1 Board of Governors (BOG) limit as of January 1, 2012 subject to change.
2 Copy of Board Minutes to be placed in purchasing/contract file subject to audit.
6. **Income Generating** contracts may be issued when the district provides services or when the district acts as lessor other than for civic center permit activities (see AP 6700). The district is authorized to lease, or lease with option to purchase, any land, buildings, or equipment it determines is not needed for district purposes. Such leases and leases with options to purchase to nonpublic agencies or individuals shall comply with the provisions of California Educational Code Sections 81450, 81452, 81453, 81454, and 81553.

IV. **General Requirements:** The following information identifies some, but not all, general statutory requirements applicable to public agency contracting and procurement:

A. Employees of the District, members of the Board of Trustees, and members of citizens’ oversight committees shall not have an interest in any contract, other than their individual employment agreement, made by the Board. (Education Code 72533)

B. In addition, state statute prohibits “offering of any valuable thing to any member of the governing board of any community college district, with the intent to influence his or her action in regard to the making of any contract to which the board of which he or she is a member is a party, or the acceptance of any member of the governing board of any valuable thing, with corrupt intent, is a misdemeanor” (Education Code 72530(a)).

C. A contract obtained by incorrect means is void (Education Code 72530(b)).

D. The District cannot be legally bound to any contract unless and until that contract is authorized or ratified by the Board of Trustees. All routine transactions shall be reviewed by the governing board within ninety (90) days. All emergency contracts are required to be reported to the Board of Trustees at the earliest possible date and in all circumstances within thirty (30) days after issuance (Education Code 81655 and 81656).

E. Any employee who signs a contract in violation of law or in violation of his or her authority is subject to disciplinary action. In addition, as allowed by Education Code Section 81655, any employee committing the District to such expenditure may be personally liable to the District for any and all moneys the District paid as a result of such action. District funds incurred as a result of such actions may be charged to the location creating the liability.

F. "In the event of malfeasance in office, the community college district officer or employee invested by the governing board with the power to contract shall be personally liable for any and all moneys of the district paid out as a result of the malfeasance" (EC 81656).

G. **Adjustments to Contract Amounts:** The California Community Colleges Board of Governors may make adjustments to the public project contract amounts shown in Table AR-6340A, Contract Types and District Business Processes, above. Any such adjustment shall be effective beginning with the calendar year that commences not less than sixty (60) calendar days following the Board of Governors notification to the District and posted in this regulation.

H. **Approved Vendor List:** The Vice Chancellor Finance and Administration shall ensure an approved vendor list is maintained and ensure that bids are solicited from minorities, women, and disabled veteran as specified by statute. Upon conclusion of
the bid or proposal process, the
District may contract with the party who submitted one of the three lowest responsible
competitive proposals or competitive bids. No vendor can be placed on the approved
vendor list until the following are submitted:

• “Affirmative Action Status Form”.

V. Contractual Elements and Requirements

A. An appropriate budget-line for the contract along with adequate funding to
cumber the contract must be developed before a contract is submitted for
processing. Adequate funding includes both an “unencumbered balance” in the
line item and sufficient cash reserves in the fund to pay subsequent invoices within
thirty days of receipt. The CBO shall notify all managers of the college if
insufficient cash is available to pay invoices. When inadequate funding exists to
cumber the entire cost of the contract, it is permitted to submit a partially
cumbered contract which amount shall have a specified limited “work
authorization” scope of work and dollar amount. Such contracts shall contain
language that completion of the contract is subject to a determination by the
district to issue subsequent “work authorizations”.

B. Each contract is required to “show the total price for the outright purchase of any
item” and “its total cost for the entire specified term of the contract” (EC 81551).
Price for an item can be stated in terms of price/hour for a particular job
classification.

C. Once a contract is signed by all parties, the document constitutes a legal and
binding agreement. Any changes to the contract shall be made in writing as
contract addendum signed by both parties.

D. Non-Discrimination Certification: Any contractor performing work or
performing services for the District must certify that:

1. There is no discrimination in the contractor’s hiring or employment practices
because of sex, race, religious creed, color, ancestry, national origin, physical
disability, mental disability, medical condition, marital status, or sexual
orientation, except as provided for in Government Code Section 12940.

2. All contractor’s must agree to comply with applicable federal and California
anti-discrimination laws, including but not limited to the California Fair
employment Housing Action beginning with California Government Code
Section 12900.

