**PUBLIC COMMUNICATION (7:05 P.M.)**
At this time, the Board of Trustees will listen to communication from the public on matters that are not on the agenda and are within the Board's jurisdiction. Under provisions of the Brown Act, the Board and District staff are prohibited from discussing or taking action on oral requests that are not part of the agenda, but may respond briefly. A maximum of 15 minutes (up to 3 minutes per individual) will be provided for speakers under this agenda section, at the Board President's discretion. A speaker's card must be completed to request to address the Board. Requests to speak which cannot be honored within the time limit will be scheduled for subsequent meetings in the order received. Persons addressing items included on the agenda will be heard at the time the item is considered, and comments on tangential issues not directly related to the
item may be ruled out of order. Cards must be received prior to the Board's consideration of the item and are
honored in the order the cards are received. A speaker may yield time to another speaker up to a limit of 6
additional minutes, with no more than 5 speakers on the issue, where both have completed a speaker's card,
and the yielder must identify him/herself to the Board. Speakers are asked to submit any materials to the
Board Clerk and shall not approach the dais during meetings. (Please line-up when your name is called.)

   Presenter: DAS President Karolyn van Putten

PRESENTATIONS (7:30 P.M.)

6. Laney College Program of Distinction Presentation on the National Science Foundation BEST Center
   Presenter: President Webb (15 minutes)
   Laney College was the recipient in 2013 of a National Science Foundation 4-year grant to promote advanced technical education in Building Efficiency and Sustainability. In addition to supporting program improvements and innovations at Laney, the Center has provided professional development in energy efficiency and sustainability education to community college educators from around the country. Key topics include Building Automation Systems, Sustainable Building Operations, Energy Auditing, and the College Campus as a Living Laboratory. Laney has also moved rapidly to build out a new laboratory for instruction in building automation systems and advanced lighting controls.

CONSENT CALENDAR (7:45 P.M.)

All matters listed under the Consent Calendar are considered by the Board of Trustees to be routine or sufficiently supported by back-up information as to not require additional discussion. Consent Calendar items will be enacted by one motion. There will be no separate discussion on these items prior to the time the Board votes on them, unless a Board member requests that a specific item be removed from the Consent Calendar for action and a separate vote. Public comment on Consent Calendar items from anyone completing a card will be heard prior to the Board's vote on the Consent Calendar. All Board approved contracts are subject to final negotiation and execution by the Chancellor.

11. Consider Approval of a Contract with Collaborative Brain Trust for an amount not to exceed $93,000 for consulting services necessary for completion of a Peralta Community College District Comprehensive Master Plan

Consider Approval of a Contract with Collaborative Brain Trust for an amount not to exceed $93,000 for consulting services necessary for completion of a Peralta Community College District Comprehensive Master Plan. During the recent Chancellor/Board Special Workshop (November 12, 2013), the Chancellor presented as a district goal the pursuit of a strategic planning activity to be implemented during the Spring 2014. To this regard, an RFQ was published in December 2014, for facilitation services to execute the strategic planning process and the related master plans in Education, Facilities, and Technology. Four respondents to the RFQ can in with a cost ranging from $.5 to $1.5 million. The Chancellor considered this cost to be prohibitive and decided on a different approach to arrive at the same result (i.e., a district wide comprehensive plan). The new Comprehensive Master Plan (CMP) will integrate all major institutional plans and insure alignment of these plans and resource allocation processes with the ACCJC accreditation standards. The CMP will implement the core outcomes anticipated at the November 12, 2013 Board Study Session on Strategic Planning. In addition, the completion of the CMP will provide a foundation for incorporating funding allocations into the established budget development timeline and public reporting of Measure B expenditures to the Citizens Oversight Committee. The services of
the Collaborative Brain Trust with support from tBP/Architecture include reviewing current plans and processes, recommending improvements and additional planning activities needed, identifying gaps between and among institutional plans, and analyzing the plans in terms of relevant accreditation standards. CMP consultants will meet with the Board to review the overall project, consider initial findings and to request Board input. Major Comprehensive Master Plan project outcomes include:

- Assurance that overarching mission, vision, values and goals are operationalized and coordinated at each of the four colleges and the district office.
- Integration of the updated Strategic Plan as well as the Peralta Accountability for Student Success (PASS) program, and the EMP/FMP/TMP with each of the colleges.
- Appraisal and recommendations to ensure that all planning (SP/TMP/EMP/FMP) processes and plans are integrated and the development of metrics and timelines for on-going assessment and evaluation as appropriate.
- Evaluation of the Peralta Accountability for Student Success (PASS) program, a Measure B planning and fund allocation process, to ensure integration with the District Strategic Plan and the Budget Allocation Model.

12. Consider approval of a contract with Highstreet IT Solutions to implement the Student Success Initiative - Academic Advising and Student Educational Plan (SEP) modules, in the amount of $273,800. Presenter: Associate Vice Chancellor Madlock. Consider approval of a contract with Highstreet IT Solutions to implement the District's PeopleSoft Academic Advising and Student Educational Plan (SEP) modules and provide technical support during implementation, in the amount of $273,800. The current District's Information Technology Strategy does not include an initiative to support Academic Advising and Electronic Student Education Planner modules, because the project will support state mandates resulting from the Student Success Act of 2012 (SB 1456) that requires Community Colleges to provide students with online student education plans and the ability to plan courses of study. Community Colleges that do not comply with this mandate will lose SSSP funding. Colleges will be funded according to the number of SEPs completed. A formal Request for Proposals (RFP 13-14/23) was released seeking assistance for the implementation of the PeopleSoft Academic Advising and Student Educational Plan (SEP) modules. Four firms attended the pre-proposal meeting and three responded to the RFP. A panel was convened to evaluate the proposals based on: vendors' submitted responses to bidder qualifications/experience; company and project team qualifications/approach; ability to meet the general, functional and technical system requirements; and costs. After detailed analysis and review, Highstreet IT Solutions was the highest-ranking responsive and responsible vendor. The scores are summarized below:

Vendors Scores
- Highstreet IT Solutions 86.2 %
- ERP Analyst 69.1 %
- People Tech 59.8 %

This project consists of the implementation of the PeopleSoft Academic Advising and Student Educational Plan (SEP) modules. The deliverables include a targeted fit/gap process to see what is
needed to augment the current system, configuration of Academic Advising reports for all current academic plans, along with development and testing. There will also be training on configuration & functionality as well as support for end user training. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval. Funding source: Parcel Tax (Measure B).

Background Materials

Trustee Handy has a problem with the IT items that keep coming even though we have an IT plan however, there seems to be exceptions and these exceptions are not without a high cost. She understands that this has to do with the People Soft modules but she has seen the District move to the People Soft implementation for the past eight years. Was it not included in the current district information technology strategy? How does this all fit in with the technology plan? We continue to approve them but we don't understand them. Trustee Handy wants to see a detailed report on the deliverables on the items passed in the last year. In order for Trustee Handy to feel comfortable about how we're spending the District's money, she would like to see this board be briefed on technology, where we stand, and the status of the deliverables that the Board has approved. She would like to see a report on expenditures so we get a full scope on technology.

Trustee Guillen has issues with how it's being deployed and delivered. The issue is that students are not in computer labs, they are out and about. Although he understands the necessity yet it is not being implemented in a way that is relevant.

Deputy Chancellor Hendrickson said this program requires hands-on work because the system requires discipline champions within certain programs working to utilize the system that started off as an HR basis in order to work as a fully integrated project. When the state of California decided that it was a requirement on colleges to provide for the ability of students to online develop their personal education plan and maintain that and easy means to develop a student score card matrix. From a financial standpoint, it's important that we get it done timely because the consequences would create a much larger loss in our revenue base. Deputy Chancellor recommends that we proceed with the Academic Advising project.

Trustee Brown thinks it is important to note that we have made an effort to get our arms around the full responsibility and upgrade and architecture of the plan. What is missing is a copy of the information technology strategy. She would like to see a running tally of what we've spent and how it integrates.

