RFP NO. 15-16/14

Peralta Community College District

December 11, 2015

RFP 15-16/14 District-Wide Emergency Blue Phone System Installation

ADDENDUM No. 1

This addendum supersedes items of the original contract documents wherein it is inconsistent with it. All other conditions remain unchanged. The following changes, modifications, corrections, additions or clarifications shall apply to the contract documents and shall be made a part of and subject to all of the requirements thereof as if originally specified or shown. It is the responsibility of the bidder to review the list of attachments to ensure that the addendum is full and complete. This Addendum modifies the original RFP Documents for the above Proposal. **Acknowledge receipt of this addendum in the space provided on the Proposal. Failure to do so may subject Proposer to disqualification.**

Revisions to Plans and Specifications

1. Project Overview (Page 4), Paragraph 3: Note the Four types of existing phone stations.

   There are four (4) known types of existing phone stations. **Interior Wall Mounted, Outdoor Wall Mounted, Outdoor Pole Mounted, and Outdoor Pole Mounted with solar power and cellular communication.** Other than the solar station, all of the exterior stations have 120V AC power for the lights and transformer, and a dedicated phone line homerun to the MPOE room for that specific campus.

2. See attachment with Revision on Specifications and Plans.

3. The due date for the Proposals has been extended from December 17, 2015 at 11:00am to **December 21st, 2015 at 11:00am.**
