NOTICE

The Peralta Community College District and College of Alameda have made every reasonable effort to determine that the information contained in this 2011-2013 General Catalog is accurate. Courses and programs offered, together with other information contained herein, are subject to change without notice by the administration of the Peralta Community College District or College of Alameda for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the District and/or the College. The District and the College further reserve the right to add, amend or repeal any of their rules, regulations, policies and/or procedures.

College of Alameda and the Peralta Community College District are equal opportunity institutions, committed to nondiscrimination and to providing equal opportunities in admissions, financial aid, student facilities, student activities and employment, without regard to race, age, ancestry, sex, sexual orientation, marital status, color, national origin, creed, medical condition, disability, religious or political affiliation.

If you wish to receive this publication in alternative format, call Programs & Services for Students with Disabilities (DSPS).
On behalf of the faculty, staff, and administration, I’d like to welcome you to College of Alameda. The entire college team wants to support you as you pursue your academic goals and ensure your experience at College of Alameda offers you the critical life skills and tools to be successful in all your future endeavors.

For over 40 years, College of Alameda has provided academic excellence to the community with exceptional programs, courses, and services. Today, we continue to serve as a comprehensive community college preparing you for success in the more complex, global, world in which we live. We meet these challenges by offering courses in three areas of focus: career technical education, academic preparation and transfer with associate degree options, and personal enrichment.

We realize that there are many reasons why you may have chosen to attend our college. Some of you plan to transfer to a university or want to develop foundational skills necessary to enter the profession of your choice. Others may want to acquire technical skills for entrance and advancement in your area of employment or be here to gain educational enrichment. Whatever your needs, you are at the right place, because at College of Alameda there is a course or program to meet everyone’s needs.

One of the many highlights of our beautiful campus is our highly diverse student body, who come together from all over the world. Between our staff and your peers, you will find acceptance and camaraderie. At College of Alameda, we function as a family supporting one another as we learn and grow together.

For all of these reasons, we are pleased that you have chosen College of Alameda and trust us with your educational preparation as you pursue your goals. I am confident that your educational experience here will be a positive, satisfying and enriching journey.

Sincerely,

Jannett N. Jackson, Ph.D.

Welcome to College of Alameda!
Who we are, what we do, and what we promise...

The function of education is to teach one to think intensively and to think critically... - César Chávez

Intelligence plus character—that is the goal of true education. - Martin Luther King Jr.

How we envision the outcomes of learning tells us how we need to choreograph the dance. - Ruth Stiehl

College of Alameda (COA) is one of four Peralta Community Colleges. The Peralta Community College District was established in 1964 with its roots in the history of public education in Oakland. The name Peralta reflects the Spanish land grant to Sergeant Luis Maria Peralta in August 1820 of Rancho San Antonio, upon which the six cities that comprise the Peralta Community College District are now located. We primarily serve the residents of Alameda, Albany, Berkeley, Emeryville, Oakland and Piedmont.

The Vision of College of Alameda is that we are a diverse, supportive, empowering learning community for seekers of knowledge. We are committed to providing a creative, ethical and inclusive environment in which students develop their abilities as thinkers, workers and citizens of the world.

We use this vision to choreograph three central themes in our quest for “learning excellence” and services to students. These three themes are:

- **Academic Excellence**
- **Budgetary Competence, and**
- **Community Engagement**

We call these “our ABCs” emphasizing crucial success indicators for our students in achieving an enhanced capacity to pursue their dreams! Noting the Community College Movement all over the world emerged out of the American focus upon “community” and “citizenship” in higher education; we draw the meaning of a community college degree as defined for us by California Education Code: Title 5. From this, what you should be able to do with what you learn here is outlined in three general areas that define a comprehensive community college education that prepares students in terms of:

- **Foundational Knowledge and Learning** – college courses that prepare people for transfer to higher levels of education or simply to understand our place in the world and the world in and of itself
- **Critical Thinking and Applied Skills** – an overall set of life “survival” skills necessary to be a productive, employed, and effective citizen including applied learning in the areas of Career and Technical Education (CTE)
- **Personal Enrichment and Efficacy** – college courses that develop the life skill sets for pursuing well being and an enhanced quality of life

At College of Alameda, “ABCs” means we integrate our core values in all we do to help students in their efforts to realize their dreams. How are these crucial success indicators emphasized in service to our learning community?

**Academic Excellence** means we validate our work based on the assessment of our students’ success as defined by our Institutional Learning Outcomes. We seek to meet these goals with a commitment to innovative and integrated curriculum built upon collaborative partnerships within our organization between student services & academic instruction, seeking to create opportunities for applied learning (such as service learning, civic engagement and cross-discipline learning communities), all within in the context of a psychologically and intellectually safe environment that encourages risk-taking and celebrates our successes.
Budgetary Competence means all our services need to be offered creatively within the real-world constraints of our budget. We are all a part of this process of being responsible stewards for the resources entrusted to us by the community we serve. We strive to not bring ideas to the table without first asking how this fits within our resource limits, seeking to find creative ways to supplement our budget. In this we also seek to find creative ways to do what we want to do within the context of our vision of success – not merely a shrunken vision of what we have always done. We also seek to serve our students with convenient and creative scheduling allowing us to offer courses that are productive, creative & experimental. We look for holistic offerings that complement our existing programs, our sister colleges within the Peralta Community College District, and that play to the unique strengths of College of Alameda.

Community Engagement means we seek to embody a Spirit of Collegiality, actively working towards a student-centered philosophy that embodies a community of scholar practitioners committed to serving our students with professional and collegial competence. We aspire to hold one another accountable to clear standards of success and excellence – as defined by our Institutional Learning Outcomes – utilizing a process of evaluation and assessment, leading to improvement of college programs & services. In this we use tried and tested models of academic excellence that work! COA’s Learning Communities (Adelante, APASS, Amandla, Community Leadership and Public Service) are all examples of successful programs that exemplify our commitment to students. We focus on a holistic collaborative approach to learning; one in which learning happens both in- and out- of the classroom. We recognize our frontline staff members are no less important than our administration and our faculty cannot function without either. We actively promote and support students as equal partners in shared governance through the Associated Students of College of Alameda (ASCOA) and our Campus Life Council. This one team approach, comprised of students, staff and faculty, seeks to de-emphasize distinctions between the stakeholders; we are all learners, each working towards a common goal: student success!

In line with our definition of crucial student success indicators, “Learning at College of Alameda” follows the notion that an Associate’s degree from a comprehensive community college should embody, “a coherent and integrated pattern of learning experiences (to) prepare students (as) educated persons with a broad range of knowledge to evaluate and appreciate the physical environment, the culture, and the society in which they live; to be able to examine the values inherent in proposed solutions to major social problems; and to be able to participate effectively in their resolution.” Title 5 emphasizes the role of education in preparing “citizens with a broad educational foundation, to develop a populace that can participate effectively in all domains of society: civically, economically, and politically.”

Therefore, it is the Mission of College of Alameda to serve the educational needs of its diverse community by providing comprehensive and flexible programs and resources that empower students to achieve their goals.

Following Title 5, the faculty, staff, and administration at College of Alameda strive to accomplish our mission in a more complex world with challenges unique to living in the 21st Century. We meet these challenges offering courses in three areas of focus: career technical education, liberal arts and sciences, and personal enrichment. It is by being “comprehensive” in this way that College of Alameda offers students critical life skills and tools to live more effectively in the world.

Our job is not to make up anybody’s mind, but to make the agony of decision-making so intense you can escape only by thinking. - Fred W. Friendly

The College of Alameda and Peralta Educational Master Plan commits us as a comprehensive learning college to serve people in five general areas:

- We seek to advance student access and success; being sensitive to the diverse and complex realities of the 21st Century World.
- We engage our communities and partners (e.g. with various industries and among non-profit and other educational organizations). We do this to build foundations of learning upon which what is learned enables all of us to live with one another in a manner which builds community.
• Through **programs of distinction** we seek to support students in achieving their life goals what ever they may be (transfer, employment, or personal enrichment). We recognize that for many of the people we serve, they may be the first in their families to attend college and for some this may be their highest level of education. Consequently;
• For all the people who count on us, College of Alameda is committed to provide the highest quality educational experience we can through the **creation of a culture of innovation and collaboration**.
• As wise stewards of our resources we ensure **financial health** of the organization and **environmentally stainable practices in all our operations**.

In meeting all of these commitments, College of Alameda supports student success by empowering students with the values, knowledge, and skills to succeed in becoming engaged global citizens. These qualities enable them to be involved in the creation of a future that is socially just, economically viable, ecologically sound, and promotes a healthy quality of life and holistic well-being.

We assess the achievement of our goals in the success of our students when they are able to apply what they learn in the classroom to the efforts needed to achieve their academic, professional, and personal aspirations! Therefore, the criteria of success by which we assess ourselves and our mission are found in our **Institutional Learning Outcomes**. These meet the vision of a “comprehensive community college education” as put forward in Title 5, and are framed as the answer to a question:

*As a result of their learning experiences at College of Alameda, What are students able to do out in the world?*

- Solve problems and make decisions in life and work using critical thinking, quantitative reasoning, community resources, and civil engagement.
- Use technology and written and oral communication to discover, develop, and relate critical ideas in multiple environments.
- Exhibit aesthetic reflection to promote, participate and contribute to human development, expression, creativity, and curiosity.
- Engage in respectful interpersonal communications, acknowledging ideas and values of diverse individuals that represent different ethnic, racial, cultural, and gender expressions.
- Accept personal, civic, social and environmental responsibility in order to become a productive local and global community member.

Finally, we offer all our services guided by the highest standards of research-based professional practice by evaluating what we do to continuously improve our educational services rooted in the findings of fact.

*Facts are stubborn things; and whatever may be our wishes, our inclinations, or the dictates of our passion, they cannot alter the state of facts and evidence.* ~ John Adams
A Message from the Vice Presidents of Instruction and Student Services

The College of is committed to providing a welcoming campus that enhances student success and embodies the college’s mission to serve the educational needs of our diverse community by providing comprehensive and flexible programs and resources that empower students to achieve their goals.

As Vice President of Instruction, and Vice President of Student Services, together we extend our warm welcome to you on behalf of Library and Instructional faculty members, Counselors, and our tremendous staff at College of Alameda.

Your first introduction to college may be through our Welcome Center where you can receive assistance in enrolling in classes. Other student support services include Assessment where you can take a placement test to determine which English and Math classes are right for you. Our Counseling Office, EOPS/CARE, Programs for Students with Disabilities, Financial Aid, Calworks, Health Services, One Stop Career Center and the Learning Resources Center are available to assist new and continuing students with educational planning, academic advising, adaptive technology, tutoring, career placement, and learning communities.

Once you have completed the enrollment process, you are introduced to our instructional programs and services. Whether you want to transfer and continue on to a four-year college, are seeking career and technical training for employment advancement, are changing or starting a career, or are interested in community involvement and civic engagement, our excellent faculty and supportive staff are here to insure your experience at College of Alameda is a positive one.

Classes are offered through several modalities: traditional semester-long courses offered in the fall, spring, and summer session; online or hybrid courses, or through our multiple Learning Communities where you are part of a cohort of students who learn together and stay together throughout a chosen program.

We take pride in our campus and welcome you into our open and inclusive community. Should you have any questions about our instructional or student services programs, please contact the appropriate program faculty department chairs or deans at the telephone numbers listed on page 6 of this catalog.

Welcome!

GENERAL INFORMATION

Since 1970 College of Alameda has held classes on a 62-acre campus, located at the intersection of Webster Street and Ralph Appezzato Memorial Parkway in Alameda. The campus is easily accessible from downtown Oakland by personal or public transportation, auto or AC Transit bus through the Posey Tube on Webster Street. With its buildings surrounding a central courtyard, the campus is designed to encourage the interaction among students, faculty and staff essential to an effective learning environment.

The College has a satellite campus housing the Aviation Maintenance Programs located on a 2.5-acre site on Harbor Bay Parkway, adjacent to the Oakland International Airport’s North Field. We also have a new science lab and classroom building at 860 Atlantic, one block to the east of our main campus.

Career Technical Education and Occupational Courses
Our Career Technical Education and Occupational Courses (CTE) are concentrated and efficient. The same types of programs are taught at private schools that cost the students tens of thousands of dollars and take years to pay off. These high-demand career paths are a direct link to employment opportunities in our communities. The training programs are state of the art due to our master instructors and the latest equipment. Our Career and Technical Programs have ongoing industry partnerships with local, regional and national corporations. Industry partner advisory committees advise our CTE Programs’ faculty and administration in the latest industry standards and practices.

Program Accreditations and Certifications
College of Alameda is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges,(10 Commercial Blvd., Suite 204, Novato, CA 94949; 415/506-0234), an institutional accrediting body recognized by the Council on Postsecondary Accreditation and the U.S. Department of Education. The College first was accredited in 1973, with the most recent reaffirmation in 2009.

Individual College of Alameda occupational programs are accredited or certified by the American Dental Association (ADA) Council on Dental Education for Dental Assistants, the Federal Aviation Administration (FAA), and the National Institute for Automotive Service Excellence (ASE).

Associate in Arts (AA) or Associate in Science (AS) degrees and certificates may be earned in many areas of liberal arts and occupational studies. Most credits earned are transferable to the University of California, California State Colleges and Universities and to other public and private four-year colleges and universities across the state and the nation.

Supporting Student Success
Enrollment in College of Alameda is open to all people who meet the State of California eligibility requirements (see page 19). As a publicly supported community college, College of Alameda makes available lower-division college-level work at a moderate cost to students.

Small classes allow students to benefit from closer contact with instructors and fellow students, and to become more individually involved in campus life and student activities. College of Alameda offers its courses on the semester calendar, as do the other three Peralta Colleges.

College of Alameda offers support services that enable the success of all students. Students will find academic, career, technical education, and personal counseling services. The college is committed to a policy of equal opportunity and nondiscrimination for students with disabilities. It is the policy of the District to accommodate requests involving academic adjustments consistent with local, state, and federal laws and regulations. Other student services include financial assistance, tutoring, health services, job placement and various student activities based at the Student Center.
Basic skills courses in English and math, as well as individualized labs and tutoring, offer students the opportunity to lay the foundation for their continued success in college-level courses. English as a Second Language (ESL) courses provide second-language learners with proficiency in English through practice in writing, speaking, listening and reading at different levels.

Housing: College of Alameda has no dormitory facilities. Students not living at home (including international students) must make their own arrangements for living quarters.

Using This Catalog
The College of Alameda Catalog describes the courses, programs and services of the college that are planned for the 2011-2013 academic years. Most of the policies and regulations affecting students are described in this catalog, and each student is responsible for becoming familiar with this information. More current or complete information may be obtained from the appropriate department, administrative office or our web page (http://alameda.peralta.edu/)

Responsibility for Meeting Requirements
Each student must assume responsibility for compliance with the regulations set forth in this catalog, for satisfying prerequisites for any course the student plans to take, and for selecting the courses which will allow for the attainment of his/her educational objectives. The College does not assume responsibility for misinterpretation by students of policies and procedures as presented in this catalog. Counselors are available and willing to assist students in planning their programs and to clarify college policies and procedures.
**Accuracy Statement**

College of Alameda endeavors to present its programs and its policies to the public accurately and fairly. Those responsible for the preparation of this catalog, the class schedule and all other public announcements make every effort to ensure that the information presented is correct and up-to-date. However, the College reserves the right to add, amend, or repeal any rules, regulations, policies and procedures. The College assumes no responsibility for program changes or publication errors beyond its control.

Admissions & College Information

It is the student’s responsibility to become familiar with College and District policies and regulations. For further information, please refer to the Schedule of Classes for the current semester.

Admissions

Eligibility for Admission
All persons 18 years of age or older, who can benefit from instruction, are eligible for admission as a California resident or nonresident. Anyone under 18 years of age who is a high school graduate or who has been awarded a California High School Proficiency Certificate or General Education Diploma (GED) may also enroll.

Application Procedures
Applicants must apply online through CCCApply.org. Applicants follow the CCCApply instructions to complete and submit an online application. Once an application is completed, a message is sent to the student’s Peralta email or an email assigned by CCCApply giving instructions on how to log onto the Passport Student Center where enrollment in classes occurs. Unless exempted from Matriculation procedures, students must also complete assessment, orientation and counseling requirements. Detailed instructions may be found online as well as in printed Schedule of Classes.

Admission of International Students
Special regulations govern the admission of foreign students. International students should contact the Office of International Affairs for application and admissions information at (510) 466-7380 or by fax at (510) 465-3257. The International Student Application form along with a $50 application fee is required, and upon acceptance, application is then made through the online CCCApply process. The International Affairs Office is located next to the Peralta Community College District main office at 333 East Eighth Street, Oakland, CA 94606.

High School Students
In accordance with California Education Code regulations, high school students may enroll as special part-time students. Enrollment must be recommended by their principal, with parental consent. Units earned will be granted as college credit. It is the high school’s prerogative to grant high school credit for courses taken from the Peralta Colleges.

A high school student who wishes to take an English, math, or ESL class must participate in Assessment. A high school student whose high school counselor recommends that the student enroll in more than six units must have the approval of the Vice President of Student Services.

Special part-time students are exempt from paying the California Community College Enrollment Fee only.

Fees

Residence Requirements
A person must have lived continuously in California for at least one year immediately preceding the residence determination date to be considered a resident for tuition purposes. Evidence also must be provided to indicate that the person has intent to make California his/her permanent home. The residence of an unmarried minor is that of the parents or legal guardian. The residence determination date is the day before a term begins for which the person is applying for admission.

It is the student’s responsibility to clearly demonstrate both physical presence in California and intent to establish California residence.

California Community College Enrollment Fee
All students are required to pay a California Community College Enrollment Fee. This fee will be collected at the time of enrollment into classes. The Enrollment Fee for 2011-2012 is $36 a semester unit and is subject to change for the 2012-2013 academic year.

High school students admitted on a part-time basis upon recommendation of their principal and students enrolled in Apprenticeship programs are exempt from paying the Enrollment Fee.

Campus Center Use Fee
Each student is required to pay a Campus Center Use Fee of $2 each semester, per campus (excluding off campus locations), to be collected at time of enrollment.

AC Transit EasyPass Fee
All students enrolled in nine (9) or more units are required to pay a fee of $31 per semester (fee increase to $36 in Fall 2012), collected at the time of enrollment. With EasyPass, you can ride all AC Transit bus lines, including local and Transbay service, at all times. Plus, you save over 94% off the local rate and 96% off Transbay service. Please note: This fee is non-refundable unless you drop below 9 units on or before the last day to drop regular session credit classes and receive a refund.
Health Fee
All students are required to pay the Student Health fee of $17.00 per semester for Fall and Spring semesters ($14 for Summer session). This fee will be collected at the time of enrollment. The Health fee is subject to change as allowed by the State Legislature. NOTE: Students who qualify in the following categories will be exempted from payment of the health fee:

- Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization (documentation required).
- Students who are attending college under an approved apprenticeship training program.

Please note: This fee is non-refundable.

Nonresident Tuition
Students who are not legal residents of California for one year and one day prior to the first day of the term, or do not qualify for nonresident status known as “AB540,” will be charged nonresident tuition. Nonresident tuition is charged at the rate of $177 per semester unit plus the $36 per unit California Community College Enrollment fee totaling, $213 per semester unit. Additionally a $2 per semester, per campus Campus Center Use fee will be charged, as well as the Health Services fee and AC Transit fee.

Nonresident Fee Exemption (AB 540)
Non-Resident students who meet the following criteria are exempt from non-resident and capital outlay fees:

1. The student must have attended a California high school for three years or more.
2. The student must have graduated from a California high school or attained the equivalent (e.g. GED or proficiency exam).
3. The student must file an affidavit with the college that indicates the student has applied for legalization or will apply as soon as he or she is eligible, IF and only if, the student is without lawful immigration status.

Nonresident Capital Outlay Fee
Nonresident students who are both citizens and residents of a foreign country must pay a Nonresident Capital Outlay Fee. The fee for 2011-2012 is $6 per semester unit up to a maximum of $144 a year, and is subject to change. The fee represents the prorated cost of capital improvements attributable to nonresident citizens and residents of foreign countries and is in addition to Nonresident Tuition, Enrollment and Campus Center Use Fees. Nonresident Capital Outlay Fees cannot be waived without specific action by the Board of Trustees of the Peralta Community College District.

Military Residence Exemption
Nonresident U.S. military personnel on active duty in California (except those assigned for educational purposes to state-supported institutions of higher education) are granted a waiver of Nonresident Tuition until they are discharged from their military service. Their dependents are granted a waiver for a period of one year from the date they enter California. Upon expiration of the waivers, evidence must be provided as to the date the student surrendered his/her out-of-state residence to become a resident of California. The student will be classified as a nonresident and charged Nonresident Tuition until one year has elapsed since the out-of-state residency was surrendered.

Payment of Fees
The following methods of payment are acceptable for payment of any and all fees at College of Alameda:

Checks
Please make checks payable to: College of Alameda. Also include your student identification number on the front of the check.

There will be a $25 service charge if a bank returns a check, NSF (Not Sufficient Funds), Account Closed or Payment Stopped.

Credit/ATM Cards
The following cards are accepted for payment of any and all fees: Discover, MasterCard and Visa. ATM cards must have the Inter-Link symbol. Sorry, no cash back.

There is a $25 service fee for credit card chargebacks.

Cash
As always, cash is welcome.

Note: Failure to make good on a returned check or a credit card charge back will result in enrollment ineligibility and transcripts being placed on hold until payment is made.

Non-payment of Fees and Other Obligations
The college, under appropriate rules and regulations, will withhold grades, transcripts, diplomas and registration privileges, or any combination thereof, from any student or former student who fails to pay the Enrollment Fee or nonresident tuition. Grades, transcripts and diplomas will be withheld from students or former students who fail...
to pay loans, other fees or obligations which have been properly charged to him/her.

**Enrollment Fee Assistance**

Board of Governors Enrollment Fee Waiver (BOGW) is available to assist students who are unable to pay the enrollment fee. Eligibility requirements for these programs have been established by the California Community Colleges Board of Governors. Information on this program is available at the Financial Aid Office.

The enrollment fee is waived for high school students enrolled part-time with their principal's permission and for students enrolled in any Apprenticeship program.

**Enrollment Fee Refund Policy**

The Enrollment Fee will be fully refunded, if an action of the college (e.g., class cancellation) prevents the student from attending class.

A student may request a refund up to the end of the following term in which the refund was due. After that time the student will not be eligible for the refund.

A student who cancels his/her registration prior to the first day of instruction, or who officially withdraws from classes during the first two weeks of instruction shall be entitled to a full refund less a $10 processing fee. A student who officially completes a change of program during the first two weeks of instruction and as a result reduces the number of units in which he/she is enrolled, is entitled to a refund if the change places that student in a different Enrollment Fee category. Such a student shall not be subject to the processing fee.

If a student pays an Enrollment Fee of $10 or less, and cancels his/her registration or withdraws from all classes before the deadline, the processing fee shall equal the Enrollment Fee. No refund will be made to any student who withdraws from classes after the first two weeks of instruction.

Members of an active or reserve military unit who receive orders compelling a withdrawal from courses may, upon petition, receive a full refund of the Enrollment Fee unless academic credit is awarded.

**Variable Unit Classes**

No refund shall be made for variable units not earned by the student.

**Short-Term Classes**

A student enrolled in a short-term class or open-entry/open-exit class will receive a 100 percent refund if he/she officially withdraws before the ten percent point of the length of the course.

**Nonresident Tuition and Capital Outlay Fee Refund Policy**

A 100% refund of Nonresident Tuition and Capital Outlay Fee (minus a $20 processing fee) will be made for any class in which the student withdraws through the Last Day to Drop Regular Session Credit Classes And Receive a Refund.

A 50% refund of tuition will be made upon the student's official withdrawal from all classes after the Last Day to Drop Regular Session Credit Classes And Receive a Refund through the Last Day to Drop Regular Session Credit Classes Without “W” Appearing on Transcript (No Grade Record Date), as indicated in the College calendar.

No refund will be made to any student after the No Grade Record Date for Regular Session classes.

**Refund Procedures**

To be eligible for a refund of fees paid for Enrollment, Nonresident Tuition, Nonresident Capital Outlay, and/or parking permits, these steps must be taken:

1. Classes must be dropped by the student online by the designated last day.
2. Fill out a Refund Request at the Cashier's Office. Refunds will be processed after the last day to drop a class and receive a refund. Refunds will be mailed. Please allow 4-6 weeks for refunds to be processed.
3. A $10 processing fee on Enrollment Fee refunds will be charged for complete withdrawal from all classes. No fee is charged for a change in units carried.
4. Refunds for parking permits will be allowed only if withdrawal from all classes is made on or before the last day to drop a class and be eligible for a refund. Permits must be returned in the condition in which they were sold.
5. If a class is cancelled by College of Alameda, fill out a Refund Request at the Cashier’s Office. The $10 processing fee will not be charged.
6. To be eligible for a refund, short-term and open entry-open exit and variable unit courses must be dropped online before the ten percent point of the length of the course. No exceptions.

A student may, upon request, obtain a refund up to the end of the term following the term for which the refund is requested. All refunds will be mailed by the college Cashier’s Office.

**Waiver for Extreme Hardship**

A student may appeal to the Vice President of Student Services to waive restrictions of this refund policy for cases of extreme hardship.
Tools and Other Materials Costs
Under the provisions of Title V, Section 59400, it is the policy of the Peralta Community College District that students may be required to provide instructional and other materials required for a credit or noncredit course, provided such materials are of continuing value to the student outside the classroom setting and provided such materials are not solely or exclusively available from the District.

Except as specifically authorized under the Education Code, students will not be required to pay a fee for any instructional or other materials required for a credit or noncredit course.

Required materials are those which a student must procure or possess as a condition of registration, enrollment or entry into a class; or any such material which is necessary to achieve those required objectives of a course which are to be accomplished under the supervision of an instructor during class hours. To assure compliance with Title V and Education Code guidelines, all required instructional and other materials fees will be reviewed annually by the District Senior Vice Chancellor-Educational Services.

During the first week of instruction, in some courses or Certificate programs, students will be provided with a list of required tools and/or materials which each student is expected to obtain and which will be of continuing use to the student upon completion of the course or program. Students will not be required to purchase required tools and/or materials from the college; however, costs frequently can be reduced if tools and/or materials are obtained as part of a group purchase arranged by the college or the instructor.

College Registration and Enrollment in Classes
Students register and enroll at http://www.peralta.edu or CCCApply.org.

New and returning students must complete the matriculation process, including assessment, orientation, counseling and program approval (unless an exemption is claimed) before receiving an appointment for enrollment in classes. Registration and class enrollment procedures and dates are described in detail in the Schedule of Classes.

Wait List
During the enrollment period prior to the start of classes, students wishing to add classes which have reached the enrollment limit can add themselves to the wait list. A process will run each night that will automatically enroll students in the class from the wait list as seats become available. An email will be sent to the student's Peralta email notifying them of the enrollment and the charge to their student account. The last day a student can add to a wait list is the day before the first day of the term. Wait lists apply only to regular session (full-term) classes.

After classes begin, students enrolled in the class who do not show up for the first class meeting may be dropped by the instructor who will then add students from the wait list. If you are not moved into the course from the wait list during the enrollment period, you must be sure to attend the first meeting of class to be considered for late enrollment from the wait list. If there is a space available and you are not at the class, you will lose your place on the wait list and another student may be added instead.

Important details you should know:
- Adding to a wait list does not guarantee enrollment in the class.
- All co-requisites or prerequisites must be completed before you will be enrolled from the wait list.
- You will not be enrolled from the wait list if the class conflicts with times of your existing class schedule.
- You can view your wait list position in your online student center (under class schedule).
- You can remove yourself from a wait list the same way you would drop a class in your online student center.

NO SHOW
Students who are not present at the first class meeting may be dropped by the instructor, and their seat may be given to a student on the wait list.

Counseling
Counseling assistance is available prior to and during the registration period. All students are urged to see a counselor prior to every semester of attendance.

Academic Accommodations for Students with Disabilities
The student must give the college adequate notice of disability-related needs by:
- identifying him/herself to DSPS or other college staff and
- providing to DSPS or the ADA/504 Officer written documentation of the disability as verified by a licensed professional.

Catalog and Schedule of Classes
All students should obtain a College General Catalog and obtain the current Schedule of Classes to use in preparing their program of study. The Catalog and Schedule of Classes are available at http://www.alameda.peralt.edu.
Matriculation (Student Success Program)
Matriculation is the process which brings the College and the student into a partnership to ensure educational success. This process is designed to help the student from the moment he/she first applies for admission until he/she completes his/her studies at a Peralta College. The agreement acknowledges responsibilities of both parties.

The Student Agrees To:
• Declare an educational goal.
• Meet with a counselor to discuss his/her educational goals and to develop an educational plan.
• Attend classes.
• Complete assignments and courses.
• Seek out support services, as needed.
• Strive to make progress toward a defined goal.

The College Agrees To:
• Provide students with a comprehensive assessment.
• Inform the student about the College programs, services and policies.
• Provide quality instruction and counseling.
• Assist the student in developing an educational plan.
• Provide a variety of courses and programs.
• Offer support services and follow-up on the student’s progress toward a defined goal.

There are five components of matriculation that help ensure students’ success:
1. Admission - The admissions application provides information about the student's educational plans and career goals. It also helps determine the student's matriculation status.
2. Orientation - An orientation session introduces the student to the College's programs, services, academic regulations, expectations and campus facilities.
3. Assessment - Multiple measures, such as high school and other college transcripts, work history and personal information, including the use of assessments in English and mathematics will be used by counseling and instructional faculty to assist students in the selection of appropriate courses.
4. Counseling & Advisement - Each student will meet with a counselor to initiate a student educational plan (SEP) that outlines the appropriate courses to meet the student's identified educational goal, using multiple measures. The student will meet with a counselor on an ongoing basis to revise and/or update the SEP, as circumstances warrant.
5. Follow-up - The student’s progress toward attainment of his/her educational goal is monitored on a regular basis by the counseling staff. Recommendations for referrals to support services are made as necessary.

Selection of any of the following educational objectives gives the student the opportunity to participate in the Student Success Program (Matriculation):
• Obtain a bachelor’s degree by transfer to a four-year college or university (with or without an Associate degree).
• Obtain a two-year Associate/vocational degree (without transfer).
• Earn a vocational certificate (without transfer).
• Improve basic skills in English, reading and mathematics.
• Undecided goal.

Note: Any student who does not have an Associate degree or higher and who enrolls in 12 or more units also will be considered a participant, regardless of the educational objective selected.

Although all students are strongly encouraged and welcomed to participate in the matriculation program, certain students may meet the criteria for exemption from matriculation services or a waiver of the assessment, orientation, or counseling components.

Students who wish to receive a waiver of assessment, orientation, or counseling must meet with a counselor to file a Waiver form.

Exemption from Matriculation
Students may be exempt from the matriculation process under the following conditions:
1. Student has earned an Associate or higher degree from an accredited institution, or
2. Student is enrolling in fewer than 12 units; and has declared one of the following educational objectives: Discover/formulate career interests, plans, goals; or Prepare for a new career (acquire job skills); or Advance in current job or career (update/upgrade job skills); or Maintain a certificate or license (i.e., nursing, real estate); or Educational enrichment (intellectual, cultural); or Complete credits for high school diploma.

Note: All students may participate in any of the matriculation components, even though they qualify for exemption.

Exemption of Assessment Component Only
Students meeting at least one of the following conditions shall receive a waiver of the assessment requirement:
1. Student has successfully completed (grade “C” or higher) college-level English and mathematics courses (transcript or grade report required); or
2. Student has, within the last three (3) years, taken an assessment test that can be used to determine suitable placement in English and mathematics.

Assessment for Students with Disabilities
Students with physical, visual, communication or learning disabilities who require special assistance to participate in the assessment or other parts of the Orientation/Assessment/Advising process should contact the office of Programs & Services for Students with Disabilities in D117, (510) 748-2328.

Students who have received services for a learning disability at any California Community College within the last three (3) years may be exempt from assessment and should call the office of Programs & Services for Students with Disabilities for an appointment to consult with a counselor.

Programa de Éxito Estudiantil
Matriculación
La matriculación es un programa y una serie de procedimientos impuestos por el Estado, mediante los cuales el personal y los recursos del colegio, en conjunto con los estudiantes, aseguran el éxito de estos en sus estudios. Este proceso ha sido diseñado para ayudar a los estudiantes, desde el primer momento que se matricularan hasta que complete sus estudios en los Colegios de Peralta. El acuerdo propone y reconoce las RESPONSABILIDADES mutuas entre la institución y el estudiante.

El estudiante se compromete a:
• Declarar sus metas educacionales
• Reunirse inicialmente con un consejero para planificar estos y crear un plan de estudios cada y cuando sea necesario
• Asistir a las clases regularmente
• Completar las tareas y los cursos del plan
• Esforzarse por alcanzar las metas
• Indagar por recursos y servicios que ayuden al estudiante lograr estas metas

College of Alameda se compromete a:
• Proveer a los estudiantes con una evaluación comprensiva
• Informar a los estudiantes acerca de los programas, servicios y normas de la institución
• Proveer consejería e información de primera
• Asistir a los estudiantes en el desarrollo de su plan educacional
• Proveer una gran variedad de cursos y programas
• Ofrecer servicios de ayuda y seguimiento colegial

Pasos para la matriculación
Hay cinco componentes en la matriculación, que ayudan a asegurar su éxito educacional que son:
• Matrícula – Llenar la solicitud de ingreso, la que provee a la institución de información acerca de todos los programas educativos y metas profesionales del estudiante.
• Orientación - Asistir a una sesión de orientación al colegio, para que los estudiantes obtengan la información importante que logre que sus estudios sean exitosos, familiarizándolos con los recursos, reglas, normas y procedimientos, carreras y empleos, expectativas de los estudiantes, sobre cualquier otra cuestión que afecte su educación.
• Evaluación - Participar en una sesión de evaluación donde se mide el nivel actual de destreza del estudiante en lectura, escritura y matemáticas. Los resultados serán uno de los factores que se utilizan para aconsejar a los estudiantes en la selección de los cursos apropiados. También hay disponible una evaluación para todo estudiante de segunda lengua (ESL).
• Consejeros académicos - Reunirse con un consejero para identificar y desarrollar las metas particulares del estudiante y seleccionar los cursos adecuados a las metas.
• Seguimiento - Participar en otros servicios de apoyo al estudiante. Siempre se realizarán los esfuerzos especiales para ayudar: (a) a los estudiantes “indecisos” en identificar sus metas educacionales y profesionales; (b) a los estudiantes inscritos en cursos preuniversitarios de preparación en técnicas de estudio; y (c) a estudiantes a prueba en cuanto a su progreso y/o desempeño educativo.

Seleccionando cualquiera de los siguientes objetivos educacionales se le proverá a los estudiantes la oportunidad de participar en el programa de Éxito Estudiantil (Matriculación):
• Obtener un bachillerato (con o sin grado asociado)
• Obtener un certificado vocacional (sin transferencia a la universidad) de dos años
• Obtener un certificado corta (sin transferencia)
• Mejorar habilidades básicas de inglés, de lectura y de matemáticas
• Metas no identificadas
(Todo estudiante que no tenga un grado asociado o más alto y que se inscriba en 12 unidades o más por semestre se le considera parteice sin importar la selección de sus objetivos educativos.)

Aunque todos los estudiantes están invitados para participar en el programa de matriculación, algunos estudiantes podrán estar exentos de la matriculación y del componente de evaluación. (Ver la siguiente lista de extenciones del distrito de los colegios comunitarios del Distrito de Peralta (PCCD).
Todo estudiante que desee estar exento de cualquier componente de la matriculación o no participar debe llenar una solicitud apropiada en la oficina del centro de evaluación.

**Exento de Matriculación.**
Todo estudiante será exento de matriculación bajo las siguientes condiciones:
1) Si el estudiante ya tiene su grado asociado (A.A/A.S) de otra institución; o
2) Si tiene menos de 12 unidades y ha decidido sus objetivos vocacionales entre los que siguen:
   • Descubrir y formular su carrera de acuerdo con sus preferencias y metas; o
   • Prepararse para una nueva carrera (entrenamiento de trabajo vocacional); o
   • Avanzar dentro de su empleo poniéndose al día; o
   • Mantener un certificado o una licencia; por ejemplo de: enfermería, bienes raíces, etc., o
   • Adquirir enriquecimiento educacional ya sea intelectual, o cultural; o
   • Completar créditos para alcanzar el grado de Preparatoria (GED).

Nota –
Todos los estudiantes podrán participar en todos los pasos componentes de la matriculación aunque estén exentos; Es un componente de prerequisito de las normas de la institución para todos los estudiantes sin importar el nivel de la matriculación.

**Exención del componente de evaluación**
Los estudiantes que cumplan una de las siguientes condiciones quedaran exentos.
1) Todo estudiante que haya completado sus estudios con una calificación de “C” o más a nivel de inglés colegial y de matemáticas (se requiere documentos); o
2) Todo estudiante que haya tomado este examen de evaluación (Assessment) en los últimos tres años, podría ser utilizado por el personal de Peralta para determinar la colocación adecuada a nivel de inglés y de matemáticas.

**Nota para estudiantes con Descapacidades**
Todo estudiante que sufra de alguna incapacidad física, psicológica, visual, de comunicación, cognitiva o perjuicio cerebral que requiera ayuda especial para participar en la evaluación u otras partes del proceso de orientación o de consejería, debe comunicarse por adelantado con el Centro de Recursos para Estudiantes.

Los estudiantes que hayan recibido servicios a causa de alguna incapacidad física o cognitiva en los últimos tres años en los colegios de California serán exentos del servicio de evaluación. Ellos tienen que comunicarse con el Centro de Recursos para Estudiantes Incapacitados. Ellos deben llamar a la oficina de DSP&S lo más pronto posible para hacer una cita con un consejero.

升學輔導
— 協助每一位同學走上成功途徑

College of Alameda 按照加州政府所設定的法令，特設有『升學輔導』，以學院的師資，配合和協助有志向學的同學，以致他們能學有所成，達到培訓人材的目標。整個過程自同學開始申請入學，直至他們在 Peralta 大學區完成學業；所有同學都應參與此升學輔導程序。

學院及同學雙方彼此同意並遵循下列的協議。

每位同學應遵守的是：
• 在學業上扶植主修科系及學習的方向。
• 與輔導老師或教授會談，諮詢及討論、共同策劃學業上的進度。
• 按時上課。
定期完成作業、科目及課程。
力求上進，追求理想成績，達成所定目標。
若有需要可向學校的支援組織查詢求助。
而校方亦同意：
為同學提供全面性的入學測試。
讓每位同學清楚了解學院設有的課程、服務及規章。
提供優良師資及輔導。
協助每位同學策劃學業上的進度及選修科目、課程。
提供多項不同的科目、課程。
以系統性的方式，按步就班地輔導每位同學的學習過程，並且按時檢討每一位的學業進度。

升學輔導的程序共分下列五部份：

1. 入學許可 — 同學須詳盡填寫入學申請表格，包括求學目標，選修科系和期望日後選擇的職業。

2. 新生指導 — 參加新生入學指導的講解會議。會議將提供有關學院的重要資訊，以協助新生了解學院內的設備、修訂的政策和規條、特別課程和教育方針，若熟知而採用得法，將有助早日順利完成學業。

3. 入學測試 — 藉此評估同學的教育程度，尤其是英文的寫作閱讀能力和數學的理解，用以核定求學計劃，及應選修的課程和學科。另有為非以英文為母語的同學而設的 ESL 測試。

4. 諮詢輔導 — 定期與導師會面，商討選修的課程及學業的進度。

5. 跟進服務 — 學院亦為在學同學設有下列的服務：
① 協助在學同學明白了解自己的興趣和所長，從而決定求學方針及日後的職業
② 協助正在選讀大學預修課程的同學
③ 協助在學習上有困難及進展緩慢者。

體智障礙同學請注意：
凡因體能智障，視力欠佳，或溝通不便，在升學輔導的任何步驟上需特別協助者，請預早通知本院的障礙資源中心 (DSP&S)，聯絡電話為 510-748-2328

下列同學均應參與『升學輔導』
- 若計劃日後攻讀大學學士學位者 (不論是否先完成副學士學位);
- 修讀兩年制的副學士/職業性學位者 (非轉學生);
- 只修讀職業訓練證書 (非轉學生);
- 為改進英文的寫作閱讀能力和數學的理解之修讀者;
- 只暫時性選修課程，尚未決定主修科系者。

若同學未有副學士或更高的學位，而每學期選修十二個學分以上者，無論選讀任何科系，均須參與學院舉辦的『升學輔導』。
我們強烈鼓勵所有同學參與『升學輔導』，唯在以下情況的同學可申請免除。（Peralta大學區特准同學免除參與『升學輔導』的規章如下）
1. 若同學已獲政府承認的學院頒發副學士或更高的學位；或
2. 每學期選修少於十二個學分，及已填報基於以下目的而修讀者
可申請免除『升學輔導』的程序。
- 了解自己的興趣所長及潛能，籌劃日後攻讀的學科。
- 為更換其他較好的職業而選修學科（學習新的工作技能）。
- 為在現任的工作上爭取升職機會（改進工作技能）。
- 維續證書或執照的有效性。
- 增進智能或文化上的學識。
- 修補學分以獲得高中文憑。

請注意：有免參與權的同學，仍可自願參與任何部份的『升學輔導』。

同學的權利及責任：
若任何已參與『升學輔導』的同學期望退出，須到入學測試中心或向輔導老師索取申請表格，填寫後請交還校方。

QUY CHẾ NHẬP HỌC

Chương Trình Giúp Sinh viên Thành Công Của Trường Đại Học Cộng Đồng

Quy Chế Nhập Học là một chương trình do tiểu bang quy định để giúp nhân viên học vư
trường đại học Cộng Tác với sinh viên để bảo đảm đạt đến mục tiêu học vấn của sinh viên.
Phương pháp này được đưa ra để giúp sinh viên ngay từ lúc ghi danh cho đến khi hoàn tất chương trình học tại trường đại học Peralta.
Cả nhà trường lẫn sinh viên đều thỏa thuận nhận lấy các trách nhiệm riêng biệt.

Sinh viên đồng ý:
- Công bố mục đích giáo dục.
- Tiếp xúc với một giới chức có văn đề
bản thảo các mục đích giáo dục và để ra
một chương trình học vấn.
- Tham dự giờ học ñề đan.
- Hoàn tất các bài làm và các môn học.
- Có găng theo đuổi một mục tiêu đã
đề ra.
- Tìm kiếm những trợ giúp, khi cần
thiết.

Nhà trường đồng ý:
- Cung cấp các sinh viên một chương
trình bảo quản.
- Thông báo các sinh viên về những
chương trình, dịch vụ, và chính sách của
nhà trường.
- Cung cấp chương trình giáo dục
phòng phú và hướng dẫn dạy dỗ.
- Trợ giúp sinh viên phát triển một
chương trình học để đạt đến mục
dich đã đề ra.
- Cung cấp một loạt các chương trình
và môn học khác nhau.
- Đưa ra các dịch vụ giúp đỡ và theo
sát chương trình học tập của sinh viên.
Các yêu tố phổ biến của Quy chế nhập học

Có 5 yếu tố phổ biến của quy chế nhập học để bảo đảm cho sự thành công chương trình giáo dục, gồm có:

1. **Giới Danh Nhập Học** - hoàn tất thủ tục nhập học sẽ giúp cho nhà trường nắm giữ chi tiết liên quan đến chương trình học vánh và các mục đích nghề nghiệp của sinh viên.

2. **Hướng Dẫn** - tham dự một buổi hướng dẫn tại trường đại học. Sinh viên sẽ được cung cấp những chi tiết quan trọng để thành công ở đại học qua việc làm quen với các phần khoa tại trường học, các luật lệ, chính sách và các phương thức gồm chương trình giáo dục, và các môn học, cũng như những chỉ tiêu khác của chương trình học vánh.

