Presenter: Vice Chancellor Little Consider approval to purchase a new 2016 Kenworth Truck, Model T270 for the District Warehouse from Norcal Kenworth - Bay Area. To follow up and ensure all laws which govern the Clean Air Act and to remain complaint with the State of California emission requirements, the District, obtained a quote utilizing the 2015 Local Government and Municipality Sales piggyback contract # S/C9509791. After further research and in depth review, it was determined that the Government and Municipality contract offered the best value amongst its competitors with regards to service, durability and price. The pricing proposal submitted by Norcal Kenworth - Bay Area to purchase a 2016 Kenworth Truck, model T270 at a discounted amount of $99,124.36 is recommended for approval. Funding Source: General Funds

Background Material

Speaker Brice, head custodian and Local 39 Steward, Merritt College, would like to receive funding for supplies, equipment and personnel.

Chancellor Laguerre asked Vice Chancellor Ikharo and Vice Chancellor Little to work with Merritt President Ambriz-Galaviz and staff to make sure we improve the staffing if necessary especially with the new building.
MOTION: Motion by Trustee Withrow, second by Trustee Riley to approve Agenda Item 15. Authorization to purchase a new 2016 Kenworth Truck, Model T270 for the District Warehouse from Norcal Kenworth - Bay Area.

16. Consider Approval of annual PeopleSoft Software License Update and Support with Oracle for FY 2015-16 Presenter: Associate Vice Chancellor Madlock  
The annual PeopleSoft Software License Update and Support required to maintain all PeopleSoft modules used by the District and the Colleges (Student Administration, Human Resources, Finance, General Ledger, Purchasing, Benefits, etc.). The total cost is $264,737.80 (excluding applicable tax). The Support will run from October 22, 2015 to September 16, 2016. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval. Funding Source: $264,737.80 from Unrestricted General Fund.

17. Consider approval of a contract with CollegeNet Inc. to implement the Classroom and Resource Scheduling software, in the amount of $225,000.00 Presenter: Associate Vice Chancellor Madlock  
Approval is requested to cover consulting fees to implement the Series25 and X25 Classroom and Resource Scheduling software. The anticipated timeline is from November 1, 2015 through June 31, 2016. Project 3.3 of the District's Strategic Information Technology Plan, calls for a Classroom Scheduling system to increase efficiency of operations and reduce back office operating costs. The not to exceed amount of $225,000.00 include a 10% contingency and escalation cost of 2% over the last four years.

19. Consider Approval of Short-Term Assignments - Hiring of Non-Academic Short-Term Employees Presenter: Vice Chancellor Largent  
Pursuant to California Education Code Section 88003, the below list contains the name, date of hire, assignment end date, position title, and site location of candidates recommended for short-term assignments in non-academic classified
20. Request Board Authorization to Approve the Expansion of the District’s Medicare Reimbursement Program to Include Reimbursement for the Medicare Part D Income Related Monthly Adjustment Amounts (Part D-IRMAA). Presenter: Vice Chancellor Largent The District and its employee groups have always agreed that it is mutually beneficial to undertake Health Benefits programs which do not violate the Collective Bargaining Contracts and also lower long-run costs of the District programs. The District requests approval of the expansion of its Medicare Reimbursement Program to include reimbursement for the Medicare Part D Income Related Monthly Adjustment Amounts (Part D-IRMAA). Retirees’ participation in the Federal Medicare Part D Program reduces the District’s cost for retiree health benefits due to the Federal Medicare D Subsidy Program for prescription drug costs. The District’s annual reimbursement for participating in the Federal Medicare D Subsidy Program on the Prescription Drugs Subsidies is approximately $300,000. It is from this Subsidy Program that the District reimburses retirees for participating in Medicare Part D.