Trustee Gonzalez Yuen echoed what the other trustees said. He feels that a copy of the strategic plan should be included in every board packet. Trustee Gonzalez Yuen asked that the item is not brought at the moment that it is voted on and to bring it 3 months in advance.

Trustee Withrow concurs with Trustee Handy and other colleagues on their concerns. Trustee Withrow questioned the deliverables, how they are articulated and how they are measured and would also like to see a track report.

Trustee Gulassa questioned the cost. The real problem is what is taking us so long to get People Soft in operation? Trustee Gulassa is also very pleased with the progress that IT has made.

AVC Madlock gave an update on financial aid. Despite the constraints on the schedule, the schedule was compressed from 13 month to a 10 month schedule. We are still on schedule and is being rolled out in phases. In addition, the implementation module phase has been completed. There are two more phases to go. On April 25, the package phase will be implemented. In May or June, the disbursement phase will be implemented.
MOTION: Motion by Trustee Gulassa, second by Trustee Riley to approve Agenda Item #12. Consider approval of a contract with Highstreet IT Solutions to implement the Student Success Initiative - Academic Advising and Student Educational Plan (SEP) modules, in the amount of $273,800.

13. Consider Approval of Contract with Hicks Consulting Group. Presenter: Associate Vice Chancellor Madlock. Consider approval of Contract with Hicks Consulting Group. Project 3.7 of the District's Information Technology Strategy, Student Financial Aid System, calls for the implementation of the PeopleSoft Financial Aid module. A vendor has been selected to start working on the implementation of this module, but in the meantime Peralta still needs to maintain the current SAFE Financial Aid System in order to disburse financial aid to students. The District has contracted with Hicks Consulting Group since 2005 to support the Legacy SAFE Financial Aid System. Hicks was retained, at that time, because existing staff did not have the programming knowledge necessary to keep the SAFE system functioning. It is expected that at the conclusion of the PeopleSoft Financial Aid module implementation project (Fall 2014) Hick's services will be no longer necessary.

Trustee Handy questioned why the contract was being continued through 2015 if the implementation was done. Is the $190,000 not to exceed? Trustee Handy would also like to see the a list of deliverables for this since she has never seen one. AVC Madlock says with the Hicks contract, we are running on a 35 year old system. We have to run 2 parallel systems. In the fall, we will be ready to disburse aid to students with the new systems. They want to leave the amount open as not to exceed as a contingency so that they would not have to come back to the Board for additional funding but they expect to spend less than the amount shown.

14. Consider Approval for a Contract Extension for Kathi Roisen to provide Project Management Services for Laney College for the TAACCCT Grant (D.O.L) and the Bay Area Workforce Funding Collaborative. Presenter: President Webb

Consider approval for Laney College to extend the contract of Kathi Roisen to provide project management services. Kathi's total contract amount for the fiscal year will increase from $19,125 to $35,325. Roisen will provide project management support for the TAACCCT grant and Bay Area Funding Collaborative. Roisen will manage student support services, as well as outreach and program enhancement. All Board recommended contracts are subject to negotiation and execution by the
Chancellor. The Chancellor recommends approval. Funding Source: Federal Department of Labor TAACCCT grant and Bay Area Funding Collaborative grant.

15. Consider Approval of Agreement for iParadigms, LLC to Render Services for a Merritt College Turnitin Site License. Presenter: President Ambriz-Galaviz
Consider approval of agreement for iParadigms, LLC in the amount of $26,847.06 in support of protecting and promoting academic integrity in Merritt's curriculum as a tool for detecting and preventing plagiarism. The college is requesting to pay for a two year site license service that is comprised of an annual licensing fee and a per-student fee based on the colleges FTES. The subscription includes unlimited instructor access to all other licensing campuses, submission of student work, phone and email support for all instructors and access to all online and web-based training and professional development resources. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval. Funding Source: General Funds.