3. **Thâm Đỉnh** - tham dự một cuộc thi trải nghiệm để thấm đỉnh khả năng, lớp máy đồ luận trình độ hiện có như đọc, viết, và toán học. Điểm trải nghiệm là yếu tố đúng để hướng dẫn sinh viên chọn những lớp học phù hợp với trình độ của mình.

Các lớp học Anh Ngữ như một Ngôn Ngữ Thữ Hải (ESL) đều có sẵn cho những sinh viên mà Anh ngữ không phải là tiếng mẹ đẻ của họ.

4. **Hướng dẫn và Cố vấn** - Gặp gỡ một giáo sư hướng dẫn để thảo luận và lựa chọn mục tiêu học nghề nghiệp và chương trình giáo dục, để ra một chương trình học tập, gồm cả việc lựa chọn lớp học thích hợp.

5. **Theo dõi** - tham gia theo dõi các dịch vụ bổ trợ. Mục tiêu đặc biệt của các dịch vụ này là trợ giúp (a) những học sinh “chưa đủ khởi” chọn nghề nghiệp và chương trình học tập; (b) những sinh viên đã ghi tên theo học các lớp chuyên nghiệp cần bản trược khi vào trường đại học; và (c) những sinh viên hiện đang ở trong tình trạng cần sự giúp đỡ ở nhà trường.

Điều lưu ý cho những sinh viên khuyết tật:

Nếu bạn là một sinh viên khuyết tật về thể lực, tâm lý, não bộ, suy nhược, thị giác, thông tin, hoặc mất khả năng học tập. Những người này cần được trợ giúp đặc biệt để tham dự vào việc danh dàn, trắc nghiệm trình độ, hay những chương trình Hướng dẫn/Họp Nhập/Cố Văn, xin vui lòng liên lạc Chuong Trình và Dịch Vụ danh cho Sinh Viên Khuyết Tật của chúng tôi (DSP&S) tại sở.

Lựa chọn bất kỳ một trong các mục tiêu học vánh dưới đây sẽ giúp các sinh viên có hội tham gia vào Chương Trình Thành Công của Sinh Viên (Ghi Danh Vào Đại Học)

- Lấy một văn bản tư nhân (có hoặc không có văn bản căn sự)
- Lấy một văn bản căn sự 2 năm/bảng chuyên nghiệp (không cần chuyên bắc cao hơn)
- Nhận được một chứng chỉ chuyên nghiệp (không cần chuyên trường)
- Cải tiến các khả năng căn bản Anh ngữ, đọc, và toán học.
- Chua quyết định mục đích.

(Bất kỳ một sinh viên nào không có một văn bản căn sự hay cao hơn và chỉ danh từ 12 units trở lên trong một học kỳ (semester) đều được xem là một học viên, dù không chọn mục tiêu học vánh.)

Mặc dù mọi sinh viên đều được khuyến khích mạnh mẽ và hoàn nghề nghiệp tham gia vào chương trình quy định nhập học, một số sinh viên có thể hoàn đủ tiêu chuẩn được miễn cách đích vánh của chương trình quy định nhập học hay các điều kiện nhập học. (Xin xem Quy Định Miễn Trừ của Hợp Trường Đại Học Công Đồng Peralta dưới đây.)
College Hour

The policy of College of Alameda is to provide for a weekly College Hour, from 12:30 p.m. to 1:30 p.m., Tuesdays, so as to encourage college-wide events, student clubs and other extracurricular activities.

Student Computer Use Policy

Internet Policy

Student, faculty, and staff Internet access is provided for educational and work-related purposes only. Violations of Internet use include, but are not limited to, the following:

- Logging onto chat rooms and/or participating in online chat; exceptions are educational and/or classroom-mandated chat rooms;
- Visiting pornographic, racist, or hate sites and/or downloading and viewing pornographic pictures;
- Sending harassing, intimidating, racist, hate and/or threatening messages; and unauthorized downloading and installation of programs.

Policy Violations

Conduct which is considered violation of campus and district policy with respect to computing facilities includes, but is not limited to, the following:

- Sending racist, hate, harassing, intimidating and/or threatening messages through electronic mail or other means;
- Downloading, storing or displaying obscene or pornographic materials;
- Using computing facilities in a manner that violates copyrights, patent protections or license agreements, including using pirated or unlicensed software;
Installing personal software and downloading software from the Internet onto desktop computers or network servers in any instructional lab;

Attempting to circumvent data protection schemes, uncover security loopholes, or gain unauthorized access to any information or files;

Sending mass advertisements, solicitations or political mass mailings as defined by the Fair Political Practice Commission;

Using computing facilities for commercial or personal financial gain (including, but not limited to, online gambling and online auctions);

Taking computer hardware or software from district or college facilities for any purpose without prior written approval; and

Using computing facilities in a manner that violates existing state and federal law or district rules and regulations.

**Consequences of Policy Violations**

Misuse of computing facilities may result in the loss of computing privileges. Additionally, misuse may require financial restitution to the college for funds expended and could result in disciplinary, civil, or criminal action.

Users may be held accountable for their conduct. Violations of these policies will be enforced. Disciplinary review includes the full range of sanctions, up to and including, but not limited to student expulsion, and/or legal action. Misuse can also be prosecuted as a criminal offense under applicable statutes, which identifies certain crimes associated with the use of computer systems.

Infractions such as harassment, or repeated minor infractions as described in, but not limited to, the Computer Use Policy may result in the temporary loss of access privileges, notification to the Vice President of Student Services.

More serious infractions, such as unauthorized use, attempts to steal passwords or data, unauthorized use or copying of licensed software, violations of college policies, or repeated violations of minor infractions may result in the permanent loss of access privileges. In all cases, the offenders will be notified of the infraction and the case will be referred to the Vice President of Student Services for disciplinary action in accordance with the official disciplinary procedures.

**Procedures For Policy Violations**

**Student Users**

First infraction, a verbal warning from the instructor of record, if present, otherwise from the lab administrator with notice to the instructor of record;

Second infraction, the user’s access to his or her account should be restricted to student’s assigned lab and limited to lab hours only. A verbal report and/or e-mail should be made to appropriate division dean and instructor followed by a meeting between the user and the division dean;

Third infraction, the temporary disabling of the user account followed by a meeting with the Vice President of Student Services explaining the termination of their login account and disciplinary action.

**Animals on Campus**

No animals are allowed to be brought on campus except service animals. Animals left in cars may be turned over to Animal Control.

Student Financial Aid

General Information Regarding Financial Assistance
The Peralta Colleges provide financial assistance to those students whose family’s support and personal resources are insufficient to meet educational expenses. The amount of financial assistance is based on demonstrated financial need. The financial assistance programs include scholarships, grants, loans, and part-time employment. Through one or any combination of these resources, the colleges make every effort to assist needy and qualified students. The amount of financial aid granted to a student is determined by the availability of funds, the extent of the student’s need, and his/her academic performance or promise.

Scholarships based on merit or financial need, or a combination of both, are offered to students by community organizations, parents’ employers, labor unions, churches, service organizations, and national foundations. These scholarships will be announced as they are made available to the college.

Grants are funds that do not have to be repaid. The amount a student receives is based on need and is determined by an authorized need-analysis system.

Loans are funds that have to be repaid. The amount a student receives is based on need and is determined by an authorized need-analysis system.

Students applying for financial aid may take courses at any of the Peralta Colleges. However, a “home” campus will be assigned for aid purposes for the academic year.

Summary of Financial Aid Eligibility
Students must:
- Be enrolled in an eligible program at his/her home college and be a regular student working toward a degree, certificate or degree/transfer to a four-year institution.
- Be a U.S. citizen or eligible noncitizen.
- Have a valid Social Security Number.
- Have a high school diploma, or GED, or demonstrate ability to benefit from the course of study selected.
- Be registered with Selective Service if required to register.
- Be achieving satisfactory academic progress.
- Have a need for financial aid as demonstrated by completion of the Free Application for Federal Student Aid (FAFSA).
- Not be in default on a federal student loan or owe a repayment on a federal student grant or Perkins Loan.

Basic Requirements for Financial Aid
A Financial Aid student must be a “regular” student, enrolled in a Degree/Certificate or Degree/Transfer program within the Peralta Community College District. Financial aid information and services are available at the college Financial Aid Office. Students must apply each year beginning in January for the next academic year. Early applications receive first priority for available funds. Every effort will be made to offer assistance in the students’ native languages.

All students applying for financial aid must complete the Federal Financial Aid Application (FAFSA) which covers all programs including the Federal Pell Grant, Federal Work Study (FWS), Federal Supplemental Educational Opportunity Grant (FSEOG), and Federal Stafford Loan programs. The student will receive a Student Aid Report which will be assessed by the Financial Aid Office for eligibility. Students who wish to be considered for financial aid should submit their application as early as possible since processing the application may take six weeks or more. Students must apply each year for financial aid, beginning in January for the following academic year. Early applications receive first priority for available funds.

Financial Aid Eligibility and Requirements
1. Students must complete the entire Federal Financial Aid Application (FAFSA) and must be prepared to verify all information on the application.
2. When accepting a financial aid award, students must comply with federal, state and college regulations by defining their goals and must make satisfactory progress toward achieving those goals.
3. In determining aid eligibility, a total financial assessment of the applicant and/or his/her parents is taken into consideration. Financial aid is designed to be a supplement to existing available financial resources. In nearly every case, the applicant and/or his/her family is expected to meet some of the college and living costs.
4. Students must maintain regular attendance and good academic standing with at least a 2.00 GPA. Students who are enrolled as a full-time student (12 units or more) must complete a minimum of 10 units. Students enrolled as a three-quarter student (9-11.5 units) must complete a minimum of 8 units. Students enrolled as a half-time student (6-8.5 units) must complete a minimum of 6 units, and less than half-time students must complete all units attempted. Failure to complete the required units will result in an automatic “Warning” status for the next semester.
5. An appointment should be made with your counselor to determine the classes and the date the educational objective will be reached. Each student’s progress will be monitored each semester of the academic year. Failure to maintain satisfactory progress for two semesters will result in cancellation of the financial aid award.

6. New students who are not high school graduates must prove ability to benefit from the instruction provided at the student’s home college by passing a federally approved examination. Arrangements for taking the Ability to Benefit Test can be made through the Financial Aid Office. It is the student’s responsibility to check at the Financial Aid Office for current changes in regulations.

7. Checks for financial aid are disbursed by the Cashier’s Office and should be picked up immediately as checks are canceled after 10 days from the issue date. Students must present at least two forms of identification to pick up a financial aid check; present the Student ID card and a photo ID, such as a California driver’s license or California ID card. Note: All students who are determined to be PELL-Grant eligible will receive their initial Pell Grant allocation in order to purchase books and supplies no later than the seventh day of the semester (payment period). In order to be determined Pell eligible, a student financial aid file must be completed for verification.

8. It is the responsibility of the student to see that he/she is officially enrolled in the classes he/she is attending since the Financial Aid Office must assume the official school records of enrollment are correct. If any problems arise in connection with enrollment, it will be the responsibility of the student and the instructor to solve these problems.

9. Agencies of the Federal government have a right to review information on the financial aid application.

10. When required, it will be the responsibility of the student to submit an academic transcript from each school previously attended regardless of whether or not financial aid was received at that institution.

11. Financial Aid is disbursed during the summer but funds may be limited, or subject to Federal regulations regarding summer aid. For more information, inquire at the Financial Aid Office.

12. Students who have attempted more than 150% of their academic program of study will be disqualified from receiving further financial aid. Upon college approval, the student may be allowed to file a financial aid appeal form to re-establish aid eligibility. (Note: 150% equals 90 units for a two year program. Programs consisting of less than two years must be calculated at 150% of the length of that shorter program). Units attempted include classes for which a grade of “W”, “I”, “F”, “FW”, credit (CR), no credit (NC), pass (P) or no pass (NP) is received. No more than two appeals will be allowed within the Peralta Community College District. Students must carefully document justification for the appeal (such as a medical situation or necessity for a change of major) and provide supporting documentation. Each appeal is considered on a case-by-case basis. Should a student appeal be denied, the decision is FINAL and may not be contested.

13. Students who withdraw from all classes before the 60% mark of a semester will be assessed for a refund of the unearned portion of financial aid received for that semester. Conversely, should the student have not been paid all aid earned as of the date of withdrawal, the Financial Aid Office will contact the student and issue a check for any post-withdrawal aid due to the student. Failure to repay a refund or overpayment will result in National disqualification for any financial aid at all other colleges until the repayment issue is resolved. Notification of repayment will be sent to the U.S. Department of Education National Student Database.

For additional information regarding financial aid, consult the Peralta Colleges Financial Aid Handbook which can be obtained in the Financial Aid Office.

**Satisfactory Academic Progress for Financial Aid**

Students must have an approved Educational Program of Study (educational objective) on file with the Financial Aid Office and the Admissions and Records Office.

Students must complete the minimum number of enrolled units by the end of each semester as follows:

<table>
<thead>
<tr>
<th>Enrollment Status</th>
<th>Attempted Units</th>
<th>Must Complete</th>
</tr>
</thead>
<tbody>
<tr>
<td>Full time</td>
<td>12 or more units</td>
<td>10 units</td>
</tr>
<tr>
<td>¾ time</td>
<td>9-11.5 units</td>
<td>8 units</td>
</tr>
<tr>
<td>½ time</td>
<td>6-8.5 units</td>
<td>6 units</td>
</tr>
<tr>
<td>&lt;½ time</td>
<td>1-5.5 units</td>
<td>All units</td>
</tr>
</tbody>
</table>

**Satisfactory Academic Progress Requirements**

The Financial Aid Office will review each student’s record at the end of each academic semester. Students who do not meet Satisfactory Academic Progress (SAP) requirements at the end of a semester will be notified by the Financial Aid Office that they have been placed in financial aid Warning status (prior financial aid Probation status) or financial aid Probation/Appeal status (equivalent to prior Disqualification status).

Students should complete their educational objective within a maximum time frame of 150%, or 90 attempted semester units for a standard two-year program. Programs shorter than two (2) years will be monitored for completion of the same 150% unit maximum time frame. Note: All completed transfer units are also counted in the 90 units attempted when used toward a degree or certificate at a Peralta College.
1. Students receiving financial aid must maintain a cumulative 2.00 grade point average (GPA).
2. Grades of “W”, “F”, “FW”, “CR”, “NC”, “P”, “NP” and “I” will be monitored and included toward calculation of the 150% unit maximum timeframe.
3. The completion of a course grade of “I” (Incomplete) will not be included for purposes of determining enrollment status in a subsequent term.
4. A student may repeat a course one time for which a grade of “D” or “W” is received.
5. A student may repeat a course for which an earned grade of “F” is received in order to achieve a passing grade.
6. Instructors are strongly urged to use the “FW” grade for students who fail due to late term withdrawal.
7. A student with a grade of “F” who is being processed for payment by the Financial Aid Office must provide documentation from the grading instructor that the grade was earned by the student. The student must have attended class for the term and earned a failing grade by such measure as determined by instruction that qualifies a grade of “F”.
8. A student may repeat but not exceed the allowed number of repeats for courses listed in the class schedule. These repeated classes will be included in the student's enrollment status and a grade for each class must be received. Financial aid payments will not be issued for unauthorized repeated coursework, or for more than one repeat of a course for which a “W” was received, even if financial aid was not paid for the class the first time it was repeated.
9. A student who uses transfer credits from college(s) outside the Peralta District must submit transcript(s) for evaluation by an academic counselor or Admissions and Records Office. Those units will be included in the calculation of the 150% program maximum timeframe.
10. If a student receives financial aid for remedial coursework, and completes one year or 30 units, no further aid will be paid for remedial study. The student may continue to enroll in remedial classes, but financial aid payments will be calculated only for degree-applicable coursework.
11. Remedial and ESL coursework will be included in the calculation of the maximum time frame allowed. This provision may be appealed in some circumstances. With submission of a completed Educational Plan indicating coursework required for successful completion of a program of study, the Appeals Committee may, on a case-by case basis, review and exclude from the maximum time-frame computation certain remedial or ESL credits and grant reinstatement of financial aid eligibility. Note: Students must follow their Educational Plan or financial aid will be terminated.
12. The pace of a student's program completion will be evaluated when a student has reached 60 attempted units. If it is determined that the student will be unable to complete his/her program of study within the maximum timeframe allowed, all financial aid will be terminated.
13. Students with a Baccalaureate (Bachelor's) or other graduate degree are considered to have surpassed the maximum time frame and will be required to complete a financial aid petition/appeal to be considered for financial aid. Note that filing an appeal may not qualify a student for financial aid eligibility. The decision of the college on appeals is FINAL and may not be contested.

Remedial Coursework
If a student receives financial aid for remedial coursework, and completes one (1) year or 30 units, no further aid will be paid for remedial study. The student may continue to enroll in remedial classes, but financial aid payments will be calculated only for degree-applicable coursework.

ESL Coursework
Students who enroll in excessive ESL coursework (over 45 units) without enrolling in classes leading toward their stated educational major or goal will be notified by the Financial Aid Office and requested to meet with an academic counselor to determine proficiency to enroll in at least one class leading toward the declared major. ESL students will be strongly urged to enroll in coursework that will assist them in completing their educational goal.

Federal Grant and Loan Programs
Pell Grant
All Federal and State aid applicants must complete a Free Application for Federal Student Aid (FAFSA).
Eligibility: All undergraduate students may apply.
Type: Grant program from the Federal government to the student.
Apply: Beginning January 1.
Amount: Amounts vary depending on Congressional appropriation and student's cost of attendance, family size, and income.

**Federal Supplemental Educational Opportunity Grant (FSEOG)**
Eligibility: Eligibility for this program is based on financial need only.
Type: Grant program from the Federal government to the student.
Apply: Beginning January 1.
Amount: Amounts vary depending on Congressional appropriation and student's cost of attendance, family size, and income.

**Federal Work Study (FWS)**
Eligibility: Eligibility is the same as for the Federal Supplemental Educational Opportunity Grant.
Type: Part-time jobs on campus and in community service (non-profit organizations) off campus. Students may work a maximum of 20 hours per week when school is in session, at minimum wage or higher.
Apply: Beginning January 1.
Amount: Varies with the minimum wage rate and number of hours worked, and the amount of Federal funding allocated to the college. Normally, students can earn between $1,000 and $6,000 per year.

**Direct Loans (DL)**
Eligibility: Eligibility for the maximum amount varies depending upon the student's class level. Students may apply when carrying six (6) or more degree-applicable units. Students must meet federal and college eligibility requirements.
Type: Long-term, low-interest loan from the Department of Education. Interest on DL Subsidized Loans is deferred while the student is attending college. Interest on DL Unsubsidized Loans accrues from the date the student loan is certified.
Apply: Students must attend loan-counseling sessions. An Educational Plan must be completed with an academic counselor and submitted to the Financial Aid Office. Loan applications are available in the Financial Aid Office. Applications are completed by appointment only.
Amount: Maximum Subsidized Direct Loan amounts are currently $3,500 for first-year students and $4,500 for second-year students. Inquire at the Financial Aid Office regarding Federal Direct Unsubsidized Loans.

**California or Other Grants**
The State of California, through the Student Aid Commission, sponsors Cal Grants A, B, and C. To qualify, a student must be a California resident attending or planning to attend an eligible college in California and must complete a GPA verification form which is available in November for the next academic year. The deadlines for submitting the GPA verifications are March 2nd and September 2nd. As a service to students, all Peralta Colleges electronically transmit eligible GPAs to the California Student Aid Commission.

**Cal Grant A**
(Entitlement and Competitive)
The Cal Grant A covers tuition for students attending a four-year institution. This grant may be held in reserve while a student attends community college.

**Cal Grant B**
(Entitlement and Competitive)
The Cal Grant B provides a living allowance for very low-income students. This can be transferred to a four-year college.

**Cal Grant C**
The Cal Grant C is for students enrolled in a vocational program who demonstrate financial need.

**Board Of Governors Fee Waiver (BOGFW)**
The California Community College Board of Governors, through the California State Chancellor’s Office, sponsors this waiver to pay the enrollment fee for eligible students. To qualify, the student must be a California resident, receive public assistance or meet a designated income standard, or be eligible for federal and/or state need-based financial aid. Students are strongly urged to complete the FAFSA application to qualify for the BOGFW as well as other types of Financial Aid.

**Bureau of Indian Affairs Grant (BIA)**
The Bureau of Indian Affairs grants offer assistance to eligible Native American students to meet their college costs. These students must be at least one-fourth Native American, Eskimo or Aleut. The amount of the grant varies depending on the student’s need and the availability of funds of the particular BIA agency.

**Extended Opportunity Programs and Services (EOPS)**
This program is primarily for the recruitment and retention of students from under-represented groups who are both educationally and economically disadvantaged. Referrals for grants are made for full-time EOPS students only.

*Students must complete the Federal Financial Aid Application (FAFSA).

College of Alameda provides a comprehensive program of services to assist students to obtain the maximum benefit from their education. All students are urged to use these services whenever necessary.

Alameda One-Stop Career Center
The Alameda One-Stop Career Center works with over twenty local community-based and governmental organizations. As a collaborative, we seek to ensure that students receive information on employment, training, internships, and vocational counseling in an efficient and seamless manner.

The Alameda One-Stop offers students a free career resource room with:
• Computer access and internet use
• Free fax and phone
• Job leads on and off campus
• Internship information
• Direct links to employers who are hiring
• One-on-one assistance
• Resource library
• Career exploration and labor market data

Other services include:
• Vocational counseling
• Computerized career assessment programs including Eureka and Choices
• Resume writing workshops
• Resume critiques
• Interviewing and networking workshops
• Individualized career counseling and job placement

The Alameda One-Stop Career Center is located on West Campus Drive in modular building “P.” Call (510) 748-2208 for further information, or visit http://www.alameda.peralta.edu/one-stop.

Admissions and Records
Admissions and Records is located in the A Building. Call (510) 748-2228 for further information or visit www.peralta.edu.

Assessment
Assessment helps students choose classes to match their skill levels in English, writing and reading, mathematics, and English as a second language.

Students receive course recommendations based on the assessment test results, and then meet with a counselor to decide on the classes that are most appropriate.

Assessment is a part of the Learning Resources Center, located in the L Building, second floor, (510) 748-2307.

CalWORKs
The CalWORKs Program helps to assist students manifest economic self sufficiency by pursuing a higher education at our college. Through the college’s certificated and degree programs, students obtain directly transferable skills to the marketplace in a variety of disciplines. Our goal is to help students transition from gaining an education in an in-demand field to finding and securing meaningful employment during their college experience and after they have graduated.

Services for CalWORKs students include:
• Academic, Personal and Career Counseling
• Advocacy and support from staff who are familiar with welfare regulations
• Career and Personality Assessment
• Job Placement, interview preparation, resume development and assistance with job applications
• Vocational Training
• Work Study Training and Internships

For further information, call 510-748-2258 or visit the Calworks office, co-located with EOPS and CARE in the A building.

Childcare Services
Childcare services are available for qualifying College of Alameda families on campus at the Alameda Family Services Head Start/Early Head Start Program located at the Children’s Center on Campus Drive. Head Start is a comprehensive child development program that has been successfully serving low-income children and their families for over forty years. It is a child-focused program with an overall goal of increasing school readiness and socialization for young children birth to five years old, accomplished by providing a rich preschool environment,
involving and supporting the family, and connecting with the community. Half day morning and afternoon sessions as well as full day options are available. If you are interested in enrolling your child in Head Start or Early Head Start at College of Alameda please contact the Head Start enrollment office at (510) 629-6333.

Childcare for the children of College of Alameda students is also available at the Children’s Centers at Laney College (900 Fallon Street, Oakland, CA 94607) and Merritt College.

The Laney Center is on East 10th Street and Second Avenue, phone (510) 464-3574.

The Merritt Child Development Center is at 12500 Campus Drive Oakland, CA 94619. (510) 436-2436.

**Counseling Services**

The Counseling Department offers a wide range of professional counseling services for enrolled students and prospective students. These services include:

- Educational planning for degrees, occupational certificates, and transfers to four year colleges
- Evaluation of transcripts for graduation and transfer
- Career counseling and vocational test interpretation
- Help in providing study skills
- Help on academic problems
- Personal counseling and referral to off-campus services
- Classes and special workshops; e.g., Career/Life Planning, College Success, Orientation to College, etc.

The College requires all new students to participate in the Student Success Matriculation Program.

All students should meet with a counselor to design a student education plan (SEP) to outline the course of study necessary to reach the student’s educational goal. In addition, students undecided about their major field of study are strongly urged to meet with a counselor early in their college career to discuss the alternatives available to them. All new and returning students must have their program approved by a counselor, before they can register for classes.

Students are invited to go to the Counseling Appointment Desk to make appointments or to meet with counselors on a drop-in basis for brief questions or emergency problems. Discussions of personal matters are confidential.

The Counseling Department is located within the Student Services Complex in the A Building. For additional information, call (510) 748-2209.

**Extended Opportunity Programs & Services (EOPS)**

College of Alameda offers a comprehensive EOPS program for students who demonstrate that they have educational, economic, social, cultural, or language problems which interfere with their educational careers.

The program offers special supportive services to EOPS students, including professional counseling and peer advising, priority registration, tutorial services, career and academic guidance, financial and book purchase assistance, transfer assistance and fee waivers for CSU and University of California, and cultural enrichment activities. Students also are assisted with admissions and financial aid applications to four-year institutions.

**To qualify for participation in the EOPS program, a student must:**

- Be a California resident
- Be enrolled full-time when accepted into the EOPS program
- Have fewer than 70 semester (105 quarter) units of degree applicable credit coursework
- Qualify to receive a Board of Governors Grant
- Be educationally disadvantaged

**A student may be considered educationally disadvantaged if the student meets one of the following criteria:**

- Did not graduate from high school, pass the California High School Proficiency Examination, or obtain the General Education Diploma (GED)
- Graduated from high school with a grade point average of 2.49 or below
- Does not qualify for the minimum level English or mathematics course work required for an Associate degree
- Was previously enrolled in remedial education courses
- Is the first in his/her family to attend college
- Is a foreign born resident with language difficulty
- Meets other criteria considered relevant by the Program Director

**CARE (Cooperative Agencies Resources for Education)** is a collaborative program offered by EOPS. In addition to the services offered by EOPS, CARE provides assistance with grants and allowances for educational expenses. Eligibility for CARE is the same as for EOPS, with the additional requirement that the student be a current recipient of TANF (Temporary Assistance for Needy Families) and be a single parent.

EOPS and CARE are located in the A building. Call (510) 748-2258 for further information.
Financial Aid
The Financial Aid Program provides financial assistance to students who, without such aid, would be unable to attend College of Alameda. Financial aid is directed toward ensuring that a student will not be denied a college education because of lack of personal resources. Student aid comes in a wide variety of programs. Although eligibility qualifications and benefits vary, assistance is available for career as well as academic training at College of Alameda. More information on Student Financial Aid is provided in the prior chapter of this catalog.

Financial Aid is located in the A building. Call (510) 748-2392 for further information.

Spanish
El programa de ayuda financiera proporciona asistencia a los estudiantes que sin la asistencia de estos servicios, no podrán asistir al Colegio de Alameda. Ayuda financiera tiene el propósito de que a ningún estudiante se le niegue una educación universitaria por falta de fondos. La ayuda financiera estudantil viene con una extensa variedad de programas. Aunque los beneficios y elegibilidad varían, también hay asistencia para los programas vocacionales así como académicos del Colegio de Alameda. Se hará todo lo posible para ofrecer servicios en el idioma nativo del estudiante. La oficina de ayuda financiera esta ubicada en el “A Building,” teléfono (510) 748-2392.

Intercollegiate Athletics
College of Alameda is a participating member of the Bay Valley Conference and offers intercollegiate athletic competition in basketball for men and in volleyball for women students. Students enrolled at College of Alameda may participate in athletic programs at other Peralta Colleges if a particular sport is not offered here. All athletes must meet the specific requirements of the Bay Valley Conference and of the Community College League of California (CCLC) Commission on Athletics in order to be eligible for participation.

For information, visit the Athletics Office in G237, or telephone (510) 748-2383.

Library/Learning Resources Center
The Library/Learning Resources Center (Building “L”) houses a wide variety of services and resources for students, faculty and staff.

The Learning Resources Center, on the second floor, is comprised of the Tutoring Center; Language and General Studies Center; Math, Science and Vocational Center; Academic Lab; and Proctoring Center. The Learning Resources Center is a collaborative learning community environment that provides centralized access to programs and services designed to assist students in succeeding in their academic endeavors, including the development of learning skills and attitudes for effective performance in the college environment as well as the enhancement of thinking abilities and knowledge base, and provides instructional support to faculty in the classroom.

Audio-Visual Services, on the second floor, houses a faculty reserve of multimedia materials for use in the Center. Carrels, equipped with audio and video tape players, are available for student use.

Library
The Library contains approximately 40,000 volumes and an archive of 200 periodicals, pamphlets and microfilm materials. PEARL, the online catalog, provides access to all district library collections. A variety of additional online resources, including electronic periodical databases, are also available on the reference computer workstations. The
Library is on the first floor of the L Building and houses the instructional area, circulation services desks and reference desk as well as the book collections, including browsing, circulation, reference, periodicals, and textbook reserve. Other Library services located on the first floor include photocopiers, group study rooms, a leisure reading area, and the library office. In Reference the librarians provide instruction in the use of library resources for individuals, classes, and workshops.

The College of Alameda student identification card for the current semester is the user’s library card. Library users are responsible for returning borrowed materials on time and for paying a charge for lost or severely damaged materials. Circulating materials are considered overdue when not returned by the due date. Failure to meet these obligations will result in a “hold” on student transcripts, registration and borrowing privileges. A library “hold” can be removed when overdue library materials are returned and/or all charges are paid. Library users that do not comply with or violate the College of Alameda Student Code of Conduct or Library rules and regulations may be subject to disciplinary action and/or loss of library privileges.

**Phi Theta Kappa**

Phi Theta Kappa is an international community college honor society established to promote the ideals of scholarship, leadership, fellowship, and service. College of Alameda’s chapter, Alpha Chi Alpha, was chartered in June 1992. Chapter members participate in campus and community projects. Membership is open to all students who have accumulated 12 semester units with a GPA of 3.5 or higher. For further information, contact the Office of the Vice President of Student Services, Building A, (510) 748-2205.

**Programs and Services for Students with Disabilities (DSPS)**

Programs and Services for Students with Disabilities provides educational and vocational support services for students with disabilities who are enrolled in classes at College of Alameda. Services include academic, personal and vocational counseling; diagnostic testing; registration assistance; support services personnel such as note-takers and sign language interpreters; testing accommodations; liaison with four-year colleges and community agencies; instructional materials in alternate media, such as Braille, large print, electronic text (e-text), tactile graphics, and audio tape; access to adapted computer equipment and other assistive technology.

In addition instructional programs are offered for students with disabilities who meet eligibility criteria:

1. **The Learning Skills Program** assists students with learning disabilities to succeed in their college program by providing assessment, instruction, advising, and liaison with campus instructors and programs. Meet with a counselor in the DSPS program to inquire about enrolling in Learning Resources 296 for eligibility assessment.

2. **The Adapted Computer Learning Center** offers classes in assistive technology and in improving cognitive skills.

   **Assistive Computer Technology** instruction is designed to meet the computer access needs of students with learning disabilities, acquired brain injury, visual impairment, or physical disability. Adaptations include programs to increase print size on the screen; speech synthesizers that read aloud information on the screen; voice input to allow “hands free” computer operation; an embosser for Braille output of written material; and programs that modify the keyboard.

   **Brain Injury Program** - Computers are used as a tool in teaching cognitive skills to students with specific learning disabilities or acquired brain injuries resulting from head trauma, stroke, hypoxia, brain tumor, infections of the brain or ingestion of toxic substances. The Improving Cognitive Skills class remedies basic mental processes such as memory, attention, concentration, perception, and orientation. It re trains complex thinking skills such as categorizing, sequencing, problem solving, abstract reasoning, and communicating. It helps students develop compensatory strategies for coping with decreased cognitive function.

3. **The Vocational Living Skills Program** provides a transition to work for individuals who have a desire to work and who want to develop the skills needed to seek and maintain employment. The program serves primarily persons with Intellectual Disabilities, but students with other disabilities also enroll as appropriate. The College to Career Program, funded through a contract with the Department of Rehabilitation, works in partnership with the Department of Rehabilitation, the Regional Center of the East Bay, East Bay Innovations (EBI), the College of Alameda One Stop Career Center, faculty, and employers to provide pre-vocational and vocational services for students with Intellectual Disabilities or Autism Spectrum Disorder. Twenty students who are eligible for Regional Center services are admitted each year to the program. Please contact the DSPS program to learn about College to Career entrance criteria and application process.

4. **The Workability III Program** The Workability III Program provides job search skills training and job placement services for persons with disabilities. Workability III is a joint program between College of Alameda and the Department of Rehabilitation.

For additional information on DSPS services or programs,
call (510) 748-2328 or visit the DSPS office in Room D117.

**Safety Services**
The Alameda County Sheriff’s Department provides sworn deputies on this campus to assist students and staff. Sheriff’s deputies are an integral part of the College community, functioning as consistently as possible with the College’s philosophy and objectives. Deputies are sworn police officers, responsible for the reporting and investigation of all emergency and police matters on campus. In an emergency, dial 7236, or 465-3456. Sheriff’s deputies are located in Room F121.

**Safety Aides**
Safety Aides assist Safety Services by patrolling the campus and its parking lots. Aides are available for escort services to and from parking lots. To receive assistance, please call (510) 466-7236.

**Student Leadership and Development**
Co-curricular activities are an important part of the educational experience. All students are encouraged to become involved in some phase of co-curricular activities. Involvement in student government allows the student to view and explore the College as a whole, as well as the various parts that form the institution to which he/she belongs. Through active involvement, a better understanding of the overall process of education may be attained.

Active participation in student government provides the student an opportunity not only to assist in the development of co-curricular programs, formulation of general College policies and to become involved in solving general College problems, but it also provides effective channels to promote change and growth within the College system.

The Student Leadership Office is located in F116. For further information, call (510) 748-2249.

**Associated Students (ASCOA)**
The Associated Students of College of Alameda (ASCOA) have formed a student government designed to provide a mechanism to assist and improve the campus environment through changing and improving the already existing services.

Clubs and organizations may be formed under College faculty sponsorship whenever there is a worthwhile purpose and sufficient interest is indicated. The organization of clubs is controlled by ASCOA. Each club must be officially recognized in order to use the College name or to sponsor or participate in campus activities. Information concerning organizational procedures, as well as the use of College facilities, may be obtained from the Student Leadership Office.

ASCOA is located in F109. For further information, call (510) 748-2249.

**Cyber Cafe**
The Cyber Cafe is the place to come, relax, do some homework, check your email or surf the Internet. Fifteen computer stations help you navigate cyber space. The cafe also offers wireless Internet technology for your convenience.

The Cyber Cafe is located in the “F” building adjacent to the cafeteria. Call (510) 748-2249 for further information.

**College Store**
The College Store is located on the first floor of the Student Center (Building “F”). A list of all required textbooks and supplementary texts is provided at the beginning of each semester. A full line of notebooks, stationery and office/school supplies is available. Store policies regarding purchases, refunds and book buy-back are printed in the Schedule of Classes for each new term. Store hours of operation also are shown in each semester’s Schedule of Classes.

**Lost and Found**
Items lost or found on campus should be reported, when lost, claimed, or, when found, taken to the Student Leadership Office, F-116. Assistance can be obtained during regular College business hours.

**Student Center**
The Student Center (Building “F”) houses the Student Leadership Office, Cafeteria, the Student Lounge, the Cyber Cafe, offices of the ASCOA, mailboxes for recognized clubs and organizations, Student Health Services, and the College Store. It is the central location for many student activities.

The Student Lounge affords a comfortable atmosphere where students can relax with old and new friends. Student requests to use College facilities for approved group activities and the campus publicity regulations are processed through the Student Leadership office in Room F116.

The Student Center also offers the following support services: Lost and Found, student dental-medical insurance information, a master activities calendar, housing referrals, community and governmental agency information, BART and AC Transit schedules, and general information on campus services and activities.

**Student Ambassador Program**
Student Ambassadors are student leaders who have a 3.25 GPA or greater and demonstrated leadership abilities. The Ambassadors represent College of Alameda and
the Peralta Community College District at college fairs, high school recruitment visits, community events, the commencement ceremony, and numerous other school-related activities.

For further information, contact the Vice President of Student Services at (510) 748-2205.

Student Health Services
Health Services contributes to the educational aims and matriculation of students by promoting their wellbeing.

Student Health Services are supported by a student health fee, charged to all students to fund district-wide health services. A website with current information regarding available services, current clinic hours, and any future new facility is available at http://eperalta.org/wp/studenths/. The present student clinic, the Peralta Wellness Center, is located in the Laney College Student Center, Room SC410A (on the fourth floor). To schedule an appointment or ask a question, please call (510) 464-3134.

At the COA campus, the services of a registered nurse are provided to assist students in health matters. Health Services provides health counseling, referrals, health education, emergency first aid and assistance with general problems. The COA Health Services Center is located in the Student Center, Building F, Room 105. As campus services are integrated with the Peralta Wellness Center, there may be changes to the services offered on campus. Please see the above website for hours and any additional services or call (510) 748-2320.

Student Success Learning Communities
College of Alameda offers three very unique Student Success Learning Communities. These are a mutually supportive team effort between faculty, staff and other students to help you learn in a culturally nurturing and supportive environment to:

• Succeed in college
• Discuss your goals/aspirations as a college student
• Identify the steps needed to achieve your goals
• Broaden your horizons through advanced learning and training

College of Alameda Learning Communities offer accelerated English courses with a cultural emphasis paired with study skills and college success courses. Students will have the additional support of faculty and staff, fellow students, and assigned mentors to assist you in achieving your academic goals. Our goal is to give you the necessary knowledge and self-confidence to succeed.

MAYBE ONE OF OUR LEARNING COMMUNITIES IS THE ANSWER FOR YOU!

Amandla (emphasis on African American culture)
APASS (emphasis on Asian/Pacific Island cultures)

Contact the Counseling Department at 748-2209 for more information.

Transfer Program
College of Alameda embodies a diverse population of students; many of whom are first generation college-bound. Faculty and staff at College of Alameda are strongly committed to helping our students achieve academic success, and we offer a wide variety of resources and services available on campus. The Transfer Resource Center, located within the Counseling Department, provides the following services and workshops for students interested in transferring to a four-year college or university.

Services:
• Scheduling appointments to meet with four-year college or university representatives
• Assistance in learning how to use online admissions resources: www.assist.org, www.csumentor.edu, www.uctransfer.universityofcalifornia.edu
• Online application assistance
• TAG agreements (transfer admission guarantee to UC Davis, UC Irvine, UC Merced, UC Riverside, UC Santa Barbara, UC Santa Cruz, UC San Diego and CSU East Bay)
• Access to a resource library of online and hard copy catalogs for California and out-of-state four-year colleges and universities, directories, college videos, and other reference publications on higher education
• Student work station (internet access) and study area
• Transfer Center “calendar of events”
• Information on application deadline dates
• Fee waiver and transfer scholarship information
• Tours to local four-year colleges and universities

Workshops and Events:
• Annual fall semester “Transfer Day” event where students can meet admissions representatives from over 40 four-year colleges and universities
• Transfer Basics workshop
• UC personal statement workshop

For more information, call (510) 748-2113.

Concurrent Enrollment Program
College of Alameda provides its students the opportunity to enroll concurrently in one lower-division course each semester at any of the participating colleges or universities listed below. This program was designed to increase
exposure to a college or university where a student might not otherwise plan to enroll, to allow student access to complete required courses not available at their home campus, and to enable students to test their potential for success in a college or university environment.

Participating colleges include:
• University of California, Berkeley
• California State University, East Bay
• Mills College
• John F. Kennedy University
• Holy Names University

Students are expected to earn a “C” or better in the university coursework at the participating four-year college or university in which they concurrently enroll. Students may participate in Concurrent Enrollment for up to one year provided they have completed 20 semester units of transferable coursework, completed ENGL 1A with a grade of “C” or better, enrolled as a full-time student taking a minimum of 12 units, and established California residency.

Formally admitted UC students and individuals who have attended a four-year institution or hold a Bachelor’s Degree or equivalent from a foreign university are not eligible to participate. For more information about program eligibility criteria and participation in the program, please schedule an appointment to see a counselor.

Tutorial Services
In an effort to meet the educational needs of students, the college provides free tutoring in most subjects taught at the college. Tutors are trained to handle group and individual tutoring sessions in the Tutorial Center and in the classroom. Individual tutoring is available to students after their needs have been properly assessed by Learning Assistance personnel and through faculty or peer advisor referrals. For additional information, visit the Learning Resources Center on the second floor of Building L, or telephone (510) 748-2315.

Veterans and Veterans’ Dependents
The Veterans Affairs Program provides assistance to veterans and to eligible dependents of veterans in their pursuit of an education and in obtaining veterans’ benefits. Services include counseling, tutorial assistance, outreach, recruitment, referral service for job placement, and financial assistance.

To receive VA benefits at College of Alameda, veterans and dependents must do the following:

1. Apply for admission at www.peralta.edu.

2. Complete the assessment and orientation process.

3. Meet with a counselor and have a Student Education Plan completed, outlining the requirements of the program you have declared as your objective. The educational objective must be an educational goal that is offered at College of Alameda and has been approved by the California state approving agency. Unofficial transcripts can be used by the counselor to determine your remaining requirements at this meeting.

All veterans must make an appointment with the counseling office during their first semester in attendance, in order to complete a Veteran’s Evaluation of Course Requirements for Current Objective. Evaluations cannot be done on a drop-in basis. The evaluation is required prior to certification of a student’s second semester, and if and when a student changes to a new major a new evaluation must be completed prior to further certification. Only courses indicated on the evaluation will be certified for payment by VA, as these are the courses that are needed to complete graduation or transfer requirements.

4. Verify prior college credit by having official transcripts sent to Office of Admissions & Records, Peralta Community College District, 333 E. 8th St., Oakland, CA 94607. All students receiving Veterans Benefits are required to submit official academic transcripts from all schools attended before, during or after military service—whether or not benefits were received or units completed. Enrollment will only be certified for one semester pending evaluation of prior credit. These transcripts will be used when determining prior credit for courses that satisfy major requirements when completing the student’s Evaluation of Course Requirements.

5. Submit applicable documents to the Veterans Resource Center for the processing of your educational benefits: Application (Form 22-1990) and DD214 for the Veteran Student, application (Form 22-5490) and dependent documentation for the Veterans’ Dependents Program. The VA office will determine eligibility and notify student of such awards.

Veterans continuing at the college must notify the VA office of any change in address, major, units, or education plan. It is the responsibility of each student to promptly notify the College of Alameda Veterans Office of changes in unit status, courses, grades, academic objective, number of dependents to be claimed, and address. Failing to do so may result in an overpayment of benefits which would need to be repaid to VA.
Call (510) 748-2203 for further information or visit the Veterans Resource Center in the A building.

Credit for Military Experience
Completion of a minimum of one year’s active duty with the Armed Forces of the United States, including completion of a basic or recruit training program and receipt of an honorable discharge, provides six semester units toward the Associate degree if this credit has not previously been applied toward a high school diploma. The VA Office will submit the DD214 to the Office of Admissions to obtain the credit once the 12 semester units has been completed at the Peralta Colleges.

If the veteran has completed courses taken during military service, the VA Office will request evaluation of the ACE or SMART transcripts from the Office of Admissions and Records.

Standards of Progress for Veteran Students Receiving Benefits
A veteran student who is on academic probation for two consecutive semesters shall be subject to discontinuance of benefits if the student earned a cumulative grade point average of less than 2.0 (“C” grade). This directive is separate and apart from the college’s standards for academic dismissal.

Welcome Center
The Welcome Center provides computers and assistance with online admissions/registration and financial aid applications (FAFSA). Students may also obtain access to their Student Center to print informal transcripts and their current schedule.

For further information, visit the A Building or call (510) 748-2184.