FACILITIES

22. Consider Ratification of a Chancellor Approved Emergency Service Agreement with Tyco/Simplex Grinnell to Reprogram Master Fire Alarm Panels at Four (4) Campuses. Presenter: Vice Chancellor Ikharo. Ratification of a Chancellor approved emergency agreement with Tyco/Simplex Grinnell for reprogramming services of existing master fire alarm panels for monitoring purposes at College of Alameda, Alameda Aviation Facility, Laney College, and Merritt College, in the amount not-to-exceed $38,510. It was discovered that there was a disconnection of fire alarm activities between Police
Services and Peralta’s four (4) campuses to allow for off-site monitoring. The staff requested for the Chancellor to approve this emergency contract to take corrective actions to resolve this emergency matter regarding public safety. As permitted under the Chancellor Authorization to Approve (Resolution 99/00-5), the Chancellor approved this emergency service agreement during the Board recess, which allowed the contractor to start work and fix the disconnection immediately. The Chancellor previously approved this agreement on August 25, 2015, for fire/life/safety reasons. This action also saves the District cost for hiring more security guards to conduct a "Fire Watch" on a daily basis. In compliance with the Public Contract Code, Section 20654, the contract will be finalized pending on the Alameda County Office of Education Approval. Under this emergency contract, Tyco/Simplex Grinnell will reprogram the fire alarm panels at each campus to report directly to Simplex Grinnell. Then they will report to Police Services until the connection failure can be investigated and rectified. Importantly, this monitoring will allow the Merritt College Barbara Lee Center to remain occupied and open for the Fall Semester and will satisfy the Division of the State Architect’s (DSA) requirements for occupancy. All Board recommended contracts are subject to negotiation and execution by the Chancellor. The Chancellor recommends approval. Funding Source: General Fund (02)

23. Consider Approval for an Emergency Contract with American Air Conditioning, Plumbing and Heating (American Air) to Replace Existing Inoperable HVAC units at Admission and Records building, Merritt College’s Main Server Room and Ancillary Server Room. Presenter: Vice Chancellor Ikharo. Approval is requested for an emergency contract with American Air Conditioning, Plumbing and Heating to replace existing inoperable HVAC units at Admission and Records building, Merritt College’s Main Server Room and Ancillary Server Room, in the amount not-to-exceed $27,661.

1) Admissions and Records Building This project is an emergency project because the existing HVAC unit has failed completely and is beyond repair. Replacing the failed HVAC unit will comply with Title 24, California Code of Regulations, for occupancy. This replacement will meet the occupancy regulation and requirement of 15 cfm per square footage in an occupied area. The replacement of the existing HVAC unit will provide high indoor air quality, introduces outside air, keeps interior building air circulating, and prevents stagnation of the interior air in the staff work area. Therefore, providing staff with a conducive working environment and required air circulation.

2) Merritt College Main Server Rooms Both server rooms house high level IT equipment and the systems temperature will allow the campus to operate. Currently, the existing HVAC unit is not cooling the server rooms correctly to prevent the equipment from overheating. When a server room becomes too hot, equipment can easily overheat, causing the data being stored or supported by the system to be lost. Therefore, American Air will replace the existing air conditioning units so the
optimum server room temperature can be maintained and ensure that the existing IT equipment and systems are in top working order. This replacement is necessary to allow classes or the College Administrative Office to continue operation. The vendor will implement the scope of work as defined in the specification. Board approval is required because the contractor’s total contract amount of $27,661 exceeds the $25,000 threshold for contracted services in the 2015/2016 fiscal year. All Board recommended contracts are subject to negotiation and execution by the Chancellor. The Chancellor recommends approval. Funding Source: Scheduled Maintenance Fund & Fund 01

25. Consider Approval of an emergency service contract with Suarez & Munoz Construction Inc. to Clear All Weeds and Hazardous Vegetation in the Wildland Interface Areas around Merritt College. Presenter: Vice Chancellor Ikharo. Approval is requested to approve an emergency service contract with Suarez & Munoz Construction Inc. to clear all weeds and hazardous vegetation in the wildland interface areas around at Merritt College, in the amount not-to-exceed $38,610. The Oakland Fire Department issued a citation to the District for immediate weed abatement in the wildland area due to high fire danger to the college and the neighbors. On August 3, 2015, the Oakland Fire Department (Fire Prevention Bureau) conducted a vegetation inspection at the site, and discovered that site to be non-compliant with the City of Oakland fire regulations. The property area that need weed abatement is about 31 acres of wildland interface areas (parcels #037-2685-001-40 and 037A-3141-001-17), but only a portion needs weed abatement. The District must immediately correct the problem in accordance with the California Fire Codes (CFC). To meet the CFC’s regulations, the contractor will complete the following scope of work: * Clear all weeds and hazardous vegetation on the entire area of work to a height of 6 inches or less per the CFC 4907.1; * Provide a minimum clear width of 30 feet around proper lines perimeter required by the CFC 4907.2; and * Remove dead vegetation from the property per CFC 4910.2.2.3;
