“The District has complied with the applicable provisions of the Education Code”
18. **Consider Recommendation to Increase existing Professional Services Agreement (ICC#21307) with American Fidelity Administrative Services, LLC by $25,000 to continue to provide consulting, analysis and support in compliance with the new Affordable Care Act (ACA) reporting and monitoring requirements.** **Presenter: Vice Chancellor Largent**

As an employer with more than 500 employees, the District is required to report and keep track of hours worked for each type of pay, according to federally-defined guidelines. While the Federal IRS Form W-2 reports wages, new reporting requirements which became effective in 2016, have introduced IRS Form 1095 which the District is required to submit on behalf of those covered under a group health plan in the preceding calendar year. IRS Form 1095 reports benefits enrollment for employees and retirees covered under a Peralta plan. This is a new business process which impacts the District and other employers with an employee base of 500 or more. The new contract amount will be $50,000, and the District anticipates using the services of American Fidelity Administrative Services, LLC through June 30, 2017.

The budget transfers presented are requests originating from the Colleges’ or District’s departments during the ordinary course of operations and do not significantly alter the final budget that was approved by the Board of Trustees on September 8, 2015. California Code of Regulations Section 58307 limits the District’s expenditures to the amount
appropriated for each major expenditure classification as approved by the Board of Trustees through the adoption of the District’s annual budget or as amended by subsequent budget transfers or revisions. Due to this statutory control language, budget transfers that move budget authority between major object codes or classifications must be approved by the Board of Trustees. 27. Consider Approval of Amendment #2 to an Existing Contract with Tyco/SimplexGrinnell for District-wide Fire System Testing, Inspection, Repair and Maintenance. Presenter: Vice Chancellor Ikharo.

Approval is requested of Amendment #2 to an existing contract with Tyco/SimplexGrinnell for the District-wide Fire System Testing, Inspection, Repair and Maintenance, in the amount not-to-exceed $2246. In the 2015/2016 fiscal year, staff requested for Tyco/SimplexGrinnell to complete a shunt-trip test in order for elevators at Merritt College and College of Alameda to descend to the bottom floor. California Division of Occupational Safety and Health (CALOSHA) requires for a shunt-trip to be completed once a year. The District’s elevator company, KONE Inc. verified that this shunt-trip test was successful. The elevator shunt-trip test was not included in the original contract scope of work. Willard McCune is the manager of the company; they are located in Livermore, CA.

The Governing Board of Trustees approved the original contract ($410,391) on January 21, 2014, and Amendment No. 1 ($120,000) on March 10, 2015. Including this Amendment #2, the total contract is $532,637 for a three year period. Their contract will terminate on January 30, 2017. The Chancellor recommends approval. Funding Source: General Fund.

28. Consider Approval of Resolution No. 16/17-16 for a Contract Award to Syserco, Inc. for the Districtwide Implementation of Monitoring Based Commissioning Program (MBCx). Presenter: Vice Chancellor Ikharo.

Approval is requested to award a contract to Syserco, Inc. for the Districtwide Implementation of Monitoring Based Commissioning Program, in the amount not-to-exceed $992,597. The MBCx program enables the District to monitor building-level electricity and natural gas usage in 15 existing buildings. Monitoring will be done via sub-metering equipment and Facility View and Facility Care, a combined, web-based software system. The MBCx program, as it is currently customized for the District, entails the installation of new HVAC components, electricity and natural gas meters, a new web-based software system, personnel training, and project documentation. Some examples of the MBCx measures which will be implemented are: (1) replacement of dampers, actuators, temperature sensors, heating and hot water valve, and duct static pressure sensor, (2) configuration of trending and scheduling, (3) implementation of air economizer strategy, (4) installation, configuration, and operation of Facility View and Facility Care software, (5) training for the District’s engineers, and, (6) project documentation. Over a ten-year period, the District is projected to realize annual energy cost savings of $376,320. For this level of savings to persist, the District must properly maintain the equipment and follow the MBCx program recommendations.
On March 23rd and 30th, 2016, the District advertised RFP No. 15-16/27 for this project. The District received two (2) competitive bids as follows:

SYSERCO Inc. is the lowest and responsive bidder. The company is located in Fremont, CA; they are registered with the California Contractors License Board (CSLB #483939). Ryan Taylor is the account manager and Derrick Eggers is the executive manager at the company.

Board contract approval is subject to final negotiation and execution by the Chancellor. Chancellor recommends approval. **Funding Source: Proposition 39; CCC/IOU Incentives; Measure A funds; and Solar Sustainability Rebates.**

29. **Consider Approval of an Emergency Service Contract with Anderson Carpet & Linoleum Sales Inc. for the Installation of Specialized Anti-skid Flooring in Elevators and Stairwells at Laney College, Berkeley City College and College of Alameda.** **Presenter: Vice Chancellor Ikharo.**

Approval is requested to approve an emergency service contract with Anderson Carpet & Linoleum Sales Company Inc. to install specialized rubberized flooring material in elevators and stairwells at Laney College, Berkeley City College and College of Alameda, in the amount not-to-exceed $45,000. The Berkeley Fire Department and CAL OSHA threatened to issue citations to the District for immediate repair and replacement of the elevator flooring due to danger to the college community. On August 3, 2016, the Berkeley Fire Department (Fire Prevention Bureau) conducted an elevator test at Berkeley City College. They discovered the elevator flooring, especially the handicap elevator, constitute a trip hazard and deemed it to be non-compliant with the City of Berkeley fire regulations. In anticipation of similar tests by other city’s Fire Departments, the District elected to provide similar remedies to elevators and stairwells in other colleges. The District immediately corrected the problem in accordance with the California Fire Codes (CFC) and the Uniform Building Codes (UBC). To meet the CFC’s regulations, the contractor completed the following scope of work:

- BCC Elevators –demolished the existing granite flooring and scraped the existing adhesive smooth; prepped the floor with Ardex FF as needed; and installed Burke Rubberized Tile with round profile;
- Laney College Elevators – Removed existing carpets and prepped the substrate for installation of new Burke Rouleau square nose, rounded profile Charcoal color #217 flooring. At Laney College Library grand stairs, existing carpets were removed and replaced with Burke Rouleau flooring, same as above.
- College of Alameda Elevator – Removed the existing carpet, replaced with Burke Rouleau rubberized flooring;
Due to the fact the Fall semester was going to begin in August 22, 2016, it was necessary to complete this transaction and installations so that the District can meet the life-safety needs and American with Disabilities Act (ADA) to provide a clear path of travel without any architectural barrier requirements. This transaction qualifies as an emergency work under Public Contract Codes, beginning from sections 20651-20659. This immediate action enabled the students to attend classrooms instruction without hindrance. Board contract approval is subject to negotiation and execution by the Chancellor. Chancellor recommends approval. **Funding Source: General Fund.**

30. **Consider Approval of Amendment #1 to an Existing Emergency Service Contract with R.F. MacDonald to Replace the Existing Domestic Hot Water Generator at Laney College**  
**Presenter: Vice Chancellor Ikharo.**

Consider Approval of Amendment #1 to an existing emergency service contract with R.F. MacDonald to replace the existing Domestic Hot Water Generator, in the amount not-to-exceed $3451. As noted, the work under this Amendment #1 was not for emergency work. This requested amount will pay for repair of flame boiler failure and the following completed work in 2015/2016 fiscal year in the Laney College Building “E.”

- Isolated power and gas to boiler and removed ignitor assembly;
- Found ignitor very dirty; cleaned the ignitor and verified good continuity;
- Checked the pilot line is clear of obstructions; Re-installed ignitor assembly;
- Found lots of debris on top of burner; restored power and gas to boiler; lit boiler and adjusted both high and low fire gas valves to ensure a good flame without rolling out.

The Governing Board of Trustees approved the original contract ($26,280) at the June 14, 2016, meeting. If this Amendment is approved, their total contract amount will be $29,731. Board approval is required since this total contract amount exceeds the $25,000 threshold to purchase goods and services. The Chancellor recommends approval. **Funding Source: General Fund.**

31. **Consider Approval of Amendment No. 2 to an Existing Contracted Services Agreement with Lincoln Aquatics for Districtwide Pool Maintenance Services.**  
**Presenter: Vice Chancellor Ikharo.**

33. **Consider Amendment No. 2 to the Existing Contract Services with KONE Inc. to Continue to Provide Districtwide Elevator Inspection and Maintenance Program at Berkeley City College, College of Alameda, Laney College, and Merritt College**

*Presenter: Vice Chancellor Ikharo.*

Approval is requested for an Amendment No. 2 to the existing contract with KONE Inc., to continue to provide Districtwide Elevator Inspection and Maintenance Program at Berkeley City College, College of Alameda, Laney College, Merritt College, in the amount not-to-exceed $87,574. Currently, KONE Inc. has an existing elevator inspection and maintenance contract from October 1, 2013, to September 30, 2016. Their contract for Berkeley City College expired on June 30, 2016. Under the original Request for Proposal, the District have the option to renew KONE Inc.’s contract for another two years up to five (5) years. About a year ago, KONE Inc. did an internal reorganization to better service the District. The District was assigned a dedicated Account Manager (Gabriel Paz), dedicated Elevator Technicians, and dedicated State Compliance Work Technicians. Ever since the reorganization KONE Inc. has been performing extremely well. Gabriel Paz meets with the District Chief Engineer once each month in an effort for continuous improvement. They discuss KONE’s performance and any trouble equipment or issues. KONE Inc. brings a call out sheet which shows elevator calls for the month per elevator. Since the reorganization, the call outs (elevator malfunctions) have drastically reduced and elevator up time and reliability has increased. Gabriel Paz is always responsive and is able to have issues resolved nearly immediately.

This requested amount will pay for continued services for another two (2) years. Additionally, KONE Inc. will service the new elevator in the Merritt College Barbara Lee Center and Berkeley City College that was not included in the original contract.
The terms of the original agreement for the District-wide Elevator Inspection and Maintenance Program at College of Alameda, Laney College, and Merritt College, was approved by the Governing Board of Trustees at the September 10, 2013, meeting. Then the original contract was amended for a Districtwide Integrated Premium Services, to pay for parts and labor for all four (4) colleges ($55,693) that were not included in the original contract, which was approved on May 13th, 2014. If this amendment is approved, the total contract will accumulate to $295,115.80 for a five (5) year service term.

Staff evaluated the performance of the vendor and recommends to the Chancellor and the Governing Board of Trustees satisfactory performance. Board approval is required since this total contract amount exceeds the $25,000 threshold to purchase goods and services. The Chancellor recommends approval. Funding Source: General Fund.
