   Funding Source: No Fiscal impact.  
   All funding for Laney College is provided by the MANEX contract. The intent to apply for this grant was approved by the Board on September 13, 2011 with National Science Foundation funding. This contract from the Corporation for Manufacturing Excellence in San Ramon, California, the manufacturing outreach center for Northern California, will fund Laney College’s Environmental Control Technology Department to develop and deliver contract training for building operators and technicians within the Bay Area to perform building retuning activities to improve energy efficiency at manufacturing sites and improve the competitiveness of Bay Area manufacturers in the global economy. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval.

10. Consider Approval of Course and Program Additions, Deactivations and Changes

The mission of the proposed Building Efficiency for a Sustainable Tomorrow (BEST) Center is to support the transition to high performance green buildings by creating a national forum on building efficiency issues and serving as a centralized resource on technician education, research, technology, and industry collaboration. The center will position Laney College as a national leader for the education training of high performance building technicians. As part of the grant, there will be significant funding for Laney to document and fine-tune its Environmental Control Technology (ECT) curriculum and instructional lab setup to serve as the national model that will be widely disseminated. In addition, Laney’s visibility nationally will be increased by hosting annual summer and winter institutes for instructors across the United States. Lawrence Berkeley Laboratories is serving as a highly committed Co-Principal Investigator (Co-PI) to this grant. **Presenter: Vice Chancellor Largent**

District administration requests Board authorization to change the District’s holiday schedule for observance of Malcolm X Birthday from Monday, May 20, 2013 to Friday, May 17, 2013. The week of final examinations for the spring 2013 term begins on Saturday, May 18, 2013, and runs through Friday, May 24, 2013. The previously determined date to observe the Malcolm X Day is May 20, 2013, which is in accordance with the terms of the Bargaining Agreements between the District and the classified unions SEIU Local 1021 and IUOE Local 39. However, this date presents a conflict with the approved Academic Calendar, the scheduling of final exams, and the need to have classified staff present during this critical week. 18. **Consider Approval of Resolution 12/13-9, Acceptance and Retention, District Administration Center HVAC Project, Chevron Energy Solutions Company**  
**Presenter: Vice Chancellor Ikharo**

On December 9, 2009, Peralta entered into a design-build contract with Chevron Energy Solutions Company for replacement of HVAC (heating, ventilation and air conditioning) units at the District Administration Center. **Funding Source: Bond Measure A.** Although the project was originally scheduled to be completed by September 30, 2010, several design, installation and mechanical problems were discovered with the system, including the malfunction of the building’s main gas regulator, resulting in a failure to balance the air flow of the HVAC units. Replacement of the gas regulator, repositioning of various thermostats, installation of office door registers, replacement of air diffusers, and all punch list items associated with the work have now been completed. A Notice of Completion has been filed with Alameda County. The Board of Trustees previously approved Change Order No. 1 to the contract in the amount of $98,282, which is 9.9% of the original contract amount ($990,003). This resolution accepts the work as complete and provides for a retention payment of $108,828, which is 10% of the contract price. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval.

19. **Consider Ratification of Change Order No. 5 to the Design-Build Agreement with Gilbane Building Company for the Laney Athletic Complex**  
**Presenter: Vice Chancellor Ikharo**

*Ratification* is requested for Change Order No. 5 to the design-build agreement with Gilbane Building Company for the Laney College Athletic Complex project, in the amount of $18,078. **Funding Source: Bond Measure A.**

