FACILITIES

18. Consider Approval of Amendment No. 2 to the Existing Agreement with Security By Design (SBD) to continue to Provide Professional Design Services and Construction Administration for the Installation of the Code Blue Emergency Blue Phones. **Presenter: Vice Chancellor Ikharo.**

Approval is requested of Amendment No. 2 to the existing agreement with Security By Design to provide professional design services and construction administration for the Installation of the Code Blue Emergency Blue Phones, in the amount not-to-exceed $116,095. Under Amendment No. 2, SBD will provide the following scope of services that were not included in the original agreement: bid support; design for additional video and construction support; and implementation support (Construction Administration)/ operation and project close-out. This updated design requirements is in line with the Ferrilli’s recommendation to the District.

As required by the District Purchasing Procedures, the administration obtained three price quotes to procure the original professional services agreement. Under the original agreement, SBD provided design services for $39,550, which did not require Board approval because the amount was below the $87,800 threshold for professional services. Under Amendment No. 1, the contract time was extended to December 31, 2015. If this Amendment No. 2 is approved, then the accumulative contract amount will be $155,645. The Chancellor recommends approval. **Funding Source: Measure A.**

Approval is requested for Amendment No. 2 to the Original Agreement with BEARCOM Wireless Worldwide Original Agreement for the District-wide Two-Way Radio System (RFP No. 14-15/13), in the amount not-to-exceed $27,961.00. The amount will pay for the State sales tax that the vendor did not include under the original agreement and Amendment #1 for the two way radio purchases. At the July 14, 2015, the Governing Board of Trustees awarded BEARCOM Wireless Worldwide the contract to provide new radios District-wide, in the amount of $259,033. If Amendment No. 2 is approved, the accumulative contract amount will be $334,080. Please note that this bid for this project was awarded based on “best value.” Therefore, the tax amount that was excluded would not have had a material change to the scores. The Chancellor recommends approval. **Funding Source: Measure A.**
20. **Consider Approval for Change Order No. 3 for W.E. Lyons Construction on the Veterans Center and Athletics Offices Remodel Project at the College of Alameda (Bid No. 13-14/24).** **Presenter: Vice Chancellor Ikharo.**

Approval is requested for Change Order No. 3 to the contract with W.E. Lyons Construction, a no-cost time extension of 36 days. Under this Change Order No. 3, the contractor will complete the required scope of work within the approved contract period. Additionally, the time extension is needed to obtain a custom exit sign and for the contractor to install it. The original contract amount was $286,663 approved on March 10, 2016; Change Order No. 1 in the amount of $22,020 was approved on September 8, 2015; and Change Order No. 2 in the amount of $6315.92 was approved on December 8, 2015. The total accumulated change order is $28,335.92, which is 9.9% of the base contract amount of $286,663. If Change Order No. 3 is approved, the vendor’s contract amount will remain at $314,998.92. The Chancellor recommends approval. **Funding Source: Measure A.**

21. **Consider Approval for Change Order No. 1 for Kaelin Construction on the Chemistry Hoods in Existing Building “D” Project at College of Alameda (RFP No. 15-16/16).** **Presenter: Vice Chancellor Ikharo.**

Approval is requested for Change Order No. 1 to the contract with Kaelin Construction, in the amount of $2,770.00. Change Order No. 1 is a 3.3% change to the original contract amount of $82,889.00. The change is for the cost of required performance and payment bonds into the contract price, which was not included in the solicitation bid package. If Change Order No. 1 is approved, the vendor’s cumulative contract amount will be $85,659. The Chancellor recommends approval. **Funding Source: Measure A.**

22. **Consider Approval of Resolution No. 15/16-36, Acceptance of Completed Work and Release of 5% Retention for the Merritt College Hardscape Project (Bid No. 14-15/20), Sposeto Engineering.** **Presenter: Vice Chancellor Ikharo.**

Approval is requested for acceptance of completed work and release of 5% retention for the Merritt College Hardscape Project (Bid No. 14-15/20), Sposeto Engineering, not to exceed $51,261.72. The Governing Board of Trustees approved a contract award (Bid No. 14-15/20) to Sposeto Engineering at the April 14, 2015 meeting, in the amount of $989,000. A notice to proceed (NTP) was issued with a start date of May 26, 2015. The District has filed a Notice of Completion (NOC) with the County of Alameda, and project acceptance is recommended. This resolution accepts the project as complete and staff is requesting final acceptance of the project and release of the remaining 5% retention, in the amount of $51,261.72.

There was one (1) change order on the project for a total of $41,192.42 or 4.16% of the original contract amount. The College President and Business Manager have signed the Project Final Acceptance. Approval to accept this project as
complete and release of retention is recommended by the Chancellor. **Funding Source: Measure A.**

23. **Consider Approval of Measure A Budget Appropriation and Transfer for Health Clinics at Berkeley City College, College of Alameda, and Merritt College (No. 89)**

Presenter: Vice Chancellor Ikharo.

Approval is requested to appropriate and transfer Measure A Bond Budget no. 89. This budget transfer was sent to the Vice Chancellor of Finance and Administration for approval for January 26, 2016 Regular Board of Trustees Meeting upon review by the Chancellor. Staff has obtained signatures and consent from the Administration (Vice Chancellor of Finance and Administration, Vice Chancellor of General Services, and the Chancellor) for these budget transfers and appropriations. On June 23, 2009, the Board of Trustees approved the Bond Measure (A and E) Spending Plan, which included budget appropriations, cash flow projections, and budget transfer procedures.

**Budget Transfer No. 89** ($1,200,000) allocates $400,000 to each of the following colleges: Berkeley City College, College of Alameda, and Merritt College. On June 26, 2009, the Board of Trustees approved the allocation of $2,000,000 to build a Districtwide Health Center at Laney College or in the immediate area. Three (3) colleges have developed and submitted a comprehensive health services plan for the Chancellor to review. After the success of the Laney College Wellness Center, the demand for health services has dramatically increased. Additionally, the use of mental health counseling has more than quintupled. Each college opted to provide health care services to students in their campus environment that is more suitable for their needs. Therefore, decentralizing and expanding the range of medical services available at Berkeley City College, College of Alameda, and Merritt College has become desirable.

The fund is apportioned from the Laney College Health Clinic account (#2460) to create project accounts for College of Alameda Health Clinic (#2472), Berkeley City College Health Clinic (#2474), and Merritt College Health Clinic (#2473).
