Board Presentation

The public hearing was gaveled in. There were no public comments.

A budget update was given. Trustee Guillén asked what types of classified positions are being added to the budget. There are twenty positions being added. Six of those positions are for grounds & maintenance which are district wide positions that are being restored from previous year reductions. The other positions were split based on the percent of FTES percentage totals within the other colleges. He understands that we are
setting aside $17 million for OPEB liability. Is that enough money being set aside for that purpose? The $17 million is comprised of two pieces. The first is the money set aside to fund benefits for current employees which is approximately $7 million dollars and the $10 million is set aside for current retirees. Trustee Guillén complimented Ron Gerhard and his staff on putting together an easy to read, transparent, budget.
