27. Consider Ratification to accept a Chancellor Approved Construction Contract with Bay Construction Company for the Merritt College Barbara Lee Center for Science and Allied Health Landscape Improvement (Bid No. 14-15/43) (Resolution 15/16-08). **Presenter: Vice Chancellor Ikharo.**

*Ratification* is requested to accept a Chancellor approved contract with Bay Construction Company for the Merritt College Barbara Lee Center for Science and Allied Health Landscape Improvement (Bid No. 14-15/43), in the amount not-to-exceed $604,000.00. During the board recess, as permitted under the Chancellor Authorization to Approve (Resolution 99/00-5), the Chancellor signed and do business on behalf of the Board. On August 27, 2015, the Chancellor signed and approved the contractor’s construction contract so the contractor can commence the landscape work as soon as possible.

The Landscape Improvement project consists of, all planting, irrigation, site furnishing, accessories and concrete work, as described in the Construction Documents prepared by Gates & Associates.

In compliance with the Public Contract Codes, Section 20651, a formal request for bid was conducted for this project, and a bid opening was held on August 7, 2015. A total of three (3) bids were received, as follows:

</tbody>
</table>
The lowest responsible and responsive bid was submitted by Bay Construction Company, in the amount of $604,000. This project requires the contractor to sign a Letter of Assent (LOA), agreeing to work under the terms of the District’s Construction Project Labor Agreement (PLA). Additionally, the contractor will comply with California prevailing wage laws applicable to the project.

Mark Lee and Yong Kay are principals of Bay Construction Company. They are registered with the California Department of Consumer Affairs – Contractors State License Board (no. 593411) and in the Department of Industrial Relation’s Labor Compliance Program (no. 1000000066). All Board recommended contracts are subject to negotiation and execution by the Chancellor. The Chancellor recommends approval. **Funding Source: Measure A.**

28. **Consider Approval of Amendment No. 1 to the Original Agreement for a Contract Extension with KITCHELL Facilities Management Inc. (KITCHELL) for Retro-Commissioning of the Merritt College Barbara Lee Center for Science and Allied Health. Presenter: Vice Chancellor Ikharo.**

Approval is requested for Amendment No. 1 contract extension with KITCHELL for retro-commissioning of the Merritt College Barbara Lee Center for Science and Allied Health, in the amount not-to-exceed $297,000. KITCHELL Facilities Management, Inc. is a division of KITCHELL CEM, who has been the District’s Construction Manager on the Barbara Lee Center project for the last several years. As a result, they have the most complete and comprehensive knowledge of the installed building components and operating systems. The administration recommends the extension of KITCHELL’s existing construction management contract services to provide Transitional Professional Services for Building Maintenance, Operations, and Caretaking, which will benefit the District.

The term of this extension will be for a period of twelve (12) months, KITCHELL will provide maintenance functionality, warranty preventive maintenance, facility planning and training, and work with the District’s stationary engineers for the initial one year warranty period only. These services will ensure a more complete and seamless transfer of the building maintenance and operations to the District.

KITCHELL scope of services will include but is not limited to achieving and maintaining the Leadership in Energy & Environmental Design (LEED) Gold Certification as required by the U.S. Green Building Council (USGBC). They will ensure that the building’s construction, system design and installation achieve energy efficiency and preserve outdoor and indoor environmental quality to meet the Building Energy Efficiency Standards for new construction contained in the California Code Regulations (CCR), Title 24, Part 6 (California Energy Code). Additionally, as negotiated and agreed upon between the District, Local 39 union representatives, and KITCHELL on August 20, 2015, KITCHELL will work with designated stationary engineers and train them on how to oversee and manage the operations of the Barbara Lee Center.
Originally, a formal competitive Request for Proposal (RFP No. 14-15/40) was conducted by the Purchase Department to procure this service. Two firms submitted a proposal; the lowest competitive and responsive bid came in at $397,130.75. The administration deemed this lowest bid too high. As a result, the administration rejected all bids, as permitted under the Public Contract Code section 20651. The administration on behalf of the Board of Trustees may withdraw or reject all bids for public projects with an expenditure over $15,000. Thereafter, since KITCHELL had a strong and comprehensive knowledge of the building’s components and operating systems, the administration requested for KITCHELL to provide a proposal to complete the same scope of service. KITCHELL provided a proposal quote of $297,000. It is in the best interests of the project and financial prudent to the District for KITCHELL to provide and complete the project scope of services.