The Board of Trustees originally approved a negotiated design-build contract with Gilbane Building Company at the Board meeting of November 18, 2008, following a competitive Request for Proposal process. At previous meetings, the Board of Trustees approved Change Order Nos. 1, 2, 3 and 4 to the design-build agreement.
Change Order Nos. 1 and 2 established a lump sum contract price of $17,540,000, based on owner requested additional scope changes beyond the original design-bid services agreement amount of $12,000,000. Change Order No. 1 included the addition of 3,000 sq. ft. and other changes to the Field House, and added a photovoltaic collection system (funded from the District-wide solar budget). Including these changes, the estimated design-build cost was $17,650,000. Change Order No. 2 formally accepted the lump sum design-build project cost of $17,540,000. This was a reduction of $110,000 from the Change Order No. 1 estimate and was based on the actual bids Gilbane received for the three project phases. Change Order No. 3 was approved by the Board of Trustees at the meeting of July 19, 2011, in the amount of $263,367. This change order included owner requested additional scope changes, including a turnkey audiovisual package and other minor changes. The District had planned to undertake audiovisual deployment as a separate bid, but due to delays in the main project (field house), this turnkey project was incorporated as part of Gilbane’s contract in an effort to save time. Change Order No. 4, in the amount of $165,000, was the result of unforeseen conditions and college/owner requested scope of work items.

Board ratification of Change Order No. 5 is now requested. The Laney College Athletic Complex project is substantially complete. Change Order No. 5 will reimburse Gilbane Building Company for fees paid to PG&E for a new service connection. The fees were paid by Gilbane in order to maintain the project schedule. The cumulative total of Change Order Nos. 3, 4 and 5 is $446,445, which is 2.5% of the final lump sum price established by Change Order No. 2. In accordance with Board Policy 6.83, approval was requested from the Chancellor for this change order item, and Change Order No. 5 is now brought before the Board for ratification. It is in the best interests of the District and financially prudent to authorize this change order. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends ratification.

20. Consider Ratification of Deductive Change Order No. 7, Laney Tower Modernization Project, AJF/BHM, A Joint Venture Presenter: Vice Chancellor Ikharo

Ratification is requested for Change Order No. 7 to the contract with AJF/BHM, A Joint Venture for the Laney Administration Tower Renovation Project, a deduction in the amount of ($36,501). Including the previously Board approved change orders, the cumulative total to date is $333,567, which is 8.3% of the original contract amount of $3,997,351. Funding Source: Bond Measure A.

Change Order No. 7 items are primarily due to the following reasons:

- Division of the State Architect (DSA) requested changes requiring additional supports to fire sprinkler risers
- The result of architect/engineer omissions requiring the installation of additional speaker/strobe fire alarm components
- Owner requested changes for:
  - The removal of existing murals to prepare walls for painting
  - Deletion of shades and blinds from the scope of work
• Unforeseen conditions requiring repairs to transoms at existing toilet doors and patching of existing drinking fountain openings to accommodate new drinking fountains

In accordance with Board Policy 6.83, approval was requested from the Chancellor for the change order work, and deductive Change Order No. 7 is now brought before the Board for *ratification*. It is in the best interests of the District and financially prudent to authorize this change order. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends *ratification*.

21. **Consider Approval to Assign Architectural Agreement with VBN to STV**  
**Presenter: Vice Chancellor Ikharo**

VBN has one current agreement with the District to provide architectural services to produce a facilities master plan for Laney College. The firm STV recently acquired VBN, and Board approval is requested to assign the agreement for the Laney College Facilities Master Plan from VBN to STV. **Funding Source: This approval is an assignment of the agreement only. The terms of the agreement will not change, and there will be no additional expenditures involved.** The original agreement with VBN for the Laney Facilities Master Plan was approved at by the Board of Trustees at the meeting of May 10, 2011, and is in the amount of $499,175. VBN was originally selected through a competitive RFP process.

STV recently purchased the firm of VBN from the owner. STV is currently celebrating its 100th anniversary and is a leading, award-winning professional firm offering engineering, architectural, planning, environmental and construction management services. STV’s corporate headquarters are located in New York, NY and Douglasville, PA, with branch offices throughout the United States, including the local office in Oakland. The firm has consistently ranked among the country’s top 25 firms offering professional services in education, corrections, highways, bridges, rail and mass transit. Throughout the United States and in Canada, STV provides planning, environmental, design, program and construction management, and specialty services for the transportation, design-build, institutional and commercial building, advanced technology, industrial and defense markets. All Board recommended contracts are subject to negotiation and execution by the Chancellor. The Chancellor recommends approval.

