**BOARD POLICY 3200 ACCREDITATION**

The Chancellor shall ensure the District complies with the accreditation process and standards of the Accrediting Commission of Community and Junior Colleges and of other District programs that seek special accreditation.

The Board is ultimately responsible for assuring the community that the Peralta Colleges meet accreditation standards, and to that end, the Chancellor shall develop procedures for keeping the Board apprised of the ongoing status of accreditation, including time lines, preparations for visits, self-studies, commission recommendations, District responses to recommendations, and follow-up requirements. In addition to such oversight information, the procedures shall ensure that the Board be directly involved in accreditation standards that deal explicitly with Board governance. During visits, the officers of the Board or designees shall be available to greet the team and upon request attend meetings.

The Chancellor shall provide the Board with a summary of any accreditation report and any actions taken or to be taken in response to recommendations in an accreditation report.
