9. Enrollment subject to post enrollment audit
10. I agree to pay premiums based on my plan election

I also acknowledge that in accordance with Peralta Community College District Board Policy, civil action may be brought against employees who make false statements or fail to notify the District of change in dependent status.

I agree to pay premium directly from my Peralta Community College District pay. If there are insufficient earnings, I will pay for benefits by personal check within the first 10 days of the coverage month or face cancellation of coverage for non-payment of premium. I understand that I am subject to post-enrollment premium payments audits and may owe for unpaid premiums at the end of the enrollment period. I am subject to imputed income if enrolling a domestic partner.

If I am a part-time hourly faculty member at the time of enrollment, then, in accordance with the PFT 2012-2015 Successor Agreement, effective Fall 2014, the Part Time Community College Faculty Health Insurance Program, as defined by the California Education Code Section 87863 and referred to as the “50/50 Medical Plan” shall only apply to and provider the Kaiser Plan. The 100% buy-in plan for part time faculty set forth in Article 22.G will still be available to all hourly faculty, continuing past practice with the 100% buy-in. Enrollment into the Self-funded (PPO Lite or PPO Traditional) plans is available at 100% of the cost. I understand that re-enrollment for future semesters is not automatic and that I need to resubmit each semester for which I am eligible.
