On November 18, 2014, the District entered into an Independent Contractor/Consultant Agreement with Community College Search Services (CCSS) in the amount of $2,000 to conduct background and reference checks for the final candidates for the regular position of Deputy Chancellor.

Approval is requested of Resolution 14/15-28 to exempt the Property at 2118 Milvia Street, Berkeley, California, from the city's zoning ordinance per the Government Code 53094. Pursuant to Government Code section 53094 and any other applicable laws, it is requested for the Board to approve by at least two-thirds (2/3) vote that the District hereby renders inapplicable the adopted City of Berkeley zoning ordinances, including any future amendments thereto, to the District's use of the above Property for classroom / student support purposes.

The District has completed its due diligence and analysis concerning the proposed use of the above property. The District determined that the proposed property use for classroom facilities to support instructional programs:
(i) is compatible with the surrounding uses and buildings;
(ii) will not be detrimental to the health, safety, peace, morals, comfort or general welfare of individuals residing or working in the surrounding area or neighborhood; and,
(iii) will not be detrimental or injurious to property and improvements of the adjacent properties, the surrounding area or neighborhood or to the general welfare of the City.

In compliance with the Government Code Section 53096, the Chancellor, or his designee, is required to notify the City of Berkeley within ten (10) days of the adoption of this Resolution, whose zoning ordinance has been rendered inapplicable and take all other actions necessary to affect the intent of this Resolution.

Compliance with the City of Berkeley's zoning ordinances would make it difficult for the District to accomplish its goal of using the Property for classroom/student support purposes on a predictable timeline and within the constraints of an already strained budget. It is in the public interest to render the City zoning ordinances inapplicable to the proposed use of the Property for classroom purposes.

The Chancellor recommends approval. Funding Source: No Fiscal Impact.

After investigation of all leaks associated with the project area, the Design team of Gale Associates issued Architectural Supplemental Instructions no. 5 (ASI 05) for Building G. The ASI 05 required additional work not originally included in the contract. The long period to investigate and provide the cost for additional scope of services caused the District to request the contractor’s retention payment to reduce from 5% ($119,461.15) to 2.5% ($59,730.56). The contractor has successfully completed all original contract construction work.

The Governing Board of Trustees approved the original contract ($2,339,369) on May 13, 2014, and Change Order No. 1 ($49,854) on November 18, 2015. All Board recommended contracts are subject to negotiation and execution by the Chancellor. The Chancellor recommends approval. **Funding Source: Measure A.**

32. **Consider Approval of Change Order No. 1 for the Laney College Child Care Remodel (Bid No. 13-14/29), OnPoint Construction. Presenter: Vice Chancellor Ikharo.**

Approval is requested for Change Order No. 1 to the contract with OnPoint Construction, in the amount not-to-exceed $21,429. The amount of $21,429 is 5 percent (5%) of the original contract amount of $397,546.34. Including Change Order No. 1, their construction service contract to date will be $418,975.34 for all contracts.

The project final completion date increased to 97 calendar days due to the difficulty in acquiring the selected materials. This Change Order resulted from unplanned activities and conditions and District requested changes. The change order items are primarily due to the following reasons:

- After hours labor expenses for two subcontractors to perform work during the evening hours to prevent disruption to the children center activities and rest time. All work was originally bid for regular work hours of Monday thru Friday;
• Furnish, install and paint wood trim to the bottom of the existing wall surfaces that were fraying and deteriorated throughout – unplanned condition;
• Removal of large tree roots that were hidden under the existing covering of the play area;
• Furnish and install two (2) new water heaters under the counter water heaters that were no longer working for licensing requirements;
• Removed base rock, increase the dimension of the header board, and provide additional sand in the east yard – owner requested change.
• Relocate the existing washer and dryer to provide a safe disposal and operation of the appliances; and
• Provide additional framing to the structure as required by DSA.

It is in the best interests of the District and financially prudent to approve this change order. The anticipated completion date for the Laney Child Care Remodel is February 28, 2015.

All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval. Funding Source: Child Development Fund (Fund 68).

33. Consider Approval of Resolution 14/15-26 to Accept the Alameda College Sitework Project (Bid No. 14-15/12) as Complete, Approve a Deductive Change Order, and Release 5% Retention to Dryco Construction Inc. Presenter Vice Chancellor Ikharo.

Approval is requested of Resolution 14/15-26 to Accept the Alameda College Sitework Project (Bid No. 14-15/12) as complete, approve a deductive change order of ($7,062), and release 5% retention to Dryco Construction Inc. A contract was awarded to Dryco Construction Inc. for $97,531.00 for the Alameda Sitework Improvements Project at the December 9, 2014 Board Meeting. The District issued a notice to proceed on December 22, 2014, with a final completed date of February 13, 2015.

There was a deductive change order of ($7,062), which is -7.2% of the original contract amount. The contractor will reimburse this deductive change order to the District. The District requested for this deductive change order because the contractor completed the construction work under the base bid and contractual amount. Acceptance of the project completion is requested. The administration requests to pay the 5 percent (5%) retention payment ($4,876.55) to the contractor. The total contract amount is $90,469.

All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval. Funding Source: Measure E.