Degrees and Programs

Catalog Rights
Students completing the requirements for the Associate degree, Certificate of Achievement, or Certificate of Proficiency have catalog rights.

A student’s catalog rights are defined as maintaining enrollment in at least one semester per academic year, excluding summer session and intersessions (continuing enrollment), in any of the four Peralta Colleges.

A student’s catalog rights include:
1. The regulations in effect at the time the student entered the college, provided the student has been in continuing enrollment until the requirements for the Degree/Certificate are completed; OR
2. The regulations current at the time the student re-enters the major program and remains in continuing enrollment until the requirements of the Degree/Certificate are completed; OR
3. The regulations current at the time the student files and receives the Degree/Certificate.

The withdrawal symbol (“W”) constitutes enrollment.

Associate Degree Requirements
Requirements for graduation with an Associate Degree are prescribed by the State Chancellor’s Office and the Board of Trustees of the Peralta Colleges. Degrees are conferred when students have met the prescribed requirements. It is the student’s responsibility to file all transcripts of previous college work and to file a Petition for an Associate Degree by the deadline date during the semester in which he/she plans to complete the requirements. See the Academic Calendar in the Class Schedule for deadline dates.

Overall Requirements
Candidates for the Associate Degree must complete at least 60 degree-applicable units which include courses in a major, General Education, and electives, as necessary.
1. At least 22 units must be completed in General Education.
2. A minimum of 18 units is required for the major. The specific number of units may vary depending upon the major. Students should refer to the individual curriculum patterns for this information.
3. At least 12 units of coursework must be completed at College of Alameda.
4. A minimum grade point average of 2.0 (“C”) is required in EACH of the following:
   - Overall grade point average
   - General Education Requirements

Note: While a course might satisfy more than one General Education requirement, it may not be counted more than once for this purpose. (See exception for Ethnic Studies courses.)

5. A “C” grade or better is required in EACH course in the intended major and in area 4A, English composition and area 4B, mathematics of the General Education Requirements.

Note: When the combined units from the General Education and major do not total 60 units, students must complete any degree-applicable course(s), referred to as electives, until the total of at least 60 units is obtained.

2011-2012 General Education Requirements for the Associate Degree
(Updated Annually)
General Education requirements for the Associate in Arts and Associate in Science degrees (Not for the AA-T or AS-T) are listed below:

Students must complete categories 1 through 5 of the General Education requirements; at least 22 units of which must be completed in Categories 1 through 4.

A course used to satisfy requirements in one category may not be used to satisfy a second General Education category, with the exception of a course used to satisfy the Ethnic Studies requirement. A course may be double-counted to fulfill both General Education and major requirements.

The following list of courses may be revised each semester as courses are added or deleted from the curriculum.

1. Natural Sciences Minimum 3 units
Courses in the natural sciences are those that examine the physical universe, its life forms, and its natural phenomena. To satisfy the general education requirement in natural sciences, a course should help you develop an appreciation and understanding of the scientific method and encourage an understanding of the relationships between science and other human activities. This category would include introductory or integrative courses in astronomy, biology, chemistry, general physical science, geology, meteorology, oceanography, physics, and other scientific disciplines (BP 5.20).

Psychology 18
Sociology 5.

(*) or (**) Students will receive credit for one course only.

All Ethnic Studies courses, worth at least 3 semester units, may simultaneously satisfy one of the Categories 1-4, if they are offered within that category. It should be noted that such units are calculated only once.

This list is updated periodically. Consult a College of Alameda counselor for a current listing of approved courses.

Certificate of Achievement

The college grants certificates of achievement to students who complete the required courses in accordance with state approved prescribed standards. The requirements for the certificate vary with each occupational curriculum; some may require more than one or two years to complete depending on course scheduling.

Certificates of Achievement come in two forms, depending on the curriculum. Certificates of Achievement are approved by the State Chancellor's Office of the California Community Colleges.

(1) The first type of Certificate of Achievement requires a minimum of 18 semester units in the major, a grade of “C” or better in each course, and at least 12 units of associate degree level work completed at College of Alameda.
(2) The second type of Certificate of Achievement requires completion of 12 – 17.5 units in a specified program of courses with a grade of “C” or better in each course.

Certificate of Proficiency

The college grants a certificate of proficiency to you if you complete the required courses in accordance with the college's prescribed standards. The requirements for the certificate vary with each curriculum. Requirements include up to 17.5 units and a grade of “C” or better in each course. A Certificate of Proficiency will not appear on your transcript.
Transfer Information

Planning to Transfer
Students who wish to enter a four-year college or university after attending College of Alameda should consider the following suggestions:

1. Read the four-year college or university catalog for admissions and other information, such as:
   a. Transfer requirements;
   b. Major requirements and degrees offered;
   c. General education or breadth requirements;
   d. Application and financial aid deadlines.
   Many catalogs are available for review in the Transfer Resource Center.

2. Note the difference between lower-division and upper-division courses required by the particular college or school of the university in which the advanced work is to be taken.

*Important point:* Degree credit in the major can be expected only for those community college courses which parallel lower-division major courses required at the four-year institution.

3. Identify the courses (lower-division prerequisites) which must be taken in preparation for the major as well as those required in the major.

4. Remember that community college courses transfer to four-year colleges for specific majors, general education/breadth requirements, or elective credit depending upon the school and major selected.

5. Check the policies regarding the maximum number of units that may be transferable. A maximum of seventy (70) transferable semester or one hundred and five (105) quarter units completed at a community college may be applied toward the total number of units required for a bachelor’s degree at a campus of the University of California or California State University. Total units transferable to independent colleges vary. Subject credit for transferable courses in excess of (70) semester units may also be granted to satisfy university graduation requirements. Courses accepted as equivalent to those offered in lower-division by a four-year institution, even if beyond the (70) semester/(105) quarter-unit maximum, may be applied where needed to meet specific lower division and/or general education/breadth requirements. Students are strongly advised to complete all coursework required in lower-division preparation for their major, especially those majors that are impacted or oversubscribed.

6. With proper planning, College of Alameda students can complete lower-division requirements for most majors offered by four-year institutions.

College of Alameda counselors can assist students in the development of an educational plan through individual appointments. Students should also confer with faculty in their selected major in planning their programs. Where particular planning problems are present, counselors can assist students through contacts with representatives from the various four-year institutions.

7. Catalogs and applications for admission to the University of California and the California State University are available in the Transfer Center. The Transfer Center can provide assistance in obtaining catalogs and applications from other institutions.

8. All students must assume complete responsibility for compliance with regulations and instructions for selecting the courses that will permit them to meet their educational objectives, and for satisfying prerequisites for any programs or courses they plan to take as set forth in the appropriate catalog.

Impacted Programs
At every college and university, some majors receive more applications than the number of students they can accept. When this happens, these majors are declared to be impacted or oversubscribed. To be admitted into such programs, students may need to meet special requirements such as:

1. Completing specific courses;
2. Accumulating a determined number of college units;
3. Earning a specific grade point average;
4. Passing campus or national examinations;
5. Meeting advance application deadlines; and
6. Participating in interviews or special evaluations.

The list of impacted programs may vary from year to year as majors are added and deleted frequently. Also, a major impacted at one campus may be open at another; therefore, students should consult a College of Alameda counselor to receive updated information about impacted majors.

Articulation Agreements
Articulation literally means “to express clearly” or “to join together.” It is used in this context to refer to written agreements between College of Alameda and a four-year college or university. The written course articulation agreements, approved by faculty for both institutions, authorize the acceptance of a specific course completed at one campus to be used “in lieu of” a specific course at another campus.
Counselors can access articulation agreements between College of Alameda and the campuses of the California State University, the University of California campuses and some independent colleges, both in and out of state. Most agreements with CSU and UC campuses are available on the internet at: www.assist.org. A student working closely with a counselor may be able to complete the first two years of a four-year college degree at College of Alameda and then transfer as a junior. Any student experiencing difficulty with the transfer of courses from College of Alameda should contact the Counseling Department for assistance.

2+2 Articulation is the coordination of the last two years of a high school program with a two-year post-secondary certificate/Associate Degree program. This provides a mechanism for high school students to continue matriculation towards a planned vocational goal.

Other Colleges and Universities
For information concerning transfer requirements of other colleges and universities, students may obtain information from the Transfer Resource Center and should work closely with a College of Alameda counselor to develop an effective Student Educational Plan (SEP).
Transfer to the University of California

The University of California includes nine undergraduate campuses throughout the state – Berkeley, Davis, Irvine, Los Angeles, Merced, Riverside, San Diego, Santa Barbara, and Santa Cruz. A tenth campus in San Francisco offers graduate and professional programs in the health sciences.

The University of California admission requirements for transfer students vary according to the student’s eligibility to enroll at UC when the student graduated from high school. Furthermore, a student wishing to enroll in an impacted and/or upper-division major must meet additional admission requirements.

Transfer Admission Requirements
The University considers you a transfer applicant if you graduated from high school and enrolled in a regular session at a community college or university. You cannot disregard your college records and apply as a freshman. The requirements described in this section represent the minimum level of achievement to be eligible for admission to the University.

California Residents
You can meet the University’s minimum admission requirements for transfer students in several ways, as described below. The path you use depends upon the extent to which you satisfied UC’s minimum eligibility requirements for freshmen at the time you graduated from high school. In all cases, you must have a “C” (2.0) average in all transferable work.

1. If you were eligible for admission to the University when you graduated from high school (i.e., meaning you satisfied the Subject, Scholarship, and Examination Requirements), you are eligible to transfer if you have a “C” (2.0) average in your transferable college coursework.
2. If you met the Scholarship Requirement but did not satisfy the Subject Requirement, you must take college courses in the subjects you are missing, earn a grade of “C” or better in each of these required courses, and earn an overall “C” (2.0) average in all transferable college coursework to be eligible to transfer.
3. If you met the Scholarship Requirement but did not meet the Examination Requirement, you must complete a minimum 12 semester (18 quarter) units of transferable college coursework and earn an overall “C” (2.0) average in all transferable college coursework completed.
4. If you were not eligible for admission to the University when you graduated from high school because you did not meet the Scholarship Requirement, you must
   a. complete 90 quarter or 60 semester units of transferable college credit with a grade point average of at least 2.4; and
   b. complete the following course pattern, earning a grade of “C” or better in each course:
      • two transferable college courses (3 semester or 4-5 quarter units each) in English composition; and
      • one transferable college course (3 semester or 4-5 quarter units) in Mathematical Concepts and Quantitative Reasoning; and
      • four transferable college courses (3 semester or 4-5 quarter units each) chosen from at least two of the following subject areas: the arts and humanities, the social and behavioral sciences, and the physical and biological sciences.

Students who satisfy the Intersegmental General Education Transfer Curriculum (IGETC) prior to transferring to UC will satisfy Option 4b of the transfer admission requirements. For more information about IGETC, refer to IGETC section of this catalog, or see a counselor.

Other UC Requirements
There are other requirements students must fulfill to receive an undergraduate degree from the University. These include University wide requirements such as General Education requirements, Entry-Level Writing Requirement, and the American History and Institutions requirement. Other requirements, such as major preparation, vary according to the campus a student plans to attend, and according to the particular college or school and major.

Entry-Level Writing Requirement
Students must satisfy the entry-level writing requirement to graduate in any program at UC. One way to meet this requirement is to complete a transferable college course of three semester (four quarter) units in English composition with a grade of C or better. Students who meet our basic requirements for minimal transfer eligibility, which include two transferable college courses in English composition, satisfy the entry-level writing requirement.

Many transfer students fulfill this requirement while in high school by achieving minimum scores on the following tests:

3 on the College Board Advanced Placement Examination in English (Language or Literature)
5 on the International Baccalaureate Higher Level Examination in English (Language A only)
6 on the IB Standard Level Examination in English (Language A only)

30 on the ACT Writing test; or 680 on the Writing section of the SAT Reasoning Test

Students who have not satisfied the entry-level writing requirement before transferring must enroll in an appropriate English course at UC.

American History and Institutions Requirement
All undergraduate degree programs at UC require study in American History and Institutions. This requirement may be met through examination or enrollment in specific courses. Each campus decides how its students may meet the requirement.

If you satisfactorily completed a one-year course in U.S. history or a half-year course in U.S. history and a half-year course in American government while in high school, you have fulfilled this requirement for all UC campuses except UC Santa Barbara, which requires students to complete a college-level course. (At UCLA, you also must have earned a B average in these courses.) If you have satisfied your community college’s history and institutions requirement you have also met the requirement at most UC campuses. It is strongly recommend that you complete this requirement before you transfer.

General Education/Breadth Requirements
The general education or breadth requirements give University undergraduates a broad background in all major academic disciplines life sciences, physical sciences, social sciences, humanities, and fine arts. The general education/breadth requirements specify the courses you must take or number of credit hours you must earn in each area.

Each school and college at every UC campus has its own general education requirement. They are described in, “Prerequisites and Recommended Subjects,” the campus catalogs, and articulation agreements. With careful plan-ning, you can meet many of the lower-division requirements while attending College of Alameda.

At some campuses and in some majors, you must fulfill all or a portion of the general education/breadth requirements before transferring. Transfer applicants may satisfy the lower-division general education requirements by completing the Intersegmental General Education Transfer Curriculum (IGETC).

Nonresidents
The minimum admission requirements for nonresident transfer students are the same as those for residents except that nonresidents must have a grade point average of 2.8 or higher in all transferable college coursework.

UC Transfer Admission Requirements
High School Proficiency Examination
If a student does not have a high school diploma, the University will accept the Certificate of Proficiency awarded by the State Board of Education upon successful completion of the California High School Proficiency Examination. The University also will accept proficiency examinations from other states, and the General Education Development (GED) Certificate, in place of a diploma. However, a student must still meet the Subject, Scholarship, and Examination Requirements.
Intersegmental General Education Transfer Curriculum (IGETC)

The Intersegmental General Education Transfer Curriculum (IGETC) is a series of courses which community college students can use to fulfill lower-division general education requirements at any California State University (CSU) or University of California (UC) campus without the need, after transfer, to take additional lower-division general education courses.

Completion of IGETC is not an admission requirement for transfer to a CSU or UC campus, nor is it the only way to fulfill the lower-division general education requirements for these institutions. IGETC may not be appropriate for some majors and for some colleges in the UC system. Transfer students pursuing a major that requires extensive lower-division preparation may be better served by taking courses which fulfill the CSU General Education-Breadth requirements or those of the UC Campus or college to which they plan to transfer. It is crucial that students meet with their counselor to determine whether IGETC would be appropriate. Courses approved for IGETC are subject to change periodically. Students may obtain a printed list of approved courses from their counselor.

All requirements must be completed before IGETC can be certified. If you are approaching readiness for transfer and, for good cause, are unable to complete one or two IGETC courses (in areas 3, 4, or 5) you may be eligible to complete IGETC after transferring. All courses must be completed with minimum grades of a “C” or better. Transcripts to verify courses completed at other college must be submitted prior to certification and can only be certified in the IGETC category determined by the original college. Coursework completed for the IGETC will be honored for certification provided that the courses were on the college’s approved IGETC list at the time the course was completed. (See a counselor for further information.)

Courses taken at foreign institutions will not be permitted for IGETC certification except in the Area Language other than English. If the foreign language requirement was satisfied in high school, the student’s official high school transcript must be submitted prior to certification.

Students who initially enroll at a UC campus, leave and attend a community college, then plan to return to the SAME UC campus cannot use IGETC. Be sure to request IGETC certification when you request final transcripts to be sent to your choice of university or college.

(+)Student receives credit and certification for one course only.  
(**) Indicates transfer credit may be limited by either UC and/or CSU due to course sequencing. See counselor for information.

Area 5—Physical & Biological Sciences  
At Least 2 Courses, 1 Physical Science Course and 1 Biological Science Course; at Least 1 Must Include a Laboratory, (Indicated By “L” In Parentheses): (7–9 Semester Units Or 9-12 Quarter Units)-

Physical Sciences:  
Astronomy 1;  
Chemistry 1A(L), 1B(L), 30A(L)**, 30B(L)**, 50(L);  
Geography 1, 1L;  
Geology 10;  
Physics 4A(L), 4B(L), 4C(L), 10**

Biological Sciences:  
Anthropology 1, Anthropology 1L;  
Biology 1A(L), 1B(L), 2(L), 4(L), 10(L)**, 11**, 23, 24(L)

** Indicates transfer credit may be limited by either UC and/or CSU due to course sequencing. See counselor for information.

Language Other Than English (UC Requirement Only)  
You may demonstrate proficiency as follows:  
1. Completion of one course (4-5 semester units) at a college or university, with a grade of “C” or better, that is considered equivalent to 2 years of high school language. See below for approved College of Alameda courses;  
2. Completion of two years of high school course work in one language other than English with a grade of “C-“ or better (verified by official high school transcript);  
3. Satisfactory score on the College Board Subject Test (formerly SAT II) in a language other than English (see counselor for required scores);  
4. Score of 3 or better on the College Board Advanced Placement Examination in a language other than English;  
5. Score of 5 or better on the International Baccalaureate Higher Level Examination in a language other than English.  
6. Satisfactory completion of a proficiency test administered by a community college, university, or other college in a language other than English (documentation required);  
7. Completion of two years of formal schooling at the sixth grade level or higher in an institution where the language of instruction is not English (confirmed by appropriate documentation).

College courses that meet the proficiency level:  
Chinese 10A  
French 1A  
German 1A  
Spanish 1A  
Vietnamese 1A

Note: Courses above the proficiency level may also be used to satisfy this requirement and may also be used to clear another IGETC area.

*CSU GRADUATION REQUIREMENT IN U.S. HISTORY, CONSTITUTION AND AMERICAN IDEALS:  
This is not an IGETC requirement; however, these courses should be completed prior to transferring to any CSU campus.

Note: Courses used to meet this requirement may not be used to satisfy requirements for IGETC.  
Any of the following combinations is acceptable:  
With Posci 1 take one of the following: Afram 30, Afram 31, Hist 7A, Hist 7B, Hist 15, Hist 50, Hist 51  
or  
With Posci 16 take Hist 7A  
or  
With Posci 26 take one of the following: Afram 30, Afram 31, Hist 7A, Hist 7B, Hist 15, Hist 50, Hist 51
KEY: * Indicates courses cannot be doubled counted in other Areas.
+ Student receives credit and certification for one course only.
** Indicates transfer credit may be limited by either UC and/or CSU due to course sequencing. See a counselor for information.

Certification of IGETC
Upon a student's request, College of Alameda (Peralta Community College District) will certify the completion of IGETC. The request should be made when final transcripts are to be sent to UC or CSU. To be certified under IGETC the entire program must be completed prior to transfer. Students who transfer without certification will be subject to the general education requirements of the campus or college to which they transfer.
The California State University System is comprised of the following twenty-three (23) campuses: Bakersfield, Channel Islands, East Bay (formerly CSU Hayward), Humboldt, Los Angeles, Northridge, Pomona, San Diego, San Francisco, San Marcos, Sonoma, Long Beach, Fullerton, San Bernardino, San Luis Obispo, Chico, Dominguez Hills, Fresno, Maritime Academy, Sacramento, San Jose, Stanislaus, and Monterey Bay.

Undergraduate Admissions Information
The California State University assigns high priority to California community college transfer students who have completed the first two years of their baccalaureate program, including those transfer students applying for impacted programs. CSU campuses make every effort to ensure that California community college transfer applicants originally eligible for admission as first time freshmen are admitted to their first-choice campus.

Current admission requirements and information is available online at: www.csumentor.edu.

Transfer Requirements
Lower Division Transfer Requirements
If you have completed fewer than 60 transferable semester units, you will qualify for admission if you have a grade point average of 2.0 (C) or better in all transferable units attempted, are in good standing at the last college or university attended, and meet the admission requirements for first-time freshmen, i.e., you have completed with a grade of “C” or better each of the courses in the comprehensive pattern of college preparatory subject requirements and have a qualifiable eligibility index.

If you did not complete all the subject requirements in high school, appropriate college courses may be used to make up the missing subjects. Nonresidents must meet the eligibility index as for residents.

Upper-Division Transfer Requirements
If you have completed at least 60 transferable semester units, have a grade point average of 2.0, (C) or better in all transferable units attempted (nonresidents must have a grade point average of 2.4), are in good standing at the last college or university attended, you may become eligible as follows:

You have completed at least 30 semester units of college coursework with a grade of “C” or better in each course to be selected from courses in English, arts and humanities, social science, science, and mathematics at a level at least equivalent to courses that meet general education requirements. The 30 semester units must include all of the general education requirements in communication in the English language (at least 9 semester units to include written communication, oral communication and critical thinking) and mathematics (at least 3 semester units); OR, if completing the Intersegmental General Education Transfer Curriculum (IGETC), English communication (at least 9 semester units in English composition, oral communication and critical thinking) and the requirement in mathematics (at least 3 semester units).

All transfer applicants with 60 or more transferable semester units must complete all CSU General Education requirements in the Communication Area (Area A1, A2 and A3) and in Mathematics (Area B4).

Applicants who graduated from high school in 1987 or earlier who have not completed the subject requirements above should contact the admissions office at the campus to which they plan to submit an application for admission to inquire about alternative admission programs.

Other Curriculum Requirements
General Education Requirements for the California State Universities
The CSU provides California community college transfers with two options for fulfilling CSU lower-division general education requirements. You should review the two programs described below and discuss with a counselor which program is best for you.

Intersegmental General Education Transfer Curriculum (IGETC)
The Intersegmental General Education Transfer Curriculum is a general education program that California community college transfers can use to fulfill all lower-division general education requirements at any CSU or University of California campus. For further information about IGETC and a list of courses that meet IGETC requirements, please refer to IGETC section.

California State University General Education Breadth Requirements
Students who select this option, the CSU General Education Breadth requirements, complete at least 48 semester units of general education to receive the baccalaureate degree. At least 9 semester units must be upper-division level.

The General Education Breadth Program is designed to educate students to:
- think, write, speak clearly and logically;
- reason quantitatively;
- gain knowledge about the human body and mind, the development and functioning of human society, the physical and biological world, and human cultures and civilizations; and
• develop an understanding of the principles, methods and values of human inquiry.

**CSU General Education Certification**

College of Alameda (Peralta Community College District) can certify up to 39 of the 48 general education breadth units required. Students who are certified with 39 semester units of lower-division general education breadth units will be required to complete a minimum of 9 semester units of upper-division general education work after transfer. You are responsible for requesting CSU General Education Certification from the Office of Admissions and Records.

The courses that meet CSU General Education requirements are listed below (subject to change). Consult a counselor for further information.

(+)Student will receive credit and certification for one course only

**United States History, Constitution, and American Ideals Certification**  
CSU graduation requires completion of a U.S. History, Constitution and American Ideals requirement.  
To complete this requirement take:  
- Political Science 1 or 5 and History 7A or 7B or 40

**Note:**  
Students must request certification of CSU general education requirements from the Office of Admissions and Records prior to transfer. For full certification of GE requirements student must complete 9 units from area A, a minimum of 9 units from areas B, C, and D, and 3 units from area E for a total of 39 units.
The Associate in Arts for transfer (AA-T) or Associate in Science for transfer (AS-T) to a California State University

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an “associate degree for transfer”, a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete a minimum of 60 required semester units of CSU-transferable coursework with a minimum GPA of 2.0. Students transferring to a CSU campus that does accept the AA-T or AS-T will be required to complete no more than 60 units after transfer to earn a bachelor’s degree (unless the major is a designated “high-unit” major). This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements.

College of Alameda has developed an AA-T in Communication Studies and an AS-T in Mathematics which are pending State approval. Other majors/degrees are under development and will be publicized when approved. For more information, please see a Counselor.

AA-T and AS-T Requirements:

The following is required for all AA-T or AS-T degrees:

1. Minimum of 60 CSU-transferable semester units.
2. Minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information.
3. Completion of a minimum of 18 semester units in an “AA-T” or “AS-T” major. All courses in the major must be completed with a grade of C or better or a “P” if the course is taken on a “pass-no pass” basis (title 5 § 55063).
4. Certified completion of the California State University General Education-Breadth pattern (CSU GE Breadth) (see page 57 for more information); OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern (see page 53 for more information).

Students are encouraged to complete the CSU graduation requirement in United States History, Constitution and American Ideals Requirement in their educational planning and prior to transfer. Students should meet early with a Counselor to complete a Student Education Plan (SEP).

Description of Courses

Course Information
A list of courses with brief descriptions, grouped alphabetically by discipline, is presented on the following pages. Due to low enrollment or to circumstances beyond the College’s control, some courses listed may not be offered. Refer to the Schedule of Classes published each semester for classes currently offered. Classes are scheduled during day and evening hours, and on Saturday.

Numbering System
Course numbers do not necessarily correspond to those found in four-year colleges or universities.

Transfer and Associate degree courses are numbered 1-199; Associate degree applicable, but not transferable, courses are numbered 200-249; non-Associate degree applicable courses are numbered 250-299; and non-credit courses are numbered 300-900.

Courses selected for transfer follow guidelines of the California State University system and the University of California system. Independent colleges and universities may accept any course(s) they deem appropriate. Students should consult their counselor in planning their programs.

SCANS Skills and Competencies:
College of Alameda’s Curriculum Committee requires all courses to include SCANS competencies. The Secretary’s Commission on Achieving Necessary Skills (SCANS) was appointed by the Secretary of Labor to determine the skills our students need to succeed in the world of work. The Commission’s fundamental purpose was to encourage a high-performance economy characterized by high-skill, high-wage employment. The primary objective of SCANS is to help teachers and students understand how curriculum and instruction must change to enable students to develop high-performance skills needed to succeed in the high-performance workplace. A high-performance workplace requires workers who have a solid foundation in the basic literacy and computational skills, in the thinking skills necessary to put knowledge to work, and in the personal qualities that make workers dedicated and trustworthy. High-performance workplaces also require other competencies: the ability to manage resources, to work amicably and productively with others, to acquire and use information, to master complex systems, and to work with a variety of technologies.

Prerequisites
Course prerequisites are listed in detail before the course description. Students should be sure they meet all prerequisites before enrolling in a course. A complete statement of the Peralta Community College District policy regarding prerequisites, co-requisites and recommended preparation will be found on p. 194. Unless a grade requirement is stated as a prerequisite, a passing grade of 2.0 (“C”) or better in the prerequisite subject will meet the requirement.

Key to Symbols
GR    Must be taken for a letter grade.
P/NP  May be taken either for credit only, or for no credit.
GR or P/NP May be taken for a grade, for credit only, or for no credit.

The decimal numbers which appear on the right hand side of course titles are not intended for student use. They are included for staff use in curriculum planning and budgeting.

ANTHROPOLOGY
(ANTHR)

What is Anthropology? It is the study of the biological basis of human evolution, genetic variation within the human species and patterns of global cultural change.

Studying Anthropology at College of Alameda exposes you to cutting edge coursework looking at the evolution of human biological structures, population genetics, and cultural selection factors, which contribute to human variation and change. We offer an Associate in Arts (AA) and an Associate in Science (AS) degree. Additionally, coursework from this department meets requirements for University of California (UC) and the California State University (CSU) systems’ lower-division transfer credits, and also meets UC lower-division major and CSU general education requirements. We also give major consideration to contemporary bioscience trends and their consequent impact on health care and technological change.

Careers in anthropology include: anthropologist, archaeologist, artifacts conservator, curator, ethnologist, Foreign Service officer, immigration service official, international business employee, multicultural education instructor, museum curator, park ranger, park service official, professor/teacher, refugee worker, researcher, social science teacher, social worker, travel consultant, and urban planner.

The AA degree in Anthropology will be awarded upon satisfactory completion of the major course requirements listed below and the General Education requirements for the Associate in Arts Degree listed in the Degrees and Programs section of this Catalog.

APPAREL DESIGN AND MERCHANDISING (ADAM)

The Apparel Design and Merchandising (ADAM) Program offers fundamental and advanced training in apparel design and production. Our curriculum is industry driven and meets current trends and technology of an ever-expanding field.

Individuals interested in pursuing a career in fashion may earn a Certificate of Achievement within a two-year period or an Associate in Arts (AA) degree upon completion of additional academic requirements. ADAM offers an affordable education and the opportunity of a creative and financially stable career.

“I received a great education at a fraction of the cost when compared to other Bay Area design schools. I earned my certificate in Fashion Design, graduated with no school debt and am now working for a top apparel company in the Bay Area!” - Beth C.

The ADAM program is designed to prepare students for entry-level employment in the apparel industry. A student who successfully completes the requirements listed below will be eligible for a Certificate of Achievement in Apparel Design and Merchandising. The AA degree in Apparel Design and Merchandising will be awarded upon satisfactory completion of the major course requirements listed below and the General Education requirements for the Associate in Arts Degree listed in the Degrees and Programs section of this Catalog.

During the first week of instruction, students will receive a list of tools and materials which they are expected to obtain.

Acceptable for credit: CSU  
Survey of the structure and relationship of the three major divisions of the apparel industry – raw materials production, design and manufacturing, and retail merchandising: Beginning instruction in fashion sketching with emphasis placed on accurate standard body proportions and clearly defined apparel construction details needed to create sample-room work sketches. 1303.10

ADAM 112 (Will become ADAM 113 in Spring 2012)  
Apparel Design and Sketching II  
2 units, 1 hour lecture, 3 hours laboratory (GR or P/NP)  
Prerequisite: ADAM 111  
Recommended preparation: Engl 201A or ability to speak, read, and write English  
Acceptable for credit: CSU  
Continuation of ADAM 111: Organization of original design concepts in a variety of assigned price, size, style and seasonal categories; fashion sketching and rendering using various full color media. 1303.10

ADAM 113 (Effective Spring 2012)  
Apparel Design and Sketching II  
2 units, 1 hour lecture, 3 hours laboratory (GR or P/NP)  
Prerequisite: ADAM 111  
Recommended preparation: Engl 201A or ability to speak, read, and write English  
Acceptable for credit: CSU  
Continuation of ADAM 111: Organization of original design concepts in a variety of assigned price, size, style and seasonal categories; fashion sketching and rendering using various full color media. 1303.10

ADAM 131 (formerly 231)  
Apparel Construction I  
4 units, 2 hours lecture, 6 hours laboratory (GR or P/NP)  
Recommended preparation: Basic sewing skills  
Acceptable for credit: CSU  
Basic industry apparel construction techniques: Application of industrial machine operations, hand sewing methods, sequence of assembly, construction and pressing methods and techniques used in apparel sample making, and volume production for various price categories; emphasis on casual and sportswear apparel. 1303.10

ADAM 132 (formerly 232)  
Apparel Construction II  
4 units, 2 hours lecture, 6 hours laboratory (GR or P/NP)  
Prerequisite: ADAM 131  
Acceptable for credit: CSU  
Continuation of ADAM 131: Intermediate industry apparel construction techniques, practical application of industrial machine operations, hand sewing methods, sequence of assembly, under-construction and shaping, construction and pressing methods and techniques used in apparel sample making, and volume production for various price categories; emphasis on tailored and evening wear apparel. 1303.10

ADAM 214
Advanced Design and Line Development I
4 units, 2 hours lecture, 6 hours laboratory (GR or P/NP)
Prerequisite: ADAM 112, 222, 225, and 132
Apparel design and line development: Incorporating skills and applications in designing, sketching, pattern development, fitting, construction, pressing, costing, marketing and production analysis; wholesale sample garments of student's original design concepts in assigned categories. 1303.10

ADAM 215
Advanced Design and Line Development II
4 units, 2 hours lecture, 6 hours laboratory (GR or P/NP)
Prerequisite: ADAM 214
Continuation of ADAM 214: Applications in designing, sketching, pattern development, fitting, construction, pressing, costing, marketing and production analysis; wholesale sample garments of student's original design concepts in assigned categories. 1303.10

ADAM 216
Production Pattern and Size Grading I
2 units, 1 hour lecture, 3 hours laboratory (GR or P/NP)
Prerequisite: ADAM 112, 132 and 222
Methods and applications in the development of wholesale industrial production pattern making, size grading and marker making: Production in various style, size and price categories; introduction to the use of a size grading machine and computer technology. 1303.10

ADAM 217
Production Pattern and Size Grading II
2 units, 1 hour lecture, 3 hours laboratory (GR or P/NP)
Prerequisite: ADAM 216
Continuation of ADAM 216: Continued development of wholesale industrial production pattern making, size grading and marker making; production in various style, size and price categories; use of a size grading machine and computer technology. 1303.10

ADAM 220
Apparel Design and Merchandising Special Projects Laboratory
.5-2 units, 1.5-6 hours laboratory (P/NP)
Open-entry/open-exit course
Course is not required for ADAM Certificate of Completion.
Course study under this section may be repeated three times for a maximum of 8 units.
Open laboratory for working on selected projects: Provides the opportunity for development of expertise in specialized area(s). 1303.10

ADAM 221
Pattern Drafting I
4 units, 2 hours lecture, 6 hours laboratory (GR or P/NP)
Recommended preparation: Basic sewing skills and/or ADAM 224 and 131
Two-dimensional method of apparel patternmaking; Basic drafting methods and techniques, sample pattern development in paper, fit muslin development, and original design creation conforming to industrial standard-sized body forms. 1303.10

ADAM 222
Pattern Drafting II
4 units, 2 hours lecture, 6 hours laboratory (GR or P/NP)
Prerequisite: ADAM 221
Continuation of ADAM 221: Two-dimensional method of apparel patternmaking; intermediate drafting methods and techniques, sample pattern development in paper, fit muslin development, and original design creation conforming to industrial standard-sized body forms. 1303.10

ADAM 224
Pattern Draping I
4 units, 2 hours lecture, 6 hours laboratory (GR or P/NP)
Recommended preparation: Basic sewing skills and/or ADAM 221 and 131
Three-dimensional method of apparel patternmaking: Basic draping methods and techniques, sample muslin pattern development including original design creation, fitting, and testing on industrial standard-sized body forms. 1303.10

ADAM 225
Pattern Draping II
4 units, 2 hours lecture, 6 hours laboratory (GR or P/NP)
Prerequisite: ADAM 224
Continuation of ADAM 224: Three-dimensional method of apparel pattern making; Intermediate draping methods, techniques and sample muslin pattern development. 1303.10

ADAM 229
Portfolio Development I
2 units, 1 hour lecture, 3 hours laboratory (GR or P/NP)
Prerequisite: ADAM 112
Computer-based applications in the development of apparel portfolios: Basic methods and applications using ADOBE Illustrator and ADOBE Photoshop, continuation of sketching skills; emphasis on technical flats and presentation croquis development. 1303.10
ADAM 230  
**Portfolio Development II**  
2 units, 1 hour lecture, 3 hours laboratory (GR or P/NP)  
Prerequisite: ADAM 229  
Continuation of ADAM 229: Advanced computer-based applications in the development of apparel portfolios using ADOBE Illustrator and ADOBE Photoshop; emphasis on development of a finished fashion portfolio and resume presentation. 1303.10

ADAM 234  
**Custom Tailoring I**  
3 units, 2 hours lecture, 4 hours laboratory (GR or P/NP)  
Recommended preparation: Basic sewing skills  
Course is not required for ADAM Certificate of Completion.  
Introduction to custom tailoring: Beginning hand and machine tailoring methods, techniques, and skills used in the construction of apparel for men and women. 1303.10

ADAM 235  
**Custom Tailoring II**  
3 units, 2 hours lecture, 4 hours laboratory (GR or P/NP)  
Prerequisite: ADAM 234  
Course is not required for ADAM Certificate of Completion.  
Continuation of ADAM 234: Intermediate hand and machine tailoring methods, techniques, and skills used in the construction of apparel for men and women. 1303.10

ADAM 237  
**Apparel Alterations I**  
2 units, 1 hour lecture, 3 hours laboratory (GR or P/NP)  
Recommended preparation: Basic sewing skills  
Apparel alteration techniques: Beginning hand and machine apparel alteration techniques and skills; emphasis on women’s and men’s ready-to-wear apparel, measuring and fitting methods, design analysis and adjustments, de-construction and re-assembly process, apparel mending and repair, pressing, hemming and finishing techniques. 1303.10

ADAM 238  
**Apparel Alteration II**  
2 units, 1 hour lecture, 3 hours laboratory (GR or P/NP)  
Prerequisite: ADAM 237  
Continuation of ADAM 237: Continuing hand and machine apparel alteration techniques and skills; emphasis on women’s and men’s tailored and specialty and knit apparel, measuring and fitting methods, design analysis and adjustments, de-construction and re-

ADAM 248AA-FZ  
**Selected Topics in Apparel Design and Merchandising**  
.5-9 units, 0-9 hours lecture, 0-27 hours laboratory (GR or P/NP)  
See section on Selected Topics. 1303.10

ADAM 250  
**Custom Apparel Sewing**  
2 units, 1 hour lecture, 3 hours laboratory (P/NP)  
Non-degree applicable  
Course study under this section may be repeated three times for a maximum of 8 units.  
Custom apparel cutting, fitting, sewing, pressing, and assembly methods and techniques: Appropriate selection of retail patterns, fabrics, interfacing, trims and notions. 1303.10

APPRENTICESHIP

(CAPP)

Courses in related and supplemental instruction are offered for apprentice indentured under the California Apprenticeship Law.

APPR 401A
Auto Body Repair
2.5 units, 1.5 hours lecture, 3 hours laboratory (GR)
Non-degree applicable
Principles and techniques of auto body repair: Introductory principles, hand and power tool usage, safety, oxyacetylene welding. 0949.01

APPR 401B
Auto Body Repair
2.5 units, 1.5 hours lecture, 3 hours laboratory (GR)
Non-degree applicable
Principles and techniques of auto body repair: MIG welding, safety, proper use theory; roughing, shaping, shrinking sheetmetal (metallurgy). 0949.01

APPR 401C
Auto Body Repair
2.5 units, 1.5 hours lecture, 3 hours laboratory (GR)
Non-degree applicable
Principles and techniques of auto body repair: Plastic fillers, plastics, fiberglass, urethane substrates. 0949.01

APPR 401D
Auto Body Repair
2.5 units, 1.5 hours lecture, 3 hours laboratory (GR)
Non-degree applicable
Principles and techniques of auto body repair: Automotive glass and its installation, removal and adjustment; water leaks, wind noise. 0949.01

APPR 401E
Auto Body Repair
2.5 units, 1.5 hours lecture, 3 hours laboratory (GR)
Non-degree applicable
Principles and techniques of auto body repair: Automotive construction types (unibody, conventional frame, subframe). 0949.01

APPR 401F
Auto Body Repair
2.5 units, 1.5 hours lecture, 3 hours laboratory (GR)
Non-degree applicable
Principles and techniques of auto body repair: Gauging and analyzing frame damage. 0949.01

APPR 401G
Auto Body Repair
2.5 units, 1.5 hours lecture, 3 hours laboratory (GR)
Non-degree applicable
Principles and techniques of auto body repair: Frame straightening and equipment methods. 0949.01

APPR 401H
Auto Body Repair
2.5 units, 1.5 hours lecture, 3 hours laboratory (GR)
Non-degree applicable
Principles and techniques of auto body repair: Estimating damages and repair costs. 0949.01

APPR 405A
Auto Painting
2.5 units, 1.5 hours lecture, 3 hours laboratory (GR)
Non-degree applicable
Principles and techniques of auto painting: Safety and health. 0949.02

APPR 405B
Auto Painting
2.5 units, 1.5 hours lecture, 3 hours laboratory (GR)
Non-degree applicable
Principles and techniques of auto painting: Paint equipment. 0949.02

APPR 405C
Auto Painting
2.5 units, 1.5 hours lecture, 3 hours laboratory (GR)
Non-degree applicable
Principles and techniques of auto painting: Paint preparation. 0949.02

APPR 405D
Auto Painting
2.5 units, 1.5 hours lecture, 3 hours laboratory (GR)
Non-degree applicable
Principles and techniques of auto painting: Detailing. 0949.02

APPR 405E
Auto Painting
2.5 units, 1.5 hours lecture, 3 hours laboratory (GR)
Non-degree applicable
Principles and techniques of auto painting: Color application. 0949.02
APPR 405F
Auto Painting
2.5 units, 1.5 hours lecture, 3 hours laboratory (GR)
Non-degree applicable
Principles and techniques of auto painting: Paint failures. 0949.02

APPR 405G
Auto Painting
2.5 units, 1.5 hours lecture, 3 hours laboratory (GR)
Non-degree applicable
Principles and techniques of auto painting: Painting of flexible parts. 0949.02

APPR 405H
Auto Painting
2.5 units, 1.5 hours lecture, 3 hours laboratory (GR)
Non-degree applicable
Principles and techniques of auto painting: BAAQMD regulations for auto painting. 0949.02

APPR 451
Truck Mechanics Chassis System I
6 units, 6 hours lecture (GR)
Also offered as Dmech 11. Not open for credit to students who have completed or are currently enrolled in Dmech 11.
Non-degree applicable
Operation, service, maintenance, and problem solving of heavy-duty truck chassis systems: Clutches, transmission, rear axles, and front-end alignment; uses Internet- and factory-based computerized research materials. 0947.01

APPR 452
Truck Mechanics Chassis Systems II
6 units, 6 hours lecture (GR)
Also offered as Dmech 12. Not open for credit to students who have completed or are currently enrolled in Dmech 12.
Non-degree applicable
Operation, service, and maintenance of heavy-duty truck brake and electrical systems: Emphasis on critical thinking and problem solving of the air brake and electrical systems, including computer diagnostics and computer on-board networking programs. 0947.01

APPR 453
Diesel Engines I
4 units, 4 hours lecture (GR)
Also offered as Dmech 14. Not open for credit to students who have completed or are currently enrolled in Dmech 14.
Non-degree applicable
Theory and operation of truck diesel engines and related sub-systems: Newest available technology on the commercial market. 0947.01

APPR 454
Diesel Engines II
4 units, 4 hours lecture (GR)
Also offered as Dmech 15. Not open for credit to students who have completed or are currently enrolled in Dmech 15.
Non-degree applicable
Advanced theory and operation of truck diesel engines and related sub-systems: Newest available technology on the commercial market. 0947.01

APPR 471
Introduction to Auto Mechanics
4 units, 3 hours lecture, 3 hours laboratory (GR)
Also offered as Atech 22. Not open for credit to students who have completed or are currently enrolled in Atech 22.
Non-degree applicable
How cars work: Construction and operation of engines, engine support systems, drivetrains and chassis; vehicle maintenance services; shop procedures including safety, proper use of tools, equipment and shop manuals; how to write repair orders. 0948.01

APPR 472
Introduction to Automotive Electrical Systems
4 units, 3 hours lecture, 3 hours laboratory (GR)
Recommended preparation: Math 225 and Bus 208
Also offered as Atech 26. Not open for credit to students who have completed or are currently enrolled in Atech 26.
Non-degree applicable
Introduction to automotive electrical systems: Electrical theory, chassis wiring, batteries, cranking, charging, and ignition systems; special emphasis placed on diagnosis and repair of vehicle chassis wiring. 0948.01

APPR 473A
Computer Controls and Fuel Injection
4 units, 3 hours lecture, 3 hours laboratory (GR)
Prerequisite: Appr 482 or Atech 11
Also offered as Atech 24A. Not open for credit to students who have completed or are currently enrolled in Atech 24A.
Non-degree applicable
Automotive computer-control and fuel-injection systems: Service and repair of computer-control and fuel-injection systems by all manufacturers, with emphasis on “hands-on” electronic testing and diagnostic procedures of ignition, fuel, emission-control, and generic electronic fuel-injection systems. 0948.01

For all program degree and certificate updates, please visit:

APP 473B

Computer Controls and Fuel Injection
4 units, 3 hours lecture, 3 hours laboratory (GR)
Prerequisite: Appr 473A or Atech 24A
Also offered as Atech 24B. Not open for credit to students who have completed or are currently enrolled in Atech 24B.
Non-degree applicable
Automotive computer-control and fuel-injection systems: Service and repair of computer-control and fuel-injection systems by all manufacturers, with emphasis on “hands-on” electronic testing and diagnostic procedures of atmospheric and intake manifold injection for General Motors, Ford and Chrysler manufacturers. 0948.01

APP 473C

Computer Controls and Fuel Injection
4 units, 3 hours lecture, 3 hours laboratory (GR)
Prerequisite: Appr 473B or Atech 24B
Also offered as Atech 24C. Not open for credit to students who have completed or are currently enrolled in Atech 24C.
Non-degree applicable
Automotive computer-control and fuel-injection systems: Service and repair of computer-control and fuel-injection systems by all manufacturers, with emphasis on “hands-on” electronic testing and diagnostic procedures of automatic transmission and brake computer controls, scanner usage and OBD (On Board Diagnostics), a series of federal government-mandated regulations which require automobile manufacturers to monitor total emissions output of vehicles more closely. 0948.01

APP 473D

Computer Controls and Fuel Injection
4 units, 3 hours lecture, 3 hours laboratory (GR)
Prerequisite: Appr 473C or Atech 24C
Also offered as Atech 24D. Not open for credit to students who have completed or are currently enrolled in Atech 24D.
Non-degree applicable
Automotive computer-control and fuel-injection systems: Service and repair of computer-control and fuel-injection systems by all manufacturers, with emphasis on “hands-on” electronic testing and diagnostic procedures of turbo-charger controls and all common imported fuel-injection systems. 0948.01
APP 481
**Computer Carburetion**
4 units, 3 hours lecture, 3 hours laboratory (GR)
Not open for credit to students who have completed Atech 231.
Non-degree applicable
Introduction to electronic computer-controlled carburetion: Single-, dual- and four-barrel carburetors; nomenclature, circuit tracing, disassembly and reassembly, overhaul, adjustment and troubleshooting of carburetor systems; fuel safety, refining, fuel pumps and tanks, engine operation and other related topics. 0948.01

APP 482
**Introduction to Electronic Engine Controls**
4 units: 3 hours lecture, 3 hours laboratory (GR)
Not open for credit to students who have completed Atech 232.
Non-degree applicable
Course includes 60 hours of the required 120-hour training program necessary to take the California State I/M license examination. Also see Appr 483.
Introduction to the principles and operations of major computerized electronic engine-control systems: Ignition, emission, and computer carburetor controls, and fuel-injection systems preparation for the California State I/M license examination. 0948.01

APP 483
**Emission Control Systems**
4 units, 3 hours lecture, 3 hours laboratory (GR)
Not open for credit to students who have completed Atech 233.
Non-degree applicable
Course includes 60 hours of the required 120-hour training program necessary to take the California State I/M license examination. Also see Appr 482.
Familiarization with the California State Smog Check program: Rules, regulations, vehicle testing, and operations necessary to certify vehicles under the program; preparation for the California State I/M license examination. 0948.01

APP 484
**Introduction to Brakes, Alignment and Headlamp Aiming**
4 units, 3 hours lecture, 3 hours laboratory (GR)
Also offered as Atech 234. Not open for credit to students who have completed or are currently enrolled in Atech 234.
Non-degree applicable
Introduction to brake, alignment, and headlamp aiming systems: Operation, maintenance, troubleshooting, and adjustment of steering, suspension, braking, and headlamp aiming systems; emphasis on proper use of manuals and safe use of tools and equipment; preparation for the California State Brake and Lamp licensing exams. 0948.01

APP 485
**Advanced Emissions Diagnostics: Smog Check II**
2 units, 1.5 hours lecture, 1.5 hours laboratory (GR)
Prerequisite: Atech 24A
Also offered as Atech 27. Not open for credit to students who have completed or are currently enrolled in Atech 27.
Non-degree applicable
Five-gas analysis using BAR 97: Advanced emissions diagnostics and related topics. 0948.01

APP 486
**Automotive Air Conditioning**
4 units, 3 hours lecture, 3 hours laboratory (GR)
Recommended preparation: Atech 21 and 22 and Math 225 and Bus 208
Also offered as Atech 23. Not open for credit to students who have completed or are currently enrolled in Atech 23.
Non-degree applicable
Study of automotive air conditioning systems: Principles and systems necessary for the installation, design, function, and repair of air conditioning units; maintenance, troubleshooting procedures, proper use of air conditioning charging station and recovery/recycle equipment; emphasis on proper use of manuals and safe use of tools and equipment. 0948.01

Art is the field in life and education that is expressive. Art is the characteristic way in which we reflect upon the human condition. Art is a means of shaping life as each artist strives to change and make better this world. Art is one means of interrelating between people. Every work of art and design allows you entrance into a relationship with the artist and with others who experience the same artistic impression, even if differently. Art is a primal way to express yourself, a way to design and construct our changing world, and as such it is a powerful force of moving the world to transformation!

