California Code of Regulations Section 58307 limits the District's expenditures to the amount appropriated for each major expenditure classification as approved by the Board of Trustees through the adoption of the District's annual budget or as amended by subsequent budget transfers or revisions. Due to this statutory control language, budget transfers that move budget authority between major object codes or classifications must be approved by the Board of Trustees. The budget transfers presented are requests originating from the Colleges’ or District’s departments during the ordinary course of operations and do not significantly alter the final budget that was approved by the Board of Trustees on September 8, 2015. The Chancellor recommends approval.

Request Board Approval of Contract between the District and Alliant Insurance Services, Inc. for Employee Benefits Insurance Consultant/Broker services effective December 9, 2015 through December 31, 2017, in the amount of $115,000 per year. Presenter: Vice Chancellor Largent

On October 3, 2014, the District’s former consultant/broker, PSW Benefits Resources, notified the District that owner Peter Wantuch was retiring on December 31, 2014, and as a result, PSW Benefits would cease its business operations. The District initially sought to select new consultant/broker services through a Request for Proposal (RFP) process, in collaboration with representatives from the District’s Health Benefits Committee, (representative of all constituency groups - Local 1021, Peralta Federation of Teachers, Local 39, Management, Confidential employees, and Retirees), who reviewed and provided feedback to the proposed scope of services, ranked bid materials, and reviewed work samples and deliverables. The Committee recommended that Alliant be retained for Employee Benefits Insurance Consultant/Broker services. Through the contract negotiation process, it was determined that the RFP requested services that are broader than what is currently required by the District. Accordingly, the District rejected all bids. The District assessed its current consultant/broker needs and negotiated with Alliant for Consultant/Broker services. The Chancellor recommends approval.

Consider Approval of Amendment No. 1 to the Existing Agreement with Crown Worldwide Moving and Storage, LLC, for the Merritt College Barbara Lee Science and Allied Health Center (RFP No. 14-15/24). Presenter: Vice Chancellor Ikharo. Approval is requested for Amendment No. 1 to the existing agreement with Crown Worldwide Moving and Storage, LLC, for the Merritt College Barbara Lee Science and Allied Health Center (RFP No. 14-15/24), in the amount not-to-exceed $21,662.00. Also, the project scope of services will be extended until June 30, 2016, for the vendor to complete all moving services. The Chancellor recommends approval. Funding Source: Measure A.

41. Consider Approval of Amendment No. 1 for a Contract Time Extension until June 30, 2016 with Digital Networks Group Inc. (DNG) for the Merritt College Barbara Lee Science and Allied Health Center Classroom Audio Video Project (Bid No. 14-15/19). Presenter: Vice Chancellor Ikharo. Approval is requested of Amendment No. 1 for a contract time extension until June 30, 2016 with DNG for the Merritt College Barbara Lee Science and Allied Health Center Classroom Audio Video Project (Bid No. 14-15/19). DNG’s original construction agreement and Notice to Proceed final completion date ended July 17, 2015. The vendor has completed the installation and training for the new Barbara Lee Center smart classrooms. However, they need additional time to complete and finalize the final punch list items, as-built drawings, warranties, and other required...
project closeout documentation. This is the final phase of work that the vendor will complete. No additional costs are part of this request. Therefore, there will be no change order to the original contract amount of $1,300,723, as approved on February 17, 2015. The Chancellor recommends approval. Funding Source: Measure A

42. Consider Approval of Amendment No. 1 for a Contract Time Extension until June 30, 2016 with Hibser Yamauchi Architects, Inc. for Architectural Interior Design Services for Furniture, Fixtures and Equipment (FF&E) for the Merritt College Barbara Lee Science and Allied Health Center. Presenter: Vice Chancellor Ikharo Approval is requested for Amendment No. 1 for a contract time extension until June 30, 2016 with Hibser Yamauchi Architects, Inc. to continue and complete architectural design services for furniture, fixtures and equipment (FF&E) for the Merritt College Barbara Lee Science and Allied Health Center. The architect needs additional time to close-out the project with the Division of the State Architect (DSA) upon receiving final as-built drawings from Digital Networks Group Inc. This time extension has no impact on the original contract amount of $249,000, as approved on October 22, 2013 by the Governing Board of Trustees. The Chancellor recommends approval. Funding Source: Measure A.

43. Consider Approval of Amendment No. 1 for a Contract Time Extension until June 30, 2016 with Anthonio, Inc. for the Division of the State Architect (DSA) Certified Inspection Services on the Merritt College Barbara Lee Science and Allied Health Center (Bid No. 13-14/07). Presenter: Vice Chancellor Ikharo Approval is requested of Amendment No. 1 for a contract time extension to June 30, 2016 with Anthonio, Inc. for the Division of the State Architect (DSA) Certified Inspection Services for Merritt College Barbara Lee Science and Allied Health Building Center (Bid No. 13-14/07). Anthonio, Inc. is inspecting the Site Paving Improvement Project and the Landscape Improvement Project at the Barbara Lee Center. Unforeseen challenges arose during construction; therefore, extending the construction completion time. As a result, Anthonio, Inc. needs additional time to inspect these two projects until the projects are completed. This contract time extension will not impact the original contract amount of $583,908, as approved at the August 11, 2015, board meeting. The Chancellor recommends approval. Funding Source: Measure A.

44. Consider Approval for Change Order No. 2 for W.E. Lyons Construction on the Veterans Center and Athletics Offices Remodel Project at the College of Alameda (Bid No. 13-14/24). Presenter: Vice Chancellor Ikharo Approval is requested for Change Order No. 2 to the contract with WE Lyons Construction, in the amount of $6,315.92 and a time extension of 160 days. Change Order No. 2, together with previously board approved Change Order No. 1 ($22,020), approved on September 8, 2015, and is a 9.9% change to the original contract amount of $286,663.00. These changes respond to unforeseen conditions and to opportunities to improve overall value that were identified by the college leadership during the construction phase. The time extension is compensation for the time required for a separate contractor to complete related work before WE Lyons could finish, and to the accumulated impact of the change order work for WE Lyons on the base scope work for WE Lyons. The Chancellor recommends approval. Funding Source: Measure A.

45. Consider Approval to Enter into an Agreement with Pacific Access Consulting, LLC to Provide Architectural Services to Conduct an American with Disabilities Act (ADA) Self Evaluation Survey

46. Consider informational item regarding a partnership between the Peralta Community College District and the East Bay Sanctuary Center. Presenter: Chancellor Laguerre The Chancellor will share information regarding a partnership that is being considered between the Peralta Community College District and the East Bay Sanctuary Center ("EBSC"). Through the partnership, EBSC can provide immigration legal services to Peralta students eligible for Deferred Action for Childhood Arrivals (DACA) and Deferred Action for Parents of Americans and Lawful Permanent Residents (DAPA). Through the partnership, EBSC would hold clinics at Peralta Colleges’ sites to present information about DACA/DAPA, screen for eligibility, and assist students in preparing and submitting their applications, acting as attorney of record for students. Further, EBSC has grant funding through which they are able to offer legal services free of charge to Peralta students who are DACA eligible.

Speaker Yamasaki discussed the free legal services to DACA which provides protection for students who were brought here as young students but do not have legal status and allows students to be safe from deportation.

Trustee Gonzalez Yuen acknowledges former BCC student who has been instrumental with this partnership.

Trustee Brown asked how the students are being informed of this opportunity and how many students can we help before the time or funding runs out.

Speaker Yamasaki said funding is promised for the program until the summer of 2017 and anticipates further funding. As far as students being informed, she wants to come to the campuses and reach out to students who haven't reached out to them yet.
