occurring inside of the classroom, and districts should not be penalized for not meeting those goals. He asked students to also pay attention to these issues. Student Trustee Copenhagen announced his endorsement of Trustee Guillen in the assembly. He asked that people respect the uniqueness of each college, as well as working in a collaborative efforts, since future cuts will occur. 6. Update on Information Technology Presenter: Tony Tortorice (30 minutes)

Trustee Withrow asked about IT helping to increase District productivity and return on investment. The intended benefits are an important focus of project management. Trustee Gonzalez Yuen looks forward to seeing these issues in the planning document to provide stronger guidance in the future. The planning process will include finishing up the PeopleSoft project with a clear end date once we’re stable. Upgrades also need to be included in the plan. Websites need to be examined on a planned basis, with instructional ad hoc sites and staffing. Wikis need critical mass to work with an organized community. Trustee Gulassa is also interested in the management of the IT projects and an IT plan. We have an absence of project management where we need full-time staff focusing on this. Trustee Guillen feels this is a way to allow us to deliver additional services to our students and make us more efficient and not employ more consultants in the future.

7. Study Session on Proposed Board Policies Presenter Jim Grivich (10 minutes). The Board will conduct a study session on the Board Policy and Administrative Procedure Project. Based upon the Accreditation Commission's June 30, 2011 letter Recommendation 4, the Board will evaluate selected Board policies and implement actions to resolve deficiencies. The following policies are presented for review, and will return to a future Board meeting for adoption: BOARD POLICY 2345 PUBLIC PARTICIPATION AT BOARD MEETINGS (REPLACES BPS 1.10 AND 1.11) BOARD POLICY 2350 SPEAKERS AND DECORUM (REPLACES BP 1.10) BOARD POLICY 2360 MINUTES AND RECORDING (REPLACES BP 1.10) BOARD POLICY 2410 BOARD POLICY AND ADMINISTRATIVE PROCEDURE (REPLACES BP 1.25) BOARD POLICY 2430 DELEGATION OF AUTHORITY TO THE CHANCELLOR (NEW) BOARD POLICY 2432 CHANCELLOR SUCCESSION (NEW) BOARD POLICY 3280 GRANTS (REPLACES BP 5.02)

Background Materials

Speaker Grivich gave an update on our evolving BP and AP adoption process, going through the shared government process. Trustee Guillen asked about substitute speakers in BP 2350, and suggested that be removed. Speakers can provide their organizational affiliation, if any. Trustee Gulassa shared that a public speaker speaks before the Board considers an item. Trustee Gonzalez Yuen asked about District grants. He’s also not comfortable with the listed 28 days to delegate the term of Chancellor, but suggested 7 days, and that it’s the power of the Board to appoint the Chancellor. He suggested that the academic Vice Chancellor may also be a possible candidate to consider. Student Trustee Copenhagen asked for the distinction between acting and interim. Acting replaces the Chancellor if the Chancellor is on leave, and
Interim replaces the position when it’s vacant. The Board wants to have the perrogative to appoint a Chancellor prior to the 28 days expiring, should they wish to have a special or regular meeting. Trustee Guillen asked that our emergency protocol be consistent with the policy, as well.