Art at College of Alameda is presented to you with a vision of transformation. We seek to offer you a transformative understanding of yourself, your world, and the depth of beauty around us. College of Alameda is dedicated to your growth through an exploration of the arts. We offer an Associate in Arts (AA) degree in art, and in each class there is a commitment to individuality and personal expression coupled with instruction by experienced professionals.

The field of art opens many paths for you! College of Alameda offers strong fundamental skills and progressive thought to help each student construct their journey. With advanced studies and commitment in art, you might pursue careers which include: animator, artist, art critic, art educator, art historian, arts administrator, ceramicist, graphic artist/designer, multimedia developer, museum/gallery curator, painter, photographer/photojournalist, printmaker, sculptor, video producer, and/or web developer.

The AA degree in Art will be awarded upon satisfactory completion of the major course requirements listed below and the General Education requirements for the Associate in Arts Degree listed in the Degrees and Programs section of this Catalog.

**Beginning Drawing and Composition**

2-3 units, 1-2 hours lecture, 3-4 hours laboratory (GR or P/NP)

Acceptable for credit: CSU, UC

Freehand drawing with various media: Drawing techniques and fundamentals of composition applied to subject matter including an introduction to perspective. 1002.10

---

**ART 21**

**Continuing Drawing and Composition**

2 units, 1 hour lecture, 3 hours laboratory (GR or P/NP)

Acceptable for credit: CSU, UC

Special problems of composition and drawing techniques in relation to drawing as a fine art: Study of form in black and white and in color. 1002.10

---

**ART 41**

**Basic Design**

2 units, 1 hour lecture, 3 hours laboratory (GR or P/NP)

Acceptable for credit: CSU, UC

Course study under this section may be repeated one time.

Fundamental elements of design: Dot, line, plane, volume, space, color, texture, and light; laboratory experience in visual composition and layout emphasizing two-dimensional design. 1002.10

---

**ART 42**

**Intermediate Design: Color**

2 units, 1 hour lecture, 3 hours laboratory (GR or P/NP)

Acceptable for credit: CSU, UC

Studio problems in color and design: Emphasis on the use of color in visual composition; may include two- and three-dimensional design in a variety of media. 1002.10
ART 43  
**Advanced Design: Color**  
2 units, 1 hour lecture, 3 hours laboratory (GR or P/NP)  
Acceptable for credit: CSU, UC  
Continuation of ART 42 exploring problems in visual composition: Emphasis on the interaction of color and form; may include two-dimensional and/or three-dimensional design. 1002.10

ART 48AA-FZ  
**Selected Topics in Art**  
.5-5 units: 0-5 hours lecture, 0-15 hours laboratory (GR or P/NP)  
Acceptable for credit: CSU  
See section on Selected Topics. 1002.00

ART 49  
**Independent Study in Art**  
.5-5 units: .5-5 hours lecture (GR or P/NP)  
Acceptable for credit: CSU  
See section on Independent Study. 1002.00

ART 50  
**Beginning Painting**  
2-3 units, 1-2 hours lecture, 3-4 hours laboratory (GR or P/NP)  
Acceptable for credit: CSU, UC  
Basic techniques of oil or acrylic painting: Preparation and use of canvas and supports, color mixing, composition in a variety of styles, development of imaginative and objective images. 1002.10

ART 51  
**Continuing Painting**  
2 units, 1 hour lecture, 3 hours laboratory (GR or P/NP)  
Acceptable for credit: CSU, UC  
Continuation of ART 50: Emphasis on composition using oils, acrylics, and mixed media; may include live models. 1002.10

ART 52  
**Intermediate Painting**  
3 units, 2 hours lecture, 4 hours laboratory (GR or P/NP)  
Acceptable for credit: CSU, UC  
Continuation of ART 51: Emphasis on more independent and complex activities and projects. 1002.10

ART 53  
**Advanced Painting**  
3 units, 2 hours lecture, 4 hours laboratory (GR or P/NP)  
Acceptable for credit: CSU, UC  
Continuation of ART 52: Emphasis on developing greater clarity in personal imagery and painting style; development of a professional portfolio. 1002.10

2 units, 1 hour lecture, 3 hours laboratory (GR or P/NP)  
Acceptable for credit: CSU, UC  
Fundamentals of washes, brushwork, color, and special effects: Transparent, wet-into-wet, and opaque techniques as applied to various subject matter. 1002.10

ART 61  
**Continuing Painting: Watercolor**  
2 units, 1 hour lecture, 3 hours laboratory (GR or P/NP)  
Acceptable for credit: CSU, UC  
Continued development of skills, techniques, and content in watercolor painting: Creative experimentation and individual expression in watercolor painting processes. 1002.10

ART 62  
**Intermediate Painting: Watercolor**  
3 units, 2 hours lecture, 4 hours laboratory (GR or P/NP)  
Acceptable for credit: CSU, UC  
Intermediate level development of skills, techniques, and content in watercolor painting: Creativity, composition, and individual expression through watercolor techniques emphasized; concentrated work in specific areas. 1002.10

ART 63  
**Advanced Painting: Watercolor**  
3 units, 2 hours lecture, 4 hours laboratory (GR)  
Acceptable for credit: CSU, UC  
Advanced watercolor painting skills, techniques, and content: Individual goals designed by student with instructor with concentration on a series of paintings for possible exhibition or portfolio presentation. 1002.10

ART 122  
**World Art**  
3 units, 3 hours lecture (GR)  
Acceptable for credit: CSU, UC  
Survey of the origins and development of the painting, sculpture, architecture, artifacts of the great civilizations from around the world. 1002.00  
AA/AS area 3; CSU area C1

ART 248AA-FZ  
**Selected Topics in Art**  
.5-5 units: 0-5 hours lecture, 0-15 hours laboratory (GR or P/NP)

ASIAN AND ASIAN-AMERICAN STUDIES
(ASAME)

ASAME 45A
Asian-American History to 1945
3 units, 3 hours lecture (GR or P/NP)
Acceptable for credit: CSU, UC
Asian-American history from the Pre-Columbian period to 1945: The “old” Asian immigrants and their experiences: Labor, settlement, community, racist opposition, and eventual acceptance. 2203.02
AA/AS area 2, 5; CSU area D; IGETC area 4

ASAME 45B
Asian-American History from 1945 to the Present
3 units, 3 hours lecture (GR or P/NP)
Asame 45A is not a prerequisite to Asame 45B.
Acceptable for credit: CSU, UC
Asian-American history from 1945 to the present: The “new” Asian immigration, assimilation, Asian-American empowerment, and community development. 2203.02
AA/AS area 2, 5; CSU area D; IGETC area 4
ASTRONOMY
(ABR)

ASTR 1
Introduction to Astronomy
3 units, 3 hours lecture (GR or P/NP)
Recommended preparation: Math 201 or 210D, and 202
Not open for credit to students who have completed or are concurrently enrolled in Astr 10.
Acceptable for credit: CSU, UC
Introduction to the universe and insight into its mysteries:
Development of modern astronomy, light, astronomical instruments, a brief survey of the solar system, the Sun, the stars, novas and supernovas, neutron stars, black holes, galaxies, and cosmology. 1911.00
AA/AS area 1; CSU area B1; IGETC area 5
AUTO BODY AND PAINT (AUTOB)

The Auto Body and Paint program prepares students to enter the job market as trained and qualified technicians, and allows students to continue toward a Baccalaureate degree in advanced schools of technology, as teachers or to broaden their skills in management, design or business. Lecture and laboratory instruction covers safety, trade ethics, use of hand and power tools, as well as theory, repair and painting of automobiles.

Upon registering for a class in the Auto Body and Paint program, the student will receive a list of required basic tools. The student will be expected to provide tools that relate to the particular course in which he/she has enrolled. The purpose of this requirement is to assure that students graduating from the program who wish to enter the trade possess the necessary tools.

The AS degree will be awarded upon satisfactory completion of the major course requirements listed below for each option and the General Education requirements for the Associate in Arts Degree listed in the Degrees and Programs section of this Catalog.

A Certificate of Achievement in Auto Body will be awarded to those students completing a minimum of 27 units as outlined below with a 2.0 GPA.

A Certificate of Achievement in Auto Paint will be awarded to those students completing a minimum of 27 units as outlined below with a 2.0 GPA.

AUTOB 10
Basic Auto Body Repair Concepts
10 units, 6 hours lecture, 12 hours laboratory (GR)
Recommended preparation: Autob 12
Acceptable for credit: CSU
Basic techniques of auto body repair: Repair of collision-damaged automobiles, and power tools and welding and cutting equipment used in the collision repair industry; emphasis on the “invisible” repair. 0949.00

AUTOB 12
Service Welding for Transportation Technology
2 units, 1 hour lecture, 3 hours laboratory (GR)
Acceptable for credit: CSU
Transportation welding technology: Basic techniques of welding; safety, set-up, and operational procedures performed in Oxyacetylene, MIG, and welding operations. 0949.00

AUTOB 20
Advanced Auto Body Repair Concepts
10 units, 6 hours lecture, 12 hours laboratory (GR)
Recommended preparation: Autob 10
Acceptable for credit: CSU
Advanced techniques of auto body repair: State-of-the-art measuring systems and frame pulling techniques, safe and efficient use of hydraulic equipment; analysis of the repair or replacement of sheetmetal, fiberglass, and SMC panels; cost estimating of damage repairs using computerized or printed manuals. 0949.00
AUTO Body & Paint (AUTOB)

**AUTOB 30**
Basic Methods of Paint Preparation and Equipment
10 units, 6 hours lecture, 12 hours laboratory (GR or P/NP)
Acceptable for credit: CSU
Introduction to automotive refinishing: Theory, principles, techniques, equipment requirements, and legal responsibilities for the safe application of automotive finishes. 0949.00

**AUTOB 40**
Advanced Study in Refinishing
10 units, 6 hours lecture, 12 hours laboratory (GR)
Recommended preparation: Autob 30
Acceptable for credit: CSU
Methodology and associated skills to perform spot, panel, and complete refinishing of substrates: Catalyzed and non-catalyzed materials and their safe usage; causes, cures and prevention of paint failures; custom finishes and their usage. 0949.00

AUTOMOTIVE TECHNOLOGY (ATECH)

The Automotive Technology curriculum is designed to prepare students for employment as apprentice auto mechanics or to allow students to continue toward a Baccalaureate degree in other advanced schools of technology in preparation for future management and teaching careers in the automotive industry.

The College of Alameda ATECH program is certified by the National Institute for Automotive Service Excellence (ASE), and was recognized as the “Best Auto Mechanics Training Program” in California in 1999 and again in 2002 by the Industry Planning Council of the Motor Vehicle Manufacturers Association. College of Alameda is also part of the Toyota T-TEN program (Toyota Technical Education Network), providing students enrolled in the Toyota Specialist program with specialized Toyota training and affording them special opportunities towards job placement in local Toyota dealerships.

Instruction covers safety, trade ethics, use of hand and power tools, as well as the theory, repair and testing of automobiles and their components. Special emphasis is placed on the diagnosis and repair of electronic and computer control systems in late model automobiles.

Upon registering for a class in the automotive major area, a student will receive a list of required basic tools. The student will be expected to purchase tools that relate to the course in which he/she has enrolled. The purpose of this requirement is to assure that all students graduating from the program possess tools in a quantity sufficient for trade entry as an apprentice.

Upon graduating with an Associate in Science (AS) degree, the beginning apprentice will have the union four-year night school requirement waived. The graduate with only a Certificate of Completion will have two of the required four years of night school waived. The National Institute for Automotive Service Excellence (ASE) will give one year experience credit for our two-year program towards the ASE certification program in Auto Mechanics.

Confer with the division counselor for the specific course pattern of requirements and prerequisites. Students may not take more than one of the following 10-unit “major” courses in a single semester: ATECH 10, 11, 12, 14, 15, 30, 32, 34, 35, 40, 41, 42, and 45. Priority for enrollment in any “major” class will be given to students with the most seniority in the program. A minimum grade of “C” in ATECH 21 and 22 may be required for enrollment in a student’s first “major” course.

Associate in Science (AS) Degree and Certificate of Achievement Programs:
It is recommended that these courses be completed prior to enrollment in any of the “major” Auto Mechanics classes:
- Completion of ENGL 268A-268B or ESL 253A-253B, or equivalent with a grade of “C” or better.
- One year of high school algebra or completion of MATH 225 with a grade of “C” or better.

The AS degree will be awarded upon satisfactory completion of the major course requirements listed below for each option and the General Education requirements for the Associate in Arts Degree listed in the Degrees and Programs section of this Catalog.

A Certificate of Achievement will be awarded upon satisfactory completion of the major course requirements listed below for each option with a minimum GPA of 2.0.

A Certificate of Proficiency in Light-Duty Auto Repair is also available upon satisfactory completion of the required courses listed below.

ATECH 12
Automotive Electrical and Electronic Systems
10 units, 6 hours lecture, 12 hours laboratory (GR)
Recommended preparation: Atech 21 and 22 and Math 225 and BUS 208
Eligible for credit by examination.
Acceptable for credit: CSU
Basic electrical theory and the function, diagnosis, and repair of modern automotive electrical systems:
Emphasis on the use of instrumentation in the diagnosis of electrical circuits and component failures. 0948.00

ATECH 14
Advanced Engine Performance (Clean Air Course, Phase I)
10 units, 6 hours lecture, 12 hours laboratory (GR)
Prerequisite: Atech 11 and 12
Recommended preparation: Atech 21 and 22 and Math 225 and Bus 208
Course includes 22 of the 120 hours of training mandated by the California State Smog Inspection program.
Eligible for credit by examination.
Acceptable for credit: CSU
Advanced engine performance principles and procedures: Generic computer and fuel-injection controls and emission-control systems; preparation for the ASE Engine Performance examination, as well as partial preparation for the California State Test and Repair Technician examination. 0948.00

ATECH 15
Drivetrain and Automatic Transmissions
10 units, 6 hours lecture, 12 hours laboratory (GR)
Recommended preparation: Atech 21 and 22 and Math 225 and Bus 208
Acceptable for credit: CSU
Theory, operation, diagnosis, repair and maintenance of drivetrain and automatic transmissions: Single dry-disc clutches, manual transmissions/transaxles, universal joints, final drives, and hydraulically-controlled automatic transmissions and transaxles. 0948.00

ATECH 21
Transportation Technology Principles
4 units, 4 hours lecture (GR)
Recommended preparation: Math 225
Acceptable for credit: CSU
Introduction to materials, mechanics, fluids, heat and electricity: Applications of physical principles to motor vehicle systems and repair; practice researching information in technical publications. 0948.00

ATECH 22
Introduction to Auto Mechanics
4 units, 3 hours lecture, 3 hours laboratory (GR)
Also offered as Appr 471. Not open for credit to students who have completed or are currently enrolled in Appr 471.
Acceptable for credit: CSU
How cars work: Construction and operation of engines, engine support systems, drivetrains and chassis; vehicle maintenance services; shop procedures including safety, proper use of tools, equipment and shop manuals; how to write repair orders. 0948.00

ATECH 23
Automotive Air Conditioning
4 units, 3 hours lecture, 3 hours laboratory (GR)
Recommended preparation: Atech 21 and 22 and Math 225 and Bus 208
Also offered as Appr 486. Not open for credit to students who have completed or are currently enrolled in Appr 486.
Acceptable for credit: CSU
Study of automotive air conditioning systems: Principles and systems necessary for the installation, design, function, and repair of air conditioning units; maintenance, troubleshooting procedures, proper use of air conditioning charging station and recovery/recycle equipment; emphasis on proper use of manuals and safe use of tools and equipment. 0948.00

ATECH 24A
Computer Controls and Fuel Injection
4 units, 3 hours lecture, 3 hours laboratory (GR)
Prerequisite: Atech 11 or Appr 482
Also offered as Appr 473A. Not open for credit to students who have completed or are currently enrolled in Appr 473A.
Acceptable for credit: CSU
Automotive computer-control and fuel-injection systems: Service and repair of computer-control and fuel-injection systems by all manufacturers, with emphasis on “hands-on” electronic testing and diagnostic procedures of ignition, fuel, emission-control, and generic electronic fuel-injection systems. 0948.00
ATECH 24B  
Computer Controls and Fuel Injection  
4 units, 3 hours lecture, 3 hours laboratory (GR)  
Prerequisite: Atech 24A or Appr 473A  
Also offered as Appr 473B. Not open for credit to students who have completed or are currently enrolled in Appr 473B.  
Acceptable for credit: CSU  
Automotive computer-control and fuel-injection systems: Service and repair of computer-control and fuel-injection systems by all manufacturers, with emphasis on “hands-on” electronic testing and diagnostic procedures of atmospheric and intake manifold injection for General Motors, Ford, and Chrysler manufacturers. 0948.00

ATECH 25  
Clean Air Course Phase II  
4 units, 4 hours lecture (GR)  
Prerequisite: Atech 11 and 12  
Recommended preparation: Atech 21 and 22 and Math 225 and Bus 208  
 Eligible for credit by examination.  
Acceptable for credit: CSU  
Course covers the second phase of the 120-hour Clean Air Course required by California's Biennial Inspection and Maintenance Program (“Smog Check Program”). Successful completion of the 120 hours of training qualifies the student to take the Test and Repair Technician examination. Advanced engine performance principles and procedures: Carburetor/low-emission adjustments, spark controls, positive crankcase ventilation and fuel evaporation systems, thermostatic air cleaners, exhaust gas recirculation, air injection and catalytic converter systems, administrative rules, inspection procedures, nitrates of oxide (Nox) readings, and computer-controlled testing. 0948.00

ATECH 26  
Introduction to Automotive Electrical Systems  
4 units, 3 hours lecture, 3 hours laboratory (GR or P/NP)  
Recommended preparation: Math 225 and Bus 208  
Also offered as Appr 472. Not open for credit to students who have completed or are currently enrolled in Appr 472.  
Acceptable for credit: CSU  
Introduction to automotive electrical systems: Electrical theory, chassis wiring, batteries, cranking, charging, and ignition systems; special emphasis placed on diagnosis and repair of vehicle chassis wiring. 0948.00

ATECH 27  
Advanced Emissions Diagnostics: Smog Check II  
2 units, 1.5 hours lecture, 1.5 hours laboratory (GR or P/NP)  
Prerequisite: Atech 24A  
Also offered as Appr 485. Not open for credit to students who have completed or are currently enrolled in Appr 485.  
Eligible for credit by examination.  
Acceptable for credit: CSU  
Five-gas analysis using BAR 97: Advanced emissions diagnostics and related topics. 0948.00

ATECH 30  
Toyota Chassis Systems  
10 units: 6 hours lecture 12 hours lab (GR)  
A study of automotive brake, suspension, tire and alignment systems, with special emphasis on Toyota vehicles. Student will diagnose, disassemble, inspect, and rebuild suspension and brake systems and will learn safe use of tools and equipment; course prepares student for CA State Brake and Lamp licensing exams as well as ASE certification examinations. 0948.00

ATECH 32  
Toyota Electrical & Electronic Systems  
10 units, 6 hours lecture, 12 hours laboratory (GR)  
Recommended preparation: Math 225 or equivalent  
A study of basic electrical theory and the function, diagnosis, and repair of modern automotive electrical systems, with emphasis on Toyota vehicles and systems. Emphasis is placed on the use of instrumentation in the diagnosis of electrical circuits and component failures. 0948.00

ATECH 33  
Toyota Engines, Cooling and Lubrication Systems  
5 units, 3 hours lecture, 6 hours laboratory (GR)  
Prerequisite: Atech 32  
A study of the principles, construction, diagnosis and repair of automotive engines, cooling and lubrication systems, with specific emphasis on Toyota vehicles and systems. 0948.00

ATECH 34  
Toyota Engine Performance  
10 units: 6 hours lecture 12 hours lab (GR)  
A study of engine fuel, ignition and emission control systems, with emphasis on Toyota vehicles and systems. Course will prepare student for the ASE Engine Performance examination. 0948.00
ATECH 35
Toyota Drive Train and Automatic Transmissions
10 units: 6 hours lecture 12 hours lab (GR)
Course studies the theory and operation, diagnosis and service techniques of single dry disc clutches, manual transmissions/transaxles, universal joints, final drives, and hydraulically controlled automatic transmissions and transaxles, with special emphasis on Toyota vehicles and systems. 0948.00

ATECH 40
Advanced Automotive Chassis
10 units, 6 hours lecture, 12 hours laboratory (GR)
Prerequisite: Atech 10
Recommended preparation: Atech 21 and 22 and Math 225 and Bus 208
Acceptable for credit: CSU
Advanced and in-depth study of automotive brake and suspension systems, wheel balance, tire service, and suspension alignment: Tool and equipment safety; maintenance and troubleshooting procedures; proper use of alignment and balancing machines, brake lathes, and other diagnostic equipment; diagnosis, disassembly, inspection, and rebuilding of suspension and brake systems; emphasis on proper use of manuals and safe use of tools and equipment. 0948.00

ATECH 41
Advanced Engine Repair
10 units, 6 hours lecture, 12 hours laboratory (GR)
Prerequisite: Atech 11
Recommended preparation: Atech 21 and 22 and Math 225 and Bus 208
Acceptable for credit: CSU
Advanced principles of automotive engine construction, design, and repair: Tool and equipment safety, use of diagnostic equipment, advanced head and block diagnosis, repair and machining; diagnosis, disassembly, inspection, reconditioning, and rebuilding of engines; troubleshooting engine problems. 0948.00

ATECH 42
Advanced Automotive Electronics
10 units, 6 hours lecture, 12 hours laboratory (GR)
Prerequisite: Atech 12
Recommended preparation: Atech 21 and 22 and Math 225 and Bus 208
Eligible for credit by examination.
Acceptable for credit: CSU
Advanced diagnosis and repair techniques for modern automotive electrical systems: Stresses heavy use of instrumentation in the diagnosis of electrical circuitry and component failure. 0948.00

ATECH 45
Advanced Automotive Transaxles and Transmissions
10 units, 6 hours lecture, 12 hours laboratory (GR)
Prerequisite: Atech 15
Acceptable for credit: CSU
Advanced automotive transaxle and transmission theory: Theory of operation, diagnosis, and service techniques on a variety of computer-controlled automatic transmissions and transaxles for imported and domestic passenger vehicles or light trucks. 0948.00

ATECH 48AA-FZ
Selected Topics in Automotive Technology
.5-9 units, 0-9 hours lecture, 0-27 hours laboratory (GR or P/NP)
Acceptable for credit: CSU
See section on Selected Topics. 0948.00

ATECH 49
Independent Study in Automotive Technology
.5-5 units, .5-5 hours lecture (GR)
Acceptable for credit: CSU
See section on Selected Topics. 0948.00

ATECH 234
Introduction to Brakes, Alignment and Headlamp Aiming
4 units, 3 hours lecture, 3 hours laboratory (GR)
Also offered as Appr 484. Not open for credit to students who have completed or are currently enrolled in Appr 484.
Introduction to brake, alignment, and headlamp aiming systems: Operation, maintenance, troubleshooting, and adjustment of steering, suspension, braking, and headlamp aiming systems; emphasis on proper use of manuals and safe use of tools and equipment; preparation for the California State Brake and Lamp licensing exams. 0948.00

ATECH 235
ASE L1 Alternative
1.5 units, 1.5 hours lecture (GR or P/NP)
Short-term course
Eligible for credit by examination.
Analysis of five gases; diagnosis of emission failure; ignition, computerized powertrain controls, and I/M failure diagnosis. 0948.00

ATECH 248AA-FZ
Selected Topics in Auto Mechanics
.5-9 units, 0-9 hours lecture, 0-27 hours laboratory (GR or P/NP)
See section on Selected Topics. 0948.00

AVIATION MAINTENANCE TECHNOLOGY (AMT)

The Aviation Maintenance Technology (AMT) program at College of Alameda provides the opportunity for students to qualify for the Federal Aviation Administration (FAA) Airframe and Powerplant Certificate upon successful completion of our two-year Diamond Award-winning program. An airframe and powerplant mechanic (A&P) is certified and responsible to inspect and maintain aircraft. Job opportunities are available literally all over the world.

The aviation program is offered at the College of Alameda aviation facility located at the north end of the Oakland International Airport. Our state-of-the-art facility includes twelve aircraft, aircraft system mockup trainers, and a computer lab with a computer assigned to each student. This is a two-year evening-only program that runs five days a week, six hours a night. All F.A.A. testing is done on site. Mandatory attendance is required for this program to comply with F.A.A. regulations. Any time missed must be made up. The AMT student will need to purchase approximately $600 dollars worth of tools during the course of this program.

The AMT faculty and staff are dedicated to helping each and every student through this program. College of Alameda graduates are recognized throughout the aviation industry for their acquired skills and knowledge. In partnership with Oakland public schools the COA - AMT program also is affiliated with an Aviation High School. This charter high school prepares the high school student not only for a high school diploma, but also for their FAA airframe certificate. Feel free to visit us at anytime, ask questions, and tour the aviation facility. Come join us for an exciting career in aviation.

**Evening Program – Airframe and Powerplant**

There is an **evening program for both the Airframe and Powerplant certificates** in which each class is a nine-week course offered five nights a week. There is a lecture course and a laboratory course offered each night. By enrolling in both courses the student may complete the program in two years. If the student has a time constraint only one class may be taken each night with a corresponding addition of time required to complete the program. Regular attendance is mandatory for AMT students. Students are required to clock in and out for courses and must meet minimum time requirements for each class to receive credit for the course since the course is FAA approved and meets FAA regulations. Students should only enroll if they can meet the published schedule. **Students will need to accumulate approximately $800 worth of tools and equipment during the program.** In addition students will be required to purchase textbooks and other publications.

**Afternoon Program – Airframe Only**

There is an alternative **Afternoon Program option for the Airframe certificate** numbered in the AMT 80 course series in which each class is a nine-week course offered five afternoons a week. Completion of this alternative sequence also qualifies the student for certification as an Airframe Technician. The same enrollment conditions apply as for the Evening Program.

**Courses for the Evening and the Afternoon Programs cannot be mixed. Students must choose either the Evening Program course sequence or the Afternoon Program course sequence.**

The **AS degree** will be awarded upon satisfactory completion of the major course requirements for each option and the General Education requirements listed in the Degrees and Programs section of this Catalog.

The **Airframe and Powerplant Certificates of Achievement curricula** include theory and practical experience in construction, inspection, overhaul, repair, and maintenance of aircraft structures, systems, and powerplants. The program is approved by the Federal Aviation Administration. Upon completion of each course with a minimum grade of “C,” the student will be eligible to apply for the FAA examination for the Airframe and Powerplant license.

1-3 units, 3-9 hours laboratory (GR)
Course partially meets certification requirements of Part 147 of Federal Aviation Administration regulations covering airframe and powerplant mechanics.
Non-degree applicable
Course study under this section may be repeated two times for a maximum of 3 units.
Preparation for the oral, practical, and written portions of the Federal Aviation Administration examination: Covers the general, airframe, and powerplant sections of the examination. 0950.00
The aviation operations program at College of Alameda prepares you for a pilot certificate. COA offers two pilot training courses. These courses prepare the student for the Private Pilot knowledge exam or the Instrument/Commercial knowledge exam. Each course is one night a week, four hours a night for one semester.

You will acquire skills in such areas as navigation, theory of flight, F.A.A. regulations, weather, and aircraft operation. Upon successful completion of these courses F.A.A. testing is available at the College of Alameda aviation facility, a certified testing center. Note: Flight training is not offered by COA. In the East Bay area there are numerous flight training facilities available.

AVIAO 10
Private Pilot's Ground School
4 units, 4 hours lecture (GR or P/NP)
Recommended preparation: 9th-grade reading level (must be able to read, write, and understand the English language)
Acceptable for credit: CSU
Preparation for private pilot certification: Development of basic knowledge, skill, and aeronautical experience to fulfill requirements for the private pilot certificate with an airplane category and single-engine land class ratings. Student must be able to read, write, and understand the English language per Federal Aviation Regulation 61.103. Flight training not included. 3020.20

AVIAO 12
Instrument/Commercial Pilot
4 units, 4 hours lecture (GR or P/NP)
Prerequisite: Aviao 10
Acceptable for credit: CSU
Introduction to flight instrument/commercial pilot training: Flight planning, aircraft performance, aviation weather, interpretation and use of flight instruments, air navigation, Federal Aviation Regulations, air traffic control, and commercial flight maneuvers. 3020.20

AVIAO 48AA-FZ
Selected Topics in Aviation Operations
.5-.9 units, 0-.9 hours lecture, 0-.27 hours laboratory (GR or P/NP)
Acceptable for credit: CSU
See section on Selected Topics. 3020.20
What is Biology? Biologists study life from a scientific perspective. We are fascinated by the myriad ways that living organisms survive and cooperate with each other, and study how these ways came into being. The Biology Department at College of Alameda offers courses that consider the smallest biological molecules, whole organisms, and the entire ecosystem of the Earth. All the courses in biology help you to have a clear understanding of the scientific processes -- both philosophical and technical -- used to gather this knowledge.

Why Study Biology? Biologists take very diverse career paths. Some enter health fields like medicine, dentistry, nursing, physical therapy, and pharmacy. Others enter into research in environmental and conservation areas. Training in biology can also lead to careers in biotechnology and other fields of technology. Because we ourselves are life forms, interacting with and dependent on other life forms, it is important for any educated person to have an understanding of the basics of biology. This is why we invite and encourage all students to take at least one of our courses.

What is special about Biology at College of Alameda? When you take our classes you will be taking courses that transfer to UC and CSU campuses and to private colleges and universities. Most of our classes have laboratory sections where you get hands-on experience with life forms, and personalized interaction with your instructors. Our classes are small in size with a low ratio of students to instructor. We believe this makes for the best training of a biologist. You will become actively involved in your own education. Finally, we offer classes all day, every day, including the weekends, and many nights during the week.

The AS degree in Biology will be awarded upon satisfactory completion of the major course requirements listed below and the General Education requirements for the Associate in Science Degree listed in the Degrees and Programs section of this Catalog.

BIOLOGY (BIOL)

BIOL 10
Introduction to Biology
4 units, 3 hours lecture, 3 hours laboratory (GR or P/NP)
Not open for credit to students who have completed or are currently enrolled in Biol 1A or 1B.
Students with previous credit in Biol 11 receive only 1 unit of credit for Biol 10.
Acceptable for credit: CSU, UC
Fundamentals of biology for the non-major: Scientific inquiry, biological chemistry, cell structure and function, DNA and genetics, evolution and ecology, and an overview of living organisms. Includes laboratory exercises designed to complement lectures. 0401.00 AA/AS area 1; CSU area B2, B3; IGETC area 5

BIOL 11
Principles of Biology
3 units, 3 hours lecture (GR)
Not open for credit to students who have completed or are currently enrolled in Biol 1A or 1B or 10.
Acceptable for credit: CSU, UC
Fundamentals of biology for the non-major: Scientific inquiry, biological chemistry, cell structure and function, DNA and genetics, evolution and ecology, and an overview of living organisms. 0401.00 AA/AS area 1; CSU area B2; IGETC area 5

BIOL 23
Introduction to the Human Body
3 units, 3 hours lecture (GR or P/NP)
Course is equivalent to Biol 24 without the lab; it does not meet Allied Health requirements for an anatomy and physiology course.
Acceptable for credit: CSU
Fundamentals of structure and function of the human body: Emphasis on medical and health aspects. 0410.00 AA/AS area 1; CSU area B2; IGETC area 5B

BIOL 24
Basic Human Anatomy and Physiology
4 units, 3 hours lecture, 3 hours laboratory (GR or P/NP)
Acceptable for credit: CSU
Fundamentals of the structure and function of the human body from an organ system perspective: Key concepts and basic principles of the chemistry of life and organic compounds, cells and tissues, cell physiology, organ systems, selected human diseases. Laboratory work includes use of microscopes, figures/charts, three-dimensional models, dissection of mammalian organs and demonstration of human cadavers. 0410.00 AA/AS area 1; CSU area B2, B3; IGETC area 5B

**BIOL 26**
**Human Biology**
3 units, 2 hours lecture, 3 hours laboratory (GR or P/NP)
Acceptable for credit: CSU, UC
Study of biology as it relates to the human organism:
Cellular function, survey of body systems, reproduction and genetics, nutrition, ecology, and evolution. 0401.00
AA/AS area 1; CSU area B2, B3

**BIOL 27**
**Human Sexuality**
3 units, 3 hours lecture (GR)
Also offered as Psych 12. Not open for credit to students who have completed or are currently enrolled in Psych 12.
Acceptable for credit: CSU, UC
Exploration and analysis of the multifaceted aspects of human sexuality. Physiological, psychological, anatomical, sociological, legal, medical, educational, cultural; urogenital system of both sexes, birth control devices, and pregnancy. 0401.00
AA/AS area 2; CSU area D, E; IGETC area 4

**Nutrition**
4 units, 4 hours lecture (GR or P/NP)
Not open for credit to students who have completed or are currently enrolled in Biol 28 at Laney College or Nutr 10 at Merritt College.
Acceptable for credit: CSU, UC
Principles of human nutrition: Nutrients, their function and food sources; problems of excess and deficiency; dietary goals for health promotion and disease prevention. 0401.00
CSU area E

**BIOL 48AA-FZ**
**Selected Topics in Biological Sciences**
.5-5 units, 0-5 hours lecture, 0-15 hours laboratory (GR or P/NP)
See section on Selected Topics. 0401.00

**BIOL 80A-H**
The following courses are offered under this rubric.

**BIOL 80A**
**Raptors of Central California and the Bay Area**
.5-2.5 units, .5-2.5 hours lecture (GR or P/NP)
Also offered as Envst 80A at Merritt College. Not open for credit to students who have completed or are currently enrolled in Envst 80A.
Attendance in on-campus classroom lectures required in order to participate in field lectures for additional units.
Acceptable for credit: CSU
Introduction to the basic biology of birds with an emphasis on hawks, eagles, falcons, kites, owls, vultures and other raptors of Central California and the Bay Area: Identification, classification, evolution, migration and ecology of the raptors; field sessions in outstanding fall migration and overwintering areas presenting these birds in their natural habitats. 0408.00

**ACCOUNTING**

*(Currently under revision)*

What is Accounting? Accounting simply stated is the “language of business”. Accounting is not just about adding numbers all day. Accounting is a profession of communication--The Accounting information system is the only one which enables management and external information users to get a picture of the whole organization. The U.S. Bureau of Labor Statistics looks at the job market for accountants and auditors through 2018. They project a growth rate of 22% during this time frame.

Accounting career options await you in:
- Entertainment, Technology, Sports, Government, Non-profit and Education
- Criminal Investigation, Environment, Travel, Food and Fashion

Why take accounting at College of Alameda? The Accounting program is designed for a variety of student objectives. Students seeking transfer to four universities will meet the transfer requirements of Financial Accounting and Managerial Accounting. Individuals with existing Bachelor’s Degrees can also use some of our Accounting courses to meet the requirements to take the exam for Certified Public Accountant. Additionally, our Accounting program provides occupational training and preparation for entry level bookkeeping and technical positions in various accounting careers. For the past forty years COA has provided exceptional accounting tutorial services to assist and ensure everyone’s success in Accounting. All tutorial services are free of charge.

The AA degree in Accounting is designed to qualify students for employment in accounting and/or to provide a foundation for those students wishing to transfer to a four-year institution with a major in Accounting or Business Administration.

The AA degree will be awarded upon satisfactory completion of the major course requirements listed below and the General Education requirements for the Associate in Arts Degree listed in the Degrees and Programs section of this Catalog. The Certificate of Achievement will be awarded upon satisfactory completion of the major course requirements listed below.

The suggested sequence of courses required for the Associate in Arts (AA) in Accounting are listed below:

Why Study Chemistry? Chemistry addresses the fundamental nature of substances and the changes that substances undergo. Students learn problem-solving skills rooted in the scientific world view. Specifically, you will learn about the chemical aspects of everyday life enabling you to understand the chemical foundations of the environment, energy, disease (causes and prevention), and the chemical basis of nutrition. The study of chemistry helps you understand the fundamentals controlling the interactions of elements and molecules which form the basis for our world and the universe. Knowledge of the discipline enables you to practice the protocols and techniques for working safely with chemicals. Modern civilization is based on chemistry and its effects upon the environment and ourselves. Some of the consequences are considered better than others and studying chemistry allows us to search for alternatives that may be practical or feasible.

What can you do with Chemistry? Some people are motivated primarily by curiosity about nature and/or about how things work. Questions that might be answered in studying chemistry include: the chemical composition of rocks from this or other planets, the chemical composition of the atmosphere, or the chemical reactions behind technologies such as rocket propulsion and automobile airbag deployment. Chemistry is essential in the practice of medicine in allowing us to understand the chemistry underlying biology, pharmacology, and human physiology.

The COA chemistry program is designed to provide you with a solid grasp of the basics to achieve your long-term goals. Careers in chemistry include: analytical chemist, biotechnologist, biochemist, chemical engineer, dietitian, environmental chemist, food and drug inspector, forensic chemist, geochemist, health professional, perfumer, pharmacist, professor, and many others.

What does it mean to study Cantonese?
The study of Cantonese involves learning the words and rules of the language with the purpose of acquiring them with accuracy and using them to communicate with Cantonese speakers worldwide.

Why study Cantonese?
The Cantonese Program at COA provides courses that satisfy Foreign Language requirements at 4-year colleges and universities, provides marketable foreign language skills and offers cultural enrichment. This will empower students to:

- Communicate with native speakers at home and worldwide
- Increase employment potential
- Improve memory and cognitive skills
- Enhance travel worldwide
- Expand one's universe

Beyond acquisition, learning languages can expand the heart and mind and help us in our search to understand who we are as human beings.

“Communication focuses on how people use messages to generate meaning within and across all kinds of contexts, cultures, channels, and media.” (Association for Communication Administration)

The mission of our program is to engage, challenge, and empower students from diverse backgrounds with the essential Communication skills.

The Program offers a core curriculum to develop and enhance the following set of principle skills and abilities:
- Critical Thinking, Problem Solving, to make informed, analytical, and ethical choices,
- Verbal and Nonverbal Skills,
- Technology Skills and Information Competency
- Communication Advocacy
- Leadership/Team Builder principles for business, educational, and non-profit environments

Our Faculty are dedicated, knowledgeable instructors and committed advocates to “Student Success”. We support a NEW Transfer Program-AA-T where students have a Pathway towards being successful in transferring, securing a degree, and continuing their occupational aspirations.

The Associate of Arts in Communication Studies Transfer Degree (AA-T) is designed for students planning to transfer into the communications major. A student pursuing this degree will meet the AB 1440 Transfer Curriculum Model for CSU.

COMPUTER INFORMATION SYSTEMS (CIS)

(Program currently under revision)

Computer Information Systems, and why you should study CIS. Computer Information Systems enhances computer literacy. Computer literacy is having knowledge and understanding of computers and their uses. It involves three levels of proficiency (T-O-P).

• The First level involves Terminology – ability to read, write, and understand “geek” language.
• The Second level involves Operations – ability to use computers to get work done e.g., word processing, spreadsheets, presentations, and database management.
• The Third level involves Programming – ability to code instructions for computers to operate on desktops, networks, and on the Web.

Computers are everywhere and impact many of our daily activities. Our lives are dependent on information from a computer. Computer skills are a necessity in today’s technological world.

The CIS program at College of Alameda prepares you for entry-level business opportunities requiring the use of computer applications, such as word processing, spreadsheet, database management, and geographical information systems (GIS) programs. Our CIS program prepares you for transfer to a university. Advanced students take programming courses, help desk and networking courses, and web publishing courses.

