

# Stay Connected with myTrustmarkBenefitsWire

myTrustmarkBenefitsWire is an easy way for your members to take charge of their plan.

One of the best ways to get and stay healthy and keep your healthcare costs down is by regularly using your health benefits. But health plans can be confusing, and you might not always know all the resources available to you. We have a way to help.

myTrustmarkBenefitsWire is a digital communication tool that connects with your members via mobile messaging to help them get the most out of their benefits.

Through myTrustmarkBenefitsWire we can send members messages about:

Preventive screening reminders

Seasonal healthcare tips

Helping members understand health spending accounts

Creating more confident healthcare customers

Plan benefits and networks

Using benefits wisely for better health and savings

Expect **more.**  
**Benefit** more.