22. **Consider Approval to Extend Lease with Mobile Modular for Portable Buildings for Interim Housing Needs at Laney College**  
**Presenter: Vice Chancellor Ikharo**

Approval is requested to extend the Board approved lease with Mobile Modular for four portable buildings at Laney College for an additional thirteen-month term (from August 26, 2012 through August 25, 2013) at a rate of $3,465 per month, for a total of $45,045. The portable buildings are required as interim housing during the modernization of the Administrative Tower Building at Laney College. The Tower Modernization project has been delayed due to electrical issues. All Board recommended contracts are subject to negotiation and execution by the Chancellor. The Chancellor recommends approval.

These new accounts will be used to assist the District in managing and consolidating its treasury and cash management functions as well as engaging and partnering with local community members. Funding Source: not applicable. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval.

24. Consider Ratification of Agreements for District-Wide Security Services with Securitas Security Services USA, Inc. and American Guard Services Presenter: Vice Chancellor Ikharo

Ratification is requested for the District to enter into the following two agreements for District-wide security services:

- Agreement with Securitas Security Services USA, Inc. (Securitas) for Berkeley City College in a not-to-exceed amount of $135,838.00 for the period from November 1, 2012 to June 30, 2013

Source of Funds: District General Funds. A formal request for proposals (RFP No. 11-12/16) for District-Wide Security Services was issued, and proposals were due June 20, 2012. Proposals were received from six vendors. Interviews were conducted between July 11 and July 17, 2012, by a committee of five representatives from the District Administrative Center (DAC) and other colleges, with the following results:

The highest scores were received by Securitas Security Services USA, Inc. (Securitas) and American Guard Services. Securitas has performed security services at Berkeley City College since 2007. In November 2009, Securitas began providing security services on weekends and holidays at College of Alameda, Laney College, Merritt College and the District Administrative Center. In an effort to safeguard life and property, the administration is augmenting Peralta’s police services with trained security guards to minimize the cost of security.

A performance evaluation was done by staff regarding the contract for Securitas District-wide. The outcome is as follows:

The performance of Securitas at Berkeley City College has been outstanding. Securitas staff assigned to work at Berkeley City College also did very well in the evaluation. Based on the interview results and performance evaluation, it is recommended that the District enter into an agreement with Securitas for security services at Berkeley City College.

However, Securitas’ performance at the other colleges was rated as deficient and less than ideal. As a result, the administration is recommending American Guard Services to provide security on weekends and holidays for College of Alameda, Laney College, Merritt College and the DAC.

The estimated costs for Securitas and American Guard Services are broken down as follows:
**AMERICAN GUARD SERVICES (AGS)**

**BREAKDOWN FOR LANEY, MERRITT, COLLEGE OF ALAMEDA & DISTRICT ADMINISTRATIVE CENTER**

*All Colleges were served for graveyard shift for Fiscal Year 2012, whereas only Laney College will have graveyard shift for Fiscal Year 2013.

Each initial agreement will be effective for the period of November 1, 2012 to June 30, 2013, with a provision for two additional annual renewals at the discretion of the District. The renewals will be contingent upon favorable performance evaluations. This will give the District the opportunity to terminate services if the vendors are not performing satisfactorily. The District may also choose to conduct a new Request for Proposals on or before the expiration of the existing contract. Staff has done its due diligence in checking the background of American Guard Services, and there is nothing that will preclude them from implementing securing services for the District.

The agreement with Securitas for District-Wide security services ended June 30, 2012, and Securitas has been performing security services on a month-to-month basis since July 1, 2012. The Chancellor’s approval, as permitted under the Chancellor Authorization to Sign (Resolution 99/00-5), to negotiate the new agreements during the Board recess was requested to allow the administration to send the required thirty-day notification to the existing vendor, Securitas, by October 1, 2012. Board ratification of the agreements is now requested. All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends ratification.