All Board recommended contracts are subject to negotiation and execution by the Chancellor. The Chancellor recommends approval. **Funding Source: Measure A.**

29. Consider Approval of Amendment No. 1 to the Original Agreement with OJO Technologies Inc. for the Districtwide Security and Safety Cameras Maintenance Training Project (Bid No. 14-15/05). **Presenter: Vice Chancellor Ikharo.**

Approval is requested of Amendment No. 1 to the original agreement with OJO Technologies Inc. for the Districtwide Security and Safety Maintenance and Training of in-house staff, in the amount not-to-exceed of $407,407. On June 9, 2015, the Governing Board of Trustees approved $215,704 for the cost of services for the first year of this three-year (2015/2016) contract. The requested amount of $407,407 is the remainder of the total contract amount of $623,111. This amount will pay for the project cost for the three (3) year term agreement from September 1, 2015 to August 31, 2018. The $215,704 will pay for the initial required parts and maintenance services to start the project. The remainder amount of $407,407 will pay for yearly management, cleaning services, preventative maintenance, software upgrades, and provision of parts and labor for broken cameras for the three-year term. The justification for this increase is due to number of equipment failure that will need to be replaced during the first years of service.

Since the first Board approved date, the Consultant has not commenced their services. Therefore, the Chancellor authorized the new contract term to change to September 1, 2015 to August 31, 2018.

All Board recommended contracts are subject to negotiation and execution by the Chancellor. The Chancellor recommends approval. **Funding Source: District General Fund – Block Grant.**
30. Consider Approval of Amendment No. 1 for the Construction and Contract Time Extension for NRG eVgo to complete the Installation of Slow (Dedicated) Electric Vehicle Charging Stations Project at Laney College, District Administrative Complex, Merritt College, and the College of Alameda. **Presenter: Vice Chancellor Ikharo.**

Approval is requested of Amendment No. 1 for the construction and contract time extension to June 30, 2016 for NRG eVgo to complete the Installation of Slow (Dedicated) Electric Vehicle Charging Stations Project at Laney College, District Administrative Complex, Merritt College, and the College of Alameda. NRG eVgo has completed the installation of EV charging stations at Laney College and the District Administrative Complex. However, they need additional time to complete the project at Merritt College and College of Alameda (COA). The original project final completion date was August 4, 2014, which needs to be extended to December 2016. The COA EV charging station will be installed as a distinct project, aside from the installations at Laney and Merritt Colleges and the District Office. The reason for the separation is that COA is outside of PG&E’s territory, and is, thus, ineligible for the grant funding that paid for the other installations. The COA installation will be funded by the District.

The vendor is not required to be registered with the Department of Industrial Relation’s Labor Compliance Program (SBA 854) since their contract was executed on May 9, 2014, which is before the April 1, 2015 effective registration date. The Chancellor recommends approval. All Board recommended contracts are subject to negotiation and execution by the Chancellor. The Chancellor recommends approval. **Funding Source: District Solar Energy Credit from California Solar Initiative.**

31. Consider **Ratification** of a Chancellor Approved Emergency Service Agreement with Tyco/Simplex Grinnell to Reprogram Master Fire Alarm Panels at Four (4) Campuses. **Presenter: Vice Chancellor Ikharo.**