19. **Consider Approval of Budget Transfer Report**

Presenter: Interim Vice Chancellor Rinne

Consider approval of budget transfer report covering the period from March 8, 2014 through March 21, 2014. California Code of Regulations Section 58307 limits the District’s expenditures to the amount appropriated for each major expenditure classification as approved by the Board of Trustees through the adoption of the District’s annual budget or as amended by subsequent budget transfers or revisions. Due to this statutory control language, budget transfers that move budget authority between major object codes or classifications must be approved by the Board of Trustees. The budget transfers presented are requests originating from the Colleges’ or District’s departments during the ordinary course of operations and do not significantly alter the final budget that was approved by the Board of Trustees on September 10, 2013. The Chancellor recommends approval.

The Annual Measure B Special Parcel Tax Report is being presented for review in accordance with Section 53411 of the California Government Code which states, "The chief fiscal officer of the issuing local agency shall file a report with its governing body no later than January 1, 2002, and at least once a year thereafter. The Annual report shall contain all of the following: (a) The amount of funds collected and expended. (b) The status of any project required or authorized to be funded as identified in subdivision (a) of Section 53410." This Parcel Tax Report contains the amounts collected and expended for fiscal year 2012/13. The Parcel Tax Report is brought to the Board for informational purposes only.

Speaker Goldstein would like to see a more granular accounting of how the money is spent and going to support core academic programs including Math, Science, English and training students for successful careers. Speaker Goldstein also thinks it would be useful to get an update on efforts to bring together the Citizens Oversight Board that was promised under the test of Measure B and would like to see that the monies generated by Measure B are being accounted for very specifically in addition to the general accounting that is seen in the MBS Report.

22. **Consider Recommendation to realign Range III of the July 1, 2013 Management Salary Schedule**
   **Presenter: Vice Chancellor Largent**
   The Range III of the Management Salary Schedule incurred a misalignment regarding the percentage amount for step advancement as reflected in the current Management Salary Schedule, effective July 1, 2013. The District is requesting approval to bring Range III percentage between steps in alignment with all other levels of the Management Salary Schedule. The District further requests that the Board approve the Revised Management Salary Schedule, effective July 1, 2013, which reflects the realignment of Range III.

**MOTION:** Motion by Trustee Gulassa, second by Trustee Riley to approve Agenda Item #22. Consider Recommendation to realign Range III of the July 1, 2013 Management Salary Schedule.

**AYES:** Trustee Brown, Trustee Gonzalez Yuen, Trustee Guillen, Trustee Gulassa, Trustee Handy, Trustee Riley, and Trustee Withrow.

**NOES:** None

**ABSTAIN:** None

**ABSENT:** None

The motion passed.

Trustee Handy asked who the managers are receiving the increase, if this is applicable to new managers and what the cost is to the District for correcting this misalignment. VC Largent said it involves all managers who were at Range 3 including all Deans and a number of Directors. This would be effective July 1, 2013 which will be approximately $84,000. If the new employees were employed as of July 1, they will be entitled to this increase.

Ratification is requested to approve the emergency contract that was approved by the Chancellor, in the amount not-to-exceed $69,320. Since this is an emergency project, approval was requested from the Chancellor so the vendor can start work immediately. In compliance with the Public Contract Code, Section 22050, under Emergency Contracting Procedures, the Chancellor may authorize the procurement of services for emergency projects without giving notice for bids, as long as this procurement is reported to the Governing Board of Trustees at the next board meeting. The Laney College Tower structure is a class A (mixture of concrete and rebar) nine (9) story high rise building that is centrally located at the heart of the college campus. Since its original construction 43 years ago, the concrete has absorbed moisture and if some of the rebar are too close to the exterior surface, they will begin to rust and expand causing concrete to weaken and flake. As the concrete pieces flake off the building, they are falling onto pedestrian walkways, causing a safety hazard in walking areas around the building. Board ratification to accept this proposal is required because we need to provide a safe environment for the general public, students, faculty and staff. To correct this problem, Rainbow Waterproofing & Restoration Company will remove any loose pieces of concrete from the exterior surface of Laney Tower to prevent any injuries. The contractor will provide a scaffolding system to inspect and remove any loose pieces of concrete, patch spalls with Sika Top 123 plus polymer, prep and paint any exposed rebar, and then patch the building surface. In compliance with the Public Contract Code, Section 20651, an informal competitive bidding was conducted to procure this service. Three (3) written quotes were received from the following contractors providing similar services:

27. Consider Approval of Resolution 13/14-58, Accept Bid and Award Contract, for the Proposition 39 District-wide Exterior LED Lighting Upgrade (Bid No. 13-14/20), Retro-Tek Energy Services (Retro-Tek). Vice Chancellor Ikharo.

