that we’re very careful spending these funds, with no overlapping of services, and that the contract specifically address how the services will be utilized in his areas of expertise only.

MOTION: Motion by Trustee Bill Withrow, second by Trustee Cy Gulassa to approve the contract for up to $140,000, as amended.

AYES: Trustee Bill Riley, Trustee Bill Withrow, Trustee Linda Handy, and Trustee Cy Gulassa.

35. Consider Approval to Rescind Previous Bid Award and Re-Bid Project, District-Wide Security Surveillance Project, Increment 2 (Bid No. 10-11/31) Presenter: Vice Chancellor Ikharo At the meeting of July 19, 2011, the Board of Trustees approved Resolution 11/12-2, which accepted the bid (in the amount of $4,850,553.32) and authorized the Chancellor to enter into a contract with ADT Security Services for the District-Wide Security Surveillance Project, Increment 2 (Bid No. 10-11/31). ADT requested modifications to the contract language, which the District would not consider under a public bidding process. On August 25, 2011, ADT submitted a written request to withdraw their bid because they could not accept the District’s contract terms. The District has agreed to allow ADT to withdraw their bid. Because the next lowest bid was over $100,000 higher, staff recommends re-bidding this project. Board approval is requested to rescind the previous bid award to ADT Security Services and to re-bid the project. Funding Source: Bond Measure A (for minor costs to re-bid project). All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval.

It is in the best interests of the District and financially prudent to authorize this change order. All Board approved contracts are subject to final negotiation and execution by the Chancellor. 37. Consider Ratification of Change Order No. 2, Learning Center/Library Renovation at Merritt College, Alten Construction, Inc. Presenter: Vice Chancellor Ikharo Ratification is requested for Change Order No. 2 to the contract with Alten Construction, Inc. for the Learning Center/Library Renovation at Merritt College, in the amount of $156,707. Including the previously Board ratified Change Order No. 1, the cumulative change order total to date is $230,374, which is 6.6% of the original contract amount ($3,497,000). Funding Source: Bond Measure A. These change order items are primarily due to the following reasons: At the request of the District, various upgrades were
incorporated into the project. Some of those upgrades were not approved in time to be added into the contract documents. These upgrades include: An expanded lighting scope for the 2nd and 3rd floors, which will also now be tied into the District energy management system (EMS) Incorporation of existing mechanical systems into the EMS that were not a part of the original contract to provide better functionality and energy efficiency for the occupied building A few items that were added are a result of hidden locations or unforeseen issues, which could not have been verified or investigated in the previously occupied space. These include: Code required fireproofing Necessary structural repairs to a sagging steel deck Continuous operation of existing exterior lights for pedestrian safety In accordance with Board Policy 6.83, approval was requested from the Chancellor for the change order work, and Change Order No. 2 is now brought before the Board for ratification. It is in the best interests of the District and financially prudent to authorize this change order. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends ratification.

38. Consider Approval of Amendment No. 3 to the Agreement for Architectural Services with NBBJ for 860 Atlantic Avenue Tenant Improvements Presenter: Vice Chancellor Ikharo Approval is requested for Amendment No. 3 to the agreement for architectural services with NBBJ for the tenant improvements at 860 Atlantic Avenue, Alameda, in the amount of $109,000. Funding Source: Bond Measure A. The amendment will provide the following additional design services: Revision to documents for structural changes required by the Division of the State Architect (DSA) Increased structural changes for new glue-lam roof beams to support new mechanical equipment included in Amendment No. 2 (new chiller for the facility) Added scope for hazardous materials consultant Added scope resulting from the decision made that the facility would also provide interim housing for the Merritt College Genomics Program during the programming and construction of the new science building at Merritt College. This added scope will enable a joint use of the 860 Atlantic Avenue facility by both College of Alameda and Merritt College. Historical Background: The 860 Atlantic Avenue facility was originally intended to serve as temporary swing space for the College of Alameda Science Program during the construction of Buildings C and D. NBBJ (formerly Fisher Friedman Associates) was selected from the Board approved short list of architects to work on the 860 Atlantic Avenue Tenant Improvement project. On November 18, 2008, the Board approved entering into an agreement in the amount of $106,000 with NBBJ for the following services: Prepare a property condition report for 860 Atlantic Avenue as part of the District’s due diligence during the acquisition process Conduct basic schematic architectural services The resulting property condition report indicated building deficiencies in areas such as building code compliance, structural/seismic, mechanical, plumbing, security, fire suppression, and other visually deficient requirements. During the basic architectural schematic services, NBBJ created space planning and interior layouts and worked with the College to determine how the facility would accommodate the instructional needs of the Science Program at College of Alameda. As programming continued and discussions were held with stakeholders, further needs for the interim laboratories were identified to maintain the College of Alameda’s science programs to the current standards. Further developments increasing project scope necessitated an increase of architectural fees in the not-to-exceed amount of $284,000. Amendment No. 1 in that amount was approved at the Board meeting of May 12, 2009. Amendment No. 2 provided design services for a new rooftop chiller for the facility. Revisions to the architectural, mechanical and structural drawings were made to show the installation details and energy calculations for the new chiller, as required by the Division of the State Architect (DSA). Amendment No. 2 in the amount of $21,000 was approved at the Board meeting of April 13, 2010. Including this Amendment No. 3 in the not-to-exceed amount of $109,000, the total agreement amount will be $520,000. A more comprehensive "global" approach to contracting is now being implemented by the Department of General Services to mitigate scope changes. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval.