**Ratification** of a Chancellor approved emergency agreement with Tyco/Simplex Grinnell for reprogramming services of existing master fire alarm panels for monitoring purposes at College of Alameda, Alameda Aviation Facility, Laney College, and Merritt College, in the amount not-to-exceed $38,510. It was discovered that there was a disconnection of fire alarm activities between Police Services and Peralta’s four (4) campuses to allow for off-site monitoring. The administration requested for the Chancellor to approve this emergency contract to take corrective actions to resolve this emergency matter regarding public safety. As permitted under the Chancellor Authorization to Approve (Resolution 99/00-5), the Chancellor signed this emergency service agreement during the Board recess, which allowed the contractor to start work and fix the disconnection immediately. The Chancellor previously approved this agreement on August 25, 2015, for fire/life/safety reasons.

Pursuant to the Public Contract Code, Section 22050, under Emergency Contracting Procedures, the District with four-fifths votes from the Governing Board...
of Trustees, may establish a contract with one selected contractor without conducting a formal or informal bid for emergency projects. Under this emergency contract, Tyco/Simplex Grinnell will reprogram the fire alarm panels at each campus to report directly to Simplex Grinnell. Then they will report to Police Services until the connection failure can be investigated and rectified. Importantly, this monitoring will allow the Merritt College Barbara Lee Center to remain occupied and open for the Fall Semester and will satisfy the Division of the State Architect’s (DSA) requirements for occupancy.

All Board recommended contracts are subject to negotiation and execution by the Chancellor. The Chancellor recommends approval. **Funding Source: General Fund (02).**

32. **Consider Ratification** to accept the Chancellor Approved Change Order No. 1 for the Veterans Center and Athletics Offices Modernization Project at College of Alameda (Bid No. 13-14/24), WE Lyons Construction. **Presenter: Vice Chancellor Ikharo.**

**Ratification** is requested to accept the Chancellor approved Change Order No. 1 with WE Lyons, in the amount of $22,020 and 60 days extension. On July 15, 2015, the Chancellor approved Change Order #1. Now, this approved change order is brought before the Governing Board of Trustees for ratification. Change Order #1 in the amount of $22,020 is 7.7% of the original contract amount of $286,663.00. Change Order #1 includes PCOs #1-24 (see attached summary). These changes are in response to unforeseen conditions and to opportunities to improve the overall value that were identified by the college during the construction phase of the Veterans Center and Athletic Offices Modernization project at College of Alameda.

The time extension is due to the change order work and to the accumulated impact of the change order work on the base scope of work. It is in the best interests of the District and financially prudent to approve this Change Order No. 1. All Board recommended contracts are subject to negotiation and execution by the Chancellor. The Chancellor recommends approval. **Funding Source: Measure A.**

33. **Consider Approval of Resolution 15/16-06 for the Acceptance of Completed Work and Deductive Change Order No. 1, and Release of the 5% Retention for the Americans with Disabilities Act (ADA) Tower Entry Doors Replacement Project at Laney College (Bid No. 14-15/24), T. Amaral’s Done Right Construction.** **Presenter: Vice Chancellor Ikharo.**

Approval is requested for the acceptance of completed work and deductive change order no. 1 ($10,000), and the release of the 5% retention for the ADA Tower Entry Doors Replacement Project at Laney College (Bid No. 14-15/24). The Governing Board of Trustees approved a contract award (Bid No. 14-15/24) to T. Amaral’s Done Right Construction at the February 17, 2015 meeting, in the amount of $75,696. A notice to proceed (NTP) was issued with a start date of May 23, 2015.
The administration requests an approval of the deductive change order no. 1 of $10,000, which is (-13.2%) of the contract amount. The total contract amount is now $65,696 due to this deductive change order. This deductive change order will reduce the remaining amount from the contract. Additionally, there was a decrease in the construction contract time of seventeen (17) calendar days.

Acceptance of the project completion is requested. Since the project is complete, the administration requests to release the five percent (5%) retention payment of $3,285 to the contractor. All Board recommended contracts are subject to negotiation and execution by the Chancellor. The Chancellor recommends approval. **Funding Source: Measure A.**