3. In addition, the contractor must agree to require compliance by all
subcontractor’s employed on the work by him/her.

V. **Competitive Bidding:** Contracts are subject to the bid limits found in California Public Contract Code Section 20651. Specific transactions may have additional statutory requirements. Table AR-6341, Contract Limits and Requirements, below, summarizes statutory requirements and identifies the corresponding District process.

A. **Bid Limit:** Bids or quotations shall be secured as may be necessary to obtain the lowest prices as follows:

1. Purchase of goods or services from $1.00 up to $9,999 shall require one (1) written quote.
2. Purchase of goods or services from $10,000 up to $83,399 shall require three (3) written quotes.
3. Purchase of goods in excess of $83,400 shall require formal advertised bids.
4. Repairs, including maintenance as defined in Public Contract Code 20115, that are not a public project as defined in Public Contract Code 2202.

Contracts involving expenditures that require competitive bidding require approval by the Board of Trustees prior to award.

B. **Bid and Contract Forms:** The Vice Chancellor Finance and Administration shall ensure that bid and contract forms are prepared for the District. In addition, the Vice Chancellor shall ensure that a file of all completed forms is maintained and that all applicable statutory provisions, Board Policies, and Administrative Procedures are observed in the preparation of the forms.

2. All Bid notices for work to be done shall contain an affirmative statement requiring compliance with Labor Code Sections 1775 and 1776 governing payment of prevailing wages and Labor Code Section 1777.5 governing employment of apprentices. All bid submissions shall contain all documents necessary to ensure compliance with these California Labor Code Sections. Failure to provide such documentation shall cause any such bid to be deemed incomplete.

The Vice Chancellor Finance and Administration shall ensure that bids are advertised when required by the provisions of Educational Code Section 81641 and other applicable statutes.

E. Bid Guarantees: When required or appropriate, bids shall be accompanied by a certified or cashier’s check, or bid bond, in the amount specified in the bid form, as a guarantee the bidder will enter into contract and furnish the required contract bonds. When no longer required for protection of the District, any certified or cashier’s check received shall be returned to the respective bidder.

F. Distribution and Examination of Bid Documents: The Vice Chancellor General Services:

1. Shall ensure “Bid forms” along with applicable sets of specifications and drawings are made available to prospective bidders.

2. Receipt of Bids over the Internet: Bids may be submitted by way of electronic transmission.

H. Awarding of Bids and Contracts: The awarding of bids and contracts shall be subject to the following conditions:

1. Any and all bids and contract proposals may be rejected by the District.

2. All bids shall be opened publicly and bidder shall be given the opportunity to make record of the bids received.

3. Bid and contract award recommendations forwarded to the Board shall show a
tabulation of the bids received and provide reasonable detail.

4. Bid and contract awards shall be made to the lowest responsible bidder substantially meeting the requirements of the specifications and local vendors when possible. The District reserves the right to make its selection of materials or services purchased based on its best judgment as to which bid substantially complies with the quality required by the specifications.

5. For the purpose of bid evaluation and selection when the District determines that it can expect long-term savings through the use of life cycle cost methodology, the use of more sustainable goods and materials, and reduced administrative costs, the District may provide for the selection of the lowest responsible bidder on the basis of best value pursuant to policies and procedure adopted by the governing board in accordance with this section.

6. “Best Value” means the most advantageous balance of price, quality, service, performance, and other elements, as defined by the Board achieved through methods in accordance with this section and determined by objective performance criteria that may include price, features, long-term functionality, life-cycle costs, overall sustainability, and required services.

I. Purchase without Advertising for Bids

1. The Vice Chancellor of Finance and Administration is authorized to make purchases from firms holding county contracts without calling for bids where it appears advantageous to do so.

J. Duration of Continuing Contracts for Services and Supplies

Continuing contracts for work or services furnished to the District are not to exceed five years. Contracts for materials and supplies are not to exceed three years.

K. Emergency Repair Contracts without Bid

When emergency repairs or alterations are necessary to continue existing classes or to avoid danger of life or property, the Chancellor may make a contract on behalf of the District for labor, materials and supplies without advertising for or inviting bids, subject to ratification by the Board.

L. Rejection of Bids: Any and all bids may be rejected by the District for good and sufficient reason. Such rejection shall be in writing.