We offer beginning and advanced office application courses. We are the only Peralta college to offer help desk (desktop support technician) courses and networking courses. Our web publishing courses, offered as hybrid (with some face to face meetings) as well as online, lead to a certificate of proficiency upon successful completion of the courses. We also offer other online CIS courses which can fit your busy schedule.

The Computer Information Systems (CIS) program prepares students for entry level business positions requiring the use of computer applications, and will qualify students in the use of word processing, spreadsheet and database management applications. More advanced students may enroll in telecommunications and computer networking courses. In some instances, students with work experience in the above mentioned areas may challenge courses based on that experience. Students seeking advanced placement must meet with an instructor to verify knowledge and skills.

Students satisfactorily completing the following required courses will be eligible for the AA degree and the Certificate of Achievement in Computer Information Systems. Confer with a counselor concerning the specific pattern of requirements for this program and refer to the Degrees and Programs section of the Catalog for information on the Associate in Arts degree.

Total Required Units: 10

CIS 1
Introduction to Computer Information Systems
4 units, 3 hours lecture, 3 hours laboratory (GR)
Acceptable for credit: CSU, UC
General nature of computer hardware, software and systems: Hands-on applications include introduction to word processing, spreadsheet, database management and presentation software, and a brief introduction to web browsing and e-mail. 0702.00
AA/AS area 4c; CSU area E

CIS 5
Introduction to Computer Science
5 units, 4 hours lecture, 3 hours laboratory (GR)
Acceptable for credit: CSU, UC
Introduction to computer science: Architecture of digital computers, design of algorithms for solving various problems, and basic skills in computer programming. 0706.00
AA/AS area 4c

CIS 6
Introduction to Computer Programming
5 units, 4 hours lecture, 3 hours laboratory (GR or P/NP)
Recommended preparation: CIS 5
Acceptable for credit: CSU, UC
Introduction to computer programming: Algorithm design, flow charting, and debugging; elements of good programming style. Course may be instructed in any programming language. 0707.10
AA/AS area 4c

CIS 23
C# Programming
4 units, 3 hours lecture, 3 hours laboratory (GR)
Acceptable for credit: CSU, UC
C# programming: Basic unified modeling language (UML) notation in object-oriented software design and development using the C# programming language in a .Net environment; focus on the program structure, syntax, constructs and keywords of the C# programming language, concepts of intermediate languages (ILs), the common language runtime (CLR), and .Net standard data types. 0707.10
AA/AS area 4c

CIS 25
Object-Oriented Programming Using C++
4 units, 3 hours lecture, 3 hours laboratory (GR)
Recommended preparation: CIS 6 or 10 or 26
Acceptable for credit: CSU, UC
Object-oriented methods of software development using C++: Design and implementation of objects, class construction and destruction, encapsulation, inheritance, and polymorphism. 0707.10
AA/AS area 4c

CIS 26
C Programming
4 units, 3 hours lecture, 3 hours laboratory (GR or P/NP)
Recommended preparation: CIS 3 and 6 or 20
Acceptable for credit: CSU, UC
Fundamental program and data structures that comprise C programs: Functions, control flow, data types, storage classes, arrays, pointers, structures, and input/output. 0707.10
AA/AS area 4c

CIS 36A
Java Programming Language I
4 units, 3 hours lecture, 3 hours laboratory (GR or P/NP)
Prerequisite: CIS 25 or 26 or 215
Recommended preparation: CIS 233 or 237
Acceptable for credit: CSU, UC
Introduction to object-oriented program design: Overview of the Java programming language including developing applets for web pages and stand-alone applications. 0707.10
AA/AS area 4c

CIS 36B
Java Programming Language II
4 units, 3 hours lecture, 3 hours laboratory (GR or P/NP)
Prerequisite: CIS 36A
Acceptable for credit: CSU, UC
Object-oriented program design using the Java programming language: Designing and programming with exceptions, threads, file input/output (I/O); networking and graphics classes; developing codes using tools such as Java 2D API and SWING; and working with projects in areas such as animation. 0707.10
AA/AS area 4c

CIS 39A
Unix/Linux Operating Systems
4 units, 3 hours lecture, 3 hours laboratory (GR or P/NP)
Prerequisite: CIS 5
Acceptable for credit: CSU
The Unix/Linux operating system: Emphasis on file system, e-mail, shell commands and programming, editing, programming tools, administrative structures, and utilities. 0702.00
AA/AS area 4c

CIS 40
Database Management
4 units, 3 hours lecture, 3 hours laboratory (GR or P/NP)
Recommended preparation: CIS 1 or 5
Acceptable for credit: CSU
Design, implementation, and maintenance of databases: Analysis of user requirements; building tables, queries, forms, reports, and other topics. 0702.10
AA/AS area 4c

CIS 42
Spreadsheet Applications
4 units, 3 hours lecture, 3 hours laboratory (GR or P/NP)
Recommended preparation: CIS 1 or 5 or 200
Not open for credit to students who have completed or are currently enrolled in CIS 42A and/or 42B.
Eligible for credit by examination.
Acceptable for credit: CSU
Principles of electronic spreadsheets using features available with current popular spreadsheet software: Worksheet creation, formatting and charting; entering data and formulas; functions; editing and printing; web queries; basic database functions of sorting and querying; creating web pages; logical functions; lookup tables; Pivot Tables, Pivot Charts, and trendlines; graphic design for financial statements; creating templates; using macros. 0702.10
AA/AS area 4c

CIS 47
Visual Basic Programming
4 units, 3 hours lecture, 3 hours laboratory (GR or P/NP)
Recommended preparation: CIS 5
Acceptable for credit: CSU, UC
Introduction to Visual Basic programming and problem solving: Using loops and arrays; implementing labels, buttons, textboxes, menus, dialog boxes and multiple forms; error handling and debugging. 0707.10
AA/AS area 4c
CIS 48AA-FZ
Selected Topics in Computer Information Systems
.5-9 units, 0-9 hours lecture, 0-27 hours laboratory (GR or P/NP)
Acceptable for credit: CSU
See section on Selected Topics. 0702.00

CIS 49
Independent Study in Computer Information Systems
.5-5 units, .5-5 hours lecture (GR)
Acceptable for credit: CSU
See section on Independent Study. 0702.00

CIS 69
Windows Network Administration
4 units, 3 hours lecture, 3 hours laboratory (GR or P/NP)
Acceptable for credit: CSU
Windows network administration: Skills necessary to perform day-to-day administration tasks for a workstation and server in a Microsoft-based network. 0708.10
AA/AS area 4c

CIS 73
Networking Concepts
4 units, 3 hours lecture, 3 hours laboratory (GR or P/NP)
Prerequisite: CIS 1 or 5
Acceptable for credit: CSU
Networking concepts: Network architecture, hardware, software, concepts, protocols and standards. 0708.10
AA/AS area 4c

CIS 97A
Oracle SQL and PL/SQL
4 units, 3 hours lecture, 3 hours laboratory (GR or P/NP)
Prerequisite: CIS 1
Acceptable for credit: CSU
Introduction to the design and development of multi-user relational database systems: Oracle SQL and fundamentals of PL/SQL programming. 0707.20
AA/AS area 4c

CIS 201
Introduction to Computer Hardware
4 units, 3 hours lecture, 4 hours laboratory (GR or P/NP)
Not open for credit to students who have completed or are currently enrolled in CIS 201A and/or 201B at Laney.
Introduction to computer hardware: Maintaining and servicing computer equipment, fundamental concepts and architecture, major computer subsystems and peripheral devices, common computer problems, troubleshooting techniques, repair procedures and preventive maintenance; examines traditional, current and emerging computer technologies. 0708.20
AA/AS area 4c

CIS 205
Computer Literacy
1 unit, 14 term hours lecture, 14 term hours laboratory (GR or P/NP)
Also offered as Bus 219. Not open for credit to students who have completed or are currently enrolled in Business 219.
Introduction to computers and information technology for people with no background in nor knowledge of computers. 0701.00
AA/AS area 4c

CIS 209
Introduction to Windows
1 unit, .75 hours lecture, .75 hours laboratory (GR or P/NP)
Recommended preparation: CIS 205
Introduction to graphical user interfaces using Microsoft Windows. 0702.00
AA/AS area 4c

CIS 223A
Introduction to Word
1 unit, 13.5 term hours lecture, 13.5 term hours laboratory (GR or P/NP)
Introduction to word processing using Microsoft Word: Basic functions such as open, close, save, and print; creating and editing documents, text and print formatting techniques, spell checking, assimilating graphs and tables in documents. 0702.10
AA/AS area 4c

For all program degree and certificate updates, please visit:

DANCE (DANCE)

Dance is self aware movement which begins in solitude and becomes ever more public up to and including being a disciplined art form. It can incorporate movement - with stories, music, and costumes; in various environments and venues; in film or integrating other facets of the larger world of performance art. Dance engages the whole person; at once personal and communal and rooted in the interaction of the body, mind, and spirit. Dance is an activity which activates patterns of mind/body integration with discipline that does not require rules. As such, dance is spiritual & political, emotionally & physically healing, intellectually and emotionally creative and enhancing of one's life.

Dance at College of Alameda is a pursuit of professional training in modern dance and choreography for students of all ages. We seek to convey technical excellence and innovative artistry in our courses some of which are appropriate for transfer. We provide training in ballet and modern techniques for serious dance students and also provide physical challenge for non dancers who just want to stay fit and healthy. We would like to encourage students to cross-cultural understanding through the arts by creating dances from different cultures such as: Chinese, Vietnamese, Cambodian, Latino, and others; for special celebrations contributing to campus life. These include: Chinese New-Year, Black History and Asian Heritage events, Cinco De Mayo, and the Full-Moon Festival. We seek in an ongoing fashion to develop other audiences locally and nationally. We encourage students to take courses in the other fields including: Theater, Music, Apparel Design, and Creative Writing – top broaden their understanding of the pursuit of dance as a holistic performance art.

The Faculty at COA actively perform in the field – having relationships in several communities throughout the South and East Bay to provide students performance opportunities. We work in one-on-one relationship with individual students to mentor them in their progress for the duration of the program. We offer an extensive performance schedule with a full performance calendar each year featuring many student- and faculty-produced concerts. This schedule provides students with regular performance opportunities at each stage in their development as a dancer – preparing them for the demands of professional performance in dance productions.

DENTAL ASSISTING
(DENTL)

The Dental Assisting Program at College of Alameda is a national and state accredited program.

Dental Assisting is the study of the dental healthcare industry, which address the issues of patient dental care and oral health. This program includes California dental law, ethics, professionalism, infection control, head and neck anatomy, dental radiology, dental materials and chairside skills.

The fall semester courses introduce basic theory and chairside skills, leading to more advanced studies courses during the spring semester, which also include internships and advanced use of technology within dentistry. A Certificate of Achievement is awarded upon successful completion of the program. The Dental Assisting Program prepares you for the California Registered Dental Assistant and National Certified Dental Assistant exams.

The program seeks individuals who enjoy interaction with people, teamwork, have good communications skills, enjoy variety in their work and enjoy excellent working opportunities and conditions. Dental Assisting is a rewarding and stable career.

Program Learning outcomes
1. Apply critical thinking to all aspects of the dental field.
2. Communicate in written and verbal form according to terminology of the dental field.
3. Demonstrate knowledge of cultural sensitivity within the field of dental assisting.
4. Demonstrate self discipline to pursue intellectual curiosities with integrity in both personal and professional lives.

This full-time curriculum is designed to meet the requirements of the American Dental Association Council on Dental Education for Dental Assistants. The program includes lecture and laboratory practice in the classroom. Clinical experience is required in the dental clinics of the University of California and the University of Pacific Dental Schools in San Francisco, as well as in private dental offices. Students completing all required courses with a minimum grade of 75% = C or better grade will earn a Certificate of Achievement and be qualified to take the Certification Examination of the DANB, the State of California RDA examinations, and will be prepared to assume the responsibilities of assisting the dentist in all phases of general practice. The program requires 28.5 semester units in Dental Assisting, plus 9 semester units in other general education required courses.
Admission is by special application directly to the Dental Assisting Department. Candidates must possess a high school diploma or the equivalent. All eligibility requirements, including having official transcripts on file, must be completed prior to applying to the program. The application deadline is April 15 of each year for admission into the program starting the following fall semester. Applicants will be notified by mail of acceptance into the Dental Assisting program. Applications received after April 15 will be accepted only on a space-available basis.

The AS degree in Dental Assisting will be awarded upon satisfactory completion of the major course requirements listed below and the General Education requirements for the Associate in Science Degree listed in the Degrees and Programs section of this Catalog.

Eligibility/Admission/Prerequisite and Degree/Certificate Requirements:
1. Possession of a high school diploma or the equivalent prior to application to and admission into the program.
2. Official transcripts must be on file in the Admissions and Records Office prior to program application.
3. It is highly recommended that the following be completed prior to admission into the program and enrollment in Fall term courses:
   - DENTL 252, Overview of the Dental Assisting Profession
   - DENTL 251, Dental Terminology
   - BUS 230D-F, Keyboarding
   - CIS 205, Computer Literacy
4. Completion of HLTED 9, Standard First Aid and Safety (2 units); and HLTED 11, CPR (.5 units); OR possession of current cards as evidence of completion are required prior to enrollment in DENTL 223.
5. Physical and dental examinations, and negative TB and hepatitis test results are required to be submitted to the Dental Assisting Department prior to enrollment in DENTL 223.
6. Completion of all Dental Assisting courses with a grade of 2.0 (“C”) or better is required to be eligible for the AS degree and Certificate of Completion in Dental Assisting.

Corequisite: Dentl 220 and 221 and 222 and 223 and 224A
Recommended preparation: Dentl 251 and 252, and Engl 201B or higher, and Psych 1A, and Comm 1A or 45
Study and safe manipulation of dental materials used in operative and restorative dental procedures: Use of instruments and lab equipment, safety and health hazards, and patient safety. 1240.10

DENTL 226
Advanced Chairside Procedures
3 units, 2 hours lecture, 3 hours laboratory (GR)
Prerequisite: Dentl 220A and 220B and 221 and 222 and 223 and 224A and 225
Corequisite: Dentl 224B and 227 and 228A and 228B and 229
Recommended preparation: Dentl 251 and 252, and Engl 201B or higher, and Psych 1A, and Comm 1A or 20 or 45
Advanced study of dental specialties: Endodontics, pediatrics, oral surgery, orthodontics, and periodontics to reflect Dental Board of California educational requirements and preparation for the California Registered Dental Assistant examination. 1240.10

DENTL 227
Biodental Sciences
2 units, 2 hours lecture (GR)
Prerequisite: Dentl 222
Corequisite: Dentl 228
Recommended preparation: Dentl 251 and 252, and Engl 201B or higher, and Psych 1A, and Comm 1A or 45
Introduction to biodental sciences: Emphasis on oral pathology relating to occupational hazards; identification of oral lesions and dental pharmacology; preparation for office emergencies, both medical and dental; legal responsibility of assistants; and patient health and safety. 1240.10

DENTL 228A
Clinical Rotations and Review
2 units, 2 hours lecture (GR)
Prerequisite: Dentl 220A and 220B and 221 and 222 and 223 and 224A and 225
Corequisite: Dentl 224B and 226 and 227 and 228B and 229
Recommended preparation: Dentl 251 and 252, and Engl 201B or higher, and Psych 1A, and Comm 1A or 20 or 45
Advanced study of specialty areas in dentistry: Restorative and preventative materials, amalgam, composites, sealants, prosthodontics, endodontics, orthodontics, oral surgery, periodontics, and pediatrics. 1240.10
DENTL 228B
Clinical Rotations and Review
5 units, 16 hours laboratory (GR)
Prerequisite: Dentl 220A and 220B and 221 and 222 and 223 and 224A and 225
Corequisite: Dentl 224B and 226 and 227 and 228A and 229
Application of practical chairside skills in clinical rotations at private dental offices and local dental schools: Manipulation of dental materials, front office skills, and care of the dental patient during dental procedures. 1240.10

DENTL 229
Practice Management
1.5 units, 1.5 hours lecture, 2 hours laboratory (GR)
Corequisite: Dentl 228
Recommended preparation: Bus 230D-F, and CIS 205, and Dentl 251 and 252, and Engl 201B or higher, and Psych 1A, and Comm 1A or 45
Practice of dental office management duties and responsibilities: Receptionist and office management duties including patient relationships, telephone techniques, inventory control, chart management, dental records, correspondence, filing, appointment and recall systems; computer program skills to include dental software relating to accounts payable/receivable, insurance forms, and banking procedures. 1240.10

DENTL 230
Pit and Fissure Sealants
0.5 units, 0.34 hour lecture, 0.51 hour laboratory (GR)
Prerequisite: Dentl 220A and 220B and 221 and 222 and 223 and 224A and 225
Corequisite: Dentl 224B and 226 and 227 and 228A and 228B and 229
Recommended preparation: Dentl 251 and 252
Legal requirements and scope of practice as related to Pit and Fissure Sealants: Morphology of the teeth; identify indication and contraindications of Pit and Fissure Sealants; importance of documentation; infection control, equipment and armamentarium needed as well as instrument grasp, fulcrum techniques and application of materials. 1240.10

DENTL 248AA-FZ
Selected Topics in Dental Assisting
.5-.9 units, 0-9 hours lecture, 0-27 hours laboratory (GR or P/NP)
See section on Selected Topics. 1240.10

DENTL 251
Dental Terminology
1 unit, 1 hours lecture (GR)
Introduction to dental terminology: Terminology related to body structure, pathological conditions and diseases; operative terms and techniques including laboratory diagnostic procedures. 1240.10

DENTL 252
Overview of the Dental Assisting Program
1 unit, 1 hour lecture (GR)
Introductory study and basic overview of the dental assisting profession: Professionalism, restorative materials, infection control procedures, and dental techniques including laboratory procedures. 1240.10

Prepare for a well-paying career in Diesel and Truck Mechanics!

Journey-level diesel and truck mechanics are highly respected technical experts in their field. They work independently to solve problems using professional judgment, and take responsibility for the safe operation of the equipment that they repair and maintain.

Diesel and truck mechanics also specialize in a particular field. Areas of specialization include trucks, buses, boats, ships, locomotives, construction machines, and all classifications of support equipment. On the job, diesel and truck mechanics perform a range of duties including the following:

- Diagnosing problems in mechanical, electrical, and electronic systems that require the use of sophisticated computers and other diagnostic test equipment.
- Troubleshooting electronic controls that govern engine performance and horsepower. Transmissions and brake systems are increasingly controlled by electronic systems that interface with engine function.
- Troubleshooting steering, hydraulic, and pneumatic systems as well as brakes, axles, differentials, electric motors, and compressors.

Technical and Professional Skills Developed in the Program

- Apply safe work habits and practices.
- Troubleshoot and perform repairs in mechanical, electrical, and electronic systems.
- Use computers to diagnose equipment and research information.
- Perform preventative maintenance such as engine tune-ups, front-end alignments, and brake adjustments.
- Operate shop machinery and equipment including hoists, overhead cranes, forklifts, hydraulic jacks, steam cleaners, floor jacks, disassembly stands, grinders, drill presses, hydraulic presses, and bead blasters.
- Select and use precision tools such as torque wrenches, micrometers, dial indicators, tap and dies, and bore gauges.
- Maintain professional attitude in challenging working conditions.
- Develop self-confidence and pride in workmanship.
- Think analytically and make professional decisions.

Skills, Background, and Personal Qualities Helpful for Success in the Program

- Proficiency in basic math, reading, communication and personal computers.
- Completion of high school courses in auto, metal, machine shop, and science.
- Mechanical aptitude and ability.
- Self-discipline to learn to carry out precision work to industry standards.
- Good physical condition and coordination.
- Commitment to lifelong learning to keep pace with new technology.
- Experience with equipment and tools.

The Diesel Mechanics program in heavy duty truck and diesel mechanics prepares students to enter the job market as beginning mechanics or apprentices in this field, and allows students to continue their education toward the Baccalaureate degree in advanced schools of technology or as teachers in this field of specialization, or to broaden their skills in areas of management. Instruction includes the use of hand and power tools, elementary through advanced principles of diesel engines theory and operation; maintenance and repair of automotive and marine-type diesel engines and auxiliary equipment; and use of testing equipment.

Upon registering for a class in Diesel Mechanics, the student will receive a list of required basic tools. In addition, the student will be expected to provide tools that relate to the particular course in which he/she has enrolled. The purpose of this requirement is to assure that students graduating from the program possess tools in sufficient quantity to enter the trade adequately prepared.

A Certificate of Achievement in Diesel Mechanics will be awarded upon satisfactory completion of the major course requirements listed below.

The AS degree will be awarded upon completion of the major course requirements listed below and the General Education requirements for the Associate in Science Degree listed in the Degrees and Programs section of this Catalog.

**Recommended:**

Students may wish to take additional courses from the following, in consultation with a counselor:

- Dmech 20C, Truck Mechanics III (4)
- Dmech 20D, Truck Mechanics IV (4)
- Dmech 21C, Diesel Engines Lecture/Laboratory (6)
- Dmech 21D, Diesel Engines Lecture/Laboratory (6)

### DMECH 12

**Heavy-Duty Truck’s Electrical System and Brake System**

- 6 units, 6 hours lecture (GR)
- Acceptable for credit: CSU
- Also offered as Appr 452. Not open for credit to students who have completed or are currently enrolled in Appr 452.
- Operation, service, and maintenance of heavy-duty truck brake and electrical systems: Emphasis on critical thinking and problem solving of the air brake and electrical systems, including computer diagnostics and computer on-board networking programs. 0947.00

### DMECH 14

**Diesel Engines I**

- 4 units, 4 hours lecture (GR)
- Acceptable for credit: CSU
- Also offered as Appr 453. Not open for credit to students who have completed or are currently enrolled in Appr 453.
- Theory and operation of truck diesel engines and related sub-systems: Newest available technology on the commercial market. 0947.00

### DMECH 15

**Diesel Engines II**

- 4 units, 4 hours lecture (GR)
- Acceptable for credit: CSU
- Also offered as Appr 454. Not open for credit to students who have completed or are currently enrolled in Appr 454.
- Advanced theory and operation of truck diesel engines and related sub-systems: Newest available technology on the commercial market. 0947.00

### DMECH 20A

**Truck Mechanics I**

- 4 units, 12 hours laboratory (GR)
- Corequisite: Dmech 11
- Acceptable for credit: CSU
- Hands-on experience in diagnosing, servicing, and maintaining heavy-duty truck chassis systems: Clutches, transmission, rear axles, and front-end alignment; uses Internet- and factory-based computerized research materials. 0947.00

### DMECH 20B

**Truck Mechanics II**

- 4 units, 12 hours laboratory (GR)
- Corequisite: Dmech 12
- Acceptable for credit: CSU
- Hands-on experience in diagnosing, servicing, and maintaining heavy-duty truck brake and electrical systems: Emphasizes on problem solving and troubleshooting of heavy-duty brake and electrical systems. 0947.00

DMECH 20C  
**Truck Mechanics III**  
4 units, 12 hours laboratory (GR)  
Prerequisite: Dmech 20A and 20B  
Acceptable for credit: CSU  
Advanced practical application of scientific principles of truck mechanics in servicing and repairing the powertrain: Transmission, clutches, hydraulic and rear-axle systems and other components of the chassis. 0947.00

DMECH 20D  
**Truck Mechanics IV**  
4 units, 12 hours laboratory (GR)  
Prerequisite: Dmech 20C  
Acceptable for credit: CSU  
Advanced practical application of scientific principles of truck mechanics in servicing and repairing truck air brake and electrical systems: Air valves, pots, electrical system, starter lighting, computer engine controls and programming. 0947.00

DMECH 20E  
**Truck Mechanics V**  
4 units, 12 hours laboratory (GR)  
Prerequisite: Dmech 11 and 20A and 20C  
Recommend Preparation: CIS 205 or equivalent, courses in vocational teaching or physical fitness program: heavy-duty mechanic’s job duties often required the lifting of objects and tools that weigh over 100 lbs.  
Acceptable for credit: CSU  
Students work independently in this advanced lab to develop demonstrations and lesson plans in advanced practical application of scientific principles of truck mechanics in servicing and repairing the powertrain: Transmissions, clutches, hydraulic, rear-axle systems and other components of the chassis. 0947.00

DMECH 20F  
**Truck Mechanics VI**  
4 units, 12 hours laboratory (GR)  
Prerequisite: Dmech 11 and 20B and 20D  
Recommend Preparation: CIS 205 or equivalent, courses in vocational teaching or physical fitness program: heavy-duty mechanic’s job duties often required the lifting of objects and tools that weigh over 100 lbs.  
Acceptable for credit: CSU  
Students work independently in this advanced lab to develop demonstrations and lesson plans for advanced practical application of scientific principles of truck mechanics in servicing and repairing truck air brake and electrical system: Air valves, pots, electrical systems, starter lighting, computer engine controls and programming. 0947.00

DMECH 21A  
**Diesel Engine Lecture/Laboratory**  
6 units, 2 hours lecture, 12 hours laboratory (GR)  
Corequisite: Dmech 14  
Acceptable for credit: CSU  
Theory, operation, and practical application of truck diesel engines and related sub-systems: Engine oil and filters, fuel system, air-induction system, cooling system, fan belts, engine tune-up, water pump, fuel injectors, fuel pump, and other related components. 0947.00

DMECH 21B  
**Diesel Engine Lecture/Laboratory**  
6 units, 2 hours lecture, 12 hours laboratory (GR)  
Corequisite: Dmech 15  
Acceptable for credit: CSU  
Theory, operation, and practical application of truck diesel engines and related sub-systems: Cylinder head, pistons and liners, main bearings, turbo/blower, Cummins accessory drive, cam timing, and other related components; engine troubleshooting. 0947.00

DMECH 21C  
**Diesel Engine Lecture/Laboratory**  
6 units, 2 hours lecture, 12 hours laboratory (GR)  
Prerequisite: Dmech 21A and 21B  
Acceptable for credit: CSU  
Advanced theory, operation, and practical application of truck diesel engines and related sub-systems: Engine oil and filters, fuel system, air-induction system, cooling system, fan belts, engine tune-up, water pump, fuel injectors, fuel pump, and other related components. 0947.00

DMECH 21D  
**Diesel Engine Lecture/Laboratory**  
6 units, 2 hours lecture, 12 hours laboratory (GR)  
Prerequisite: Dmech 21C  
Acceptable for credit: CSU  
Advanced theory, operation, and practical application of truck diesel engines and related sub-systems: Replacement and removal of cylinder heads, pistons and liners, main bearings, turbo/blower, Cummins accessory drive, cam timing, and other related components; advanced engine troubleshooting. 0947.00

DMECH 48AA-FZ  
**Selected Topics in Diesel Mechanics**  
.5-9 units, 0-9 hours lecture, 0-27 hours laboratory (GR or P/NP)  
Acceptable for credit: CSU  
See section on Selected Topics. 0947.00
DMECH 49
Independent Study in Diesel Mechanics
.5-5 units, .5-5 hours lecture (GR)
Acceptable for credit: CSU
See section on Independent Study. 0947.00

DMECH 202
Forklift Operation and Certification
1 units, 1 hours lecture, 3 hours laboratory (GR or P/NP)
Training in forklift operations typically used in the warehousing and distribution industries. Training covers operation, inspection, basic maintenance and safety. 0947.00

DMECH 248AA-FZ
Selected Topics in Diesel Mechanics
.5-9 units, 0-9 hours lecture, 0-27 hours laboratory (GR or P/NP)
See section on Selected Topics. 0947.00

ECONOMICS (ECON)

ECON 1
Principles of Economics (Macro-Economics)
3 units, 3 hours lecture (GR)
Prerequisite: Math 203 or 211D or 205B
Acceptable for credit: CSU, UC
Introductory economic concepts: Measurements of national income and production; causes of inflation, recession and depression; money and banking; government monetary and fiscal (spending and taxation) policies; stabilization techniques; economic growth; history of economic thought and philosophy. 2204.00
AA/AS area 2; CSU area D; IGETC area 4

ECON 2
Principles of Economics (Micro-Economics)
3 units, 3 hours lecture (GR)
Prerequisite: Math 203 or 211D or 205B
Econ 1 is not prerequisite to Econ 2.
Acceptable for credit: CSU, UC
Principles of micro-economics: Forms of business organization, theory of the firm within competitive and noncompetitive markets, distribution of income, poverty, labor issues, agriculture. 2204.00
AA/AS area 2; CSU area D; IGETC area 4

ECON 5
Introduction to Economics
3 units, 3 hours lecture (GR)
Acceptable for credit: CSU, UC
Introduction to macro- and micro-economics: Methods and principles of economics, such as understanding economic behavior, economic decision-making, and government policy. 2204.00
AA/AS area 2; CSU area D; IGETC area 4

ECON 48AA-FZ
Selected Topics in Economics
.5-5 units, 0-5 hours lecture, 0-15 hours laboratory (GR or P/NP)
Acceptable for credit: CSU
See section on Selected Topics. 2204.00

ECON 49
Independent Study in Economics
.5-5 units, .5-5 units lecture (GR)
Acceptable for credit: CSU
See section on Independent Study. 2204.00

EDUCATION (EDUC)

EDUC 1
Introduction to the Field of Education
3 units, 3 hours lecture (GR or P/NP)
Acceptable for credit: CSU, UC
Historical and sociological analysis of the education system and careers in teaching: Study of principles of effective instructional models with emphasis on student-centered and culturally-relevant methods, research of resources for curriculum and instruction, and observation of teaching practices in local schools. 0801.00
AA/AS area 2

EDUC 48AA-FZ
Selected Topics in Education

Total Required Units: 20

ENGL 1A

Composition and Reading
4 units, 4 hours lecture (GR or P/NP)
Prerequisite: Engl 201B or ESL 21B or appropriate placement through multiple-measures assessment process
Acceptable for credit: CSU, UC
Reading and writing expository prose: Critical thinking, identifying logical fallacies, and reasoning inductively and deductively. 1501.00
AA/AS area 4a, 4d, 4e; CSU area A2; IGETC area 1A

ENGL 1B

Composition and Reading
4 units, 4 hours lecture (GR or P/NP)
Prerequisite: Engl 1A
Acceptable for credit: CSU, UC
Continued expository writing: Careful reading of selected plays, poems, and novels. 1501.00
AA/AS area 3, 4a, 4d; CSU area C2; IGETC area 3

ENGL 5

Critical Thinking in Reading and Writing
3 units, 3 hours lecture (GR or P/NP)
Prerequisite: Engl 1A
Acceptable for credit: CSU, UC
Development of the ability to analyze, criticize and advocate ideas: Relationship of language to logic, induction and deduction, facts, inferences, judgments, and formal and informal fallacies of language and thought. Instructs in writing about issues of critical thinking to develop both thinking and writing skills. 1501.00
AA/AS area 4a, 4d, 4e; CSU area A3; IGETC area 1B

ENGL 10A

Creative Writing
3 units, 3 hours lecture (GR or P/NP)
Prerequisite: Engl 1A
Acceptable for credit: CSU, UC
Writing fiction, poetry, and drama: Careful analysis of the techniques used by established writers. 1507.00
AA/AS area 3, 4d; CSU area C2

ENGL 10B

Creative Writing
3 units, 3 hours lecture (GR or P/NP)
Prerequisite: Engl 1A
Engl 10A is not prerequisite to Engl 10B.
Acceptable for credit: CSU, UC
Continuation of writing fiction, poetry, and drama: Careful analysis of the techniques used by established writers. 1507.00
AA/AS area 3, 4d; CSU area C2

ENGL 17A

Shakespeare
3 units, 3 hours lecture (GR or P/NP)
Prerequisite: Engl 1A
Acceptable for credit: CSU, UC
Study of selected works of Shakespeare. 1503.00
AA/AS area 3, 4d; CSU area C2; IGETC 3
ENGL 17B
Shakespeare
3 units, 3 hours lecture (GR or P/NP)
Prerequisite: Engl 1A
Engl 17A is not prerequisite to Engl 17B.
Acceptable for credit: CSU, UC
Continued study of selected works of Shakespeare. 1503.00
AA/AS area 3, 4d; CSU area C2; IGETC area 3

ENGL 27A
The Bible as Literature: Old Testament
3 units, 3 hours lecture (GR or P/NP)
Prerequisite: Engl 1A
Acceptable for credit: CSU, UC
Close reading and discussion of the Old Testament:
Emphasis on literary forms, philosophical ideas, literary
themes, and symbolism; nonsectarian. 1503.00
AA/AS area 3, 4d; CSU area C2; IGETC area 3

ENGL 27B
The Bible as Literature: New Testament
3 units, 3 hours lecture (GR or P/NP)
Prerequisite: Engl 1A
Engl 27A is not prerequisite to Engl 27B.
Acceptable for credit: CSU, UC
Close reading and discussion of the New Testament and
Apocrypha: Emphasis on literary forms, philosophical
ideas, literary themes, and symbolism; nonsectarian. 1503.00
AA/AS area 3, 4d; CSU area C2; IGETC area 3

ENGL 30A
Introduction to American Literature
3 units, 3 hours lecture (GR or P/NP)
Prerequisite: Engl 1A
Acceptable for credit: CSU, UC
Survey of American literature: From pre-colonial
beginnings to Walt Whitman. 1503.00
AA/AS area 3, 4d; CSU area C2; IGETC area 3

ENGL 30B
Introduction to American Literature
3 units, 3 hours lecture (GR or P/NP)
Prerequisite: Engl 1A
Engl 30A is not prerequisite to Engl 30B.
Acceptable for credit: CSU, UC
Survey of American literature: From American
romanticism to literature of the twentieth century. 1503.00
AA/AS area 3, 4d; CSU area C2; IGETC area 3

ENGL 31
Survey of African-American Literature
3 units, 3 hours lecture (GR or P/NP)
Prerequisite: Engl 1A
Acceptable for credit: CSU, UC
Major works in African-American literature: From the
earliest literature through the Harlem Renaissance to the
present. 1503.00
AA/AS area 3, 4d, 5; CSU area C2; IGETC area 3

ENGL 32A
Contemporary Women Writers
3 units, 3 hours lecture (GR or P/NP)
Prerequisite: Engl 1A
Acceptable for credit: CSU, UC
Survey of contemporary fiction, poetry, and
autobiography by women writers: Emphasis on cross-
cultural perspectives and the works of African, African-
American, Asian, Native-American, Hispanic, Jewish,
and Northern European women writers. 1503.00
AA/AS area 3, 4d; CSU area C2; IGETC area 3

ENGL 32B
Contemporary Women Writers
3 units, 3 hours lecture (GR or P/NP)
Prerequisite: Engl 1A
Engl 32A is not prerequisite to Engl 32B.
Acceptable for credit: CSU, UC
Continuation of survey of contemporary fiction, poetry,
and autobiography by women writers: Emphasis on
cross-cultural perspectives and the works of African,
African-American, Asian, Native-American, Hispanic,
Jewish, and Northern European women writers. 1503.00
AA/AS area 3, 4d; CSU area C2; IGETC area 3

ENGL 33A
Introduction to Contemporary Literature
3 units, 3 hours lecture (GR or P/NP)
Prerequisite: Engl 1A
Acceptable for credit: CSU, UC
Study of selected literature of the twentieth century:
Thematic and stylistic aspects of the individual works;
emphasis on European writers to 1970. 1503.00
AA/AS area 3, 4d; CSU area C2; IGETC area 3

ENGL 33B
Introduction to Contemporary Literature
3 units, 3 hours lecture (GR or P/NP)
Prerequisite: Engl 1A
Engl 33A is not prerequisite to Engl 33B.
Acceptable for credit: CSU, UC
Study of selected literature of the twentieth century:
Thematic and stylistic aspects of the individual works;
1970 to the present with emphasis on American and
British writers. 1503.00
AA/AS area 3, 4d; CSU area C2; IGETC area 3
ENGL 36
Women in Literature
3 units, 3 hours lecture (GR or P/NP)
Prerequisite: Engl 1A
Acceptable for credit: CSU, UC
Study of women in literature written by both men and women: Social effects of images of women; the creative process in literary works written by women. 1503.00
AA/AS area 3, 4d; CSU area C2; IGETC area 3

ENGL 47
Children’s Literature
3 units, 3 hours lecture (GR or P/NP)
Prerequisite: Engl 1A
Acceptable for credit: CSU
Introduction to children’s literature: Fairy tales and tale types; interpretation of children’s literature from the perspectives of children, teachers, and parents; study of books by authors such as Brown, Dahl, Juster, Rowling, Sendak, Soto, and others. 1503.00
AA/AS area 3, 4d; CSU area C2

ENGL 48AA-FZ
Selected Topics in English

What is Geography?  Humans have long pondered their place in the natural world, recognizing both the challenges and opportunities afforded them by the environment and, more recently, the effects of human activities in modifying that environment. This interplay of natural systems and human societies is the subject of the field of geography. Physical geography focuses primarily on the operation of earth’s systems upon which humans depend; cultural geography examines how humans live on the earth: how we modify the landscape, organize space, move about, use resources, and create the economies that sustain us.

Skills learned in the study of geography are useful in many rewarding career paths. Urban planners design livable environments in the city; environmental managers, employed by government agencies and private industry, work to conserve our natural resources; hydrologists manage increasingly scarce water resources; cartographers produce maps for both public and private employers; academic geographers teach at all levels in our educational system; geographic information system (GIS) specialists provide their technical expertise to assist in the planning of structures and projects; foresters, many employed by the National Forest Service or the US Department of Agriculture, manage millions of acres of precious woodlands; park rangers in state and national parks help to maintain the health and beauty of these places and share their knowledge through public information programs.

“When we try to pick out anything by itself, we find it hitched to everything else in the universe.”
- John Muir 1869

The College of Alameda Geography program recognizes this and takes an integrated, system-based approach to the study of natural processes, sometimes called earth system science. This stress upon the interactions of various components of our system is especially valuable in today’s rapidly changing environment.

The AA degree in Geography will be awarded upon completion of the major course requirements listed below and the General Education requirements for the Associate in Arts Degree listed in the Degrees and Programs section of this Catalog.

To study History is to study yourself in relationship to the human story. It is the study of the past through the written record of human actions over time. Historians examine and analyze stories of the sequence of human events, attempting to investigate patterns, causal relationships, and the effects this has upon subsequent human events. George Santayana said:

“Those who cannot remember the past are condemned to repeat it.”

This is why we study history.

Why Study History at College of Alameda? The faculty and the program in history at College of Alameda are part of a core group of innovative, motivating, and passionate educators. The style, design, and delivering of courses reflects their commitment to offering courses that meet the needs of our students today. Our mission is to meet the educational needs of the community by providing comprehensive and flexible programs that will enable students to transfer to four-year institutions and earn degrees and certificates in selected academic and occupational fields, prepare students for positions in the workforce, improve students’ basic learning skills, and expand their general knowledge.

Career Options for History Majors include employment opportunities in a variety of different career areas. The need for teachers in the state of California for elementary, middle, and high schools remains high and college graduates with a history degree will find themselves well suited for opportunities to earn teaching credentials in a variety of subjects. The research and writing skills needed to successfully complete a degree in history offer excellent preparation for careers in law, journalism, public relations, and domestic and foreign government service.

The AA degree in History will be awarded upon satisfactory completion of the major course requirements listed below and the General Education requirements for the Associate in Arts Degree listed in the Degrees and Programs section of this Catalog.

HUMANITIES
(HUMAN)

What is the Humanities? The Humanities is an interdisciplinary field that involves the study of local and global forms in the creative arts and sciences. The main objective of studying humanities at College of Alameda is to explore the aesthetics of everyday life from a variety of disciplinary perspectives. As a form of general education, the humanities encourages students to examine emerging forms of play, creativity, and innovation so that they learn to become more deeply engaged in their own lives and with the world-at-large. Through fun lectures, games, discussions, workshops, and multisensory projects, COA courses in the humanities explore such exciting topics as performance, the visual arts, language, literature, film, media, popular culture, folklore, storytelling, humor, games, religion, music, dance, foodways, fashion, tourism, and technology.

The humanities will prepare you: (1) to transfer to any discipline of your choice at a college or university, and (2) to learn valuable life skills such as creative thinking, cultural competence, social activism, community-building, and conflict resolution. An AA degree in the humanities can be applied to a range of careers in education, the arts, the sciences, business, medicine, nursing, law, psychology, sociology, anthropology, theology, social work, tourism, and grass-roots and nonprofit organizations.

The AA degree in Humanities will be awarded upon satisfactory completion of the major course requirements listed below and the General Education requirements for the Associate in Arts Degree listed in the Degrees and Programs section of this Catalog.

Direct Support Worker Certificate Program
This Certificate is an exploration of career and technical education in the essential skills to provide effective support to individuals with developmental disabilities. It is an introduction to the necessary skills in math, computer, and writing; contextualized with specialized coursework in direct support work. A cardiopulmonary resuscitation (CPR) certificate is also included. The certificate involves a service learning field work experience supported by an exploration of the knowledge, history, and issues relative to service fields within the realm of “direct service work,” with persons with developmental disabilities. A focus is upon specific knowledge and skills that will assist in better serving the unique needs of adults with developmental disabilities (e.g. promotion of health, safety, self-advocacy, life skills, community and family inclusion); emphasis on supports that allow people with developmental disabilities to maximize choice and opportunity.

Career Opportunities
This is an exciting time to pursue a career working with individuals with developmental disabilities. The past three decades have produced major advances in legislation, education and services for individuals with disabilities. With the support of innovative services: families are raising their children at home rather than in institutions; children previously considered uneducable are attending public schools, and; adults with developmental disabilities are becoming productive members of their communities both at work and home. With approximately 4000 direct support workers currently employed in the County of Alameda and 40% growth expected over the next decade, there will be plenty of opportunities for employment in this sector.

Certificate holders should qualify for employment in Supported Living Services, Group homes, sheltered workshops, adult day programs; and other programs provide support for individuals with developmental disabilities. With further training and experience they will have opportunities to move up a career ladder that includes employment as independent living instructors, job coaches in supported employment, supervisors, case managers and specialists.

LIBERAL ARTS

The Liberal Arts AA Degree is designed for students who desire a broad knowledge of liberal arts and sciences plus additional coursework in an “Area of Emphasis”. This area of emphasis would be an ideal choice for students planning on transferring to the California State University or University of California as the student can satisfy their general education requirements, plus focus on transferable course work that relates to majors at CSU or UC. Please consult with a counselor for specific information regarding your intended major at the specific colleges/university of your choice.

- Choose either option of CSU BREADTH or IGETC for the General Education pattern related to your educational goal.
- Complete requirements in Computer Literacy, Ethnic Studies and Critical Thinking (see catalog for details).
- Complete 18 units in one “Area of Emphasis” from those outlined below. (Note: Courses in the “area of emphasis” may also be counted toward a GE area).
- Refer to www.ASSIST.org for transfer details and see a counselor for additional details.

LIBERAL ARTS AA DEGREE

General Education CSU GE BREADTH/IGETC: 37-39

**LIBERAL ARTS: IGETC**

If you plan to transfer to the California State University system (CSU) or the University of California system (UC), you are encouraged to pursue a **Certificate of Achievement in Liberal Arts**. You should consult with a counselor to develop your own program of study.

**UC or CSU Transfer**

You are encouraged to pursue this certificate if you want to apply to transfer to either the University of California system or the California State University system and want to fulfill lower-division general education requirements by completing the Intersegmental General Education Transfer Curriculum (IGETC). You will select courses that fulfill the IGETC requirements (with a grade of “C” or better in each course), to total 37 transferable semester units (with an overall GPA of 2.0). Upon completion of these requirements you will file both a “Petition for a Certificate of Achievement” and a “Request for General Education or IGETC Certification” with the Admissions and Records Office.

**Certificate of Achievement**

Complete the following requirements:

- You must complete the course requirements for all areas before IGETC can be certified.
- You must complete all courses with grades of “C” or better.

**Area 1: English Communication**

UC: 1 course from Group A, and 1 course from Group B.

CSU: 1 course from Group A, 1 course from Group B, and 1 course from Group C.

