Welcome to your 457(b) Plan!

Through our 457(b) plan, you have powerful savings tools available to help you prepare for retirement. You can contribute pre-tax dollars to a qualified retirement plan, and in the future, reap the benefits of setting aside money for your retirement.

As the Plan Sponsor, we will oversee account activity with the assistance of our designated third-party administrator, Great American Plan Administrators® (GA Plan).

About Great American Plan Administrators

GA Plan is here to help make life easier. They are the third-party administrator for our plan. GA Plan can assist you with reviews for distribution, exchange, transfer and loan approvals, as well as provide retirement plan education.

Access information 24-hours-a-day at www.gaplandata.com:

- **Retirement planning.** Use interactive calculators to determine how much to save, effects on your paycheck, your progress toward retirement planning efforts and much more!
- **Allocation information.** View your current allocations and past payments.
- **Distributions and loans.** Learn when and how you can access your money.

Note: The IRS requires the plan sponsor, or their designated third-party administrator, review these and other requests to ensure they comply with 457(b) plan regulations. See the Learning Center and the Forms section for more information.

Please contact your financial professional to take advantage of this retirement savings opportunity.

To start contributions to your selected investment option, please submit a Salary Reduction Agreement to the payroll department.

GA Plan’s role is not intended to replace the services provided to you by your financial professional; rather they are here to ensure our 457(b) plan stays in compliance with IRS regulations.