M. Contract Splitting: California Public Contract Code 20657 prohibits splitting or
separating “into smaller work orders or projects any work, project, service, or purchase” into smaller work orders, contract, or purchase for the purpose of avoiding competitive bidding. A project may, however, be split into several trade-oriented contracts in order to keep project costs low. In such instance, the competitive bidding requirement must be met by going to bid for each of the various trade categories.

- Example: Equipment can be purchased from one vendor and a contract can be issued to another vendor for the equipment’s installation. If the total cost is above the $81,000 bid threshold, the project must be competitively bid. (Public Contract Code Sections 20116, 20118, 20652, and 20657).

O. **Alternate Procedure:** California Uniform Public Construction Cost Accounting Act (CUPCCA) allows community college districts who accept uniform construction standards to raise bid thresholds. To do so, an approval through the state is required. This ability is not applicable to Peralta Community College District at this time because the District has not applied for CUPCCAA authority.

P. **Prequalification of Bidders:** As allowed by Public Contract Code Section 10651.5, prospective bidders for a contract or classification of contracts described in Public Contract Section 20651, of a particular type and/or having an estimated cost to the District (either individually, or in the aggregate during the twelve (12) month period of prequalification provided below in excess of $1,000,000.00, may be required by the District to furnish sufficient proof of public works experience and financial ability by completing a standard form questionnaire and financial information.

1. Applicants for prequalification shall provide answers to questions using a District standard form of questionnaire and financial statement that is based on the prequalification forms (either the long form or short form, as deemed appropriate. When completed, the questionnaire and financial information shall be verified under oath in the manner in which pleadings in civil actions are verified.

2. Applicant responses to the District’s standard questionnaire shall be evaluated and selected applicants will be prequalified according to a uniform system of scoring that is based on the form of scoring sheet.

3. Except as otherwise provided by applicable laws, the questionnaires and financial information are not public records and shall not be open to public inspection.

4. A determination by the District prequalifying an applicant shall not be construed a representation on the part of the District that any bids or proposals will be invited or solicited from an applicant or that a contract will be advertised, offered, bid or awarded only to prequalified applicants.

5. A determination that an applicant is prequalified shall, unless otherwise cancelled, revoked, or limited by the District, remain valid for a period of twelve (12) months after the date that the applicant was prequalified. At that point in time, the District may either allow the prequalification status of the applicant to expire of its own force or the District may, at its discretion and based on submission of updated or new information by the applicant, either renew the applicant’s prequalification status for another twelve (12) months or conduct a new prequalification process.

6. Applicants wishing to dispute the results of a prequalification determination by
the District shall be entitled, prior to the closing time for receipt of bids for the contract for which they have been prequalified (or, in the case of prequalification for a classification of contracts, prior to the closing time for receipt of bids for the first contract bid by District within such classification) to a process of appeal before a committee appointed by the President of the Board of Trustees.

VI. The Vice Chancellor General Services, in cooperation with the designated district planning structures, and the approval of the Chancellor, is authorized to perform the following activities in preparation for facilities capital improvement contracts:

A. **Performance of Work by District Personnel:** The Vice Chancellor General Services is authorized to plan for the use of day labor or force account personnel to perform District-approved alterations, new construction, or additions for buildings and grounds and related equipment so long as the labor time or cost expenditures do not exceed the limitations of the Education Code or College budget.

B. **Facilities:** The Vice Chancellor General Services shall be responsible for the planning and programming of new construction, alterations and repairs of existing plants, and leasing of facilities which require State approval. This responsibility includes the planning and programming of college-initiated new construction, additions to existing plants, and major alterations of buildings and grounds.

C. **Drawings and Specifications:** The Vice Chancellor General Services is responsible for preparation of drawings and specifications for new buildings, leased facilities, additions, major alterations and improvements of buildings and grounds together with estimates of costs.

2. Working Drawings shall be prepared showing specifications and revised cost estimates, if any, will be submitted for approval to the State Chancellor’s Office and the State Department of General Services as required by statute. Such drawings are to be submitted in the name of the Board of Trustees.

D. **Facilities Contracts:** The Vice Chancellor General Services may initiate draft language for facilities capital outlay contracts. Contracts or contract amendments exceeding $15,000 require prior Board of Trustees authorization before they can be executed by the Chancellor or the Vice Chancellor Finance and Administration. No vendor may be authorized to do any work until the contract is executed by the Chancellor or the Vice Chancellor Finance and Administration.
VII. **Minor Contracts:** Work involving an expenditure amount that requires competitive bidding shall be awarded as described in the Competitive Bidding Section, above.