**Group A:** English Composition: One course, 3 semester (4-5 quarter) units.

*Course may not be counted in more than one area.
+Students will receive credit and certification for one course only.

American Institutions Requirement
CSU graduation requires completion of a U.S. History, Constitution and American Ideals requirement. To complete this requirement take one of the following combinations of two courses:

With Political Science 1 or 5 take:
History 7A or 7B or 40;
OR
With Political Science 16 take History 7A;
OR
With Political Science 26 take one of the following:
African-American Studies 30 or 31, or
History 7A or 7B or 50 or 51.

Note: Courses used to meet this requirement may also be used to satisfy the requirement in CSU-GE/Breadth Area D (at the option of the receiving CSU campus) although the units are only counted once. Please see a counselor for more information.

Total Minimum Required Units: 39

For all program degree and certificate updates, please visit:
http://alameda.peralta.edu
Note: Students must request certification of CSU general education requirements from Admissions and Records prior to transfer. For full certification of GE requirements, student must complete 9 units from area A, a minimum of 9 units from areas B, C, and D, and 3 units from area E for a total of 39 units.

LIBERAL ARTS: TEACHER PREPARATION

For students interested in pursuing a teaching career in grades K-12, the Liberal Arts Major is the appropriate pathway. The Liberal Arts Major is the most common “approved” major for teacher preparation and the major that best prepares students to take the California Subject Examinations for Teachers (CSET).

With careful selection of course work a student may prepare for several universities as well as complete the lower division general education requirements needed to enter a credential program. For more specific information, please see a counselor.

Library Information Studies enables students to become more successful by learning to recognize the extent and nature of information needed for research, then locate, evaluate, effectively use, and present information to solve problems. After completing library research classes and workshops, students will know how to make more informed decisions, adapt to new technologies, and remain independent learners for life. In a twenty-first century information economy, information literacy provides a critical set of skills often listed among the top ten job skills sought by employers.

LIS 48AA-FZ
Selected Topics in Library Information Studies
.5-5 units, 0-5 hours lecture, 0-15 hours laboratory (GR or P/NP)
Acceptable for credit: CSU.
See section on Selected Topics. 0801.00

LIS 85
Introduction to Information Resources
2 units, 2 hours lecture (GR or P/NP)
Recommended preparation: Engl 201A or appropriate placement through multiple-measures assessment, and CIS 1 or 200 or 205 or Bus 219
Acceptable for credit: CSU, UC
Introduction to the basic concepts and tools used in information research: Emphasis on how to develop a research topic and find, locate, evaluate, and use information; search strategies for print and online resources including reference books, catalogs, indexes, specialized databases, and the Internet. 1699.00

LIS 200
Library Skills for College Students
1 Unit, 1 Hour Lecture, (GR/PNP)
Introduction to the college library: Emphasis on finding, evaluating, using, and citing books, journal articles, and websites for classroom assignments. 1699.00

LIS 248AA-FZ
Selected Topics in Library Information Studies
.5-5 units, 0-5 hours lecture, 0-15 hours laboratory (GR or P/NP)

**What is Mathematics?** Studying math is an exploration of the “science of numbers and their operations, interrelations, combinations, generalizations, and abstractions and of space configurations and their structure, measurement, transformations, and generalizations.” (Merriam-Webster)

**Why Study Mathematics?** Today’s world has many fields that need specialists in mathematics. Careers in mathematics include: scientists, researchers, space technicians, mathematics teachers, actuaries and insurance specialists, and people who can combine mathematical knowledge with a scientific, computer, or business background.

At College of Alameda we offer you a variety of courses intended for those who want to pursue a degree or certificate in mathematics as well as those who wish to develop quantitative and problem-solving skills for use in other fields. We teach according to the motto:

*Education anytime anywhere by offering a wide range of Math classes designed to fit around anyone’s busy schedules.*

The faculty and staff in mathematics at College of Alameda are dedicated to working hard with you—helping you succeed in a positive atmosphere that is conducive to your learning math in the most enjoyable and competent manner possible.

College of Alameda offers the following two degrees in Mathematics:

**A.S. Degree in Mathematics**
The AS degree in Mathematics will be awarded upon completion of the major courses designed to prepare students for transfer into the mathematics major at any university in the University of California (UC) and California State University (CSU) systems.

**AS-T Degree in Mathematics**
The AS-T degree in Mathematics is designed to prepare students for transfer into the mathematics major at any university in the CSU system. It requires fewer units than the AS degree and allows students to a wider range of choices to complete the degree requirements.

The AS-T degree in Mathematics will be awarded upon completion of the major course requirements listed below and the General Education requirements for the Associate in Science Degree listed in the Degrees and Programs section of this Catalog.

**Minimum Required Units** 21

**MATH 2**

**Pre-Calculus with Analytic Geometry**

5 units, 5 hours lecture (GR)

Prerequisite: Math 50 or 52C

Acceptable for credit: CSU, UC

Advanced algebra and analytic geometry: Linear, quadratic, polynomial, rational, exponential, logarithmic, and inverse functions; determinants, matrices and linear systems; zeros to polynomials, arithmetic and geometric sequences, mathematical induction; permutations and combinations, binomial theorem; vectors, conic sections, translation and rotation of axes, polar coordinates, lines and surfaces in space, quadric surfaces. 1701.00

AA/AS area 4b, 4e; CSU area B4; IGETC area 2
MATH 3A
Calculus I
5 units, 5 hours lecture (GR)
Prerequisite: Math 2; and 50 or 52C
Acceptable for credit: CSU, UC
Theorems on limits and continuous functions, derivatives, differentials and applications: Fundamental theorems of calculus and applications; properties of exponential, logarithmic, and inverse trigonometric functions, and hyperbolic functions. 1701.00
AA/AS area 4b, 4e; CSU area B4; IGETC area 2

MATH 3B
Calculus II
5 units, 5 hours lecture (GR)
Prerequisite: Math 3A
Acceptable for credit: CSU, UC
Applications of the definite integral: Methods of integration, polar coordinates, parametric equations, infinite and power series. 1701.00
AA/AS area 4b, 4e; CSU area B4; IGETC area 2

MATH 3C
Calculus III
5 units, 5 hours lecture (GR)
Prerequisite: Math 3B
Acceptable for credit: CSU, UC
Partial differentiation: Jacobians, transformations, multiple integrals, theorems of Green and Stokes, differential forms, vectors and vector functions, geometric coordinates, and vector calculus. 1701.00
AA/AS area 4b, 4e; CSU area B4; IGETC area 2

MATH 3E
Linear Algebra
3 units, 3 hours lecture (GR)
Prerequisite: Math 3A
Not open for credit to students who have completed or are currently enrolled in Math 3D.
Acceptable for credit: CSU, UC
Linear algebra: Gaussian and Gauss-Jordan elimination, matrices, determinants, vectors in $\mathbb{R}^2$ and $\mathbb{R}^3$, real and complex vector spaces, inner product spaces, linear transformations, eigenvalues, eigenvectors, and applications. 1701.00
AA/AS area 4b, 4e; CSU area B4; IGETC area 2

MATH 3F
Differential Equations
3 units, 3 hours lecture (GR)
Prerequisite: Math 3C
Math 3E plus 3F are equivalent to Math 3D.
Not open for credit to students who have completed or are currently enrolled in Math 3D.
Acceptable for credit: CSU, UC
Ordinary differential equations: First-order, second-order, and higher-order equations; separable and exact equations, series solutions, Laplace transformations, systems of differential equations. 1701.00
AA/AS area 4b, 4e; CSU area B4; IGETC area 2

MATH 11
Discrete Mathematics
4 units, 4 hours lecture (GR or P/NP)
Prerequisite: Math 203 or 211D
Acceptable for credit: CSU, UC
Discrete mathematics: Mathematical induction, finite series, sets, relations and functions, introduction to trees, combinatorics, algebraic structures, and probability. 1701.00
AA/AS area 4b, 4e; CSU area B4; IGETC area 2

MATH 12
Symbolic Logic
4 units, 4 hours lecture (GR)
Prerequisite: Math 203 or 211D
Acceptable for credit: CSU, UC
Introduction to symbolic logic: Valid reasoning, logical truth, consistency premises, symbolizing everyday language, general theory of inference for predicate calculus, consistency and independence of axioms, theorems of logic, axiomatic systems, mathematical induction and direct proofs, sentential and predicate logic. 1701.00
AA/AS area 4b, 4e; CSU area B4

MATH 13
Introduction to Statistics
4 units, 4 hours lecture (GR)
Prerequisite: Math 203 or 211D
Acceptable for credit: CSU, UC
Introduction to theory and practice of statistics: Collecting data: Sampling, observational and experimental studies. Organizing data: Univariate and bivariate tables and graphs, histograms. Describing data: Measures of location, spread, and correlation. Theory: Probability, random variables; binomial and normal distributions. Drawing conclusions from data: Confidence intervals, hypothesis testing, z-tests, t-tests, and chi-square tests; one-way analysis of variance. Regression and non-parametric methods. 1701.00
AA/AS area 4b, 4e; CSU area B4; IGETC area 2

MATH 15
Mathematics for Liberal Arts Students
3 units, 3 hours lecture (GR or P/NP)
Prerequisite: Math 203 or 211D
Acceptable for credit: CSU, UC
Fundamental ideas underlying modern mathematics: Elements from logic, sets, and number systems; concepts of elementary algebra, geometry, topology, and combinatorics. 1701.00
AA/AS area 4b, 4e; CSU area B4

MATH 16A
Calculus for Business and Life/Social Sciences
3 units, 3 hours lecture (GR)
Prerequisite: Math 2
Acceptable for credit: CSU, UC
Introduction to analytic geometry and differential and integral calculus of algebraic functions with particular attention paid to simple applications. 1701.00
AA/AS area 4b; CSU area B4; IGETC area 2

MATH 16B
Calculus for Business and Life/Social Sciences
3 units, 3 hours lecture (GR)
Prerequisite: Math 16A or 3A
Acceptable for credit: CSU, UC
Continuation of differential and integral calculus: Transcendental functions, methods of integration, partial differentiation, and multiple integration with particular attention to applications. 1701.00
AA/AS area 4b; CSU area B4; IGETC area 2

MATH 48AA-FZ
Selected Topics in Mathematics
.5-5 units, 0-5 hours lecture, 0-15 hours laboratory (GR or P/NP)
Acceptable for credit: CSU
See section on Selected Topics. 1701.00

MATH 201
Elementary Algebra
4 units, 5 hours lecture (GR)
Prerequisite: Math 225 or 250 or 251D or 253 or appropriate placement through multiple-measures assessment process
Not open for credit to students who have completed or are currently enrolled in Math 210ABCD.
Basic algebraic operations: Linear equations and inequalities, relations and functions, factoring quadratic polynomials, solving quadratic equations, fractions, radicals and exponents, word problems, graphing, and number systems. 1701.00

MATH 202
Geometry
3 units, 3 hours lecture (GR)
Prerequisite: Math 201 or 210D or appropriate placement through multiple-measures assessment process
Introduction to plane geometry emphasizing mathematical logic and proofs: Geometric constructions, congruent triangles, parallel lines and parallelograms, proportions, similar triangles, circles, polygons, and area. 1701.00
AA/AS area 4b

MATH 203
Intermediate Algebra
4 units, 5 hours lecture (GR)
Prerequisite: Math 201 or 210D or appropriate placement through multiple-measures assessment process
Recommended preparation: Math 202
Not open for credit to students who have completed or are currently enrolled in Math 211ABCD.
Intermediate algebraic operations: Real number properties and operations; solutions and graphs of linear equations in one and two variables; absolute value equations; advanced factoring; complex numbers; quadratic equations and systems of quadratic equations; conics; determinants; solutions and graphs of first-degree, quadratic, and rational inequalities; exponential and logarithmic functions; and sequences and series. 1701.00
AA/AS area 4b
MATH 225
Mathematics for Technicians
3 units, 3 hours lecture (GR)
Prerequisite: Math 250 or 251D or 253 or appropriate placement based on a multiple-measure assessment process
Mathematics for technicians: Signed numbers, formulas, fractions, English and metric measurements, decimals, accurate readings of scales, errors, simple algebra and geometry, reading graphs, and use of the calculator. 1701.00

MATH 248AA-FZ
Selected Topics in Mathematics
.5-5 units, 0-5 hours lecture, 0-15 hours laboratory (GR or P/NP)
See section on Selected Topics. 1701.00

MATH 250
Arithmetic
3 units, 3 hours lecture (GR or P/NP)
Not open for credit to students who have completed or are concurrently enrolled in Math 251ABCD.
Non-degree applicable
Refresher course in the fundamental processes of arithmetic: Whole numbers, fractions, decimals and percents; metric system introduced and incorporated throughout the arithmetic material. 4930.41

MATH 253
Pre-Algebra
3 units, 3 hours lecture (GR or P/NP)
Recommended preparation: Math 250 or 251D or appropriate placement through multiple-measures assessment process
Non-degree applicable
Fundamentals of pre-algebra: Properties of real numbers, factoring and multiples, ratio and proportion, signed numbers, linear equations and formulas, powers and roots, percents and averages, and English and metric measurements. 4930.41

MATH 257
Learning Strategies in Algebra and Geometry
1-3 units, 1-3 hours lecture (GR or P/NP)
Open-entry/open-exit course
Recommended for students with learning disabilities. Enroll through Programs and Services for Students with Disabilities.
Non-degree applicable
Course study under this section may be repeated two times for a maximum of 3 units.
Introductory concepts in algebra and geometry for students with learning disabilities: Learning strategies for mastering algebra and geometry based on students’ individual learning strengths and weaknesses. 4930.32

MATH 258
Introduction to Mathematical Concepts and Strategies
1-3 units, 1-3 hours lecture (GR or P/NP)
Open-entry/open-exit course
Recommended for students with learning disabilities. Enroll through Programs and Services for Students with Disabilities.
Non-degree applicable
Course study under this section may be repeated two times for a maximum of 3 units.
Quantitative concepts and development of problem solving skills in arithmetic for students with learning disabilities: Learning strategies for mastering arithmetic based on students’ individual learning strengths and weaknesses. 4930.32

**Credit limited to one course only.
***Proficiency through the level of SPAN 1B is strongly recommended.

M/LAT 2A
Latin-American Folklore
3 units, 3 hours lecture (GR or P/NP)
Also offered as Human 51A. Not open for credit to students who have completed or are currently enrolled in Human 51A.
Acceptable for credit: CSU, UC
Study of Mexican and Mexican-American folklore, including Spanish-speaking folk groups in the United States: Indigenous myths, legends, contemporary oral narrative, folk art, cooking, and folk music with emphasis on ballads, folk humor, and festivals, both religious and secular. No knowledge of Spanish required. 2203.04 AA/AS area 3; CSU area C2; IGETC area 3

M/LAT 2B
Latin-American Folklore
3 units, 3 hours lecture (GR or P/NP)
Also offered as Human 51B. Not open for credit to students who have completed or are currently enrolled in Human 51B.
Acceptable for credit: CSU, UC
Study of Central American and Caribbean folklore, including Spanish-speaking folk groups in the United States: Indigenous myths, legends, contemporary oral narrative, folk art, cooking, and folk music with emphasis on ballads, folk humor, and festivals, both religious and secular. No knowledge of Spanish required. 2203.04 AA/AS area 3; CSU area C2; IGETC area 3

M/LAT 2C
Latin-American Folklore
3 units, 3 hours lecture (GR or P/NP)
Also offered as Human 51C. Not open for credit to students who have completed or are currently enrolled in Human 51C.
Acceptable for credit: CSU, UC
Study of South American folklore, including Spanish-speaking folk groups in the United States: Indigenous myths, legends, contemporary oral narrative, folk art, cooking, and folk music with emphasis on ballads, folk humor, and festivals, both religious and secular. No knowledge of Spanish required. 2203.04 AA/AS area 3; CSU area C2; IGETC area 3

M/LAT 3
Survey of Latin-American/Chicano Authors
3 units, 3 hours lecture (GR or P/NP)
Also offered as Span 51. Not open for credit to students who have completed or are currently enrolled in Span 51.
Acceptable for credit: CSU, UC
Chronological study of selected pre-Hispanic, Spanish colonial, and contemporary Latin literature in translation: Focus on contemporary Chicano, Puerto Rican, and Mexican authors with emphasis on Latin-American literary trends. 2203.04
AA/AS area 3; CSU area C2; IGETC area 3

M/LAT 18A
History and Culture of the Caribbean/Central America
3 units, 3 hours lecture (GR or P/NP)
Also offered as Hist 53A. Not open for credit to students who have completed or are currently enrolled in Hist 53A.
Acceptable for credit: CSU, UC
History, culture, politics, and social and economic make-up of the Caribbean and Central American nations from the pre-Columbian period to 1810: Emphasis on understanding contemporary institutions and events in relation to Anglo America. 2203.04
AA/AS area 2; CSU area D; IGETC area 3, 4

M/LAT 18B
History and Culture of the Caribbean/Central America
3 units, 3 hours lecture (GR or P/NP)
Also offered as Hist 53B. Not open for credit to students who have completed or are currently enrolled in Hist 53B.
Acceptable for credit: CSU, UC
History, culture, politics, and social and economic make-up of the Caribbean and Central American nations from 1810 to the present: Emphasis on understanding contemporary institutions and events in relation to Anglo America. 2203.04
AA/AS area 2; CSU area D; IGETC area 3, 4

In studying Music at College of Alameda our mission is to help you by enriching your life and empowering you with a broad understanding and appreciation of music’s impact on your daily life as well as the greater world in which we live.

We offer courses for the aspiring performer/musician as well as those seeking to better understand the inner workings of the music industry along with its history. Experienced professionals who bring both academic integrity and first-hand experience to the classroom, our staff are committed to the personal growth and development of each and every student.

MUSIC 1A
Musicianship
3 units, 3 hours lecture (GR or P/NP)
Acceptable for credit: CSU, UC
Study of music theory: Clefs, key signatures, scales, intervals (diatonic and chromatic), chord structures (triads and dominant sevenths), and rhythm. 1004.00

MUSIC 1B
Musicianship
3 units, 3 hours lecture (GR or P/NP)
Recommended preparation: Music 1A and 38A
Acceptable for credit: CSU, UC
Study of chord structures: Triads, seventh chords and their extensions; proper notation and function, theory of rhythmic design explored through the study of proper notation, manuscript considerations, and rhythmic drills, dictation, written and performance skills. 1004.00

MUSIC 9
Introduction to World Music
3 units, 3 hours lecture (GR or P/NP)
Acceptable for credit: CSU, UC

**NATURAL SCIENCES**

See listing for Liberal Arts with Emphasis in Natural Sciences.
What is Philosophy? Philosophy is a discipline that examines fundamental questions about everyday life and the natural world. The main objectives of studying philosophy at College of Alameda are: (1) to critically analyze ideas, texts, arguments, traditions, and contemporary culture, and (2) to synthesize knowledge for the purposes of inspiring personal and social change. By studying philosophy, you will gain wisdom, clarity, and awareness about a wide variety of philosophical issues that arise within different cultural and historical contexts.

Philosophy will prepare students to transfer to any discipline of their choice within the humanities and social sciences at a college or university. In addition, you will learn valuable life skills such as critical thinking, cultural competence, social activism, community-building, and conflict resolution. An AA degree in philosophy can be applied to a range of careers in law, education, business, medicine, nursing, law, psychology, sociology, anthropology, theology, social work, and grass-roots and nonprofit organizations.

The AA degree in Philosophy will be awarded upon satisfactory completion of the major course requirements listed below and the General Education requirements for the Associate in Arts Degree listed in the Degrees and Programs section of this Catalog.

Physical Education is about activity that serves as a medium through which a total learning experience takes place. Physical activity not only improves our physical health, but it enhances our emotional outlook, and even stimulates our intellectual activity and ability. It improves wellness while focusing on teaching skills, the acquisition of knowledge, and the development of attitudes through movement.

Why “study” Physical Education? It provides each person various opportunities from assessment of fitness levels and the appropriate activities that will help overcome personal weaknesses to the acquisition of lifetime fitness type activities.

What can you do with Physical Education? Various four-year universities offer degree and certification opportunities in the field of physical education. Many employment opportunities are available through physical education i.e., fitness trainer, health educator, classroom instructor, conditioning coach, athletic coach, sports medicine, officiating, and other meaningful employment opportunities.

At College of Alameda the physical education instructors utilize interval training methods that are characterized by alternating periods of vigorous exercise (work interval) with periods of relief (low intensity exercise) or rest intervals.

The study of Physics is the study of the universe, beginning with the fundamental structures of nature such as energy and matter. Ideas in physics have led to great developments such as relativity, superconductivity, the semiconductor chip, lasers, and string theory.

Careers in physics include: basic and applied research, engineering, science education, and almost any field requiring you to think analytically about whole systems. It is also excellent preparation for higher educational pursuits in professional schools in medicine and patent law.

In the Physics Department at College of Alameda, conceptual understanding, problem-solving, and laboratory exercises are well integrated in the curriculum. You will spend time working with other students in class, discussing physics concepts and solving problems together.

Politics rules over everything you do as a human being and gives you an understanding that enables you to have more control over your own life. John Adams argued that the reason to study politics is so our children may have the liberty to engage in commerce in order to give their children a right to pursue painting, poetry, and music.

Political Science is the study of politics using the skills of social scientific inquiry. Politics is about power in relationships and the structures operating human society. Inquiry into politics explores the exercise of power in its myriad forms and consequences for people as individuals, in groups, and in society. It is the study of the unfolding of the human story on Planet Earth and just who it is we humans are going to become. This study of power is an integrated field of study drawing upon all the disciplines including most notably sociology, anthropology, philosophy, psychology, economics, urban and organizational studies, and futures studies.

Studying “politics” at College of Alameda prepares you to be an effective global citizen in a twenty-first century knowledge economy guided by the democratic ideal, an ethic of service and the principles of sustainable life and framed within the context of futures consciousness. We offer a pathway to success for you in our partnerships with local nonprofit organizations and relationships with Bay Area universities.

What you will be able to do with what you learn here…
Upon completion of an AA in Political Science at College of Alameda, you will be better able to: 1) demonstrate an overall working knowledge of the principles of governance; 2) demonstrably be able to utilize critical political thinking and “futures consciousness”; and 3) articulate an appreciation of how to apply what you’ve learned here in a manner useful to you in your own life. This set of life skills will enable you to become a more engaged citizen. Being effective in this, you will be better able to face the challenges of the twenty-first century and to adapt to the global social, economic, and environmental challenges we all face.

Careers in Political Science include: attorney, civil servant, diplomat, FBI/CIA agent, foreign-service officer, labor organizer/union representative, legislative aide, politician, research specialist, and teacher. Other career options in Public Administration include: government management (city, county, regional, state or federal levels); administrative and policy analysis, policy analysis, nonprofit administration, and planning and resources development.

The AA degree in Political Science will be awarded upon satisfactory completion of the major course requirements listed below and the General Education requirements for the Associate in Arts Degree listed in the Degrees and Programs section of this Catalog.

Violence Prevention Certificate of Proficiency:
The Certificate of Proficiency is an exploration of leadership, prevention and intervention knowledge and skills relative to the field of violence prevention and local community peace building; classroom and field based learning through peer group and individual projects, community based action research, and internships; curriculum contextualized to student career goals; designed for college ready individuals who are interested in working in the field of violence prevention; completion of two 3 unit courses in addition to 2-4 units of internship and/or employment experience in the field. The program includes training in conflict resolution and mediation, self-care, theories and methods for social change as well as coaching through professional development areas identified through a SWOT (Strengths, Weaknesses, Opportunities and Threats) analysis completed every semester.
Career Opportunities in Violence Prevention
For individuals interested in careers and leadership opportunities in the field of violence prevention. Bloomberg Business, Idealist.org and Cal Jobs (State of California) all show an increasing need for skilled employees that have the knowledge and skills to navigate through systems and communities to prevent violence. A variety of positions can be acquired by someone with a Certificate in Violence Prevention Strategies. According to the labor market data for the State of California, there is a 6.9% projected increase for Child, Family and School Social Workers, an 11.8% increase for Clergy members, a 13% increase among Counselors, Social Workers and other Specialists. Some other potential careers that see an increase, that we also know are directly related to preventing violence in our communities are Health Educators, with a projected 16% increase and Police and Sheriff Patrol Officers at a 7.7% increase. This certificate program will help prepare individuals in the job market to meet the growing needs of social support and care giving that professions listed above provide.

What is Psychology? It is the scientific study of behavior and mental processes. In the AA degree program in psychology at COA, we seek to offer you an enhanced life and interpersonal skills, helping you with improved self-awareness to empower you in your personal and professional relationships. We also seek to prepare you to enter psychology-related fields and transfer to a four-year undergraduate psychology program.

In studying psychology at College of Alameda, you will learn from caring faculty who recognize understanding of the body-mind connection as critical to the transformation of self, culture, and our planet. We encourage students to examine their own psychological issues and develop a keen understanding of who they are, their place in the world, and what they will bring to their work with others. We emphasize cognitive and emotional development through self-reflection, academic rigor and experiential practice.

The study of psychology enables you to better comprehend how people think, perceive, learn, develop unique personalities, manage stress, and interact with one another. Psychology careers include: jobs in therapy and counseling, schools, hospitals, prisons, courtrooms, community health and rehabilitation centers, sports, and corporate offices. The study of psychology is good preparation for many professions, as well as for one's life.

The **AA degree in Psychology** will be awarded upon satisfactory completion of the major course requirements listed below and the General Education requirements for the Associate in Arts Degree listed in the Degrees and Programs section of this Catalog.

SOCIAL AND BEHAVIORAL SCIENCES

See listing for Liberal Arts with Emphasis in Social and Behavioral Sciences.

SOCIOLOGY (SOC)

What is Sociology? It is the study of social life, social change, and the social causes and consequences of human behavior using the methods of social science. Sociologists investigate the structure of groups, organizations, and societies, and how people interact within these contexts. The subject ranges from the family to organized crime to religious cults; from the divisions of race, gender and social class to the shared beliefs of a common culture; and from the sociology of work to the sociology of the environment.

Why study Sociology at College of Alameda? The sociology program at COA provides marketable social science job skills, and prepares sociology majors to transfer to universities and four-year colleges. Students get marketable social science skills by:

- learning how to conduct ethnographic interview research on individuals and small groups;
- doing service-learning projects with local police departments or nonprofit organizations; and
- learning how to do written social science research on a problem that provides reliable data to back up one’s report.

What you can do with Sociology? The study of Sociology assists students to critically and scientifically examine social forces that shape our personalities, institutions, culture, and the various social problems that emerge from our social order. This training is ideal for students interested in careers in: marketing, social work, business, criminology, government, law, law enforcement, and with various nonprofit organizations that help people with social problems. Sociology majors can shorten their time at the university by taking one or more sociology courses before transfer.

The AA degree in Sociology will be awarded upon satisfactory completion of the major course requirements listed below and the General Education requirements for the Associate in Arts Degree listed in the Degrees and Programs section of this Catalog.

Scholastic Standards
Each instructor assigns grades to students based on standards established as appropriate for each class. Written papers, participation in class discussions, midterm and final examinations, and class attendance may be used by an instructor to determine grades. It is the student's responsibility to comply with the criteria used in grading by instructors. Students should consult with instructors during office hours for assistance.

Open Classes
It is the policy of the Peralta Community College District that, unless specifically exempted by statute or regulation, every course, course section or class reported for state aid, wherever offered and maintained by the District, shall be fully open to enrollment and participation by any person who has been admitted to the colleges and who meets such prerequisites as may be established pursuant to regulations contained in the Model District Policies as set forth by the State Chancellor's Office.

Class Start and End Times
Students are expected to be in class, prepared for instruction, at the designated class starting time.

Attendance Policy
Regular class attendance is required of all students. Instructors will set attendance policies for each class, and it is the student's responsibility to know and conform to each instructor's policy.

Instructors may drop a student from class if the number of absences exceeds the number of times the class meets in one week. Absences are to be cleared directly with the instructor. It is the student's responsibility to clear all drops from his/her program. Failure to do this may result in penalizing grades entered in the student's record.

Leaves of absence may be granted for limited periods to cover illness, hospitalization or extreme emergencies. Contact each instructor concerned.

Student Study Load
In order to complete an Associate in Arts or Associate in Science degree at one of the Peralta Colleges in two years, an average unit load of 15 units per term is advised. Students may not carry more than 18 units (including combined total of all Peralta Colleges) without prior approval of a counselor. Counselor approval is required for enrollment in 18.5-21.5 units. The Vice President of Student Services must approve enrollment in 22-25 units. Under no circumstances will approval be granted beyond 25 units.

The maximum number of units for the Summer session is ten (10). Counselor approval is required for 10.5 to 11.5 units. The Vice President of Student Services must approve enrollment in 12 units or more.

For college purposes, Veterans' benefits, Social Security beneficiaries, etc., a full-time student is one who is carrying 12 or more units during the regular term and six (6) units during the summer. For Financial Aid, a full-time student is one who is carrying 12 or more units during the regular term and six (6) units during the summer, 4.5 units three-quarter time, and 3 units half time. Students enrolled in fewer than 3 units are not eligible for summer Pell grants.

Students are not permitted to enroll in classes with conflicting or overlapping meeting times.

Auditing
Auditing of classes is not permitted. No person is allowed to attend a class unless enrolled in that class.

Grading Policy
The Peralta Community College District has adopted a uniform grading policy in accordance with state regulations.

Evaluation through grading is the sole responsibility of each instructor. The instructor's grades are permanent. Once submitted, they are not subject to change by reason of revision of judgment by the instructor, or on the basis of a second examination or additional work.

A grade can be changed only where evidence is presented that a clerical error or other mistake, fraud, bad faith or incompetence was involved. No grade will be changed later than four (4) years after the semester in which the grade was assigned.

Pass/No Pass Policy
In designated courses, students may elect to take the course on a pass/no pass basis, rather than receive a letter grade. This decision must be made prior to the fourth week of instruction (30% for short-term courses). Upon successful completion of a pass/no pass course, the student earns the specified number of units and the record will show “P” (which indicates a “C” grade or better). If the student's work is unsatisfactory, the record will show “NP” (which indicates a “D” grade or below). All units of “P” will be counted in satisfaction of community college curriculum requirements, but will not be used in computation of GPA.

All courses listed in the Description of Courses section of the Catalog which may be taken for pass/no pass, or for grade only, are identified by the following symbols which appear in parentheses directly after the name of the course:

GR: Course may be taken for letter grade only.
P/NP: May be taken for credit/no credit only.
GR or P/NP: May be taken either for a letter grade or on credit/no credit basis.

A student may not repeat a course in which a grade of “P” was earned. A student may repeat a course in which a grade of “NP” was earned.

Students planning to transfer to four-year institutions are cautioned that, in most cases, courses in which a grade of “P” was earned will not be counted toward courses required in a major. Also, limitations are imposed on the number of units of “P” that will be counted toward a Bachelor’s degree. The student should consult the catalog of the transfer institution for more specific information on this point. The designation pass/no pass (“P” or “NP”) may not be changed to a letter grade.

Withdrawal
Withdrawal from a course reported to the Admissions & Records Office during the first four (4) weeks of instruction (30% of instruction for Summer Session, intersession and short-term courses) shall not be noted on the student’s academic record.

A “W” symbol only can be awarded to a student between the end of the fourth week of instruction and the end of the ninth week of instruction (75% of instruction for Summer Session, intersession and short-term courses). The student is responsible for dropping the course online.

The academic record of a student who has withdrawn from class, or who has been dropped by an instructor after the time allowed by this policy, must reflect a grade other than “W” as awarded by the instructor. The “W” symbol shall be used for progress probation only, not for academic probation.

The number of times a student can withdraw from a course and earn the designation of “W” shall not exceed four times. If a student enrolls a fifth time in the course, the student will receive a grade. Military withdrawals (MW) do not count against the “W” withdrawal limit. There are no restrictions on the number of times a student can receive an “MW” grade.

Military Withdrawal
The “MW” shall be assigned only for students who are members of an active or reserve military unit and who receive orders compelling a withdrawal from courses. Upon verification of orders, the “MW” symbol may be given in lieu of grade at any time. The “MW” shall not be counted in determining progress probation or in calculating grade points for dismissal.

Incomplete
Academic work which is incomplete for unforeseeable, emergency and justifiable reasons at the end of the term may result in an “I” symbol being entered in the student’s record. Conditions for removal of the “I” shall be stated by the instructor in a written record which shall contain the conditions for removal of the “I” and the grade assigned in lieu of its removal. This record must be given to the student, and a copy placed on file with the District Office of Admissions & Records until the “I” is made up or the time limit has passed. A final grade shall be assigned when the work stipulated has been completed and evaluated, or when the time limit for completing the work has passed.

The “I” may be made up no later than one year following the end of the term in which it was assigned. A time extension beyond one year, but not to exceed one semester, may be granted by petition. The “I” symbol shall not be used in calculating units attempted, or for grade points.

In Progress
The “IP” symbol shall be used to indicate that the course work extends beyond the normal end of an academic term. It indicates that work is “in progress”, but that assignment of a grade must await its completion. The “IP” symbol shall remain on the student’s permanent record in order to satisfy enrollment documentation. The appropriate grade and unit credit shall be assigned and appear on the student’s record for the term in which the course is completed. The “IP” shall not be used in calculating grade point averages.

Report Delayed
The “RD” symbol may only be assigned by the District Office of Admissions & Records. It is to be used when there is a delay in reporting the grade of a student due to circumstances beyond the control of the student. It is temporary. The “RD” symbol shall not be used in calculating grade point averages and shall be replaced by a permanent symbol as soon as possible.

Course Repetition
A student may repeat a course in which the symbol was “D”, “F”, “FW”, “NC”, “NP”, “IP”, “W” or “MW”. Each entry of a properly assigned grade will remain on the student’s record.

If the student repeats a course in which the symbol was “D” or “F” or “FW”, the original units and grade, upon petition by the student, will not be computed. The subsequent entry on the record will be identified as an “Authorized Repeat” and will be computed in the student’s GPA.
If the student repeats a course in which the grade was an “A”, “B”, “C”, “P” or “CR”, the subsequent entry will be identified as an “Unauthorized Repeat” and only the original entry will be computed.

State regulations restrict the number of courses which can be repeated for credit, and the number of times they can be repeated. For a list of courses which have been approved for repetition for credit, consult a counselor.

**Academic Recognition**

**Honor Roll**

Students who have completed 12 or more units with a semester grade point average of 3.25 or better are honored by being placed on the Vice-President’s list.

The honor status GPA is computed on the basis of units attempted and completed District-wide. The student’s honor status is assigned to the college where the majority of units were completed.

**Associate Degree Honors**

Students who receive the Associate Degree are graduated “With Honors” if they have an overall cumulative grade point average of 3.25 to 3.49. Those with an overall cumulative grade-point average of 3.50 to 3.74 are graduated “With High Honors” and those with 3.75 to 4.0 are graduated “With Highest Honors.” (All lower division units from regionally accredited degree granting institutions outside of Peralta District Colleges are included in the GPA calculation.)

The honor status GPA is computed on the basis of units attempted and completed District-wide, excluding non-Associate degree courses numbered 250-299, 348, and non-credit courses numbered 400-699. The student’s honor status is assigned to the college awarding the Associate Degree.

**Academic Renewal**

A maximum of two semesters or a maximum of 24 semester units of coursework at all Peralta Colleges which has been legally petitioned may be alleviated and disregarded in the computation of cumulative grade point averages under the following conditions:

1. A period of one year must have elapsed since the work to be alleviated was completed;
2. The student has requested the action formally and has presented evidence that work completed in the term(s) under consideration is (are) substandard and not representative of present scholastic ability and level of performance;
3. The student has completed at all Peralta Colleges, 15 semester units with a 2.5 GPA or better since the most recent work to be disregarded was completed. Work completed at an institution outside the Peralta District cannot be used to satisfy this requirement.

**PLEASE NOTE:** When coursework is forgiven, the permanent academic record shall be annotated in such a manner that all work remains legible, ensuring a true and complete academic history.

Forms for filing under this policy may be obtained from the Admissions and Records Office.

Academic renewal action by College of Alameda does not guarantee that other institutions will approve such action. This determination will be made by the respective transfer institutions.

**Advanced Placement Policy**

The Peralta Community College District participates in the Advanced Placement Program of the College Entrance Examination Board. The Peralta Community College District grants Advanced Placement credit according to the following policies:

**College Credit for Advanced Placement (AP) Tests, International Baccalaureate (IB), and the College-Level Examination Program (CLEP)**

**General Guidelines**

In order to receive credit for either AP, IB, or CLEP

- You must be enrolled in the Peralta Community College District to apply for such credit
- You are not required to have completed any specific number of units in the Peralta Community College District prior to applying for such credit
- You may use units earned through any of these exams to meet Certificate and Associate Degree requirements (please see the charts which follow)
- You may not use units from these exams to satisfy financial aid, veterans, or EOPS eligibility criteria
- You may not use units from these exams to satisfy the 12-unit residency requirement at any of the Peralta Community College District’s four colleges
- If you have earned credit from an AP, IB, or CLEP exam, you should not enroll in a comparable college course because credit will not be granted for both the exam and the course.

**Advanced Placement Tests**

You will be granted credit for College Entrance Examination Board (CEEB) Advanced Placement (AP) tests with scores of 3, 4, 5 (see the AP chart which follows) in specific subject areas for certificates, Associate Degrees, CSU General Education Breadth certification and IGETC certification.

The unit/credit value granted for a college certificate or Associate Degree may vary from the unit/credit value given by a UC or a CSU.

*Continued on page 199...*
Advanced Placement Procedures

If you wish to apply for AP credit having received a score of 3, 4, 5 on any of the exams listed below, you should:
1. Obtain a “Petition for Advanced Placement Examination Credit” from the Admissions and Records Office;
2. Attach official copies of AP score reports from the College Board or an official copy of your high school transcript (if it reports Advanced Placement Examinations); and;
3. Take the completed petition and supporting documentation to a counselor for review.
4. If you wish to receive credit for an AP examination not on this list, you should obtain a petition from the Admissions and Records Office and submit it to the Vice President of Instruction, who will evaluate requests on a case-by-case basis.

You may use units earned by AP examinations toward CSU, General Education Breadth Certification, (partial or full), according to the CSU approved list below and you may use units earned by AP examinations to meet Intersegmental General Education Transfer Curriculum (IGETC) as per the approved list below. Each AP exam may be applied to one IGETC area as satisfying one course requirement, with the exception of Language Other Than English (LOTE).

There is no equivalent AP exam for IGETC Area 1B or CSU GE Breadth Area A3, Critical Thinking/Composition. There is no equivalent AP exam for IGETC Area 1C or CSU GE Breadth Area A1, Oral Communication.

If you have passed more than one AP exam in Calculus, only one exam may be used for credit/unit purposes for a certificate, Associate Degree, CSU GE certification, and IGETC certification.

Some four-year institutions (e.g., out-of-state, independent) may not accept AP credit.

Actual transfer credit awarded for admission is determined by the CSU and UC.

Individual CSU and UC campuses continue to determine the applicability and quantity of AP credits granted toward major or baccalaureate degree requirements.

In some areas, CSU grants additional units for elective credit toward eligibility for admission. The CSU campus to which you transfer determines the total number of units to be awarded for successful completion of Advanced Placement examination(s) and how the exam scores may apply to other graduation requirements.

For IGETC certification, AP exams in Biology, Chemistry, or Physics B allow a community college to apply 4 semester or 5 quarter units to IGETC certification (as noted in the chart below). For Environmental Science, Physics C: Mechanics and Physics C: Electricity. Magnetism, 3 semester or 4 quarter units are applied for IGETC certification (as noted below); therefore, students who have completed these exams will be required to complete at least 4 semester or 5 quarter units to satisfy the minimum required units for Area 5.

For CSU GE certification, if you pass more than one AP exam in Physics, only four units of credit may be applied to the certification.

The University of California Advanced Placement Policy can be found at their website: http://www.universityofcalifornia.edu/educators/counselors/admininfo/freshman/advising/credit/aptest.html

The California State University Advanced Placement Policy can be found at their website: http://www.calstate.edu/app/general_education.shtml

International Baccalaureate Examination Program
The Peralta Community College District may award International Baccalaureate Examination (IB) credit toward a Certificate or Associate Degree, or for CSU GE or IGETC transfer certification to those who attain an appropriate score on Higher Level (HL) Exams. If you are intending to transfer to a four-year institution, you should consult with a counselor or the individual institution regarding its IB credit policy for major course work.

A score of 5, 6, or 7 on Higher Level exams is required to grant credit for IGETC and CSU GE Breadth certification (exception: a score of 4 on the following IB subjects is considered a passing score for CSU GE Breath certification: Language A1 HL, Language A2 HL, Language B HL, Mathematics HL, and Theatre HL). An acceptable IB score for IGETC or CSU GE Breadth equates to either 3 semester or 4 quarter units for certification purposes.

If you have earned credit from an IB exam, you should not enroll in a comparable college course because credit will not be granted for both. (CSU may grant additional units for eligibility for admission.)

College-Level Examination Program (CLEP)
The following CLEP examinations can be used for credit toward a Certificate, Associate Degree, or CSU GE Breadth certification. CLEP exams cannot be used for IGETC certification.

You must have achieved at least a score of 50 on any of the following exams with the exception of a score of 59 on French Level II, 60 on German level II, and 63 on Spanish level II.

If you have earned credit from a CLEP exam, you should not enroll in a comparable college course because credit will not be granted for both.

CSU may grant additional units for elective credit toward eligibility for admission. Also, there are some CLEP exams not listed below for which CSU may grant elective credit. Please check with the CSU to which you plan to transfer.
Grade Point Average
The cumulative grade point average (GPA) is computed by dividing the total number of units a student has attempted into the total number of grade points the student has earned:

\[
\frac{\text{Total grade points earned}}{\text{Total semester units attempted}} = \text{Grade Point Average (GPA)}
\]

Example:
A student who earns 3 semester units of “A”, 5 units of “B”, 3 units of “C”, 3 units of “D”, 1 unit of “F” and 1 unit of “P” would compute the GPA as follows:

<table>

\[

\]

Units for which a symbol of “W”, “MW”, “P”, “NP”, “I”, “IP” or “RD” is assigned are not counted in units attempted.

Definition of Unit Value
One semester unit of credit is defined as one hour of recitation or lecture (together with the required two hours of preparation for each class hour) or three hours of laboratory work a week for a semester of 18 weeks.

Two (2) semester units are equivalent to three (3) quarter units. To convert semester units to quarter units, multiply semester units by 1.5. To convert quarter units to semester units, divide the quarter units by 1.5.

For assistance in determining quarter/semester unit equivalency, contact the Office of Admissions & Records.

Probation and Retention

Academic Good Standing
To remain in good academic standing, a student must maintain a cumulative grade point average of 2.0 or higher. Students who have a cumulative grade point average of less than 2.0 will be considered scholastically deficient.

Academic Probation
A student who has attempted at least 12 semester units as shown by the academic record shall be placed on academic probation if the student has earned a grade point average below 2.0 in all units which were awarded.

A student on academic probation for a grade point deficiency shall be removed from probation when the student’s cumulative grade point average is 2.0 or higher.

Progress Probation
A student who has enrolled in a total of at least 12 semester units as indicated on the academic record shall be placed on progress probation when the percentage of all units in which a student has enrolled and for which entries of “W”, “I” and “NP” are recorded reaches at least 50 percent of the grades.

A student on progress probation shall be removed from probation when the percent of units in this category drops below 50 percent.

Standards for Dismissal
For purposes of probation and dismissal, a semester shall be considered consecutive on the basis of the Peralta student’s enrollment. Summer sessions (regular intersessions) shall be considered a semester.

Academic Dismissal: A student on academic probation shall be subject to dismissal after three (3) consecutive semesters in which the student earned a cumulative grade point average of less than 1.75 in all units attempted.

Progress Dismissal: A student who is on progress probation is subject to dismissal after the third consecutive semester on progress probation, unless the current semester percentage of completed units exceeds 50 percent of enrolled units.