Approval is requested to accept the bid and award a contract to Retro-Tek, for the Proposition 39 District-wide Exterior LED Lighting Upgrade (Bid No. 13-14/20), in the amount not-to-exceed $530,540. Under this contract, vendor will
retrofit lighting systems with energy-efficient LED lighting systems. Systems to be retrofitted include lamps, fixtures, and the associated equipment. The equipment is located at the College of Alameda, Laney College, Merritt College, and at the District Administrative Center (DAC). The lowest base bid for the project was $461,540. The inclusion of the project labor agreement will add $69,000 to the base bid; therefore, the total project cost will be $530,540. In compliance with the Public Contract Codes, Section 20651, formal competitive bidding and a request for bid was conducted for this project. A Notice to Bid for the project was advertised in newspaper publications of general circulation on Friday, March 7, 2014, and Friday, March 14, 2014. A mandatory bidder's conference was held on March 17, 2014; the bid opening was held on April 1, 2014. A total of three (3) bids were received, as follows:

[Background Materials 2]
Trustee Guillen asked if this item is covered by the Project Labor Agreement and is subject to those requirements. What was the reason for the adjustment to the total bid change. VC Ikharo said when this funding came from the state. After the bid, there was discussions and meetings with the Alameda Board of Trade and Construction group. Because there was a big difference, between the first and second bidder, there was a post bid interview to ensure that this contract total would deliver what the District wanted. For the sake of PLA implementation of this process, that the additional money was added to this contract.

28. Consider Approval of Amendment No. 4 for a Lease Extension with Continental Can Building LLC for Interim Storage Needs for Laney and Merritt Colleges. Presenter: Vice Chancellor Ikharo.

Approval is requested for Amendment No. 4 for a lease extension with Continental Can Building LLC for interim storage space located at 5601 San Leandro Boulevard in Oakland, in an amount not-to-exceed $12,000. The vendor's last lease extension expired on February 28, 2014. Under this Amendment No. 4, the lease term for Continental Can Building LLC is for a period of two (2) months, from March 1 to April 30, 2014, at a cost of $6,000 per month. This time period will allow the Department of General Services and college presidents to remove the inventories in the lease space in the proper manner to meet the District’s requirement. Currently, the leased space is used to store books and other usable furniture, fixtures, and equipment during the modernization work of the Laney College Administrative Tower Building and the Merritt Learning Resource Center (LRC) and Library. Since these projects are completed, some of the existing furniture was moved back to the Tower. However, old furniture and equipment belonging to Laney College and Merritt College are still stored in the leased space. The Board of Trustees approved the original agreement ($54,000) on February 15, 2011; Amendment No. 1 ($55,000) was approved on June 12, 2012; Amendment No. 2 ($48,000) was approved on September 30, 2013; Amendment No. 3 ($30,000) was approved on December 10, 2013. Including this Amendment No. 4, the total contract amount will be $199,000 for all contracts. Continental Can Building LLC is an active business entity registered with the California Secretary of State. The business is located in Oakland, California; Francis M. Rush III is the company’s management representative. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval. Funding Source: Measure A Bond Funds.