Consider Ratification of Amendment to the Contract with Ascent Elevator Services for District-Wide Elevator Inspection and Maintenance Program. 

Presenter: Vice Chancellor Ikharo

Ratification is requested for an amendment to the contract with Ascent Elevator Services for the District-wide Elevator Inspection and Maintenance Program. This amendment extends services for a one-year period from April 1, 2011 through March 31, 2012, at a fee of $51,570. Funding Source: District General Funds. On January 15, 2007, the Board of Trustees approved a contract award to Ascent Elevator Services (Ascent) for the District-wide Elevator Inspection and Maintenance Program. Ascent was selected through a competitive Request for Proposal process (RFP 06-07/24). In the RFP response, service prices were quoted for five years. Ascent has provided services according to the prices quoted in their proposal since the initial one-year contract. The last optional year under the proposal is for the period from April 1, 2011 through March 31, 2012. Ascent has been very responsive since the initiation of the contract, and the District has been satisfied with the services they have performed. Staff recommended approval of an amendment extending Ascent's contract for a final year at the cost specified in their original proposal (2.987%/year escalation), resulting in a total Elevator Inspection and Maintenance Program fee of $51,570 for this period ending March 31, 2012. A new RFP will be conducted prior to the end of this renewal term. It was necessary to approve the amendment during the Board recess so that the elevator services could continue and the vendor could be paid. The Chancellor approved this amendment, as permitted under the Chancellor Authorization to Sign (Resolution 99/00-5), and ratification by the Board of Trustees is now requested. All Board approved contracts are subject to negotiation and execution by the Chancellor. The Chancellor recommends ratification.

Background Material

Trustee Handy had asked this non-local company to review its discriminatory hiring policy previously. She noted that this is a highly paid profession, and asked if the elevator union has done anything to improve their local membership and diversity and hiring practices.
Consider Approval to Increase the Approved Lease Expenditure Amount for 2070 Allston Way, Berkeley, California

Presenter: Vice Chancellor Ikharo

Board approval is requested to increase the approved expenditure amount for the lease of 2070 Allston Way by $76,739.00, to pay for the proportionate operating costs and Alameda County property tax (which is reimbursed by the County). Funding Source: Bond Measure A. At the Board meeting of December 15, 2009, the Board of Trustees approved entering into a 25-month lease of space at 2070 Allston Way, Berkeley, to be used for swing space for Berkeley City College, in the amount of $332,760.60. Berkeley City College is leasing this property for swing space during the construction of tenant improvement projects at the main campus. The lease term commenced on December 18, 2009 and will end on January 17, 2012. According to the terms of the lease, the District is responsible for paying a proportionate share of the building operating costs. The operating costs already paid have averaged $638.00 per month. The total for the entire lease term will be approximately $15,312.00. The District must also pay a proportionate share of the Alameda County property taxes (which are later refunded to the District by the County). The estimate for two years is $61,427.00. The total of these additional charges is $76,739.00. Because the original Board approval amount of $332,760.60 included only the actual lease cost, Board approval is requested to increase the approved lease expenditure (purchase order) amount by $76,739.00. The property tax amount of $61,427.00 will be reimbursed by the County, so the actual expenditure above the monthly rental will be approximately $15,312.00. Funding is currently available in the Measure A budget for this expenditure. All Board approved contracts are subject to negotiation and execution by the Chancellor. The Chancellor recommends approval.

Consider Ratification of Amendment No. 1 to Lease for 2070 Allston Way, Berkeley, California

Presenter: Vice Chancellor Ikharo

Ratification is requested for Amendment No. 1 to the lease for 2070 Allston Way in Berkeley. Amendment No. 1 extends the term of the lease for 25 months, from January 18, 2012 through January 17, 2014, in the amount of $392,624.00. Funding Source: Bond Measure A. This space will continue to be used as swing space during the last phase of the Berkeley City College facility build-out (fifth floor). The original lease was for a 25-month term beginning December 15, 2009. The rental fees for the extension period have been reduced from the original lease costs. The amendment includes: Free rent for the first month Negotiated 5% reduction for months 2-13 from $13,663.90 to $12,960.75 ($703.15/month savings) Negotiated 5% reduction for months 14-25 from $14,066.15 to $13,363.00 ($703.15/month savings) A clause that allows the District to terminate the lease on or after July 18, 2013 (with a three-month advance written notice) without incurring any early termination payments In addition to the monthly lease payments totaling $315,885.00, the District is required to pay a proportionate share of the building operating costs. Based on actual charges during the original lease period, this cost is estimated at $638.00 per month, or $15,312.00 for 24 months. The District is also required to pay a proportionate share of Alameda County property taxes, estimated at $61,427.00 for the extension period. (The property taxes are refunded at the end of each fiscal year by the County, as the District is a tax-exempt public agency.) The total budget for the lease extension (actual rent plus estimated operating costs and property tax) will be $392,624.00, although $61,427.00 will be reimbursed by the County. The Chancellor approved this amendment during the Board recess, as permitted under the Chancellor Authorization to Sign (Resolution 99/00-5), and ratification by the Board of Trustees is now requested. All Board approved contracts are subject to negotiation and execution by the Chancellor. The Chancellor recommends ratification.