Reinstatement from Dismissal: A student may appeal for reinstatement if unusual circumstances prevailed. Such circumstances will be evaluated by petition and could be, but are not limited to, health or financial strain. Readmission will be conditioned on a semester review basis with the student subject to the continued probation dismissal policy.

Units Attempted
For purposes of standards for academic probation and dismissal (1) “all units attempted” means all units of credit for which a student earns a symbol of “A”, “B”, “C”, “D”, or “F”; (2) “enrolled units” means all units attempted as defined above, and all units for which the student earns a symbol of “W”, “I”, “CR”, “NC”, “P”, or “NP”.

Notification of Probation or Dismissal
The Vice President of Student Services shall make every reasonable effort to notify a student of academic/progress probation or dismissal at or near the beginning of the semester in which the status is in effect. Students on probation must meet with a counselor and complete the “Academic Success Contract.” Students on dismissal shall complete the “Student Petition for Reinstatement from
Course Repetition

Students may repeat courses not designated as repeatable when the student has done substandard work defined as “D,” “F,” “FW,” and/or “NP.” Per Title 5, section 55042, a student may only repeat a course twice to alleviate substandard work. When repetition occurs, the following guidelines must be met:

1. The permanent academic record shall be annotated in such a manner that all work remains legible, ensuring a true and complete academic history;
2. Nothing shall be done to conflict with the Education Code and Title 5 regulations pertaining to the finality of grades assigned by instructors;
3. Repetition may be permitted of any course taken in an accredited college or university for which substandard academic performance is recorded; which such courses are repeated for a maximum of two attempts, the previous grades and credit will be disregarded;
4. Courses repeated will not carry additional unit credit.
5. In computing grade point averages, units attempted, units passed (if any) and grade point (if any) for previous attempts shall be excluded when the following conditions are met:
   (a) The student formally requests permission to repeat the course(s);
   (b) The request is in compliance with such additional requirements and limitations as the district may establish;
   (c) The request is approved by a college official designated by the president; and
   (d) Single courses in which a grade of D, F, FW, or NP was received may be repeated in the district; upon formal petition of the student, the new grade and units shall be substituted and the previous grades and credit will be disregarded in the computation of the cumulative grade point average and the transcript shall be so annotated.
6. Repetition of a course not marked as repeatable shall be permitted “in instances when such repetition is necessary for a student to meet a legally mandated training requirement as a condition of continued paid or volunteer employment. The grade received each time shall be included for purposes of calculating the student’s grade point average.” Students are required to provide the necessary documentation. (55041)
7. Repetition of activity courses shall not exceed the maximum of three repetitions. Activity courses are defined as physical education courses; visual or performing arts classes (music, fine arts, theater, or dance); and career technical courses where the content differs each time the course is offered, but the primary educational activity remains the same. Visual or performing arts courses in music, fine arts, theater, or dance which are part of a sequence of transfer courses are not considered activity courses. Such repeatable courses are to be so designated in college catalogs. (55041, 55042)
8. Repetition of a course not marked as repeatable shall be permitted when “another institution of higher education to which the student seeks to transfer has established a recency requirement which the student will not be able to satisfy without repeating the course in question.” (55043)
9. Repetition based on withdrawal from the same course and earning the designation of “W” shall not exceed four times. If a student enrolls a fifth time in the course, the student will receive a grade. (55042)
10. Repetition of a course “when the student’s previous grade (whether substandard or passing) was, at least in part, the result of extenuating circumstances. Extenuating circumstances are verified cases of accident, illness, or other circumstances beyond the control of the student.” The student will petition for course repetition. (55045)
11. Repetition of a course when there has been a “significant lapse of time” since the student originally completed the class; the Peralta Community College District defines significant lapse of time as three (3) years. Only one repetition is permitted. The student will petition for course repetition (55043)
12. Repetition of Cooperative Work Experience Education, General Work Experience, shall not exceed 16 semester units. Repetition of Cooperative Work Experience Education, Occupational Work Experience (in a specific occupational area), shall not exceed 16 semester units. (55253)
13. Repetition of special classes designed for students with disabilities may be repeated any number of times based on an individualized determination that such repetition is required as disability-related accommodation for that particular student for one of the reasons specified in section 56029 of Title 5.

Remedial Course Limit

Per Title 5, section 55035, no student shall receive more than 30 semester units (or 45 quarter units) for remedial coursework. Remedial course work is defined as “pre-collegiate basic skill instruction delivered in non-degree applicable credit mode.”

Students enrolled in one or more courses of English as a Second Language (ESL) and students identified by the district/colleges as having a learning disability (defined in section 56036) are exempted from the limitation on remedial coursework.

A student who has exhausted the unit limitation on remedial coursework may apply for a waiver for a specified period of time or for a specified number of units. Waivers will be granted to students who show significant, measureable progress toward the development of skills appropriate to his/her enrollment in college-level courses.

Credit by Examination

Enrolled students who have had substantial prior experience in the content of college-level courses or who have completed equivalent course work at a non-accredited
institution may file a petition challenging a course that has been approved for credit by examination. The student must: (1) be currently registered, (2) not be on scholastic probation, and (3) have completed at least six (6) semester (9 quarter) units at College of Alameda. The petition must be submitted to the Admissions & Records Office by the third week of the semester. The petition will be forwarded to the appropriate dean, who may arrange for the examination. The examination may consist of written, oral, and/or demonstration portions.

Credit by examination is limited to a maximum of 15 semester (23 quarter) units. Earned units and grades will be recorded on the student's transcript. Credit by examination does not count as part of the student's study load or for benefit purposes. Courses are open for credit by examination only during the term in which they are actually taught. Check with a counselor for a list of currently approved courses for which credit by examination may be granted, and for information regarding their transferability. Petition forms are available from the Admissions & Records Office.

**Selected Topics in Subject (48/248) Courses**

Maximum credit for Selected Topics 48AA-FZ, Liberal Arts courses, is 0.5 to 3 units; prerequisites are determined by the department according to the nature of the course offered. Transferability of Selected Topics 48AA-FZ courses should be confirmed with a counselor prior to enrollment. Liberal Arts 248AA-FZ are open to all students without prerequisites for non-transfer credit. Maximum credit allowed is 0.5 to 6 units.

In occupational courses 48AA-FZ, there is transfer credit to certain designated colleges; 248AA-FZ, non-transfer credit. Maximum credit allowed is 0.5 to 6 units.

Selected Topics 348 series courses are non-degree applicable; 448 series are apprenticeship courses; 548 courses are non-credit; 648 are special courses for handicapped; 748 are not-for-credit contract education courses; and 848/948 are fee-based courses.

**Independent Study (49) Courses**

Supervised independent study courses are designed to permit study of an area or problem of the student's choice not covered by regular Catalog offerings. To be eligible for independent study, students must have completed a minimum of 12 units of work at College of Alameda. Students in good standing may enroll in one (1) independent study course per semester, provided the division dean approves the study project and a full-time contract faculty member is willing to accept the student and the project. Students are limited to a total of ten (10) units of independent study in any one discipline. These courses may count as electives and generally do not fulfill specific Associate Degree requirements. The

transferability of independent study courses is contingent upon review of the transfer institution. Students transferring to a campus of the University of California must submit a course outline to the appropriate U.C. division office for transfer approval. Independent study applicants shall demonstrate that their background is adequate for the proposed course of study, and must have prior successful academic experience in the particular discipline. Independent study (49) contract forms are available in the instructional division offices.

**Prerequisites, Corequisites and Recommended Preparation**

The Peralta Community College District has established certain prerequisites, corequisites and recommended preparation (advisory) for courses and programs in a manner consistent with law and good practice. The District and college believe that these requirements are necessary for students' academic success. Students who do not meet these requirements are highly unlikely to receive a satisfactory grade in the course. Students may not officially enroll in a course without the appropriate prerequisite, corequisite or equivalent preparation. Students may enroll in a course without the recommended preparation, but are advised that they might not derive as much benefit from instruction as they would have if they had satisfied the recommended preparation.

**Prerequisite** means a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. A prerequisite represents a set of skills or a body of knowledge that a student must possess prior to enrollment and without which the student is highly unlikely to succeed in the course or program. Students will not be permitted to enroll in such courses and programs without the appropriate prerequisite. A prerequisite course must be completed with a satisfactory grade ("A", "B", "C" or "P").

**Corequisite** means a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. A corequisite represents a set of skills or a body of knowledge that a student must acquire through concurrent enrollment in another course and without which the student is highly unlikely to succeed. Students must concurrently enroll in the corequisite course.

**Recommended Preparation (Advisory)** means a condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program. Recommended preparation represents a set of skills or a body of knowledge, which enable a student to achieve a greater depth or breadth of knowledge of course material but without which the student is still likely to succeed in the course or program.
Policy: Prerequisites and corequisites will be monitored automatically at registration. If a student successfully has met the prerequisite at a Peralta college, as confirmed by a transcript check, the student will be enrolled in the class. If a student has not met the prerequisite or corequisite, the student will be temporarily enrolled in the course until the last day to add the class. (If the student has met the prerequisite at another college, but does not possess a transcript, the student will be enrolled in the class and given until the 13th week of instruction to provide a transcript to the Admissions Office. This process begins when the student submits a petition for equivalency. SEE BELOW.) The student’s enrollment in the class will become official if the student files a successful petition. The student will be automatically dropped on the last day to add the class if the student fails to submit a petition or the petition is not upheld.

There are three options:

- Petition for Prerequisite/Corequisite Equivalency, or
- Petition for Prerequisite/Corequisite Substitution, or
- Petition for Prerequisite/Corequisite Challenge.

Petition for Prerequisite/Corequisite Equivalency. The District will maintain a list of courses offered at other colleges or universities that satisfy the District’s prerequisites. A student who has taken one of these equivalent courses at another college or university may bring a transcript showing successful completion of the course to the Admissions and Records Office/ Division Office/Counseling and complete a Prerequisite/ Corequisite Equivalency/Substitution form. Upon verification, the student will be officially enrolled in the course.

Petition for Prerequisite/Corequisite Substitution. If the course does not appear on the pre-approved list, the student will have to complete a Petition for Prerequisite/ Corequisite Equivalency/Substitution form with the appropriate written documentation attached (course outline and transcript). If, upon review by the Dean, and/or Vice President, the course is determined to be an equivalent prerequisite, the student will be officially enrolled in the course.

Petition for Prerequisite/Corequisite Challenge. If a student desires to challenge the prerequisite or corequisite, he/she must file a Petition for Prerequisite/Corequisite Challenge with appropriate written documentation in Admissions and Records, the Office of the Vice President of Instruction or Office of the Vice President of Student Services.

Grounds for challenge shall include at least one of the following:

1. The student has acquired through work or life experiences the skills and knowledge that are presupposed in terms of the course or program for which the prerequisite/corequisite is established. (Dean of Instruction)
2. The student has not been allowed to enroll due to a limitation on enrollment established for a course that involves intercollegiate competition or public performance, or where enrollment has been limited to a specific cohort of students, and would be delayed by a semester or more in attaining the degree or certificate specified in his or her Student Educational Plan. (Dean)
3. The student demonstrates that he or she does not pose a threat to himself or herself or others in a course which has a prerequisite established to protect health and safety. (Dean of Instruction)
4. The prerequisite is not necessary and appropriate for success in the course and has not been established in accordance with the District’s process for establishing prerequisites and corequisites. (Dean)
5. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner. (Vice President of Instruction and Vice President of Student Services)
6. The student will be subject to undue delay in attaining the goal in his or her educational plan because the prerequisite or corequisite course has not been made reasonably available. (Vice President of Instruction)

A petition will be resolved by the appropriate staff within five (5) working days. If the petition is upheld, the student will be officially enrolled in the course. If no space is available in the course when a petition is filed, the petition shall be resolved prior to the beginning of registration for the next term, and, if the petition is upheld, the student shall be permitted to enroll if space is available when the student registers for the subsequent term. If the petition is not upheld, the student will be notified in writing that he/she has been dropped from the course. The student shall bear the initial burden of showing that grounds exist for filing the petition.

Transcripts
All students are advised to order their transcripts online at www.peralta.edu/transcripts <http://www.peralta.edu/transcripts>.

Students may request for up to five different addresses per order. All students must pay transcript fees at the time they submit their request. All financial obligations must be cleared.

The first two transcripts requested are free; thereafter, $4.00 per copy for regular service (allow 7 to 10 days processing time) and $10.00 for rush service (allow 3 to 5 days processing time).
An additional $2.00 handling fee will be charged per copy, including the first two free transcripts ordered.

**Graduation**

It is the student’s responsibility to file a petition for an Associate degree and/or Certificate of Proficiency and/or Certificate of Achievement by the deadline shown in the Academic Calendar for the semester in which he/she plans to complete degree or certificate requirements. Petition forms are available in the Admissions & Records Office.

College of Alameda traditionally holds formal Commencement Exercises in May, with a reception immediately following for family and friends. Commencement Exercises recognize students who have completed degree and certificate requirements during the Summer, Fall or Spring terms of the current academic year. All students are encouraged to participate.

District Policies and Procedures

I. Peralta Community College District
Discrimination Complaint Procedures

The Peralta Community College District, as a public institution, prohibits discrimination in any and all of its activities, including: employment, procuring of goods and services, availability of its educational offerings, and other programs and activities such as financial aid and special services.

In order to accomplish these tasks, the Office of Equal Opportunity is assigned the responsibilities of overseeing and investigating any charges of discrimination or other complaints. A discrimination complaint log will be maintained as well as complete records of complaints and resolutions.

The Office of Equal Opportunity will handle both student and employee complaints by working with the Vice President of Student Services for student complaints and with the Vice President of Instruction for employee complaints.

To insure that students and employees of the District are aware of the provisions of this policy, a general statement will be published in each class schedule and a bulletin will be circulated to each District employee.

The following procedures are in compliance with the guidelines of state law:

1. Student discrimination complaints may be filed with the Office of Student Services at each campus.
2. Employee complaints may be filed with the Office of Instruction at each campus.
3. All complaints should be forwarded to the District Equal Opportunity Officer on the approved district form.
   a. Upon receipt of a complaint, a copy will be forwarded to the State Chancellor’s Office on the appropriate form.
   b. Defective complaints will be returned to the complainant with an explanation of the deficiencies and how they may be corrected if the complaint is to be considered.
4. Within fourteen (14) days of the complaint, an investigation will commence with notification to the complainant of the initiation of the investigation.
5. If the complaint proves to be accurate, a resolution of the problem will be proposed and corrective actions taken to ensure that the act is not repeated.
6. After a proposed resolution is developed and approved, the complainant will be notified of the resolution. Should the complainant not be satisfied, he/she may object to the proposed resolution through the State Chancellor’s Office within thirty (30) days. The Office of Equal Opportunity will furnish the complainant with necessary information regarding where and how to file the objection with the State.
7. After the resolution proposal is sent to the complainant, the District will forward the complete file of the complaint, findings of the investigation, the District’s proposed resolution, the letter to the complainant informing him/her of the proposal, and any relevant material to the State Chancellor’s Office.

Sexual Harassment and Discrimination Policy

Non-Discrimination Policy
The Peralta Community College District, in accordance with applicable Federal and State laws and Board Policy, prohibits unlawful discrimination towards students on the basis of race, creed, color, ancestry, religion, sex, national origin, age (40 and over), marital status, medical condition (cancer related), disability, political views and affiliations or sexual orientation/preference or transgender status in any and all of its programs and activities, including availability of its educational offerings; and other programs and activities such as financial aid and special services. To that end, the District will take immediate, appropriate steps to investigate complaints of discrimination to eliminate current discrimination and to prevent further discrimination. The District prohibits retaliation against any individual who files a complaint or who participates in a discrimination or discriminatory harassment inquiry.

Politica Prohibiendo la Discriminacion (Incluyendo el Acoso Sexual y la Discriminacion Racial) contra los Estudiantes
En los Colegios Comunitarios del Distrito de Peralta, de acuerdo a las leyes federales y estatales, se prohíbe la discriminación ilegal contra los estudiantes por razones de raza, credo, color, descendencia, religión, sexo, nacionalidad de origen, edad (a mayores de 40 años), estado civil, condición médica (relacionada con el cáncer), impedimento físico, afiliación o parecer y
Implementing Procedures Prohibiting Sexual, Racial, and Disability Harassment and Discrimination Toward Students

A. Dissemination
The policy and procedures shall be published in all student, faculty and staff handbooks, each college’s catalog and schedule of classes, and other printed material deemed appropriate by each college’s Vice President of Student Services.

The policy and procedures will also be disseminated to students at each college’s new student orientation and at periodic workshops to be scheduled by each college’s Vice President of Student Services.

The policy and procedures shall also be displayed in a prominent location at each college along with the other notices regarding the college’s procedures and standards of conduct. A copy of the Policy and Procedures shall be made available to any person expressing a verbal complaint about such matters.

B. Sexual, Racial, and Disability Harassment and Discrimination Defined
The Peralta Community College District expressly forbids sexual, racial, and disability harassment of its students by faculty, administrators, supervisors, District employees, other students, vendors or members of the general public. The District also prohibits discrimination against its students by subjecting any student to adverse or differential treatment, or depriving that student of any benefits of the District because of that student’s sex, race, or disability. Furthermore, the District prohibits retaliation against any individual who files a complaint or participates in a discrimination inquiry.

Sexual harassment includes, but is not limited to, unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the educational setting, under any of the following conditions:

1. Submission to the conduct is explicitly or implicitly made a term or a condition of a student’s academic status, or progress.

2. Submission to, or rejection of, the conduct by a student is used as the basis of academic decisions affecting the student.
3. The conduct has the purpose or effect of having a negative impact upon a student’s academic performance, or of creating an intimidating, hostile, or offensive educational environment.

4. Submission to, or rejection of, the conduct by a student is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.

5. Any other such conduct that may have an effect on a student’s learning environment or his or her ability to enjoy any privileges or benefits provided by the District.

The prohibition of racial harassment similarly enjoins conduct or incidents based on race that may interfere with or limit the ability of an individual to participate in or benefit from the services, activities, or privileges provided by the District.

The prohibition of disability harassment similarly enjoins conduct or incidents based on disability that may exclude an individual from participation in or be denied the benefit of the services, programs, or activities provided by the District to other non-disabled students.

A harassing environment is created if conduct of a sexual or racial nature or conduct based on student's disability is sufficiently severe, persistent, or pervasive to limit a student’s ability to participate in or benefit from the education program by the District or to create a hostile or abusive educational environment.

C. Examples of Prohibited Harassment

Sexual, racial, or disability harassment includes, but is not limited to, the following examples of conduct that is undertaken because of the sex, race or disability of the student victim:

1. Unwanted physical touching (beyond normal greetings).

2. Displays of offensive materials, objects, photos, etc., with a sexual, racial, or disabled theme.

3. Situations affecting a student’s studying and learning conditions and making the learning environment unpleasant and uncomfortable, whether the actions are purposeful or not.

4. Verbal insults (in reference to gender, race, sexual orientation, or disability).

5. Rumors designed to cause the individual emotional distress or place him or her in a bad light.

6. Physical assault.

7. Unwelcome direct propositions of a sexual nature.

8. Subtle pressures for unwelcome sexual activity, an element of which may be conduct such as repeated and unwanted staring.

9. A pattern of conduct not legitimately related to the subject matter of a course, which is sufficiently severe, persistent, or pervasive to limit a student’s ability to participate in or benefit from the education program or to create a hostile or abusive educational environment, that includes one or more of the following:

   (a) comments of a sexual/racial nature or which are demeaning or derogatory based on a disability, or

   (b) sexually explicit statements, questions, jokes, or anecdotes.

10. Unwanted attempts to establish a personal relationship.

11. A pattern of conduct that would cause discomfort or humiliate, or both, a reasonable person at whom the conduct was directed that may include one or more of the following:

   (a) unnecessary touching, patting, hugging, or brushing against a person’s body,

   (b) remarks of a sexual nature about a person’s anatomy or clothing, or

   (c) remarks about sexual activity or speculations about a previous sexual experience.

All persons should be aware that conduct towards a student that is not specifically identified in this policy may nonetheless constitute impermissible sexual, racial or disability harassment.

D. Academic Freedom and Freedom of Speech

As participants in a public institution, the faculty and staff of the Peralta Community College District enjoy significant free speech protections found in the First Amendment of the United States Constitution and Article I Section I of the California Constitution. The right of academic freedom
includes a special area of protected speech. Consistent with the principles of academic freedom, course content and teaching methods remain the province of individual faculty members. Academic freedom, however, is not limitless. Academic freedom does not protect classroom speech that is unrelated to the subject matter of the course or in violation of federal or state anti-discrimination laws. Some speech may constitute environmental sexual harassment, harassment based on another impermissible characteristic or discrimination. If a faculty member engages in unwelcome sexual behavior or other improper behavior based on a characteristic protected by this policy that has the purpose or effect of unreasonably interfering with an employee's work environment or a student's academic performance or creates a hostile and intimidating work or academic environment, then it may constitute environmental harassment or discrimination, as outlined in Board Policy and these implementing procedures.

The District must balance these two significant interests: the right of academic freedom and the right to be free from discrimination and harassment. The First Amendment protections, including those of academic freedom, are not absolute. When a faculty member raises academic freedom as a defense against charges of discrimination or discriminatory harassment, the District must examine the nature and context of the faculty member's behavior. A key to this examination is determining whether the behavior of the faculty member is related to his or her legitimate academic judgments within the context of furthering the institution's legitimate mission.

Nothing in the District's Discrimination and Discriminatory Harassment Policy should be construed to prevent faculty members from rigorously challenging fundamental beliefs held by students and society. These challenges should be done in a manner that, in the professional judgment of the faculty member, is most pedagogically advisable. Indeed, this is at the core of academic freedom; however, faculty members may not interject into the academic setting an element of discrimination or discriminatory harassment that is unrelated to any legitimate educational objective. Nor, may a faculty member create, or allow, the educational setting to be so charged with discrimination or discriminatory harassment, that our students are prevented from effectively participating in the academic environment. As such, faculty members must be aware that the District will investigate and respond to employee or student complaints that involve course content in accordance with its general discrimination and discriminatory harassment policy and faculty members may be subject to discipline for egregious conduct, in the same manner as provided in Board Policy and any implementing procedures for all other District employees.

The Peralta Community College District is committed to insuring that the academic freedom rights of our faculty are secure, and to insuring our students an academic environment free of discrimination and harassment. Nothing in this section is intended to abrogate rights of Academic Freedom stated in the collective bargaining agreement with the Peralta Federation of Teachers.

E. Consensual Relationships
1. Definitions
   (a) The terms “instructors” and “faculty member” are defined as any person who teaches in the District, is in an academic position, or by virtue of their position has control or influence on student performance, behavior, or academic career.
   
   (b) A “District employee” is defined as any person who is employed by the Peralta Community College District, or acts as its agent and operates within the District’s control.

2. Rationale
   The District’s educational mission is promoted by professionalism in faculty/student, as well as supervisor/subordinate, relationships. Professionalism is fostered by an atmosphere of mutual trust and respect. Actions of faculty members and supervisors that harm this atmosphere undermine professionalism and hinder fulfillment of the educational mission. Trust and respect are diminished when those in positions of authority abuse their power in such a context as to violate their duty to the educational community and undermine the trust placed in the District as a public employer and an educational institution.

3. Ethical Violation
   Recognizing that the unequal power of adult consenting parties is inherent in consensual relationships between supervisor and employee or student and teacher, the District will view it as unethical behavior if faculty members or supervisors engage in romantic relations with students enrolled in their classes or employees under their supervision even though both parties appear to have consented to the relationship.

4. Presumption of a Policy Violation
   The faculty member or supervisor who contemplates a romantic relationship with a student or employee must realize the complexity of the situation and its potential negative consequences. Regardless of consent or mutual attraction, the faculty member or supervisor generally will be judged guilty of sexual harassment if any complaint eventually emerges, either from the partner in the relationship or from his or her fellow students or co-workers. A romantic relationship between any minor employee or student and an adult employee is presumptively deemed not to be a consensual relationship and constitutes sexual harassment.
5. Voluntary Consent Not a Defense
Faculty members and supervisors exercise power over students and their subordinates, whether in giving or failing to give praise, criticism, performance evaluations, promotions or other similar actions. Romantic relationships between faculty members and students, or between supervisors and subordinates, can destroy necessary professional relationships. Voluntary consent by the student or subordinate is always suspect, given the asymmetric nature of the relationship. Moreover, such unprofessional behavior, or even the appearance of such, may affect other students, faculty, and staff, because it gives one student or subordinate the appearance, correctly or incorrectly, of power or favor at the expense of others.

F. Harassment and Discrimination Complaint Procedures
In order to accomplish the task of prohibiting discrimination and harassment, the District's Equal Opportunity Officer is assigned the responsibilities of overseeing and investigating any charges or complaints of discrimination or harassment. The District's Equal Opportunity Officer will maintain a discrimination and harassment complaint log and complete records of complaints, investigations and resolutions.

The District's Equal Opportunity Officer will work with the Vice President of Student Services of each college for processing all discrimination and harassment complaints.

In compliance with the guidelines established by state and federal law, the following procedures will be implemented to investigate and resolve complaints of unlawful discrimination and harassment:

1. Complaints of unlawful discrimination may be filed by a student who has personally suffered discrimination or by a person who has knowledge of such discrimination, within one year of the date of the alleged unlawful discrimination or within one year of the date on which the complainant knew or should have known of the facts underlying the allegation of unlawful discrimination or harassment.

2. Student discrimination or harassment complaints may be filed with the District's Equal Opportunity Officer (at 333 East Eighth Street, Oakland, CA 94606; (510) 466-7230).

3. Student discrimination and harassment complaints may also be filed with the Vice President of Student Services as follows:
   - College of Alameda (510) 748-2204
     Building A
   - Berkeley City College (510) 981-2820
     2050 Center St., Berkeley, 2nd Floor
   - Laney College (510) 464-3162
     Tower Building, Room 412
   - Merritt College (510) 436-2478
     Building P, Room 311

4. All complaints not filed directly with the District's Equal Opportunity Officer should be immediately forwarded to that Officer on the approved District form.

5. Whenever any person brings charges of unlawful discrimination to the District Equal Opportunity Officer’s attention, that Officer shall:
   (a) inform the complainant that he or she may, but is not required to, informally resolve the charges and that s/he has the right to end the informal resolution effort and begin the formal stage at any time;
   (b) notify the complainant of the procedures for filing a complaint;
   (c) discuss with the complainant what actions he or she is seeking in response to the alleged discrimination; and
   (d) advise the complainant that he or she may file a complaint with the Office for Civil Rights of the United States Department of Education.

   (e) Forward a copy to the State Chancellor’s Office on the appropriate form.
   (f) Return defective complaints to the complainant with an explanation of the deficiencies and how they may be corrected if the complaint is to be considered.

   (g) Review the complaint and determine the need for any interim measures of relief pending completion of the investigation.

6. Within fourteen (14) days of receiving the complaint, a thorough and impartial investigation will commence with notification to the complainant and the Chancellor of the initiation of the investigation. Complaints will be investigated and resolved in accordance with the District’s unlawful discrimination complaint procedures. To ensure a prompt and equitable investigation of complaints, the investigation shall include an opportunity for the complainant and the accused to present witnesses and other evidence on their behalf. Thus, the investigation shall include private interviews with the complainant, the accused individual and each of the witnesses identified by both parties. Sufficient
information about the allegations of the complaint shall be disclosed to the accused to provide him/her with an opportunity to respond to the allegations of the complaint and provide additional information. To the extent appropriate, the District will keep the complainant apprised of the progress of the investigation.

7. Complaints will be handled promptly in an appropriately confidential manner — that is, the District’s Equal Opportunity Officer will disclose the identities of the parties only to the extent necessary to carry out an investigation.

8. The results of the investigation shall be set forth in a written report which shall include at least all of the following:

   (a) description of the circumstances giving rise to the complaint;

   (b) a summary of the testimony provided by each witness, including the complainant and any witnesses identified by the complainant;

   (c) an analysis of any relevant data or other evidence collected during the course of the investigation; and

   (d) a specific finding as to whether discrimination did or did not occur with respect to each allegation in the complaint.

9. Within ninety (90) days of receiving a complaint, the District shall complete its investigation and provide the complainant with the following information:

   (a) a written notice setting forth:

   1) a copy or summary of the District’s investigative report;

   2) the District’s determination on the merits of the complaint; the proposed resolution of the complaints, to the extent that disclosure does not invade any person’s privacy rights; and

   3) the complainant’s right to appeal to the District governing board and the Chancellor.

Likewise, the accused individual shall be notified of the outcome of the investigation.

10. If the allegation of sexual, racial, or disability harassment is substantiated, the District will take reasonable, timely and effective steps to end the harassment. Depending upon the severity of a given case and/or prior incidents of harassment, a violation of this rule shall lead to disciplinary action including the possibility of expulsion or termination from the District. Remedial measures will be offered if appropriate to correct the discriminatory effects on any individual who has experienced harassment. The District’s policy against discriminatory harassment will be interpreted consistently with any federally guaranteed rights involved in a complaint proceeding, including student’s First Amendment rights to free speech and the accused individual’s right to due process.

11. Should the Complainant not be satisfied, he or she may appeal the proposed resolution within ten (10) days of the date of the proposed resolution to the Chancellor. The Chancellor may request an additional investigation, sustain the administrative determination, reverse the administrative determination or take any other appropriate action. If the Chancellor makes the administrative determination, the Complainant may appeal directly to the Board of Trustees within the same time periods set forth above. If the Chancellor sustains the administrative determination or the Complainant is not otherwise satisfied with the Chancellor’s decision, the Complainant may appeal to the Board of Trustees within fifteen (15) days of the Chancellor’s decision. All appeals shall be filed with the Chancellor’s Office at 333 East 8th Street, Oakland, CA 94606. Should the complainant not be satisfied, he or she may appeal the proposed resolution to the District governing board within fifteen (15) days. The District board shall review the original complaint, the investigative report, the determination and the appeal and may issue a final District decision within forty-five (45) days of receiving the appeal. The decision of the Administration will become final, if the Board does not act within forty-five (45) days. The student may then appeal the final District decision to the State Chancellor’s Office within thirty (30) days. The Office of Equal Opportunity will furnish the complainant with necessary information regarding where and how to file the objection with the State Chancellor’s Office.

12. Within 150 days of receiving the complaint and after the resolution proposal is sent to the complainant, the District will forward the complete file of the complaint, findings of the investigation, the District’s proposed resolution, the letter to the complainant informing him or her of the proposal, and any relevant material to the State Chancellor’s Office.

**Sexual Assault Policy and Procedures**

**1.0 POLICY**

1.1 Unlawful sexual assault is a criminal activity prohibited in all employee and student areas, buildings, properties, facilities, service areas, satellite centers of the PCCD and all non-District areas where Peralta classes/instruction are conducted. It is the policy of the PCCD to ensure, to the extent possible, that students, faculty and staff who are victims of a sexual assault committed at or upon the grounds of or upon off-campus grounds or facilities maintained by the district or its colleges, shall receive information, follow-up services and referrals to local community treatment centers.

1.2 Each college, through the Office of the Vice President of Student Services, shall make available sexual assault awareness information to students and employees.

**2.0 DEFINITION OF SEXUAL ASSAULT**

(Ed. Code 67385)

2.1 “Sexual Assault” includes, but is not limited to, rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat of sexual assault.

**3.0 PROCEDURE**

The Office of the Vice President of Student Services shall have full responsibility, except for public information, for the administration and follow-up of the sexual assault program. This listing of resources and services shall be updated by each college’s Vice President of Student Services and the District’s Risk Manager or other designated employees, annually, no later than August 1, or more frequently as required. This includes:

1. Making available to students and staff, District policy on sexual assault.
2. Meeting legal reporting requirements.
3. Identifying available services for the victim.
4. Developing and updating a description of campus resources available to victims as well as appropriate off-campus services.
5. Implementing procedures for keeping the victim informed of the status of any student disciplinary proceedings in connection with the sexual assault.

3.1 It shall be the responsibility of the Vice President of Student Services to see to it that victims of sexual assault committed at or upon the grounds of or upon off-campus grounds or facilities maintained by the District, shall receive information and referral for treatment. Services available include immediate short-term crisis counseling, and long-term counseling referral to agencies in the community. This information shall be provided with sensitivity and in consideration of the personal needs of the victim.

3.1.1 Any student, faculty or staff member who is a victim of sexual assault at a District facility referred to in Section 1.1 of this policy, is encouraged to notify the Vice President of Student Services. The Vice President of Student Services, with the consent of the victim, shall notify the Campus/District Police Services.

3.1.2 Pursuant to legal requirements, the Campus/District Police Services will notify the appropriate local law enforcement agency of the reported sexual assault, and obtain an ambulance to transport the victim to the hospital, as necessary.

3.1.3 In accordance with the Campus Crime Awareness and Security Act of 1990, the District, on an annual basis, shall notify student and employees of statistics concerning specific types of crime, including sexual assault. This notice shall be made through appropriate publication/mailings. The names of the victims will not be reported in the statistics.

3.1.4 In cases of violent crimes considered to be a threat to other students and employees, each college’s President or the Chancellor of the District shall make timely reports, respecting the confidentiality of the victim, to the college community in a manner that will aid in the prevention of similar occurrences.

3.1.5 Upon notification of a sexual assault, the Campus/District Police Services will distribute to the victim a description of campus resources and services available to the victim, as well as appropriate off-campus services. Each student or employee who is a victim of sexual assault will receive a copy of this policy.

3.1.6 The listing of resources and services shall be available through the Campus/District Police Services, each college’s Counseling Department and Health Services Unit.
3.1.7 A victim of sexual assault shall be provided with information about pursuing the following remedies or actions against the perpetrator:

a. Employees
   • Criminal prosecution
   • Civil prosecution

   District disciplinary process: violation of this policy will cause disciplinary action which may include termination of employment or may require an employee to participate in a rehabilitation program.

b. Students
   • Criminal prosecution
   • Civil prosecution

   District disciplinary process: Students are required to comply with this policy to remain in good standing and as a condition of continued attendance at any of the District's colleges. Violation of this policy will be cause for disciplinary action against the student, up to and including expulsion, and/or may require the student to participate in a rehabilitation program. Student discipline shall be accomplished in accordance with provisions of Article 3 of the Title 3, Division 7, Part 47, of the California Education Code.

c. Non-Student Employer
   • Criminal prosecution
   • Civil prosecution

3.1.8 A victim of sexual assault shall be kept informed by the College President/designee or the Chancellor of the status of and disposition of any District/College disciplinary proceedings in connection with the sexual assault.

3.1.9 The Counseling Department and Health Services shall assist, upon request, the victim of sexual assault in dealing with academic difficulties that may arise because of the victimization and its impact.

3.3.10 The identity of a victim of sexual assault shall remain confidential unless otherwise prescribed by law. Requests for information regarding the sexual assault from the press, concerned students, parents, and Peralta employees not involved in the assault or its investigation, will be handled by the college's Public Information Office or the District's Office of Marketing in accordance with these regulations: the Family Educational Right and Privacy Act, applicable California Education and Administrative Code sections, and Peralta Community College District Policy.

4.0 DISSEMINATION

4.1 These procedures shall be published in all student, faculty and staff handbooks, each college's catalog and schedule of classes and other printed material deemed appropriate by each college's Vice President of Student Services.

4.2. These procedures will also be disseminated at each college's orientation and at periodic workshops to be scheduled by each college's Vice President of Student Services.

II. Student Grievance Procedure

The purpose of this procedure is to provide a prompt and equitable means of resolving student grievances. This procedure shall be available to any student who reasonably believes an experience or decision has adversely affected his or her status, rights or privileges as a student. A grievance may be initiated by a student against an instructor, an administrator, or a member of the classified staff. A grievance may also be initiated against another student.

A. Grounds for Filing Student Grievances

The Student Grievance Procedure shall apply only to grievances involving:

1. Academic (Grade) Grievance: a complaint alleging mistake, fraud, bad faith or incompetence in the academic (grade) evaluation of student performance. (Board Policy 4.43A)

2. Violation of Law, Policy, and Procedures:
   a. Violation of rights which a student is entitled to by law or District policy, including financial aid, exercise of free expression, rules for student conduct, admission, probation, or suspension or dismissal policies.
   b. Act or threat of physical aggression
   c. Act or threat of intimidation or harassment

This Student Grievance Procedure does not apply to:

1. Police citations (i.e., “tickets”). Complaints about citations must be directed to the Campus Police in the same way as any traffic violation.
2. Discrimination, Sexual Assault or Sexual Harassment. Any student who feels he/she has been or is presently an alleged victim of sexual harassment, may first contact the Vice President of Student Services to file a complaint verbally or in writing, or may directly contact the District's Equal Opportunity Coordinator at 333 East Eighth Street, Oakland, CA 94606, (510) 466-7252. At the time a complaint is made known, a copy of the complaint procedures and a complaint form shall be made available to the complainant. For additional information regarding reporting of discrimination, sexual assault or sexual harassment, please refer to Discrimination Complaint Procedures in this catalog.

B. Definitions

Party. The student or any persons claimed to have been responsible for the student’s alleged grievance, together with their representatives. “Party” shall not include the Grievance Hearing Committee.

Student. A currently enrolled student, a person who has filed an application for admission to the college, or a former student. A grievance by an applicant shall be limited to a complaint regarding denial of admission. Former students shall be limited to grievances relating to course grades to the extent permitted by Education Code Section 76224(a).

Respondent. Any person claimed by a grievant to be responsible for the alleged grievance.

Observer. An individual who is present at a hearing to observe the proceeding, but shall not be allowed to speak and address the committee.

Written Notice/Written Decision. Notice sent by personal service or by registered or certified mail with return receipt requested via the U.S. Postal Service.

Day. Unless otherwise provided, day shall mean a day during which the college is in session and regular classes are held, excluding Saturdays, Sundays, and District holidays.

C. Grievance Process

1. Step One: Informal Resolution

Within 30 days of the allegation, each student who has a grievance shall make a reasonable effort to resolve the matter on an informal basis prior to requesting a grievance hearing:

a. For an academic (grade) grievance, the student shall make an appointment with the faculty against whom he/she has a grievance during the faculty member’s posted office hours or at a mutually-agreed-upon time, in order to discuss the student's complaint. Should the faculty against whom the student has an academic complaint fail to meet with the student in a timely manner, the student may meet with the Division Dean of Instruction of the faculty member.

b. For a grievance based on an alleged violation of law, policy, and procedures, the student shall attempt to solve the problem with the person with whom the student has the grievance, that person’s immediate supervisor, or the Vice President of Student Services (or designee).

2. Step Two: Formal Complaint Procedures

Any student who believes he/she has a grievance must file an approved grievance complaint form with the Vice President of Student Services (or designee). The student may obtain the form from the Office of the Vice President of Student Services.

The student must file within 90 days of the incident on which the grievance is based; or after the student knew or should have known of the basis for the grievance, whichever is later. The grievance complaint must be filed whether or not the student has already initiated efforts at informal resolution, if the student wishes the grievance to become official. Failure to file a formal complaint within such ninety (90) day period constitutes waiver of the student's right to appeal.

a. Filing Complaint

The complaint must include the following:

- The exact nature of the complaint (grounds).
- The specific details of the complaint (e.g., chronology of the event and an explicit description of the alleged violation).
- A description of the informal meeting and attempted resolution, if any.
- The specific resolution/remedy sought.

Complaint should be filed with Vice President of Student Services.

b. Meeting with Vice President of Student Services (or designee)

The Vice President of Student Services (or designee) shall provide to the person against whom the grievance has been filed a copy of the grievance and a copy of the procedure.
The Vice President of Student Services (or designee) will provide the grievant with a written copy of the policy and procedures and answer all questions regarding the policy including the student's rights and responsibilities in the process of filing a grievance. For academic (grade) grievance, the Vice President of Student Services (or designee) will inform the student that a grade change may only be made where there is a finding of fraud, mistake, bad faith or incompetence.

The student and Vice President of Student Services (or designee) shall attempt to reach an informal resolution.

c. Request for Grievance Hearing

If an informal resolution cannot be reached, the Vice President of Student Services (or designee) shall make a request for records and documents from the student filing the complaint and forward copies of all documents pertinent to the alleged violation to the Chair of the Grievance Committee and the parties. Documents or accusations not specifically related to the alleged violations shall not be forwarded to the committee or the parties.

i. For academic (grade) grievance, the Chair shall request records and documents from the faculty member against whom the complaint has been filed.

ii. For grievance based on an alleged violation of law, policy, and procedures, the Chair shall request records and documents from the party against whom the complaint has been filed.

The Grievance Hearing timeline may be tolled (postponed) pending a formal investigation of any discrimination claims by or against the student. Such investigation must be concluded no later than 90 calendar days as required by law.

d. Grievance Hearing Committee

Within 90 days following receipt of the grievance complaint form, the Grievance Hearing Committee shall conduct a hearing. The following College Grievance Committee members shall be appointed for a term of one academic year as follows:

- The Vice President of Instruction, who shall Chair the committee;
- One faculty member (and one alternate) jointly appointed by the PFT and the Faculty Senate;
- One administrator (and one alternate) appointed by the College President;
- One student (and one alternate) appointed by the President of the Associated Students

Additional committee member:

- For academic (grade) grievances, one faculty member (and one alternate) jointly appointed by the PFT and the Faculty Senate; or
- For other grievances, one classified employee (and one alternate) jointly appointed by Local 790 and the Classified Senate.

A committee member shall withdraw from participation in the hearing if a conflict of interest is anticipated, in which case the alternate member shall serve. The members of the Committee shall be provided with a copy of the grievance and any written response provided by the respondent before the hearing begins. Four-fifths of the members of the committee shall be present in order for the committee to act.

e. Hearing Procedure

1. The Vice President of Instruction, as Chair, shall provide written notice, including the date, time and place of the hearing, to both parties at least ten days prior to the hearing. The notice shall be hand-delivered or sent by certified mail and shall include a copy of the complaint.

2. The Chair shall provide the involved complainant with a written summary of rights he/she may be entitled to by law or contract at least 10 days before the hearing. For academic (grade) grievance, the Chair of the committee shall provide the involved faculty member with a written summary of rights he/she may be entitled to by law or contract at least 10 days before the hearing. Both parties shall be given adequate time (at least 10 days) to read and review all documents, consistent with privacy laws. This right may be waived by either party. Both parties shall be informed that all relevant evidence presented to the hearing committee, whether written or oral, may be used against them in this or any other proceeding unless otherwise prohibited by law. The written notice shall inform the parties of this fact. The Chair of the committee shall inform both parties orally of this fact at the commencement of the hearing.

3. The decision of the Chair shall be final on all matters relating to the conduct of the hearing unless there is a vote by a majority of the other members of the panel to the contrary. The Chair may do whatever is necessary, so long as it is legally permissible, to ensure that the hearing is conducted in a fair, dignified and orderly manner.

4. The Chair of the committee may exclude a witness
from the hearing when the witness is not giving testimony.

5. Anyone who disrupts the proceeding or interferes shall be excluded from the proceeding.

6. All information derived from the complaint is confidential. Information may not be made public nor discussed with anyone except those with a legitimate need to know.

7. The hearing shall be open only to persons directly involved in the matters to be heard. The bargaining agent representing the respondent may send an observer to any hearing.

8. The committee may call in “expert witnesses” if the subject of the grievance is beyond their expertise.

9. The committee shall inform the witnesses (other than the accused) in writing that they are sought for interview purposes and their participation in the process is requested by the committee. Witnesses shall also be informed as to the purpose of the interview, the general subject of the interview, and their right to request representation by anyone of their choosing prior to and during said interview.

10. Any member of the committee may ask questions of any witness.

11. The hearing shall be conducted so as to bring all of the relevant information and evidence to the members of the committee in an orderly and intelligible form. Formal rules of evidence shall not apply. Any relevant evidence shall be admitted, if it is the sort of evidence on which responsible persons are accustomed to rely upon in the conduct of serious affairs. Accusations not specifically related to the alleged violation shall not be considered relevant. The rules of privilege shall apply to the same extent that they are recognized in civil actions.