29. Consider Approval of Change Order No. 4 for Merritt College’s Chilled Water Infrastructure (Bid No. 12-13/03), Taber Construction, Inc. Presenter: Vice Chancellor Ikharo. Approval is requested for Change Order No. 4 to the contract with Taber Construction, Inc., in the amount of $90,380.00. This Change Order is 2.2% of the original contract amount of $4,076,000. Including the previously Board approved Change Order No. 1 ($56,471) approved on October 22, 2013; Change Order No. 2 ($89,547) approved on December 11, 2013; and Change Order No. 3 ($34,987) approved on February 25, 2014, the cumulative Change Order total to date is $271,385. Change Order No. 4 is based on the following unforeseen conditions and deletion in scope of work. Change Order No. 4 scope of work includes the following: * Due to unforeseen underground obstructions, the layout of the cooling tower equipment pad was redesigned and portions re-excavated; impacted electrical connection at Building Q, unforeseen wall obstruction and oversized bedrock led to revisions and added work; * Unforeseen underground utilities and structural support caused the redesign of the fence and posts around the equipment pad; the footing and new grade beams were adjusted; * The new trench path changed to accommodate unforeseen utilities. The new chilled water pipes were rerouted, which required pressure testing to be performed. A new catch basin was added to correct standing water issue at Building Q; * Credit for deletion of manhole #17 and three (3) blank electrical distribution structure, placing project soil spoils on campus in lieu of hauling off site, and revising the chilled water valves to the appropriate model, and reducing the scope of work to build a new retaining wall; and * Cost for providing an analysis of existing roofing membrane for potential asbestos; and * The existing storm drain line next to Building Q was rerouted because it interfered with the new chiller water line.
30. Consider Approval of Change Order No. 1 for Merritt College’s Center for Science & Allied Health Project (RFP No. 11-12/01), Clark & Sullivan / Walsh Construction. Presenter: Vice Chancellor Ikharo. Approval is requested for Change Order No. 1 to the contract with Clark & Sullivan / Walsh Construction, in the amount of $294,534.00. This amount is 0.7% of the original base contract of $42,760,000 approved by the Board of Trustees on June 12, 2012. Including this Change Order, the cumulative total to date is $43,054,534. Change Order No. 1 is based on changes due to both unforeseen conditions and additions in scope of work required of the contractor. Change Order No. 1 scope of work includes the following: * Removal and remediation of unforeseen underground hazardous material obstructions. During planned excavation of soil for new underground utilities, the project encountered remnants of abandoned existing underground piping that contained asbestos. * Addition to project of new mechanical heat exchanger. During the project design phase, it was discovered that the existing campus heating and hot water infrastructure was too antiquated to support the new facility. A new "booster" pump heat exchanger is required to supplement the existing infrastructure.

31. Consider Approval of Resolution No. 13/14-56, Acceptance of Completed Work and Release of Retention for Merritt College’s Electric Connection to the Library Learning Resource Center (LRC) and Building "L" Project (Bid No. 11-12/22), Dan Electric Inc. Presenter: Vice Chancellor Ikharo. Approval is requested for Resolution No. 13/14-56 for completed work and release of retention for Merritt College’s Electrical Connection to the Library Learning Resource Center (LRC) and Building "L" Project (Bid No. 11-12/22), Dan Electric Inc. On September 11, 2012, the Board of Trustees ratified awarding a contract to Dan Electric, Inc. for this project, in the amount not-to-exceed $1,000,000. There was one additive (1) change order in the amount of ($81,952.84) which was approved by the Board of Trustees on July 16, 2013. A Notice of Completion (NOC) has been filed with the County of Alameda. This resolution accepts the project as complete and staff is requesting final acceptance of the project and release of the remaining 5% retention in the amount of $54,097.64. Approval by the Board of Trustees is recommended to authorize the release of retention amount. All Board recommended contracts are subject to negotiation and execution by the Chancellor. The Chancellor recommends approval. Funding Source: Measure A Bond Funds.

32. Consider approval of Measure E Bond Budget Transfers and Appropriations for the Tower Emergency Exterior Building Surface Repair (No. 64) and Laney College Breezeways - Drainage & Pavement Project (No. 65) Presenter: Vice Chancellor Ikharo. Approval is requested for two (2) Measure E budget transfers and appropriations. Budget Transfer No. 64 ($69,320) is from Measure E bond fund, which will pay for the Laney College Tower Emergency Exterior Building Surface Repair will be completed by Rainbow Waterproofing & Restoration Corporation. This project budget is transferred from the District-wide Measure E unallocated funds (Project no. 0000) into the new project account (Project no. 2731).