12. At all steps of the process, both the student filing and the other party have the right to be accompanied, advised and represented by a person or counsel of their choosing. If either party wishes to be represented by an attorney, a request must be presented not less than 10 days prior to the date of the hearing. If the student is permitted to be represented by an attorney, the college representative may request legal assistance. The hearing committee may also request legal assistance; any legal advisor provided to the panel may sit with it in an advisory capacity to provide legal counsel but shall not be a member of the panel nor vote with it.

13. If the respondent or his/her representative, or both, are absent from all or a part of the hearing, the committee shall make its recommendations on the basis of whatever evidence is submitted before the hearing and on whatever evidence and testimony is presented to the committee during the hearing.

14. The committee shall make all evidence, written or oral, part of the record.

15. The committee shall judge the relevancy and weight of testimony and evidence and make its findings of fact, limiting its investigation to the formal charge. The decision shall be based only on the record of the hearing, and not on matter outside of that record.

16. The burden shall be on the grievant to prove by a preponderance of the evidence that the facts alleged are true and a grievance has been sufficiently established.

17. The hearing date may be postponed or continued at the discretion of the Chair of the committee. Both parties shall be given notice of the new or continued hearing date.

18. The votes of the majority of the members present (at least 3 votes) are necessary in order for the committee to make a recommendation to the Vice President of Student Services.

19. The Chair of the committee shall notify the Vice President of Student Services of the committee’s recommendation within 10 days.

20. A summary record of the proceedings held in a closed session shall be kept in a confidential file by the Vice President of Student Services and shall be available at all times to the accused person. The Vice President of Student Services has the responsibility to ensure that a proper record is maintained and available at all times.

f. Final Decision by Vice President of Student Services

Based on the grievance hearing committee’s recommendations, the Vice President of Student Services (or designee) may accept the recommendation, return it to the committee for further review, or reject it. Within 10 days of receipt of the committee’s recommendation, the Vice President of Student Services (or designee) shall send written notification to the parties and committee
informing them of:

- The committee’s recommendation;
- The final decision by Vice President of Student Services; and
- Appeals procedure

Any decision to reject findings of the committee must be supported by a summary finding of fact. The decision to recommend a grade change must be supported by a summary finding of fact, establishing mistake, fraud, bad faith or incompetence.

3. Appeals

a. President’s Decision

The Vice President of Student Services’ (or designee’s) decision may be appealed by either party in writing within 10 days of the Vice President of Student Services’ (or designee’s) decision.

The College President shall issue a written decision to the parties and their representatives within ten (10) days of receipt of the appeal. A decision to change a grade must be supported by a summary finding of fact, establishing mistake, fraud, bad faith or incompetence.

b. Chancellor’s Decision

The College President’s decision may be appealed to the Chancellor in writing within 10 days of written notice of the decision.

The Chancellor, or designee, shall issue a written decision to the parties and the representatives by certified mail within 10 days of the receipt of the decision. A decision to change a grade must be supported by a summary finding of fact, establishing mistake, fraud, bad faith or incompetence.

c. Board of Trustees’ Decision

The Chancellor’s (or designee’s), decision may be appealed to the Board of Trustees in writing within 10 days of written notice of the decision.

The Board will review the documentation of the prior steps of the case and determine whether to confirm the Chancellor’s decision or hear the appeal. If the Board confirms the Chancellor’s decision, the appellant has exhausted his or her remedies. If the Board decides to consider the appeal, it will do so in closed session subject to Education Code 72122, and will issue a final decision within forty-five (45) days after receipt of the decision.

A decision to change a grade must be supported by a summary finding of fact, establishing mistake, fraud, bad faith or incompetence. Implementation of any grade change shall be held in abeyance until the internal appeal process has been exhausted.

All recommendations, resolutions, and actions taken by the Board of Trustees shall be consistent with the State and Federal law, the Peralta Community College District Policies and Procedures, and the PFT and Local 790 Collective Bargaining Agreements. (In the event of a conflict between the Collective Bargaining Agreement and the PCCD Policies and Procedures, the Collective Bargaining Agreement shall govern.)

4. Time Limits

Any times specified in these procedures may be shortened or lengthened if there is mutual concurrence by all parties.

III. Student Conduct, Discipline, and Due Process Rights

The purpose of this procedure is to provide a prompt and equitable means to address violations of the Code of Student Conduct, which ensures to the student or students involved the due process rights guaranteed them by state and federal constitutional protections. This procedure will be used in a fair and equitable manner, and not for purposes of retaliation. It is not intended to substitute for criminal or civil proceedings that may be initiated by other agencies.

These procedures are specifically not intended to infringe in any way on the rights of students to engage in free expression as protected by the state and federal constitutions, and by Education Code Section 76120, and will not be used to punish expression that is protected.

A student excluded for disciplinary reasons from one college in the Peralta Community College District may be denied enrollment into other colleges in the District, depending on the specific form of discipline. The President of a college may also deny admission to a student suspended or excluded for disciplinary reasons from other colleges or universities.

A. Student Code of Conduct

Students are responsible for complying with all college regulations and for maintaining appropriate course requirements as established by the instructors.

Disciplinary action may be imposed on a student for violation of college rules and regulations, the California Education Code, California Penal Code, and the California
Administrative Code. Student misconduct may result in disciplinary action by the college and prosecution by civil authorities. Student misconduct may also result in disciplinary action that is applicable to other college campuses and central administrative offices at the Peralta Community College District. Misconduct that may result in disciplinary action includes, but is not limited to, the following violations:

1. Violation of District policies or regulations including parking and traffic regulations (subject to Education Code Section 76036), policies regulating student organizations, and time, place and manner regulations in regard to public expression.

2. Willful misconduct which results in injury or death of any person on college-owned or -controlled property, or college-sponsored or supervised functions; or causing, attempting to cause, or threatening to cause physical injury to another person.

3. Conduct which results in cutting, defacing, damaging, or other injury to any real or personal property owned by the college or to private property on campus.

4. Stealing or attempting to steal college property or private property on campus; or knowingly receiving stolen college property or private property on campus.

5. Unauthorized entry to or use of college facilities.

6. Committing or attempting to commit robbery or extortion.

7. Dishonesty such as cheating, plagiarism (including plagiarism in a student publication), forgery, alteration or misuse of college documents, records, or identification documents, or furnishing false information to the college.

8. The use, sale, or possession on campus of, or presence on campus under the influence of, any controlled substance, or any poison classified as such by Schedule D in Section 4160 of the Business and Professions Code or any controlled substance listed in California Health and Safety Code Section 11053 et seq., an alcoholic beverage, or an intoxicant of any kind; or unlawful possession of, or offering, arranging or negotiating the sale of any drug paraphernalia, as defined in California Health and Safety Code Section 11014.5.

9. Possession, sale or otherwise furnishing any firearm, knife, explosive or other dangerous object, including but not limited to any facsimile firearm, knife or explosive, unless, in the case of possession of any object of this type, the student has obtained written permission to possess the item from an authorized college employee.

10. Willful or persistent smoking in any area where smoking has been prohibited by law or by regulation of the governing board.

11. Lewd, indecent, or obscene conduct or expression on college-owned or -controlled property, or at college sponsored or supervised functions; or engaging in libelous or slanderous expression; or expression or conduct which so incites students as to create a clear and present danger of the commission of unlawful acts on college premises, or substantial disruption of the orderly operation of the college.

12. Disruptive or insulting behavior, willful disobedience, habitual profanity or vulgarity; or the open and persistent defiance of the authority of, refusal to comply with directions of, or persistent abuse of, college employees in the performance of their duty on or near the school premises or public sidewalks adjacent to school premises.

13. Obstruction or disruption of teaching, research, administrative procedures or other college activities.

14. Committing sexual harassment as defined by law or by college policies and procedures; or engaging in harassing or discriminatory behavior based on race, sex, religion, age, national origin, disability, or any other status protected by law.

15. Persistent, serious misconduct where other means of correction have failed to bring about proper conduct.

In accordance with Education Code Section 76234, the results of any disciplinary action or appeal in connection with any alleged sexual assault, physical abuse or threat of the same shall be made available within 3 school days of the results, to the alleged victim, who shall keep such information confidential.

B. Forms of Discipline:

Students facing disciplinary action are subject to any of the following actions:
Written or verbal reprimand. An admonition to the student to cease and desist from conduct determined to violate the Code of Student Conduct. Written reprimands may become part of a student’s permanent record at the college. A record of the fact that a verbal reprimand has been given may become part of a student’s record at the college for a period of up to one year.

Probation. A period of time specified for observing and evaluating a student’s conduct, with or without special conditions. Probation will be imposed for a specific period of time; the student is considered removed from probation when the period expires. Violation of any conditions during the period of probation may be cause for further disciplinary action.

Loss of Privileges and Exclusion from Activities. Exclusion from participation in designated privileges and extracurricular activities for a specified period of time. Violation of any conditions or Code of Student Conduct during the period of sanction may be cause for further disciplinary action.

Educational Sanction. Work, research projects, counseling, or community service projects may be assigned. Violation of any requirements of assignment or Code of Student Conduct during the period of sanction may be cause for further disciplinary action.

Treatment Requirement. Require enrollment in anger management, drug and alcohol rehabilitation treatment. Such requirement must receive prior approval from the Vice President of Student Services (or designee).

Group Sanction. Sanctions for the misconduct of groups or organizations may include temporary or permanent revocation or denial of group registration as well as other appropriate sanctions.

Removal from Class. Exclusion of the student by an instructor for the day of the removal and the next class meeting. Instructor must immediately report the removal to the Vice President of Student Services (or designee).

Exclusion from Areas of the College. Exclusion of a student from specified areas of the campus. Violation of the conditions of exclusion or Code of Student Conduct during the period of exclusion may be cause for further disciplinary action.

Withdrawal of Consent to Remain on Campus. Withdrawal of consent by the Campus Police for any person to remain on campus in accordance with California Penal Code Section 626.4/626.6 where the Campus Police has reasonable cause to believe that such person has willfully disrupted the orderly operation of the campus. Any person as to whom consent to remain on campus has been withdrawn who knowingly reenters the campus during the period in which consent has been withdrawn, except to come for a meeting or hearing, is subject to arrest.

Short-term Suspension. Exclusion of the student by the President (or designee) for good cause from one or more classes for a period of up to ten consecutive days of instruction.

Long-term Suspension. Exclusion of the student by the President (or designee) for good cause from one or more classes for the remainder of the school term or school year, or from all classes and activities of the college and District for one or more terms.

Expulsion. Exclusion of the student by the Board of Trustees from all colleges in the District.

Disciplinary action may be imposed on a student by:

1. A college faculty member who may place a student on probation or remove the student from class and/or a college activity for the remainder of that class/activity period.

2. The President (or designee) who may impose any form of discipline, including summarily suspending a student when deemed necessary for the welfare and safety of the college community.

3. The President who may recommend “expulsion” to the Board of Trustees.

4. The Board of Trustees who may terminate a student’s privilege to attend any college of the District.

C. Due Process Rights for Suspensions and Expulsions

Definitions:

Student. Any person currently enrolled as a student at any college or in any program offered by Peralta Community College District.

Faculty Member. Any instructor (an academic employee of the District in whose class a student subject to discipline is enrolled), counselor, librarian, or any academic employee who is providing services to the student.

Day. A day during which the District is in session and regular classes are held, excluding Saturdays, Sundays, and District holidays.

Written Notice/Written Decision. Notice sent by personal service or by registered or certified mail with return receipt requested via the United States Postal Service.
**Short-term Suspensions, Long-term Suspensions, and Expulsions:**

Before any disciplinary action to suspend or expel is taken against a student, the following procedures will apply:

**Notice.** The Vice President of Student Services (or designee) will provide the student with written notice of the conduct warranting the discipline. The written notice will include the following:

- The specific section of the Code of Student Conduct that the student is accused of violating.
- A short statement of the facts (such as the date, time, and location) supporting the accusation.
- The right of the student to meet with the Vice President of Student Services (or designee) to discuss the accusation, or to respond in writing.
- The nature of the discipline that is being considered.

**Time limits.** The notice must be provided to the student within 5 days of the date on which the conduct took place or became known to the Vice President of Student Services (or designee); in the case of continuous, repeated or ongoing conduct, the notice must be provided within 5 days of the date on which conduct occurred or became known to the Vice President of Student Services (or designee) which led to the decision to take disciplinary action.

**Conference Meeting.** A student charged with misconduct must meet with the Vice President of Student Services (or designee) for a conference regarding the basis of the charge and the possible disciplinary action that may arise as a consequence. If the student fails to respond within 5 days of the written notice, the Vice President may proceed on the assumption that the charge(s) is (are) valid.

The conference with the Vice President of Student Services (or designee) will be for the purpose of:

a. Reviewing the written statement of the charge(s) as presented to the student;
b. Providing a reasonable opportunity at the meeting for the student to answer the charge(s) verbally or in writing to the accusation;
c. Informing the student in writing of possible disciplinary action that might be taken;
d. Presenting to the student the College Due Process Procedures.

One of the following scenarios will occur:

a. The matter is dismissed, in which case no public record of this incident shall be retained; however, an annual confidential report is required to be submitted to the Peralta Board of Trustees.
b. A disciplinary action is imposed, and the student accepts the disciplinary action.
c. A disciplinary action is imposed, and the decision of the Vice President of Student Services (or designee) is final due to the form of the discipline.
d. A disciplinary action of a long-term suspension is imposed and the student does not accept the long-term suspension. The student must file at the Office of the President a written notice of intent to appeal to the Student Disciplinary Hearing Panel within 5 days of the written decision from the Vice President of Student Services (or designee).
e. A recommendation for expulsion is made by the Vice President of Student Services (or designee) to the College President.

**Short-term Suspension**

Within 5 days after the meeting described above, the Vice President of Student Services (or designee) shall decide whether to impose a short-term suspension, whether to impose some lesser disciplinary action, or whether to end the matter. Written notice of the Vice President of Student Services’ (or designee’s) decision shall be provided to the student. The written notice will include the length of time of the suspension, or the nature of the lesser disciplinary action. The Vice President of Student Services’ (or designee) decision on a short-term suspension shall be final.

**Long-term Suspension**

Within 5 days after the meeting described above, the Vice President of Student Services (or designee) may decide to impose a long-term suspension. Written notice of the Vice President of Student Services’ (or designee’s) decision shall be provided to the student. The written notice will include the right of the student to request a formal hearing and a copy of the College Student Discipline (Due Process) Procedures describing the procedures for a hearing.

**Expulsion**

Within 5 days after the meeting described above, the Vice President of Student Services (or designee) may decide to recommend expulsion to the President. The Student Disciplinary Hearing Panel shall be convened to provide a recommendation to the President. The President shall then decide whether to make a recommendation of expulsion to the Chancellor and Board of Trustees. Written notice of the President’s (or designee) decision to recommend
expulsion shall be provided to the student. The written notice will include the right of the student to a formal hearing with the Board of Trustees before expulsion is imposed, and a copy of the College Student Discipline (Due Process) Procedures describing the procedures for a hearing.

Hearing Procedures:

Request for Hearing. Within 5 days of written notice of the Vice President of Student Services’ (or designee’s) decision regarding a long-term suspension, the student may request a formal hearing. The request must be made in writing to the President (or designee). Any charge(s) to which the student does not respond shall be deemed valid.

Hearings shall be closed and confidential unless the student requests that it be open to the public. Any such request must be made no less than 5 days prior to the date of the hearing.

Schedule of Hearing. The formal hearing shall be held within 10 days after a written request for hearing is received. Student’s failure to confirm attendance at hearing or failure to appear at the hearing without reasonable cause constitutes waiver of the student’s right to appeal. The formal hearing timeline may be tolled (postponed) pending a formal investigation of any discrimination claims by or against the student. Such investigation must be concluded no later than 90 calendar days as required by law.

Student Disciplinary Hearing Panel. The hearing panel for any disciplinary action shall be composed of one faculty (selected by the President of the Faculty Senate), one classified (selected by the President of the Classified Senate), one administrator (selected by the President of the College) and one student (selected by the Associated Students).

The President (or designee), at the beginning of the academic year, will establish the panel, along with alternates. The chair of the committee will be appointed by the President.

Hearing Panel Chair. The President (or designee) shall appoint one member of the panel to serve as the chair. The decision of the hearing panel chair shall be final on all matters relating to the conduct of the hearing unless there is a vote by two other members of the panel to the contrary.

Conduct of the Hearing:
The members of the hearing panel shall be provided with a copy of the accusation against the student and any written response provided by the student before the hearing begins.

The facts supporting the accusation shall be presented by a college representative who shall be the Vice President of Student Services.

The college representative and the student may call witnesses and introduce oral and written testimony relevant to the issues of the matter.

Formal rules of evidence shall not apply. Any relevant evidence shall be admitted.

Unless the hearing panel determines to proceed otherwise, the college representative and the student shall each be permitted to make an opening statement. Thereafter, the college representative shall make the first presentation, followed by the student. The college representative may present rebuttal evidence after the student completes his or her evidence. The burden shall be on the college representative to prove by substantial evidence that the facts alleged are true.

The student may represent himself or herself, and may also have the right to be represented by a person of his or her choice, except that the student shall not be represented by an attorney unless, in the judgment of the hearing panel, complex legal issues are involved. If the student wishes to be represented by an attorney, a request must be presented not less than 5 days prior to the date of the hearing. If the student is permitted to be represented by an attorney, the college representative may request legal assistance. The hearing panel may also request legal assistance; any legal advisor provided to the panel may sit with it in an advisory capacity to provide legal counsel but shall not be a member of the panel nor vote with it.

Hearings shall be closed and confidential unless the student requests that it be open to the public. Any such request must be made no less than 5 days prior to the date of the hearing.

In a closed hearing, witnesses shall not be present at the hearing when not testifying, unless all parties and the panel agree to the contrary.

The hearing shall be recorded by the District either by tape recording or stenographic recording, and shall be the only recording made. No witness who refuses to be recorded may be permitted to give testimony. In the event the recording is by tape recording, the hearing panel chair shall, at the beginning of the hearing, ask each person present to identify himself or herself by name, and thereafter shall ask witnesses to identify themselves by name. Tape recording shall remain in the custody of the District at all times, unless released to a professional transcribing service. The student may request a copy of the tape recording.

All testimony shall be taken under oath; the oath shall be administered by the hearing panel chair. Written statements of witnesses under penalty of perjury shall not be used unless the witness is unavailable to testify.
A witness who refuses to be tape-recorded is not unavailable.

Within 10 days following the close of the hearing, the hearing panel shall prepare and send to the President (or designee) a written recommendation regarding the disciplinary action to be imposed, if any. The recommendation shall include specific factual findings regarding the accusation, and shall include specific conclusions regarding whether any specific section of the Standards of Student Conduct were violated. The decision shall be based only on the record of the hearing, and not on matter outside of that record. The record consists of the original accusation, the written response, if any, of the student, and the oral and written evidence produced at the hearing.

**President’s (or designee’s) Decision:**

Long-term suspension. Within 5 days following receipt of the hearing panel’s recommendation, the President (or designee) shall render a final written decision based on the recommendations of the hearing panel and the Vice President of Student Services (or designee). If the President (or designee) modifies or rejects the hearing panel’s recommendation, the President shall review the record of the hearing, and shall prepare a written decision that contains specific factual findings and conclusions. The decision of the President (or designee) shall be final.

Expulsion. Within 5 days following receipt of the hearing panel’s recommendation, the President (or designee) shall render a written decision either to recommend expulsion or to impose a lesser form of discipline. If the President (or designee) modifies or rejects the hearing panel’s decision, he or she shall review the record of the hearing, and shall prepare a written decision that contains specific factual findings and conclusions. If the President (or designee) decides to recommend expulsion, such recommendation shall be forwarded to the Chancellor and Board of Trustees.

**Chancellor’s Decision:**

A student may, within 10 days of the President’s decision to impose long-term suspension or to recommend expulsion, appeal the decision in writing to the Chancellor. For long-term suspensions, the Chancellor (or designee) shall issue a written decision to the parties and the representatives within ten days of the receipt of the President’s decision. For expulsions, the Chancellor shall forward the President’s recommendation to the Board of Trustees within 10 days and provide an independent opinion as to whether he or she also recommends expulsion.

**Board of Trustees’ Decision:**

Long-Term Suspension Appeal:
The Chancellor’s (or designee’s) decision regarding long-term suspension may be appealed to the Board of Trustees within 10 days of receipt of the Chancellor’s decision. The Board will consider the appeal request, along with the Chancellor’s decision, at the next regularly scheduled meeting. The Board may reject the appeal request and uphold the Chancellor’s decision, or accept the appeal and conduct a hearing. The Board’s procedures for hearing of long-term suspension will be similar to the procedures required for expulsion hearings.

Expulsion:
The Board of Trustees shall consider any recommendation from the President for expulsion at the next regularly scheduled meeting of the Board after receipt of the recommended decision.

The Board shall consider an expulsion recommendation in closed session, unless the student has requested that the matter be considered in a public meeting in accordance with these procedures. (Education Code Section 72122)

The student shall receive written notice at least three days prior to the meeting of the date, time, and place of the Board’s meeting.

The student may, within 72 hours of written notice, request that the hearing be held as a public meeting.

Even if a student has requested that the Board consider an expulsion recommendation in a public meeting, the Board will hold any discussion that might be in conflict with the right to privacy of any student other than the student requesting the public meeting in closed session.

The Board may accept, modify or reject the findings, decisions and recommendations of the President (or designee) and Chancellor (or designee). If the Board modifies or rejects the decision, the Board shall review the record of the hearing, and shall prepare a written decision that contains specific factual findings and conclusions. The decision of the Board shall be final.

The final action of the Board on the expulsion shall be taken at a public meeting, and the result of the action shall be a public record of the District.

**Time Limits:**

Any times specified in these procedures may be shortened or lengthened if there is mutual concurrence by all parties.

**Student Grievance:**

Students who believe that they have been improperly subjected to any of the disciplinary measures stated in this policy may file a Student Grievance with the Vice President of Student Services in accordance with Board Policy 4.43.
Students in Allied Health Programs

Board Policy 4.43B may apply to students who are enrolled in the Allied Health program for clinical performances.

Allied Health: Student Appeal of Dismissal For Clinical Performances

I. Definitions
A. “Days” shall mean working days of the District.
B. Where the procedure refers to action or participation by a District administrator, such as the Vice-President of Student Services, that reference also includes any person appointed as designee.
C. “Cause” is defined in Board Policy 4.43B.
D. “Mistake” “fraud” “bad faith” or “incompetence” shall be as interpreted under Education Code Section 76224.

II. Allied Health Student Grievance Hearing

Student Rights
A student who has been removed by an Instructor for cause under this Policy has the right to an Allied Health Student Grievance Hearing under the following conditions.

1. The student requests an immediate hearing within three days of receipt of the notice of intent to dismiss.
2. The request is submitted in writing to the Vice-President of Student Services and
3. The student submits an approved complaint form as described in the District’s “Student Academic Grievance Hearing Procedure,” Section B.2. within three days of receipt of the notice of intent to dismiss.

Hearing
1. The immediate hearing will be scheduled within seven days of receipt of the formal complaint and request for an immediate hearing. The student and Instructor shall be notified no less than three days prior to the hearing of the date scheduled for the hearing. If the student requests that the hearing be rescheduled, the student waives his/her right to have an immediate hearing within seven days. Peralta Community College District
2. The Allied Health Student Grievance Hearing Committee (Committee) shall be composed of the following:
   a. The Vice President of Instruction, who shall chair the Committee;
   b. One faculty member from the Program who is not a party to the grievance or another faculty member from a related health program may be substituted if necessary (appointed jointly by the PFT and the Academic Senate);
   c. One faculty member from a related health program not involved in the grievance (appointed jointly by the PFT and the Academic Senate);
   d. One administrator of the College who is not the Vice President of Student Services (appointed by the College President);
   e. One student of a Program not involved in the grievance (appointed by the College President).
3. The “Guidelines and Procedures” for the conduct of the hearing as stated in the District’s “Student Academic Grievance Hearing Procedure” shall serve as guidelines for the hearing conducted in accordance with this section, except as provided herein.
4. The Committee shall conduct the hearing and make a recommendation to the Vice President of Student Services based on the evidence and testimony given during the hearing. At least three members of the Committee must agree on a recommendation to the Vice President of Student Services. The Committee shall issue a written report, including a summary of the evidence, summary of the positions of the parties, findings of fact, conclusions on whether the dismissal was for cause or the Instructor’s evaluation was based on fraud, mistake, bad faith or incompetence. The Committee shall make a recommendation to the Vice President of Student Services on whether the student’s dismissal should be reversed or upheld. If applicable, the members of the Committee who disagree with the majority report of the Committee may attach a minority report to the written report. The Committee's written report shall be issued within two days after the hearing is completed and the evidence is submitted by the parties. Peralta Community College

Vice President of Student Services
The Vice President of Student Services may accept, reject or return the recommendations to the Committee for further action. The Vice President of Student Services shall notify the student, Instructor and Committee of his/her decision within one day after receipt of the Committee’s report. The Vice President of Student Services must make his/her decision based upon the findings of fact of the Committee.

Appeal of the Decision of the Vice President of Student Services
The “Appeal Process” described if the “Student Academic Grievance Hearing Procedure” shall be used to appeal the decision by the Vice President of Student Services, as appropriate and applicable.
III. Student Academic Grievance Hearing Procedure

Student Rights
A student who has been removed from the clinical laboratory class for cause under this Policy may, alternatively, file a formal grievance alleging mistake, fraud, bad faith or incompetence in the evaluation of the student's performance under the District's “Student Academic Grievance Hearing Procedure.” Use of this procedure does not entitle the student to an immediate hearing as described above.

Procedure
The provisions of the “Student Academic Grievance Hearing Procedure” shall apply except that the “College Grievance Committee” shall be substituted by the Allied Health Student Grievance Committee as described above.

IV. Academic Accommodations Policy and Procedures

A. Academic Accommodations Policy for Students with Disabilities

The Peralta Community College District, as a group of public institutions of higher education and vocational training, commits itself to a policy of equal opportunity and nondiscrimination for students with disabilities. It is the policy of the District to accommodate requests involving academic adjustments consistent with local, state, and federal laws and regulations.

In the case of a dispute involving the student’s request for academic accommodations or a student’s inquiry regarding the District’s compliance with applicable laws and regulations, the Vice President of Student Services reviews the case and makes an interim decision pending resolution through the grievance procedure Board Policy 4.43. The finding of the grievance committee may be appealed directly to the District Affirmative Action Officer. (BP 5.24)

B. Academic Accommodation Procedures for Students with Disabilities

Implementing Procedures for Board Policy 5.24

Pursuant to Section 504 of the Rehabilitation Act of 1973, Title 5, Section 56027, and Board Policy 5.24, the Peralta Community College District has developed the following procedures to respond in a timely manner to requests by students with disabilities for academic accommodations. Pursuant to Title 5, Sections 56000-56088 the District has developed Disabled Student Programs and Services (DSP&S) at each college to assist students with disabilities in securing appropriate instruction, academic accommodations and auxiliary aids.

The goal of all academic accommodations and auxiliary aids is to minimize the effects of the disability on the educational process. The student with a disability shall be given the opportunity both to acquire information and to be evaluated in a way that allows the student to fully demonstrate his/her knowledge of the subject. The goal is to maintain academic standards by giving the student assignments that are comparable in content, complexity, and quantity.

1. Process to Request Services

When a student requests disability-related services, the student’s disability is verified by the DSP&S professional according to state-mandated criteria. If the student is deemed ineligible for services and wishes to appeal this decision, he/she will follow the District Student Grievance Procedure. Concurrently, the college ADA Coordinator will review the case and make an interim decision pending resolution through the student grievance procedure. The finding of the grievance committee may be appealed directly to the District Affirmative Action Officer.

The DSP&S professional, in consultation with the student, determines educational limitations based on the disability and authorizes the use of any appropriate auxiliary aids and/or academic accommodations. These may include but are not limited to:

a. Auxiliary aids such as a tape recorder, assistive listening device, calculator, computer, taped text or spelling checker used in the classroom and/or in completing class assignments;

b. The use in the classroom of a reader, American Sign Language interpreter, note taker, or scribe, or real-time captioner for students who are deaf or hard of hearing or the presence of guide dogs, mobility assistants, or attendants in the classroom;

c. Testing accommodations such as extended time for test taking;

d. Extending the length of time permitted for course or degree requirements and flexibility in the manner in which specific course content is obtained.

e. Substitution for specific courses required for the completion of general education degree requirements, or substitutions or waivers of major or certificate requirements.

f. Access to Alternate Media such as Braille, large print, or electronic text (e-text).

With the consent of the student, instructors are informed of authorized auxiliary aids and academic accommodations.
It is the responsibility of the instructor to allow auxiliary aids to be used in the classroom or to coordinate with the DSP&S professional for the delivery of academic accommodations. It is the responsibility of the DSP&S professional to make arrangements for and facilitate the delivery of academic accommodations with the disabled student in coordination with faculty, as appropriate. The DSP&S professional will assist with providing the appropriate accommodations and appropriate follow up for DSP&S students. An example of appropriate follow up might be a DSP&S Counselor contacting an instructor and DSP&S student to inquire about the effectiveness of an accommodation.

C. Grievance Procedures

If a student is denied academic accommodations or the use of auxiliary aids by an instructor and wishes to appeal, she/he should contact the DSP&S professional to schedule a meeting with the instructor to discuss and resolve the issue. The student may invite the DSP&S professional (i.e., a DSP&S Coordinator, Counselor, Instructor, Acquired Brain Injury (ABI) Specialist, Learning Disability (LD) Specialist etc.) to attend this meeting. In the case where an unresolved issue becomes a dispute (i.e., an issue that is not resolved informally between the student and the instructor with the assistance of the DSP&S professional), the student may file a complaint through the District Student Grievance Procedure. Concurrently, the college ADA Coordinator or designee will review the case and make an interim decision pending resolution through the student grievance procedure. If the issue is still not resolved, the student may appeal directly to the District Affirmative Action Officer.

D. Meeting General Education Degree Requirements:

When the severity of the disability of an otherwise qualified student precludes successful completion of a course required for graduation from a college within the Peralta Community College District, despite an earnest effort on the part of the student to complete the course or its prerequisite—if appropriate for the disability as determined by a qualified DSP&S Specialist—and despite the provision of academic adjustments and/or auxiliary aids, the student may request a substitution of the course as an alternative method of meeting general education degree requirements. The Evaluation Team will consist of the DSP&S Coordinator, the Department chair or instructor from the discipline of the course or major for which a substitution is being requested, and the appropriate Dean of Instruction. The team may consult, as appropriate, with DSP&S professionals, Associate Vice Chancellor for Admissions and Records and Student Services, and the college Vice President of Instruction in order to make a decision. In assessing requests, the Evaluation Team should consider the anticipated exit skills from the course that can be substituted for comparable exit skills in another course. These comparable skills may be found in a discipline different from the discipline of the original course.

E. Meeting Major or Certificate Requirements

The process for evaluating requests for major or certificate requirements is the same as stated in the section above except that the student may request a substitution or a waiver of the course as an alternative method of meeting major or certificate requirements.

A course substitution maintains the standards of academic rigor of degree programs because the student is required to demonstrate comparable skills. Therefore, requesting a course substitution is the preferred option to meet general education degree requirements. For major or certificate course requirements, course substitutions and/or waivers may be considered.

Course substitutions are applicable for Peralta Community College District and may not be recognized by a transfer college.

F. Evaluation Of Substitution/Waiver Request

a. Documentation
The student will complete the Request for Change of Graduation Requirements Form (available in the DSP&S office) and submit it to the DSP&S professional with the following attachments:

1. PETITION for Substitution/Waiver (obtained from the Admissions Office).
2. LETTER (written by the student) addressing the criteria listed in Part B.
3. EVIDENCE FROM THE DSP&S PROFESSIONAL (DSP&S Coordinator, Counselor, Instructor, Acquired Brain Injury (ABI) Specialist, Learning Disability (LD) Specialist, etc.) verifying the disability and how it relates to the student’s request.
4. DOCUMENTATION of the student’s academic record, the degree requirements for graduation and information about the course in question regarding whether or not it is essential to the student’s course of study, major, transfer goals and/or employment goals as appropriate.
5. ADDITIONAL SUPPORTING DOCUMENTATION can be provided by students.
b. Evaluation of Request

The DSP&S professional will review all documents, outline evidence of the use of all appropriate and available services and academic adjustments and indicate that, according to CRITERIA listed below, that the request is appropriate. The DSP&S professional then signs the Request for Change of Graduation Requirements Form and forwards the packet to the DSP&S Coordinator, who will convene an Evaluation Team.

The Evaluation Team consists of the DSP&S Coordinator, the Department Chair (or an Instructor) from the discipline of the course or major for which a substitution is being requested, and the Dean of Instruction with responsibility for the Division, which includes the discipline of the course substitution. The Evaluation Team meeting is to be chaired by the Dean of Instruction and should consult with the Associate Vice Chancellor for Admissions and Records and Student Services, DSP&S professionals, and the College Vice President of Instruction as appropriate.

The Evaluation Team will assess student requests based on the following criteria:

- **Documentation of the student's disability with specific test scores, when appropriate, and a description of educationally related functional limitations in the academic area under discussion.**

- **Evidence of the student's earnest efforts to meet the graduation requirement, which may include:**
  
  Consistent and persistent efforts in attempting to meet all graduation requirements. Evidence that the student has attempted to take the course in question or its prerequisite with accommodations and has been unable to successfully complete course requirements.

  Regular attendance (i.e., meeting the attendance requirements of the course); completion of all course assignments.

  Use of all appropriate and available services such as tutorial assistance or instructional support classes.

  Use of all appropriate and available academic accommodations such as test accommodations.

  Agreement among the student, DSPS Counselor and the appropriate Disabilities Specialist that, due to the severity of the disability, the student would not be able to successfully complete the course requirements, even with accommodations.

  **Evidence that the student is otherwise qualified such as:**

  The student’s success in completing other course work requirements for the degree/certificate as indicated by a grade point average of 2.0 or greater in degree applicable classes.

  Information about the course in question regarding whether or not it is essential to the student’s Course of Study, Major, Transfer Goals or Employment Goals.

  Information about alternatives to the course in question based on the learning/academic goals of that course.

G. Meeting General Education Degree Requirements

The Evaluation Team’s decision will be made by majority vote. If the Team recommends a course substitution, the Team will request the department to provide a list of previously identified appropriate course substitutions. If the department cannot identify an appropriate course substitution or if the Team concludes that a substitute course is inappropriate due to the severity of the disability, as documented by the Verification of disability and Educational Limitations Form, then the College Vice President of Instruction and the Associate Vice Chancellor for Admissions and Records and Student Services shall be included in the evaluation process to assist with the identification of an appropriate course substitution. To approve recommendations for course substitutions, the Evaluation Team will forward its recommendation to the Vice President of Instruction and then to the Associate Vice Chancellor for Admissions and Records and Student Services. The District Office of Admissions and Records will verify, implement and notify the student.

H. Meeting Major/Certificate Requirements

The process for evaluating requests for major/certificate requirements is the same as those stated above except that the student may request a substitution or a waiver of a course as an alternative method of meeting major or certificate requirements.

I. Grievance Procedure

If the student is dissatisfied with the decision of the Evaluation Team, she/he may follow the Student Grievance Procedure. The finding of the grievance committee may be appealed directly to the District Equal Opportunity Officer. Students can obtain the assistance of the District Equal Opportunity Office at any point during this process.
V. Miscellaneous

Student Right-to-Know Disclosure of Completion, Graduation and Transfer Rates
In compliance with the Student Right-to-Know and Campus Security Act of 1990, it is the policy of the Peralta Community College District and College of Alameda to make available its completion and transfer rates to all current and prospective students. Beginning in Fall, 1996, all certificate, degree and transfer-seeking first-time, full-time students were tracked over a three-year period; their completion and transfer rates are available upon request in the Office of the Vice President of Student Services and in the Office of Instruction. These rates do not represent the success rates of the entire student population at College of Alameda, nor do they account for student outcomes occurring after this three-year tracking period.

More information about Student Right-to-Know rates and how they should be interpreted can be found at the California Community Colleges “Student Right-to-Know Information Clearinghouse website,” located at http://www.cccco.edu/divisions/tris/mis/srtk.htm.

Privacy Rights of Students
The Family Education Rights and Privacy Act (Sec. 438, Public Law 93-380) requires educational institutions to provide: access to official education records directly related to the student; an opportunity for a hearing to challenge such records on the grounds that they are inaccurate, misleading, or otherwise inappropriate; that the College must obtain the written consent of students before releasing personally identifiable information about them from records to other than a specified list of persons and agencies; and that these rights extend to present and former students of the College.

1. Education records generally include documents and information related to admissions, enrollment in classes, grades, financial aid, veterans’ status, disciplinary action, and related academic information. These records are available to District and College personnel who have legitimate educational interests.

2. The Associate Vice Chancellor for Admissions & Records & Student Services, located at the District Admissions & Records Office, has been designated “Records Officer,” as required by the Act.

3. Education records will be made available to currently and formerly enrolled students within fifteen (15) days following completion and filing of a request form with the “Records Officer.” During the informal review, the Records Office may make adjustments or changes not constituting interference with integrity of professional entries.

4. If the above informal proceeding does not satisfy the student, the student may submit a request in writing to the “Designated Official,” the Vice President of Student Services or designee, on forms provided in the Student Services Office. The “Designated Official” will then assign the matter within ten (10) school days to a “Hearing Officer.” The “Hearing Officer” will set a date for the hearing, at the conclusion of which he/she will render his/her decision (within ten days) in writing to the President of the College who shall then sustain or deny the allegations. In the event of a denied allegation, the student may, within 30 days, appeal the decision in writing to the Peralta Community College District Board of Trustees. The Board of Trustees shall meet with the student within 30 days and its decision shall be final.

5. Where the student accepts an unfavorable decision concerning his/her records, or where there is a record of disciplinary action, the student shall have the right to submit a written statement or response to become a part of the record.

6. The Act provides that the College may release certain types of “Directory Information,” unless the student submits in writing to the “Records Officer” that certain or all such information not be released without his/her consent. “Directory Information” at this College includes: (a) student’s name, (b) city of residence (no street address), (c) participation in recognized activities and sports, (d) dates of attendance, (e) degrees and awards received, (f) the most recent previous educational agency or institution attended, and (g) height and weight of members of athletic teams which may be released only by the appropriate athletic staff member or the Director of Athletics.

7. Copies of College of Alameda educational records, except transcripts, may be obtained by the student at a cost of $1.00 per document.

Campus Parking and Safety Regulations
These regulations are strictly enforced. Violators will be cited and vehicles parked illegally may be towed at owner’s expense. College officials do not have authority to rescind or to arbitrate citation matters.

Students must park their vehicles only in authorized lots on the west and north sides of the campus and must pay a Parking Fee of $1.00 a day. Semester parking permits (Fall and Spring) can be purchased for $40 each ($20 each for motorcycles) at the College Cashier’s Office, Room A151. Summer Session parking permits cost $20 each ($10 for a motorcycle). Parking fees and permit costs are subject to change.

Students must not park in unauthorized areas, including red zones, yellow (loading) zones, green (30-minute) zones, blue (disabled) zones, or in areas designated for administrative, staff or faculty parking.
Disabled students whose vehicles display a valid DMV placard and a valid parking permit may park in designated disabled parking zones.

Visitors to the campus may park in green (30-minute) zones for a maximum of 30 minutes. Visitors intending to remain longer than 30 minutes must park in a fee lot and pay $1.00. The campus speed limit is 10 MPH.

Drug Free Campus
Peralta Community College District Board of Trustees Policy 2.32 prohibits the unlawful manufacture, possession, use, sale, exchange or distribution of drugs and alcohol by students and employees on any property owned, rented, leased or used by the District, or at any function or activity operated or sponsored by the District, by any District college or by any college-affiliated organization, regardless of location.

Violation of this policy can result in District and/or college disciplinary action including, but not limited to, probation, reprimand, suspension or dismissal, as well as referral for criminal prosecution under applicable federal, state and local laws.

The District and college counselors will refer students and employees suffering from drug or alcohol dependency or abuse to appropriate counseling, treatment or rehabilitation programs.

Title 5 Regulations
It is the policy of the Peralta Community College District (unless specifically exempt by statute) that every course, wherever offered and maintained by the district, for which the average daily attendance is to be reported for state aid, shall be fully open to enrollment and participation by any person who has been admitted to the college(s) and who meets such prerequisites as may be established pursuant to Chapter 11, Division 2, Part VI, Title 5 of the California Administrative Code, commencing with Section 51820.

Weapons Policy
The unauthorized use, possession or storage of weapons, fireworks or explosives is prohibited on any Peralta college premise (including vehicles) or at any Peralta college sponsored activity. Weapons may include, but are not limited to firearms, pellet guns, bows and arrows, martial arts equipment, switchblade knives, swords, large knives, and clubs.

Smoking Policy
In order to provide a safe learning and working environment for students and employees, smoking is prohibited in all indoor and outdoor campus locations with the exception of designated areas as identified by the colleges and approved by the Board of Trustees.

Academic Integrity/Academic Honesty for Students
The Peralta Community College District and College of Alameda have the responsibility to make every reasonable effort to foster honest and academic conduct. Academic dishonesty defrauds all those who depend upon the integrity of the colleges, its courses, and its degrees and certificates. Academic dishonesty occurs when a student attempts to show possession of a level of knowledge, skill, or accomplishment which he or she does not possess. It is the student’s responsibility to know what constitutes academic dishonesty. If a student is unclear about a specific situation, he/she should speak to the instructor of record.

Nothing in this policy shall be interpreted to discourage collaborative learning or other cooperative methods of learning.

The following list includes, but is not limited to, some of the activities which exemplify academic dishonesty:

1. Cheating:
   a. Copying, in part or in whole, from someone else’s test.
   b. Communicating answers to another student during an examination.
   c. Taking an examination for another student or having someone take an examination for oneself.
   d. Altering or interfering with grading.
   e. Using or consulting any sources or materials not authorized by the professor during an examination, including calculators, dictionaries, or any electronic devices, including texting to obtain information.
   f. Misreporting or altering the data in laboratory or research projects.
   g. Committing other acts which defraud or misrepresent one’s own academic work.

2. Plagiarism:
   a. Incorporating the ideas, words, sentences, paragraphs, or other parts of another person’s writing, without giving appropriate credit, and representing the product as one’s own work.
   b. Representing another’s artistic/scholarly works (such as musical compositions, computer programs, photographs, paintings, drawings, or sculptures) as one’s own.
   c. Submitting a paper purchased or downloaded from a research or term paper service.
   d. Using the content of thought in outside sources (books, periodicals, the Internet, or other electronic sources, or other written or spoken sources) without giving proper credit (by naming the person and putting any exact words used in
e. Writing or creating a speech, essay, report, project or paper for another student.

3. Other Specific Examples of Academic Dishonesty:
   a. Purposely allowing another student to copy from one’s paper during a test.
   b. Giving one’s homework, term paper, or other academic work to another student to plagiarize.
   c. Having another person submit any work in one’s name.
   d. Lying to an instructor or college official to improve one’s grade.
   e. Altering graded work after it has been returned, then submitting the work for regrading without the instructor’s permission.
   f. Removing tests or examinations from the classroom without the approval of the instructor.
   g. Stealing tests or examinations.
   h. Having one’s work corrected for spelling or grammar, if contrary to the rules of the course.
   i. Forging signatures on drop/add slips or altering other college documents.
   j. Facilitating any of the above on behalf of other students.

Faculty members are encouraged to review this policy with their students.

4. Consequences of Academic Dishonesty:
   Please refer to Policy and Procedures for “Student Conduct, Discipline, and due Process Rights,” in this section.

An Associate Degree can be the basis for a career in Education!

Alameda’s Faculty and Staff hold two dozen Associate degrees.
Twelve are from the College of Alameda itself, and four are from other Peralta colleges.
Our Vice President of Instruction began her academic career at a community college!
